Indian Ocean Supporting Responsible Tourism

Aware of the impact global environmental issues can have on a Small Island Developing State, the Indian Ocean has made climate change adaptation and mitigation a priority. By introducing a number of thoughtful economic, social and environmental initiatives, many of our hotels are rising to the challenge.

1 Island Rehabilitation

For the past few decades many hotels in the Seychelles have been working hard to restore the natural habitat to its pre-discovery state. Fregate Island Private were well ahead of their time with sustainability measures when they planted a large nursery over 30 years ago, which has allowed indigenous species of flora and fauna to flourish once again. North Island's Noah's Ark rehabilitation programme has seen bird species like the White-tailed Tropicbird and Wedge-tailed Shearwater return naturally. Meanwhile the Giant Aldabra Tortoise population has risen to almost 100, the number of critically endangered Hawksbill Turtle has doubled and record numbers of Green Turtles are also nesting.

2 Marine Conservation

Blue Safari is a fresh concept in the Seychelles and is advancing low impact ecotourism by promoting conservation and welcoming visitor participation. Guests can contribute to scientific research on a manta ray identification trip, even naming those they discover, or help conservationists monitor turtle tracks and observe hatchlings take their first steps towards the ocean. In 2017, Six Senses Zil Pasyon began a coral regeneration project, resulting in the successful transportation of more than 1000 grown corals onto the reef. The most resilient species were selected in the hope that they will have a greater chance of survival during destructive bleaching events like El Niño.

3 Zero Waste

In a gradual move towards zero-waste, Gili Lankanfushi initiated a policy of no plastics and were the first resort in the Maldives to use a compost machine to convert 90% of food waste into fertiliser for their organic garden, while LUX* Le Morne were the first resort in Mauritius to achieve zero food waste. Eco conscious new arrival SALT of Palmar were quick to follow, as well as providing innovative solutions to environmental issues such as biodegradable plastic alternatives for straws, bamboo toothbrushes packaged in crushed limestone paper, paperless check-in, digital room keys and organic bathrobes made from coffee beans plus numerous still, sparkling and alkaline water refill points.

5 Carbon Mitigation

Pioneers in responsible tourism, Soneva have been carbon neutral since 2012 and are committed to offsetting emissions, including guest air travel, with ingenious ventures like the Myanmar Stove Project. Realising that 82% of their natural capital cost comes from food, they also increased dependence on their vegetable garden and boldly removed beef from the menu. Similar initiatives can be seen elsewhere, including Fregate Island Private, which sources 80% of food from their plantation garden and hydroponics house plus Hilton Seychelles Labriz Resort & Spa grows 10 kilograms of produce through aquaponics each week. By reducing imports, they have cut emissions and provided fresh, organic produce that is also good for the environment.

4 Community Engagement

Heritage Resorts' Mobile Marine Education Unit brings the classroom to the people, raising awareness of environmental issues such as climate change, the importance of plankton and how certain ecosystems, like mangroves and seagrass, can protect the coastline during natural disasters. Meanwhile, Six Senses Laamu's Sustainability Manager, Megan, has been awarded for her work with the atoll's local communities. She has engineered projects like the Eku-Eky Programme and the Sustainability Fund, where 0.5% of total revenues are allocated to sustainable development projects. Soneva's staff also invest in the community, by setting up water bottling plants on their own islands, organising local waste management training and providing swimming lessons for kids.

Enjoy the simplicity of nature elegantly combined with the decadence of 5-star luxury, including tiny islands offering a Robinson Crusoe-style experience, resorts with award-winning spas and imaginative amenities, and suites stilted over iridescent shallow lagoons. The islanders have an endearing sense of humour and a willingness to share and educate, so you will always feel welcome. “Maldives for me is somewhere you can never tire of, its sheer natural beauty and white sand beaches are so welcoming, every island and hotel offers something special. From observatories to an underwater suite and restaurants, plus guided snorkelling trips, romantic meals on deserted islands and even a golf academy. I recommend spending a few nights cruising the waters and staying on more than one island.”

“Honestly, the pictures just do not do it justice. The beaches are immaculate with soft white sand and the water is tantalisingly clear. If you are lucky enough to visit then be sure to dive beneath the surface, exploring vibrant coral and marine life reminiscent of an underwater garden. Also head out to explore a couple of the granite and outer coral islands, which showcases the diversity of this unique destination in all its natural glory.”

With an astonishing array of facilities and activities, guests can indulge in the things there is never time to do on land. Add to all this the outstanding first-class service from attentive crew and sumptuous accommodation, and it is understandable why cruises attract guests time and time again.

