MESSAGE *from the* ACTING VICE-CHANCELLOR

Bula vinaka and warm greetings to all prospective students!

I would like to begin by thanking you for considering the Fiji National University (FNU) to pursue your academic aspirations.

As Fiji's national university and a major tertiary education provider in the country, we have delivered learning, teaching and research opportunities to our local, Pacific and international students since our formation in 2010.

However, we have a significant legacy as part of Fiji's educational history since the 19th century through our former national institutions that now make up FNU.

FNU remains committed to our vision of being the leading dual-sector university in the Pacific, with a mission to serve the people, the economy and society of Fiji and the wider Pacific region.

Welcome

TO THE
FIJI NATIONAL UNIVERSITY

Dual-sector university

Staying true to our heritage as a dual-sector institution, FNU offers technical and vocational education and training (TVET) and Higher Education (HE) programmes that are aligned to national needs, as well as students' interests and career aspirations.

For generations, the Fiji National University has educated the country's doctors, dentists and nurses, its teachers, creative artists, accountants and lawyers, its engineers, plumbers, tile layers and seafarers, entrepreneurs, quantity surveyors and architects, land surveyors, tourism, culinary and hospitality specialists, computer scientists, mechanics, carpenters and electricians and agriculture, fisheries and forestry experts.

For our prospective students – we know that choosing a suitable tertiary education and career pathway is a crucial step that requires research and planning.

Diverse study programmes

As you flip through the pages of the FNU 2024 Prospectus, I'm certain that you will find a programme that is the perfect fit for you.

All our programmes, from Certificate (Level 3) to PhD level, have been designed in close collaboration with our industry stakeholders and tailor-made to meet the current, and future workforce needs.

Our facilities

Students who join FNU will also enjoy the

high-speed free WiFi available at all our campuses, digital infrastructure that is on par with universities in Australia and New Zealand, our support services and campus life activities, a digital library collection and the new Sports and Wellness Centre at our Nasinu Campus for those who live or study in the Central Division.

The University continuously invests in our infrastructure to ensure our students enjoy an enhanced learning experience in a conducive environment.

Student activities

Whilst our staff are ready to provide the necessary support, students also have the opportunity to engage with the Fiji National University Students' Association (FNUSA) and its campus-based branch associations.

FNUSA offers a variety of cultural, social and sporting initiatives to complement your studies, which gives students a balance between academic and extracurricular activities while at FNU.

Hence, choosing FNU as your university of learning is the start of an exciting and rewarding life.

On behalf of the FNU family of staff, students, alumni and supporters, I wish you every success in your chosen programme, and I look forward to welcoming you to FNU!

Professor Unaisi Naboko-Baba
Acting Vice-Chancellor

Bula!

Bula Vinaka and humble greetings to all prospective students!

Welcome to arguably the most significant year in the history of the Fiji National University Students' Association (FNUSA).

As we reflect and celebrate eight years as the Fiji National University Students' Association (FNUSA), we also look forward to the type of association we want to be for our students. FNUSA was founded on an academic and social justice platform with a rich and active history of students fighting for important causes.

Membership is free and essential. FNUSA is the governing organisation overseeing the Students' Associations of the eleven campuses within the Fiji National University. So I urge all of you to become members of the FNUSA of your respective campuses.

We keep you updated on our campaigns and initiatives and use your student voice when negotiating with the University. We are all here to improve your lives as students at Fiji National University.

Student associations can help students create connections, build relationships, and expand skill sets beyond the classroom. Not only are student associations significant for improving the university experience, the skills and contacts gained from participation in one can help lay the foundation for student success.

At the Fiji National University – the FNUSA is here for you! We are chaired by students, for students. FNUSA oversees internal and external student activities, events, funding, and allocation of resources and facilities.

In addition, each year, students can be elected by their peers to run for committee roles and enhance your experience and knowledge of valuable professional skills such as event planning and organisation, market research, and budgeting – all of which employers seriously value. These can help set you up nicely for exciting positions later in life.

FNUSA exists to bring students together, helping them acclimatise to life at the University, connecting them to other students and alumni and helping students develop transferable skills. Through the association, students can meet others, grow as individuals, and help find their place at school. It's also an excellent way for students to relax and have fun with their peers.

Having the courage to take that first step and putting yourself out there is admirable. While your goal of studying at school is to earn a degree, school is also a valuable opportunity to try something new – so don't be afraid to get out there and experience new adventures.

FNUSA runs social and advocacy services for students, including academic advocacy, financial advocacy, and other support. It houses the Student Council, and looks after all the sporting and non-sporting Clubs and Societies on Campus. We represent students through platforms that concern the learning and teaching of our students.

We believe that every student has the potential to succeed, and we are committed to helping you achieve your goals. Whether you are pursuing a degree in business, engineering, health sciences, or any of our other programmes, we are here to support you on your journey.

I look forward to welcoming more students to our campuses!

Thank you.

FNUSA President

TIONAL RSITY

Our

VISION

To be the leading dual-sector university in the Pacific.

MISSION

To serve the people, the economy, and society of Fiji and the wider Pacific region, by providing education and training for employability, with an excellent student experience; carrying out research with real-world impact, aligned to national priorities and with global relevance; engaging proactively with stakeholders, in our communities, nation and region; and demonstrating leadership in sustainability.

VALUES

- **Care** for ourselves and each other
- **Honesty** in the spirit of continuous improvement
- **Accountability** to our students, stakeholders and funders
- **Service** to our communities, nation and region
- **Excellence** in everything we do

OUR FOCUS

- Education for Employability
- Research with Real-World Impact
- Student Experience
- Financial Sustainability
- Our Environment

About Fiji National University

The Fiji National University (FNU) was established in 2010 with the objectives that it shall promote scholarships, research, free inquiry, academic excellence, and trade competence through this process, the institute would create, disseminate, maintain, and advance knowledge and productivity by teaching, training and other means, for the welfare and needs of the communities of Fiji and abroad the university serves those who may wish to receive higher education including technical and vocational education and training, consistent with international standards of teaching, research, and other academic activities in institutions styled as institutions of higher learning.

The functions of the University are:

- To provide for, and encourage the creation, advancement and dissemination of knowledge, through scholarship, research and teaching to the standards acceptable by the University Council.
- To provide courses of study or instruction, at the levels of achievement the Council considers appropriate, to meet the needs of the community, including technical and vocational education and training.
- To confer higher education awards and awards at other levels as determined by the Council.
- To provide, arrange for or regulate the appropriate training of persons or classes of persons, whether by way of apprenticeship or otherwise, to assist such persons or classes of persons in connection with employment.
- To assist and contribute towards the cost of training, and the promotion of training, of any person or class of persons.
- To participate in community discourse through the application of knowledge generated and advanced at the University to society, industry, and government in an environment where the rights of all are respected.
- To perform other functions given to the University under Section 6 (1)(a) to (g) of Fiji National University Act 2009.

