BIWITECH DINEVIEW

Revolutionize the Visual Experience in Your Restaurant

In a world where innovation and technology are key to differentiation, restaurants, cafes, and bars need dynamic and efficient solutions to attract customers and enhance the dining experience. Biwitech DineView Display allows you to modernize and optimize communication in your establishment, offering a digital alternative that transforms the way you present your menus, promotions, and advertisements.

With an elegant and functional design, this digital signage solution eliminates dependence on traditional printed menus, allowing for real-time updates to prices, dishes, and special offers at no additional cost. Furthermore, its intuitive and eye-catching interface enhances the customer experience, facilitating quick and effective decisions.

Key Benefits for Your Business:

Increase Sales and Conversion

- **Dynamic Promotions:** Change offers and menus in real time, encouraging impulse purchases.
- **Impactful Digital Advertising:** Highlight star dishes and special combos with attractive images.
- **Cross-Selling and Up-Selling:** Recommend complementary products to increase the average ticket.

Savings in Operating Costs

- **Eliminate Printing Materials:** Save on stationery and reduce waste.
- **Longer Durability:** High-quality screens with over 50,000 hours of lifespan.
- **Energy Efficient:** LED technology that optimizes energy use.

Modernize and Differentiate Your Business

- **Innovative and Professional Image:** Project a technological and modern restaurant.
- **Elegant and Adaptable Design:** Available in 32", 55" and 65" sizes for any space.

• Greater Operational Efficiency

- **Instant Update:** Modify prices and dishes without printing or replacing physical menus.
- **Fewer Errors and Confusion:** Always up-to-date information to avoid discrepancies in orders.

Ideal for:

• Fast food

• Cafeterias

• Bars

• Entertainment

Biwitech DineView – Available in 3 Sizes for Every Need

Biwitech DineView offers three screen sizes to suit any type of restaurant, cafe, or food court:

Biwitech DineView offers three screen sizes to suit any type of restaurant, cafe, or food court:

DV-32inch: Compact and versatile, ideal for countertops and tight spaces.

DV-55inch: Standard size for optimal visibility in high traffic areas.

DV-65inch: Large format for immersive experiences in digital menus and featured promotions.

Choose the perfect size to enhance your visual communication and improve the customer experience.

Maximum Versatility with Biwitech DineView: Horizontal and Vertical Use

Biwitech DineView offers complete flexibility with its horizontal and vertical rotation capabilities, allowing you to display content in the format that best suits your business.

- **Landscape Mode:** Ideal for digital menus in restaurants, cafes and food courts, providing a clear panoramic view.
- **Portrait Mode:** Perfect for featured promotions, dynamic ads, and signage in hotels, stores, and shopping malls.