To truly capture the joy of cruising, opt for one of the more intimate, luxurious ships of Silversea, Crystal Cruises, Regent Seven Seas Cruises, Seabourn, SeaDream Yacht Club and Star Clippers, each transporting guests to amazing destinations often out of reach of larger vessels. While these companies share similarities in terms of service and dedication to guest enjoyment, they differ in size, style and the unique voyage experiences they provide. Though magical in its own right, a cruise can also feature as part of a bespoke itinerary, designed to enhance a special travel experience and provide an altogether more relaxing means of discovery. Our chosen cruise partners offer a number of exciting itineraries which can be combined with any of our featured properties pre and post cruise. With endless combinations available there is sure to be something for everyone.

Natalie Bradburn-Lewis

Senior Travel Advisor

"There's really only one way to see the sea; onboard a luxury cruise. The smaller vessels offer an altogether different experience, able to take you to those special destinations that lie out of reach of larger ships. Though they may be smaller they are no less impressive, offering a host of fabulous facilities and 5-star services sure to wow passengers."

Silversea

Experience all-suite luxury cruising on one of the intimate Silversea ships. Understated sophistication and tastefully designed suites allow guests to enjoy a relaxed voyage, while a crew-to-guest ratio of nearly one-to-one promises exceptional service. Life onboard Silversea involves a myriad of all-inclusive delights, with leisurely days and refined evenings combining to create a welcoming atmosphere.

Regent Seven Seas Cruise

The impressive Regent Seven Seas fleet includes the larger all-suite and all-balcony Seven Seas Mariner, Seven Seas Voyager and Seven Seas Explorer, with Seven Seas Splendor joining in 2020, while the smaller Seven Seas Navigator accommodates an exclusive 490 guests. Each voyage offers the highest levels of personal service, fine food and free unlimited shore excursions in all ports of call.

SeaDream Yacht Club

A welcome retreat for just over a hundred guests, these inviting and relaxed voyages differ to those onboard larger ships. Mega-yachts SeaDream I and SeaDream II navigate the seas in comfort and with 5-star service but with the freedom to dock in otherwise inaccessible yachting playgrounds. Launching in 2021, SeaDream Innovation is a larger ocean-going vessel offering a global yachting experience to just over two hundred guests.

Crystal Cruises

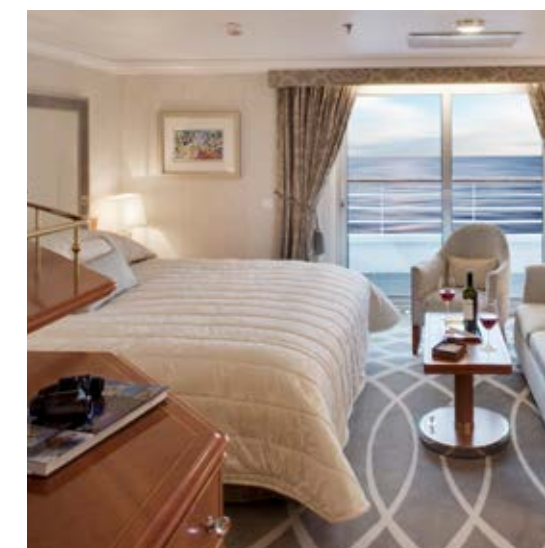

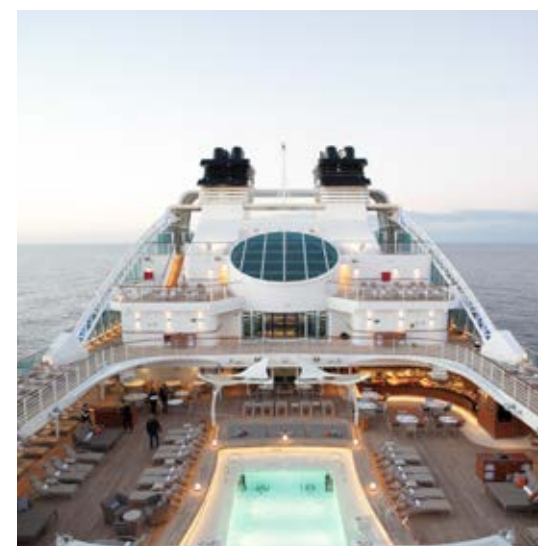

Acclaimed for over two decades, Crystal Cruises boast first-class service, elegant spacious accommodation and a multitude of experiences, both on land and at sea. The larger ships Serenity and Symphony are joined by the intimate 62-guest yacht Crystal Esprit, and together combine to make up a luxurious all-inclusive fleet. Crystal Endeavor, a 200-guest all-suite luxury expedition yacht, joins the fleet in 2020.