A walk through time

As an institution of TVET and higher learning, Fiji National University has a long history of being relevant to the nation's needs and aspirations, dating back more than 130 years.

1885

Fiji School of Medicine

The School of Medicine was originally established in 1885 as the Suva Medical School to train vaccinators. It has since developed into the premier medical institute of the South Pacific and continues to strive toward excellence in the training and education of health professionals in the region and is now known as the College of Medicine, Nursing, and Health Sciences (CMNHS).

1893

School of Nursing

The School of Nursing is one of the oldest nursing education institutions in the Pacific and has been in existence since 1893. It is now part of College of Medicine, Nursing, and Health Sciences and offers programmes for local and regional students.

1907

Fiji College of Advanced Education

The Fiji College of Advanced Education established in Nasinu and the Lautoka Teachers College (LTC) have become parts of the University's College of Humanities and Education (CHE). LTC is now FNU's Natabua Campus.

2020

Fiji National University

The Fiji National University celebrated its 10th Anniversary as a contemporary Fijian educational and training institute dedicated to achieving academic, training and research excellence. The University continuously enhances its programme delivery, support services and infrastructure to ensure we meet the current and future workforce needs of the nation. FNU remains committed to providing accessible and quality education to all Fijians and our regional and international students.

2010

Fiji National University

Formally established in 2010, FNU now has campuses throughout the country, running a total of more than 300 different programmes registered under the Fiji Higher Education Council (FHEC), with a staff complement of more than 2000. As a new and dynamic institution, yet one with an illustrious history within its parts, FNU is daily developing, innovating, and expanding to provide Fiji and the region with the education and training that they most need.

1973

Training and Productivity Authority of Fiji (TPAF)

The Training and Productivity Authority of Fiji (TPAF), formerly known as the Fiji National Training Council (FNTC), was established in 1973 by the Fiji National Training Act. TPAF became part of FNU in 2011 as the National Training and Productivity Centre [NTPC] to run the University's short courses that are designed to meet the local industry's needs.

1963

Fiji Institute of Technology (FIT)

The former Fiji Institute of Technology (FIT) is now part of the FNU College of Engineering, Science, and Technology (CEST) and it is known as the University's Derrick Campus in Samabula, Suva. It was established to train students in technical and vocational disciplines to meet the human resource needs of Fiji and the region in the fields of engineering, information technology, and sciences. FIT was also a starting point for the College of Business, Hospitality, and Tourism Studies (CBHTS).

1954

Fiji College of Agriculture

The Fiji College of Agriculture was established in 1954 to meet the human resource needs of the country in all areas of agriculture. The College has developed into the University's College of Agriculture, Fisheries, and Forestry (CAFF) at the Koronivia Campus.

It starts at fnu

The Fiji National University is an esteemed institution that provides world-class TVET and higher education programmes. FNU is a vibrant, welcoming, multicultural, and engaging institution that has built a strong foundation of employability, creative culture, and infrastructure.

We take pride in creating an environment where students can learn and grow in a creative atmosphere. Our commitment to providing excellence in teaching, research, modern infrastructure, student support services, and community engagement is unwavering. We are proud to say **YOUR FUTURE STARTS WITH US.**

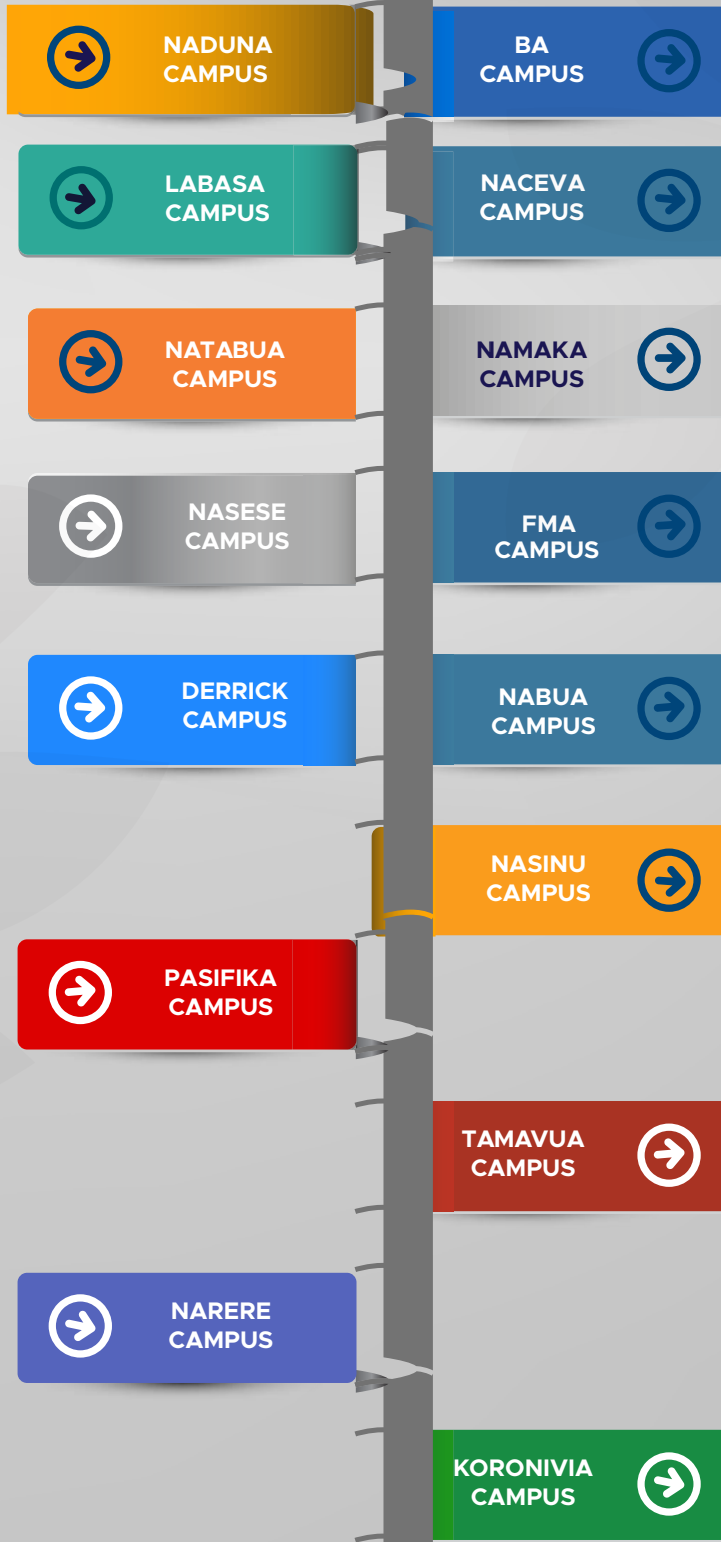

At FNU, we uphold the values of honesty, accountability, service, and excellence. This is because **WE CARE!** We strive to be an ethical leader in our region and take our responsibility seriously. We believe that education is a transformative tool that can empower individuals and communities to achieve their full potential. We take care of our students and are committed to supporting them every step of the way. Whether it's helping them gain access to world-class qualifications or providing a safe learning environment, **WE EXIST TO ENSURE STUDENTS' SUCCESS.**

At FNU, We Provide Endless Possibilities.

