159± Acres with Home in Parkland County, AB

Located only 10 minutes from Entwistle, this 159± acre property in Parkland County offers a rare blend of residential comfort, recreational freedom, and income potential—all in a beautifully private, natural setting. Selling with a reserve of \$550,000, this versatile parcel includes a spacious home, usable farmland, and oil lease revenue.

Set back from the road and surrounded by trees, the 2,163 sq ft home was relocated to the property in 2013 and offers three levels of flexible living space. The main floor includes a sunken living room with wood stove, oak kitchen with updated appliances, an office, and a 2-piece bath. Upstairs are three bedrooms, including a spacious primary suite with walk-in closet and ensuite bath. The walk-out basement features plumbing rough-ins, in-floor heat, and a second wood stove—plus a self-contained, 2-bedroom suite with private entrance, rented at \$1,500/month (non-legal; buyers to verify with local municipality).

The land itself includes 20± acres of hayable ground, rolling terrain, treed areas, and abundant wildlife, including elk and deer. A producing oil lease generates approximately \$3,200 annually. Utilities and hookups are in place to support additional development, including RV campsites or future buildings.

Additional features include a heated double garage, solar-powered entry gates, natural gas BBQ/hot tub hookups, several outbuildings, and potential for up to 10 RV stall sites.

A Buy It Now option is available until August 19. Register to bid in the reserved online auction, September 9–11, 2025.

MAX BID

- The **Max Bid** is the highest amount you have bid on a lot and is only visible to you. Until someone bids above it, you are the **Winning Bidder**. You can edit your Max Bid at anytime.
- Our **Auto Max Bidding System** ensures that if another bidder places a bid below your Max Bid, they will be instantly outbid until you reach one increment higher than your max bid.

INDIVIDUAL LOTTING

- Most of the lots in our auctions have different closing times and are subject to their own time extension, not affecting other lots' closing time.

GROUP LOTTING

- Group Lotting** means that several lots are bundled together and share the same closing time.
- Group Lots can be identified by the thin gray outline surrounding them, and **GROUP (## Lots)** in the top left corner.

Note: Each lot within the group can be sold at a different price and/or to a different buyer

TIME EXTENSION

If a bid is placed in the last 2 minutes of the close time, the countdown will automatically reset to 2 minutes to ensure everyone has time to bid.

BEING OUTBID