Seabourn

Luxurious and sophisticated, enjoy all that these vessels have to offer, from the all-suite accommodation, welcoming social spaces and delicious dining venues, to the thoughtful activities and entertainment. The award-winning Seabourn Odyssey, Seabourn Sojourn, Seabourn Quest, Seabourn Encore and Seabourn Ovation are to be joined by Seabourn Venture in 2021, helping to ensure that this remains the youngest and most modern fleet at sea.

Star Clippers

These impressive ships, including the full-rigged, five masted Royal Clipper, epitomise the elegance of the grand age of sailing. Operating three of the world's largest and tallest sailing ships, passengers enjoy the lifestyle and laid-back atmosphere of a private yacht. Accommodation Categories

The accommodation featured throughout our brochures carries no official hotel ratings and the room category terminology is that set by the hotel. Generally, the room categories and prices are determined by location within the resort/hotel e.g. proximity to the beach or pool. It is important to note that facilities vary quite significantly and due to the nature of the property may omit certain amenities such as televisions and air conditioning to retain the resort's authenticity or ambience. If a particular amenity is essential to your requirements, please check that this is available at the time of booking.

Non-Featured Properties

We have the ability to book properties that are not featured in our brochure or on our website, however these are sold on a purely transactional basis and are therefore not booked with the same level of knowledge or contacts as our featured hotels.

Flight Times

The scheduled flight times detailed on your Confirmation Invoice are provisional and subject to change. Final timings will be advised to you on your travel documentation shortly before the departure date.

Luggage Allowance

Luggage allowances and permitted items vary from airline to airline and we recommend that you check the luggage policy of the airline(s) with which you are flying or ask us for further details.

Travel Documentation

Your travel documentation will be posted to your travel agent first class approximately 21–14 days prior to departure. Please check the documentation carefully and inform your travel agent of any errors or omissions as soon as possible.

Passport and Visa Requirements

It is solely your responsibility to obtain any passports, visas, health certificates, international driving licences, entry requirements and other travel documents required for your holiday. Please note that we do not accept any responsibility or liability if you cannot travel, or incur any other loss because you have not complied with any passport, visa or immigration requirements or any health formalities. See our Terms & Conditions for more information.

A valid ten-year British Passport, with a minimum validity of at least six months on the arrival date back in the UK, is required for all holidays featured in our brochures. Should your passport be in the final year of validity we advise you to thoroughly check the requirements of the country you intend to visit prior to finalising your travel plans. For further detailed information please visit the Identity and Passport Service website <https://www.gov.uk/browse/abroad/> passports. Non British Citizens must check their passport and visa requirements prior to booking with the Embassy or Consulate of the country they intend to visit.

Advance Passenger Information System (Apis)

Due to airline security measures, it is now essential that all persons travelling provide us with full and accurate passport information (Advance Passenger Information) before they travel. We are required to provide details of your destination accommodation, country of residence, name on your passport, passport number and date of birth to your airline. At the time of booking it is imperative that this information is provided to us accurately as it appears on your passport. Failure to do so could result in the airline refusing to allow you to board the aircraft or the country of destination refusing you entry. Please also be aware that airlines are unlikely to allow a subsequent name change after booking without financial penalty for which we cannot be held liable.

Health Requirements

We strongly recommend that you contact your GP or other medical professional for advice concerning the country you are visiting as early as possible, as health requirements such as required vaccinations can and do change. If you have a medical condition or are taking any medication then you should get clearance from your doctor prior to travel and we recommend that you carry a copy of the prescription with your medication. Further sources of information can also be found by visiting www.nathnac.net, www.masta-travel-health.com or www.fitfortravel.nhs.uk.

Prescription Drugs

Some prescribed and over the counter medicines that are available in the UK are considered to be controlled substances in the United Arab Emirates (UAE). Any such medication is not allowed into the UAE without prior permission from the UAE Ministry of Health. In addition, a doctor's prescription must be carried with any medication that is taken into the UAE. If a passenger arrives in the UAE without prior approval and the required documentation, the medication will not be allowed into the UAE and the person may be subject to prosecution under the laws of the UAE. If you require clarification regarding your medication, please contact the UAE Embassy in London for further information.