From day one FNU sets you on the

path to future success.

Our Nasinu Campus is **located at Kings Road, Valelevu**. It provides study programmes for the College of Business, Hospitality and Tourism Studies (CBHTS) and the College of Humanities and Education (CHE) . This campus is a great asset to the local community as it provides TVET and higher education opportunities in various fields. The campus offers library and student support services, a state-of-the-art Sports and Wellness Centre, modern lecture theatres and tutorial and teaching rooms. Facilities on campus include student accommodation, cafés, the Disability Centre, and the UniClinic. With its convenient location and wide range of courses offered, this campus is an ideal institution for those looking to pursue their studies in business, hospitality or tourism studies, humanities, and education.

NATABUA
Campus

Located in Natabua, 6km away from Lautoka City, the campus provides programmes of study for the College of Humanities and Education (CHE), and the College of Engineering, Science, and Technology (CEST).

The Campus was previously known as the Lautoka Teachers College which was established in the 1970s for In-service and Pre-service Primary teachers.

The Natabua Campus has the most extensive lecture theatre in Fiji, with a seating capacity of 680 people and is appropriately named “Na WereLevu” (The Big House) and recognises the language of the traditional landowners of Lauwaki.

The Campus has well-equipped teaching and learning spaces, including a modern library, ITS labs, Math Help Kiosk, UniClinic, and a multi-purpose court. The campus is well-known for its choir that have beautiful voices. Students can also join and participate in several activities including rugby, netball, hockey, volleyball, soccer, and other environmental and sustainable initiatives.

Student life

LIVING ON CAMPUS

Living on campus is an exciting and unique opportunity that new students should consider. You will experience the true essence of university life, be in the heart of all the action, and make lasting memories with your peers. No more worrying about running late to class because you overslept or got stuck in traffic! In addition, social events and activities will be readily available to you, making it easier for you to make friends and foster relationships that will last a lifetime.

ORIENTATION DAY

A feel of university life

As a new student preparing to embark on your university journey, it's important to understand that attending university orientation is one of the most critical steps you can take to set yourself up for success. University orientation plays a vital role in helping you transition from high school or your previous life circumstances into being a university student. It's often one of the first experiences you'll have as a new student, and it can have a profound impact on your journey as a university student.

CAMPUS SPORTS

Learn and Play

Inter-campus sports competition is a chance for students to showcase their skills, passion, and team spirit. It is an event that brings together students from different campuses, where they compete in various sports categories such as basketball, football, volleyball, futsal, rugby, and many more. It provides an excellent opportunity for students to step out of their comfort zones and participate in healthy competition. It is also a chance for students to represent FNU at the Fiji University Student Association [FUSA] games later in the year.

SPORTS FACILITIES

Keep Engaged!

At Fiji National University, we care about your health and wellbeing. To be physically fit during your time at university, students have access to a variety of sporting facilities on our campuses, including our brand-new, state-of-the-art Sports and Wellness Centre. Being physically active can help you feel more energised, improve your mental health, and perform better academically. One of the programmes offered by the University, the Oceania Sports Education Program (OSEP) workshop, allows you to become qualified as a sports administrator on your campus.

JOIN A CLUB

Join a club to interact with various social groups! The University offers a variety of clubs where you can engage with other students who share your interests and to participate in events and activities both on and off campus. To enhance your soft skills, you can opt to join the debate club, sports club, environment club and many more.

FIELD TRIPS

There's adventure around every corner!

Field trips are an essential component of university education. They provide students with invaluable opportunities to apply the theories they learn in class to real-world situations. The benefits of field trips go beyond just enhancing students' academic performance. They help students develop essential life skills that are crucial for their success both inside and outside the classroom. One of the primary advantages of field trips is that they provide practical learning experiences for students which can enhance their knowledge of the programme they study.

CULTURAL EXPERIENCE

A colourful canvas of cultural expressions

The Fiji National University is not just a place of academic excellence. It is a hub of cultural diversity and experiences that will leave you with memories to cherish for a lifetime. The university is known for hosting regular cultural performances that showcase Fiji and the Pacific's rich cultures. These performances bring together students, staff, and locals to celebrate and appreciate the rich heritage of Fiji and the Pacific. You can witness traditional dances, music, costumes, and cuisine from all around the country. It is an excellent opportunity for new students to learn about cultural diversity at the university.

FNU STUDENT ENVIRONMENT AMBASSADOR

Celebrate every day as environment day

Are you passionate about the environment and want to make a difference in your community? Look no further! Become an FNU Student Environment Ambassador! As an FNU Student Environment Ambassador, you will have the opportunity to educate your peers and promote sustainable practices on campus, make a positive impact on the environment, and also gain valuable leadership skills and experiences that will benefit you in your future career.

Student SUPPORT

Our Student Support services are designed to help students with their daily well-being and provide solutions to their queries. Residential life, Student Health & Wellness, Campus Life, Career Services, Student Disability Services, Counselling, and the Uniclinic are a few of the student support services that contribute to an interesting student experience at FNU. We prioritise the well-being and success of our students above all else. After all, we believe that the quality of our student support services reflects the quality of our institution. That's why we provide a comprehensive range of support services to ensure that our students feel supported, heard, and empowered throughout their academic journeys.

WE ARE HERE TO
SUPPORT YOU AT
FNU!

UNICLINIC

When it comes to healthcare, choosing the right provider can make all the difference. With so many options out there, it can be overwhelming to decide where to go. But if you're a student, college member, or staff at a university, your best option is likely the university clinic. UniClinic is conveniently located on campus. This means that you don't have to travel far to get the care you need. Whether you need a routine check-up or have an urgent medical issue, you can easily access care without having to leave campus. Students can utilise the free consultation services offered at the Uniclinic.

COUNSELLING

FNU
IS here
FOR YOU

FNU also offers resources for mental health support. The University's counselling centre provides free and confidential services to students who may be dealing with stress, anxiety, depression, or other issues that impact their mental well-being. It's important to remember that mental health is just as important as physical health and is often more intertwined than we think.

The stresses of academic life can take a toll on our mental well-being, and it's crucial to seek help when needed. By providing accessible and supportive mental health resources, FNU is working to ensure that students can thrive both academically and personally while they're studying at our institution.

CAREER

Services

SHOW EMPLOYERS
YOU HAVE WHAT THEY
ARE LOOKING FOR!

As a student, the prospect of finding a job after graduation can be unnerving. However, with the help of university career services, this daunting task can become more manageable.

