ABOUT US

POTHIGAI SOAP, are the market leaders when it comes to the best quality soaps and detergents. The huge ranges of our products are extremely famous and liked by our huge client base. Set up at Alangulam, Tenkasi, Tamil Nadu, we have maintained our top position in the industry since years now. Our product range starts from various types of soap including personal care, baby care to utensil soap and much more. In the detergent category our offering includes, metric detergent, power detergent as well as liquid detergent. This wide range of product offering has allowed us to put a lot of our competitors behind and give them a tough competition in the industry. With continuous efforts and new avenues, we aspire to maintain our hold over the industry and keep on growing in the years to come.
