# Build your financial fitness for a bright future

The money habits you develop now set the pattern for years to come. One tip to help you build financially healthy habits is to use the 50/30/20 rule for budgeting your money.

This rule states that your after-tax income should be roughly divided three ways:  
50% to needs • 30% to wants • 20% to long-term savings

# Protecting Smiles Across

# New Mexico

More than 3 million teeth will be knocked out this year while practicing or participating in youth sports across the country. The **Delta Dental Mouth Guard** provides 2x the impact absorption of traditional mouth guards & was the first mouth guard to receive the ADA Seal of Acceptance from the American Dental Association.

**Delta Dental of New Mexico is proud to provide Delta Dental Mouth Guards to school athletics programs across the state FREE of charge!**

» Thin design ensures it stays in the athlete's mouth, making it easy to breath and speak

» Scientifically proven to provide up to 2x the impact absorption of traditional mouth guards

» Patented fitting material provides a comfortable custom fit and works with braces

**In 2023, we've provided over 10,600 mouth guards to student athletes across the state of New Mexico!**

## GUARD YOUR GRIN

Delta Dental of New Mexico is committed to improving the overall health and smiles of the people we serve. Our Mouth Guard Program benefits schools, students, and their families.

### PREVENTING INJURY

Wearing a mouth guard minimizes the impact of concussions & other injuries to the teeth, tongue, lips, jaw, & face.

### ORTHODONTIA FRIENDLY

The patented fitting material molds comfortably over braces, and can be remolded again and again as teeth move.

### SAVING FAMILIES MONEY

Preventing sports-related orofacial injuries can save a family thousands of dollars over a lifetime.

### MORE TIME FOR LEARNING

Reducing orofacial injuries in school sports keeps kids in the classroom, and out of the emergency room.