The career and placement team provides the following services:

- Job seekers and businesses can register for online placement portals;
- Workshops on CV Writing;
- Practice Interviews and
- Careers Fair and Employer Chat Sessions.

Student HEALTH AND WELLNESS

As a student, you're likely juggling many responsibilities: attending classes, completing assignments, holding down a job, maintaining relationships with friends and family - the list goes on. It's no surprise that maintaining your health and wellness can sometimes fall to the bottom of your priority list. However, it's important to remember that taking care of yourself should always be a top priority. It's incredibly difficult to excel academically or personally if you're feeling run down, stressed out or unwell. That's why we're thrilled to highlight the resources available to students at FNU when it comes to health and wellness. From on-campus healthcare services to mental health support and resources for healthy living, FNU is dedicated to supporting students in all aspects of their lives.

Student **DISABILITY SERVICES**

EQUAL ACCESS TO EDUCATION

At the Fiji National University, we are dedicated to developing an inclusive educational system with a welcoming, encouraging, and empowering atmosphere for students with special needs. The University has policies in place to ensure that all students have equitable access to opportunities for social participation and academic success. We promote support services, fair academic accommodations, inclusive Sports Workshops, disability awareness among university constituents, and full assistance for students with special needs to accomplish their objectives. To achieve this, a welcoming environment with carefully designed amenities has been created to increase accessibility for learning.

STUDENT

Support

The Centre for Learning and Teaching Enhancement (CLTE) provides the following support services to ensure all students are supported to excel in their academic journey at FNU.

Math Help Hub (MH²) – is a service that provides mathematical and statistical support and advice to students from all disciplines.

English Language Hub (ELH) – is a flexible tutoring service with workshops, open and free English as a Second Language (ESL) courses, and a range of resources.

Peer Assisted Learning (PAL) – offers free-of-charge structured study sessions facilitated by peer students (PAL Leaders) who are students with a strong academic record and have successfully completed the courses themselves.

Foundation Mathematics Proficiency Assessment – is a self-directed online course to help students assess their mathematical skills.

One-on-one consultation – is a private and confidential, personalised session with a Student Success Specialist. Students can discuss, examine, and develop specific strategies to address their academic concerns.

Study Groups – is a peer support programme for collaborative learning for courses not supported under PAL.

Workshops and webinars – are conducted throughout the semester on a range of significant topics that include Zoom, Mendeley, Active Listening, Note-taking and Participation, Word Processing, Proofreading, PowerPoint, Reflective Writing, Literature Review, and Paraphrasing.

Online Enrichment Courses

Learning to Learn Online (LTLO) and Learning with Academic Integrity (LAI) are non-credit, self-paced courses to provide students with the necessary skills to succeed in university studies. LTLO develops students' skills to become competent online learners. LAI helps students better understand academic integrity regulations at FNU.

Guide to Effective Learning (GEL) – is a series of self-help guides to help students get the most out of their studies and time at FNU and beyond. These guides offer valuable strategies for developing academic and personal skills.

FIRST-YEAR EXPERIENCE

Support

FYE Mobile App - is an app designed to help students make an excellent start to their learning journey at FNU.

Succeed@FNU - is an online course to help students learn about FNU's processes and regulations, the support systems available at FNU, and the importance of taking care of themselves.

First-Year Fridays - are Friday virtual sessions from weeks 2-4 of each semester where students learn about university life, share their experiences, and raise their queries via discussions with Student Success Specialists.

NoquBuddy - This programme provides first-year students (noquBuddy Mentees) with the opportunity to connect with a second-year or above full-time FNU student (noquBuddy Mentor) who helps them adjust well to university studies.

First-Year Survival Guide - is a guide for first-year students to settle well at FNU.

Glossary of Terms - is a list of terms and abbreviations used at FNU.

For more information, email clte@fnu.ac.fj

Flexible AND E-LEARNING

Students at FNU have the option of studying at their own pace, at any time, and from anywhere that suits them, including their homes, places of employment, or other convenient locations. This is referred to as flexible learning. The University's Centre for Flexible and E-Learning (CFEL) works with the Colleges to develop courses and programmes for Online and Blended (e.g. Online + Face-to-face) modes of learning through Moodle, FNU's official Learning Management System.

There is flexibility in the time, place and pace in which students interact and engage online. Students will be able to access course materials using Moodle, take part in online quizzes and exams, interact with lecturers and classmates, and submit assignments. Additionally, students can use Mahara to construct and submit electronic portfolios for evaluation and utilise Turnitin to electronically check their assignment similarity matches.

Flexible learning (Blended and Online modes of learning) is a great alternative for students who cannot physically attend classes on campus or can only attend in a limited capacity. For more information refer to CFEL's webpage via <https://www.fnu.ac.fj/learning-teaching/about-us/centre-for-flexible-e-learning/> on the FNU website.

STUDENT FINANCIAL SUPPORT TO UNLOCK YOUR

Talents

FNU BURSARY SCHEME

The Fiji National University Student Bursary Scheme provides financial assistance to full-time local private students who have enrolled into any undergraduate Bachelor's Degree programmes or Postgraduate Studies programmes at FNU.

WHO IS ELIGIBLE TO APPLY?

Entry is open to all enrolled students at FNU who have paid the mandatory enrolment fees and enrolled in a bachelor's degree programme or a postgraduate programme with a full load (60 credit points).

To be considered, the applicant must have applied to Student Bursary Scheme and met the following conditions:

- Be a Fiji Citizen.
- Must have obtained a high school passing mark (Year 13) and have a minimum of 60% pass in each subject aligned to the respective discipline.
- Continuing students to have obtained an average of B.
- Postgraduate students should have a minimum average GPA of 3.0 and above in their undergraduate degree programme.
- Must not receive any other scholarship at the time of application and during the study.
- Combined household salary of less than \$30,000.
- Applicant should not have any disciplinary cases.
- Applicant should not have any outstanding fees or fines.

SCHOLARSHIP VALUE

\$2000 Tuition Assistance

will be distributed in Semester 1 and Semester 2 to each student

We at Fiji National University understand how important it is to make excellent learning opportunities available to all. In light of this, we provide our students with financial aid in the form of scholarships and support packages, as well as the most reasonable tuition costs in the nation. This enables our students to successfully complete their courses of study.

STUDENT FINANCIAL AID PROGRAMME

The FNU Student Financial Aid Programme is open to all privately-enrolled students in an undergraduate programme at the University.

This scheme allows eligible students to work for the University during non-class periods. FNPF deductions will be made, with the pay directed to the University to compensate for fees owed

For further information please visit the link <https://www.fnu.ac.fj/student/finance-it/student-financial-aid/> or <https://www.fnu.ac.fj/study/student-support/financial-support/>.

OPTION/ MODE OF PAYMENT

Fee Payment Plan

Tuition payments may be postponed and divided into instalments to be paid on specified dates at the start of the semester, trimester, or quarter.

Payments must be made on time and in accordance with the University's payment agreement. The entire Payment Plan must be completed two weeks prior to the final exam. The obligation to make all payments under the Payment Plan does not necessarily end with the cancellation of registration.

For further information please visit the link <https://www.fnu.ac.fj/study/student-support/financial-support/>

The scholarship will be held by the student for a term of three years. To be eligible to continue to receive an allocation in the second term, the student must maintain a full load, be enrolled and have an average of B grade. The scholarship may be terminated if the student withdraws, has any disciplinary issues or does not meet the criteria.

The Office of Learning and Teaching [OLT]

As a student at FNU, you have access to an array of resources and services that are designed to support your academic success. From the English Help Hub and Maths Help Hub to Peer Assisted Learning and First Year Experience, our team provides you with the tools you need to excel in your studies. But it's not just about what we offer on campus. So, if you're looking for more than just another degree – if you want a truly transformative educational experience – then look no further than FNU. Join us today!

Graduation

Graduation is a joyous occasion shared by the University community as we celebrate our students who have successfully completed their studies at FNU.

During this ceremony, students wear academic regalia, such as caps and gowns, and are presented with their degree or diploma.

Graduation ceremonies are attended by the FNU Council, Senior Leadership Team and College academic and support staff.

The families, friends and supporters of the graduates are also invited to attend the ceremony to witness the occasion. Live streaming services are provided for regional and international families who are unable to attend.

LIBRARY RESOURCE CENTRE

As a student, you can access these libraries and gain valuable knowledge that will help shape your academic journey. With 16 libraries at your precinct, there is no excuse for not taking advantage of this incredible resource. Whether you are studying law, medicine, or engineering - our libraries cater to all disciplines and provide an extensive range of resources including books, journals, and online databases.

A book is an

ADVENTURE

waiting to happen

By utilising the Fiji National University's library facilities, you can enhance your learning experience by accessing high-quality information that will broaden your understanding of various subjects. Not only does this benefit you academically, but it also prepares you for future career prospects as employers seek individuals who possess strong research skills.

OUR *Regional* FOCUS

As an educational institution, FNU has always been committed to providing quality education to all students. We believe that it is our responsibility to cater specifically to the needs of our regional students. These students come from unique cultural backgrounds and often face challenges that are different from those faced by other international or local students. By providing access to higher education opportunities for the Pacific region, we can help build their capacity and contribute towards sustainable economic growth and development.

CAFF

College of Agriculture, Fisheries
and Forestry

YOUR CAREER DREAMS

Agriculture Business
Advisor, Biosecurity
Officer, Forest
Technician, Fisheries
officer, Livestock
Extension Officer,
Entrepreneur and
many more.

The College has two schools and eight departments, offering nine technical and vocational education and training (TVET) programmes, four Bachelors, four Masters (coursework and research) programmes, and a PhD in Agriculture, Fisheries, and Forestry. The College is strongly engaged in community activities, including contract research for stakeholders.

The College has a diverse range of students from Fiji as well as the Solomon Islands, Vanuatu, Papua New Guinea, Kiribati and Tuvalu who are undertaking our programmes.

Notable mention

Our Alumni, dating back to the Fiji College of Agriculture which was established in the 1950's, are making significant contributions to the development of the primary industries in Fiji and across the South Pacific Islands.

Post-COVID, the primary industry has faced unprecedented challenges, and more interest has been focused on the primary industry through the support of local producers, and at the individual level to enhance productivity.

CHE

College of Humanities
and Education

YOUR CAREER DREAMS

- Teacher
- Researcher
- Policy Maker
- Journalist
- Media Entrepreneur
- Or a Creative Artist

The College of Humanities and Education (CHE) has three schools and seven departments offering various programmes, from Certificates to PhD-level. The College is continually modifying and reviewing its courses to keep up with industry and community needs. To provide more accessible learning, the College offers options for online and blended learning.

Notable mention

The college works closely with various stakeholders to engage the students in industrial attachment. For example, the School of Communication, Language and Literature works closely with representatives of the Fijian media industry so that our undergraduate Media and Journalism students can get first-hand experience in their field. The same industry collaboration approach is practiced by the Hairdressing Department and School of Education.

In meeting the human capacity development need of Fiji society, the College has recently developed diploma and degree programmes in Counselling to train counsellors to meet the psycho-social and varied needs of our communities. The college and its constituent schools and departments work in collaboration, to contribute to the university's mandate, to support national development. It does this through appropriate skill building in teaching and research in both academic and TVET programmes and partnership with industry through advisory committees.

CHE prioritises recycling and environmental improvement schemes and works with staff and students to green the FNU campuses and enhance the natural environment of our local communities.

CMNHS

College of Medicine, Nursing
and Health Sciences

YOUR CAREER DREAMS

- Doctor
- Nurse
- Dietician
- Pharmacists
- Oral Surgeon
- or a Physiotherapist

The College of Medicine, Nursing, and Health Sciences (CMNHS) was formed by the merging of two of Fiji's oldest health and medical institutions, the Fiji School of Medicine, and the Fiji School of Nursing. The College comprises five schools and nineteen departments offering a range from Certificate to Course work Masters level, Clinical Masters programme to High Degree by research (HDR) programmes.

Notable mention

Our College has a diverse blend of Fijian and Pacific students from countries such

as Tonga, Samoa, Federated States of Micronesia, Tokelau, Tuvalu, Papua New Guinea, Vanuatu, the Solomon Islands and East Timor, to name a few. Our students continue to provide service to our communities by implementing projects in their individual practical-based courses. The College is committed to being the premier health education provider, workforce training and health research institution in Fiji and the Region.

CEST

College of Engineering, Science
and Technology

YOUR CAREER DREAMS

- Engineer
- Architect
- Electrician
- Mechanic
- Land Surveyor
- Or a Scientist

The College of Engineering, Science, and Technology (CEST) has six schools and fifteen departments offering various programmes, from Certificates to PhD-level.

The College is dedicated to assisting the nation's economic and social development by providing relevant, high-quality education and training, as well as applied research with a beneficial societal impact. Engineers and scientists, with their ingenious and creative abilities, play critical roles in our increasingly complicated modern world.

The students are mentored by motivated academics who are eager to pass on their knowledge to the next generation. This implies that students are surrounded by people who are

eager to test their intellectual limits and learn from one another.

Majority of the FNU campuses offer CEST programmes. The College enjoys a multicultural environment since students and faculty members come from various countries and areas.

Notable mentions

The College understands how important it is for our programs to be internationally accredited and benchmarked. Engineering New Zealand (ENZ) is now pursuing international accreditation of the Bachelor of Engineering (Honours) programs in Civil, Electrical, Electronics, and Mechanical Engineering. Five Diploma (Level 6) programmes received international accreditation in 2023 from ENZ in the fields of civil, electrical, electronics, and mechanical engineering.

CBHTS

College of Business, Hospitality
and Tourism Studies

YOUR CAREER DREAMS

- A Chef
- Accountant
- Economist
- Digital Specialist
- Human Resources Specialist
- Or An Entrepreneur

The College of Business, Hospitality and Tourism Studies has four schools and eight departments offering various programmes, ranging from Certificates to PhD-level. The college is the hub for majority of the TVET programmes.

Notable Mention

The college continues to enjoy its accreditation and recognition from agencies like CPA Australia, the Board of Legal Education, and the Fiji Institute of Accountants.

On the learning and teaching front, CBHTS began its implementation of Assurance of Learning (AoL), which saw first-year students receive effective learning services through an enhanced learning and teaching approach.

CBHTS is also building international links by appointing several international academics as adjunct professors for research supervision and teaching and hosting international visiting scholars at the College.

FMA

Fiji Maritime Academy

YOUR CAREER DREAMS

- Ship Captain
- Chief Engineer
- Watchkeeper
- Port Operations Officer
- Navigation Officer
- or a Marine Surveyor.

FMA is the country's only maritime training institution and welcomes local and regional students.

The major goal of FMA's programmes is to provide Preparatory Courses for seafarers to qualify for the Maritime Safety Authority of Fiji's (MSAF) Certificate of Competency (COC) examination. All obligatory safety courses for seafarers working onboard vessels are also conducted by FMA.

The Academy develops programmes in accordance with the International Convention on Standards of Training, Certification, and Watchkeeping for Seafarers (STCW), as amended, and syllabi recommended by the International Maritime Organisation (IMO)

Model Courses to meet international standards in seafaring.

The Academy awards a Diploma in either Nautical Science or Marine Engineering to students. Graduates then go on to pursue a career as a Deck Officer or Engineer, starting at Class III Watchkeeper. If students have sea time on a foreign going vessel over 3000 GT for deck officers and a 3000 KW engine capacity for Engineers, they can progress to Class I Management Level. The Academy now offers Bachelor in Nautical Science.

The Academy conducts short courses in rural communities and outer islands.

NTPC

National Training and Productivity Centre

YOUR CAREER DREAMS

- Fashion Designer
- Caregiver
- Construction Worker
- Chef
- IT Technician
- or an Automotive Engineer.

National Training and Productivity Centre is the leading provider of skills training for Fiji's industries. Each year, we deliver over 600 courses, and our mission is to provide you with the right skills to help you attain employable skills in the competitive job market. As part of our mandate, NTPC has always been at the forefront of providing Technical and Vocational Education and Training (TVET) programmes to the trade sectors in Fiji. The Departments of Automotive and Mechanical, the Department of Construction, and the Department of Electrical and Electronic Engineering spearhead the provision of TVET courses. A wide range of programmes are tailor-made to boost any organisation's overall efficiency and productivity in Fiji's trade industries. The technical programmes offered at NTPC consist of 70 percent practical learning and 30 percent theory. The Centre also offers tailored courses and in-house training depending on the industry's requirements to bridge the existing skills gap needed for the workforce.

NTPC hosts some of the significant events/conferences which are:

- Fiji Business Excellence Awards
- Fiji OHS Conference and Awards
- National Conference on IT
- National Convention on Quality
- National Trainers Conference
- Business Excellence Conference

NTPC offers a wide range of training in collaboration with its overseas-based partners, such as the Australian Awards programme in partnership with TAFE WSI/NSW, National Safety Council of Australia (NSCA), Australia Pacific Technical Coalition (APTC), and Pivot Point Fiji Institute, including Fitness College.

NTPC continues to run successful skills training short courses and in-house skills training to suit the dynamic of Fiji's vibrant industries.

National Apprenticeship Training Scheme

The role of the National Apprenticeship Training Scheme is regulated and administered by the National Training & Productivity Centre through support from the industries to address the skills required and to produce a competent and certified workforce for the organisations. The Scheme aims to develop a more skillful Fijian workforce that delivers long-term benefits for our nation and international competitiveness.

The apprenticeship scheme is a tripartite agreement between the Apprentice, employer, and NTPC. The apprentices are monitored and trained by competent personnel from the industry for three to four years. It allows the individual (Apprentice) to be paid as an employee while they learn on the job, simultaneously studying for academic awards part-time at the University.

For more information, visit our website on <https://www.fnu.ac.fj/ntpc/>

<https://www.fnu.ac.fj/ntpc/>

Sustainable Development

Goals

The Fiji National University (FNU) is committed to achieving the United Nations' Sustainable Development Goals (UNSDSDGs) through its learning, teaching and research aimed to address 17 key global issues that are interconnected, many of which are relevant to the core operations of the University.

SDG Goal 4, which highlights the need for quality education, also aligns with the institution's aim to be the premier national University providing quality and relevant higher education, technical and vocational education and training, research and development in Fiji.

Quick Fact

FNU was ranked for the first time in the Times Higher Education (THE) 2022 Impact rankings. The rankings measure an institution's research, outreach, teaching, and stewardship.

Below are several Goals achieved or addressed by FNU in various ways:

GOAL 4: QUALITY EDUCATION

1. First-ever Primary School Awareness Programme (PSAP) session held on 24-28 April 2023 for students in Years 6, 7 and 8;
2. Inaugural Career Teachers Workshop for high school teachers around the country.

GOAL 13: CLIMATE ACTION

Formalised a partnership with Waste Recyclers Fiji Limited and Pacific Recycling Foundation to implement the I-Recycle Hub to complement the University's recycling initiatives.

GOAL 16: PEACE JUSTICE AND STRONG INSTITUTIONS

Students, staff, and participants discussed women and youth representation and participation, and key learning outcomes from the recent general elections during workshops held at the Fiji National University (FNU).

GOAL 17: PARTNERSHIP FOR THE GOALS

The Fiji National University (FNU) and Monash University launched the world-first Pacific Action for Climate Transitions (PACT) research centre, which will be jointly based across the two universities and focuses on the critical links between business and climate change and finding real-world solutions to communities at the frontline of our changing environment.

(FNU) HIGHER DEGREE BY RESEARCH

Research and innovation are critical to Fiji National University's (FNU's) aspirations in knowledge creation and knowledge exchange as a regionally relevant and globally competitive University.

Due to this, FNU has targeted research with real-world impact as a key pillar of the 2021-2026 FNU Strategic Plan.

FNU offers higher degree by research (HDR) programmes at the levels of Masters by Research and Doctor of Philosophy (PhD) across all of the University's disciplines and provides a conducive learning environment to our researchers, academics, research students and collaborative research partners with renowned global top universities.

The University is committed to addressing global and regional sustainability challenges through its response to the United Nations Sustainable Development Goals, especially through impactful research in the field. FNU welcomes and looks forward to your contributions.

Testimonial

#PROUDALUMNI

I managed to complete my studies in 2018 even though I was working and a part time student. I am thankful to the sincere and incredible support from my lecturers at FNU.

ABRAHAM CHONGKIT

Project Coordinator
(Digital and Health Information) for Tetra Tech.

How to APPLY

How Ap

ENQUIRE

1. Log onto: www.fnu.ac.fj
2. Browse through the list of Programmes :
<https://www.fnu.ac.fj/study/program/>

01

APPLY ONLINE

1. Click on the link:
<https://www.fnu.ac.fj/study/apply/>
2. Fill in the Application Form.

02

SUBMISSION

1. Upload all required documents
[Birth Certificate | Passport size photo/Photo ID | TIN Letter/FRCS Card | Secondary School Results / Index number (if applicable) | Medical Support Letter (applicable for Medical Conditions & Disability) | Affidavit of Parental Consent (applicable to UNDER 18 years of age applicants) | Tertiary Certificate and Transcript (if applicable) | Reference from Employer (if applicable) * Research Intent (Applicable for HDR Applicants)
2. Submit your application

03

How to
Apply

REGISTRATION CONFIRMATION

05

1. Proceed to the Student Self Service via the link <https://self-service.fnu.ac.fj/StudentSelfService/> and register for courses according to your programme structure. Student's offer letter contains the username and password for registration.
2. Obtain invoice from Finance Office.
3. Pay Enrolment Fees.
4. Validate your student ID card from Student Academic Services.

04

OFFER LETTER

1. Receive a Provisional Offer Letter [if you are waiting for exam results]
 - *Receive an Acknowledgement Letter for CMNHS programmes if you are waiting for exam results*
2. Receive Offer Letter [Should you meet the Minimum Entry requirement of the programme]
 - Students receiving an Offer Letter for quota-based programmes need to accept the offer by confirming on email (This applies to all CMNHS programmes and CEST quota programmes).
3. If you have not received your Offer Letter, contact our team via email at: **admission@fnu.ac.fj** or text (toll-free) **857** for Vodafone and Inkk users.

HOW DO I

Register for or Withdraw from Courses?

- 1.1. Open Student Self Service link <https://self-service.fnu.ac.fj/StudentSelfService/>
- 1.2. Enter student **User Name** and **Password** to sign in.
- 1.3. Click on **Banner Menu** icon
 - 1.3.1. Click **Banner > Student > Registration > Banner Registration**
- 1.4. Select **Register for Classes**.
 - 1.4.1. If you want to view your programme and units offered for the study term then click **Banner > Student > Programme Structure**
 - 1.4.2. On the Programme Structure/Catalogue page, under **criteria**, select an academic year.
 - 1.4.3. Click on **find programme & search for your programme**.
 - 1.4.4. Click on which **year's programme structure** student is following and view which units are offered.
 - 1.4.5. Click **three times** to go back for registration of units. Click on **Registration and Register for Classes**
- 1.5. Select the **Term** from the drop down menu.
- 1.6. Click **Continue**.
- 1.7. Search for the **Subject, Course Number** that you plan to register in and click Search. This will display a **list of courses** at different campuses. Search under which campus you are attending and click **add**.
 - 1.7.1 The selected course(s) will be added in the **Summary** section
 - 1.7.2 Finally click on **Submit**.

Legend: Required Not Required

2

Registration Process (New Students)

- 2.1 Students' offer letter will be emailed to their email address with username and password credentials for registration.
- 2.2 Proceed to Student Self Service via link <https://self-service.fnu.ac.fj/StudentSelfService/> and register into courses. Consult the ICT Helpdesk on icthelpdesk@fnu.ac.fj if assistance is needed.
- 2.3 Students are encouraged to obtain an approved programme structure from the FNU Website via link <https://www.fnu.ac.fj/student/programmes/> and keep the approved programme structure for the duration of their studies, referring to it for further registration into the courses.
- 2.4 You will be required to log in into your official student email account and this should be used for all communication with FNU.

3

Invoice

- 3.1. Upon registration into units, your invoice will be emailed to your student email address from Finance Office. You can also email RevenueQueries@fnu.ac.fj to further enquire about your invoice.
- 3.2. **Payment of fees:** Fees to be directly deposited to FNU's account as shown on the invoice.

4

Orientation

Orientation for new students is compulsory. Please check your official student email and Academic Calendar:

<https://www.fnu.ac.fj/student/academic-services/academic-calendar/> for more information.

5

Student Identification Card

- 5.1 Produce your receipt/deposit slip to the ID Card Section based at the Academic Offices at Ba, Lautoka, Nadi, Labasa, Samabula, Hoodless House, Koronivia and Nasinu campuses for issue or validation of your Student ID Card.
- 5.2 Produce a validated Student ID card to the Supervisor(s) appointed for the examination at the respective 162 location.
- 5.3 Produce a validated Student ID card when requested by any staff who reasonably requires proof of identity for the performance of his/her duty.
- 5.4 Keep your validated Student ID card securely at all times and loss of the same should be reported to any Academic office as soon as possible.
- 5.5 You may apply for a replacement card at a cost.

6

Change of Programme/ Unit(s)

- 6.1 If you wish to change your programme, you shall do so before the end of the first week of lectures. Contact the Academic Office or email admission@fnu.ac.fj
- 6.2 If you are sponsored, then an approved change of programme form from the sponsor must be submitted.

7

Online Application for Cross Credit

- 7.1 Complete the application for cross credit in the first two weeks of registration if applicable to you. Online application can be made via the FNU website via link <https://www.fnu.ac.fj/student/academic-services/application-for-credit-transer/>
- 7.2 Please get an Online Password from ITS helpdesk icthelpdesk@fnu.ac.fj before applying.

8

Self Service Drop/Withdraw Course(s)

- 8.1 Courses can be dropped through Self Service Drop Course during enrolment period. Click on the available Action list, choose Drop CRN and click Submit. The **"DROP"** option will not be available after the course commences. For more information on dropping courses, contact the Academic Office or email to admission@fnu.ac.fj
- 8.2 Failure to do so will result in the student being awarded a 'fail' or "DNC" ("Did Not Complete") grade in the final assessment of their overall result for the unit and payment of full fee for the unit registered into.

9

University Academic & Student Regulations

163

- 9.1 The University Academic & Students Regulations (UASR) stipulates the rules and regulations that govern the university's academic and student activities.
- 9.2 The UASR also provides guidelines for use of university properties & facilities, Intellectual Property, grievance procedures and the student misconduct provisions.
- 9.3 Students are encouraged to familiarise themselves with the UASR and comply with the provisions stated therein.
- 9.4 A copy of the UASR can be obtained from the University website at Policies and Regulations via link: <https://www.fnu.ac.fj/wp-content/uploads/2020/04/University-Academic-Student-Regulation.pdf>

OPEN DAY

The Fiji National University opens its doors to prospective students every year, offering them the chance to explore the campus and get a better idea of the educational opportunities the University provides.

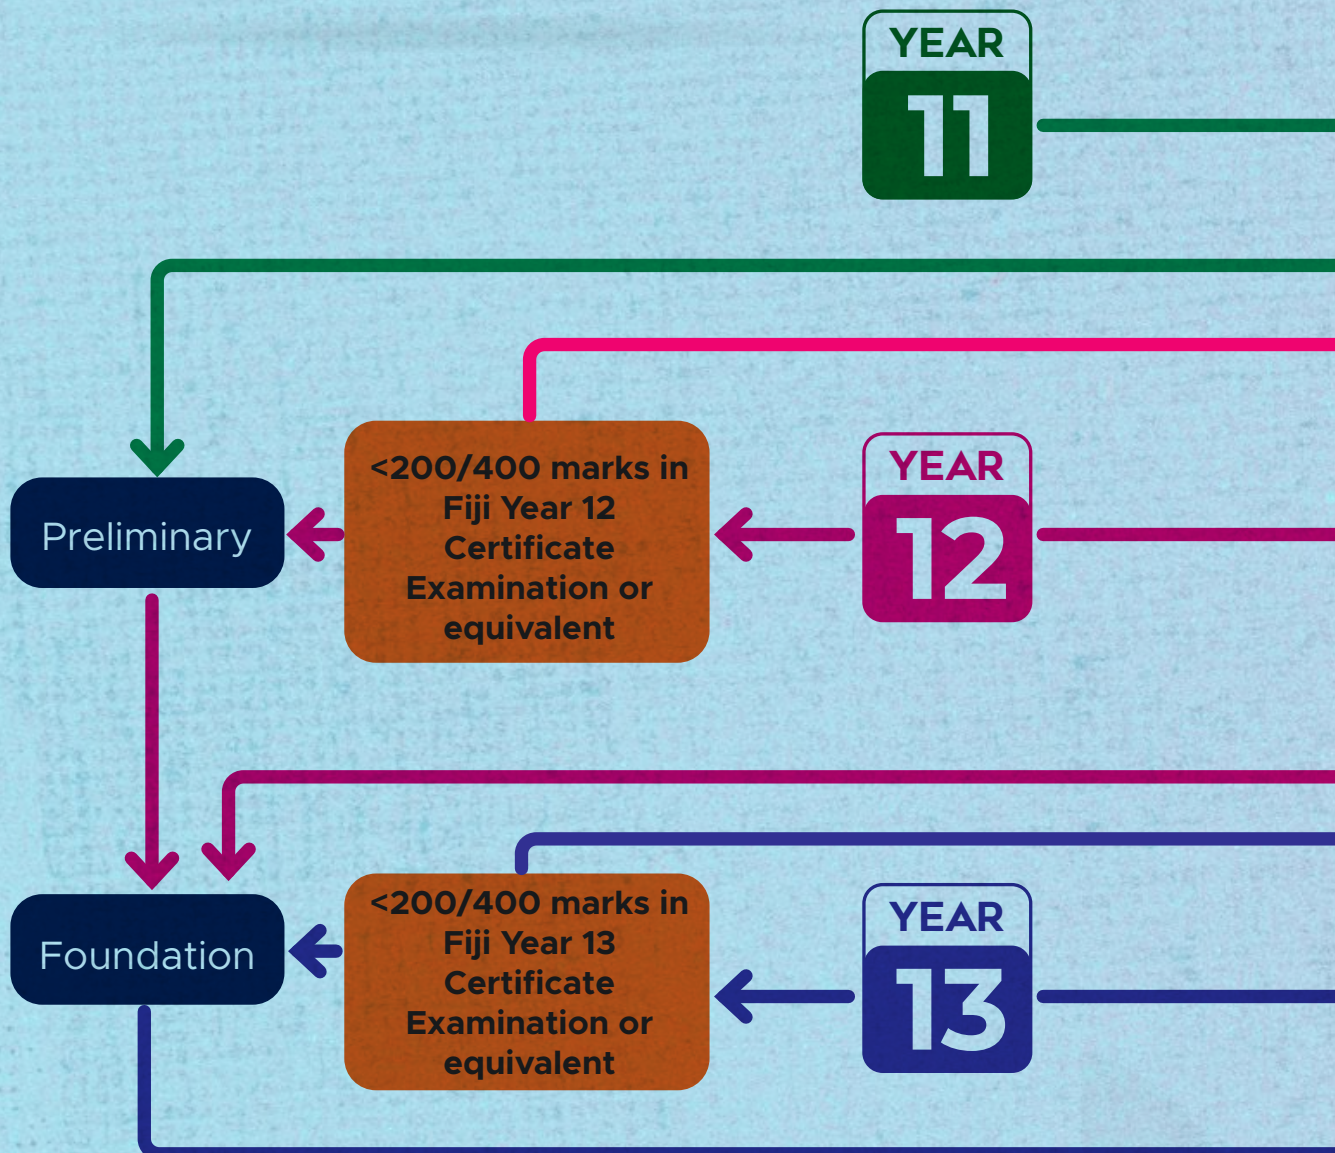

The Open Day is an ideal opportunity for students to learn more about what the University can provide them with, both academically and socially. They can also learn about the available student support services and scholarships.

The Open Day gives prospective students, parents and guardians, stakeholders, and youth, religious and community groups the opportunity to get a glimpse and feel of being part of the FNU community of learners.

Pathways **GENERIC**

Extra Information

The general minimum entry requirements include particular threshold marks and subject requirements. Quota based programmes are those where due to the nature of specialisation, limited places are available in a course or programme to accommodate the number of applicants. For such programmes, the number of admissions shall be controlled. This applies to College of Medicine, Nursing and Health Sciences programmes, Certificate IV in Aircraft Engineering (Avionics and Mechanical Engineering), Diploma and Bachelor of Engineering (Honours) in the following majors: Civil, Electrical and Mechanical.

For all programmes, the University reserves the right to set threshold marks and subject requirements. This information shall be available from Colleges and Academic Office or link provided: <http://programmes.fnu.ac.fj/programmes/>

TVET PASIFIKA

FNU's TVET Pasifika brand embodies the FNU values of working closely with industries to provide education for employability. TVET Pasifika includes our five academic colleges, the National Training and Productivity Centre, and the Fiji Maritime Academy.

TVET Pasifika offers prospective students a one-stop location where they can explore, research, and enrol in programmes at FNU that enhance their employability and satisfy their personal and professional goals.

Why TVET at FNU?

FNU has a proven track record of providing Technical and Vocational Education and Training (TVET) that is of the highest calibre, applicable to the industry, and aligned with all significant job sectors.

To produce the best graduates, our TVET lecturers have the necessary academic qualifications as well as practical industry experience to attract a highly skilled workforce that is made available, enabling them to compete and prosper locally, regionally, and internationally.

For more information on the TVET programmes and the endless opportunities we have for you, visit <https://www.fnu.ac.fj/tvetpasifika/programmes/>