Travel Advice

The Foreign & Commonwealth Office recommend that all British Travellers refer to their 'Know Before You Go' section on their website for the latest and up-to-date travel advice for your destination prior to departure. Please refer to www.fco.gov.uk. You can also call ABTA's Consumer Information Line on 0203 117 0599 (UK calls only).

Health And Safety

Applicable safety standards throughout our featured destinations are those of the country concerned and may not be the same standard as those expected within the UK. Please be aware that in some cases it can be lower. We therefore strongly advise you to exercise increased levels of care and diligence when

abroad. We urge you to familiarise yourself with your surroundings, paying particular attention to fire procedures, fire exits and pool areas.

The depth and design of hotel pools vary and it may be the case that some hotels do not have poolside lifeguards present. Please take care in these situations, having first familiarised yourself with the depth of the pool and means of exit. This is especially important for any children you may have with you and you should ensure that they are supervised at all times.

Unfortunately, it is the case that crime occurs the world over and it is important that you take the same responsibility for your personal safety and possessions as you would at home. To reduce the chances of anything unpleasant happening, we recommend that you take appropriate precautions such as avoiding poorly lit areas at night, if you are unsure where you are going ask your local representative or hotel reception for directions and advice on the local area, lock windows and doors, avoid carrying too much cash and use the in-room safe (where applicable) for passports and expensive items. We enclose with our travel documentation ABTA's Guide 'How to have a safe and healthy holiday in the sun' and we recommend that you read this as it contains important travel advice.

Check-In/Check-Out

Check-in and check-out times vary from hotel to hotel but it is generally the case that rooms are available from 2pm onwards on the day of arrival and must be vacated by 11am on the day of departure. Should you require specific timings please ask us for further details.

Dress Code

Dress codes vary between hotels and destinations. Please note that many religious sites and palaces require that legs and shoulders are covered and that shoes are removed. Please contact your travel agent or Lusso should you require further information with regard to dress code.

Local Customs & Etiquette

It is important to familiarise yourself with local customs and cultural etiquette as these can be quite different to Western cultures and can convey very different meaning.

Building Works

We aim to ensure that your arrangements will not be affected by substantial refurbishment or located in an area of significant building works. However, in certain developing areas building works are almost unavoidable and can begin without prior notice. Should we become aware of works that may adversely affect your holiday we will notify you and your travel agent as soon as possible.

Drinking Water

You will find that, regardless of the standard of the hotel, the quality of the water differs from that in the UK. Some people may experience upset stomachs from even high quality water. We advise that you drink bottled water. Please contact a medical professional if you require any further advice.

Utilities

Supplies of water and power in most of the destinations we feature are more than adequate. While it is uncommon, in some of the less developed or more remote destinations you may experience power and/or water restrictions. Please be patient while the hotel rectifies the problem.

Special Requests

We take pride in being able to assist our clients wherever possible with any special requests you may have. However, these must be advised to us in writing at the time of booking. While every effort will be made by us to try and arrange your special requests, we cannot guarantee that they will be fulfilled (please see our Terms & Conditions for more details).

Religious And National Festivals

During certain religious and national festivals it may be the case that certain transport and recreational facilities are restricted such as restaurant/shop opening times. The holy month of Ramadan is celebrated in the UAE, Oman and the Maldives and begins in the ninth month in the Islamic calendar.

Ramadan 2020: 23 April to 23 May.

Ramadan 2021: 12 April to 11 May.

Please note that these dates are based on astronomical calculations. During the month of Ramadan, Muslims fast from dawn to sunset. Throughout this month, eating, drinking or smoking in public spaces during daylight is considered a public offence and is punishable by law. However, it will still be possible to eat and drink in the hotels as normal. A conservative dress code should also be observed.

Alcohol and Electronic Cigarettes

It is a punishable offence to drink, or to be under the influence of alcohol, in public. Please be aware that on religious holidays such as Ramadan, alcohol bans may apply in hotels. Electronic cigarettes are illegal in the UAE and are likely to be confiscated at the border. Please note that alcohol may not be brought into the Maldives or when entering by road into Oman from Dubai and is likely to be confiscated.

Data Protection

To comply with the Data Protection Act we would like to advise you that we have taken appropriate measures to protect the personal information held by us. We must advise you that for us to provide you with the products or services you require, it will be necessary to provide the personal information you supply to us to relevant organisations and may involve sending your details to countries that do not have an equal level of data protection legislation to that of the UK. Full details of our Privacy Policy are available on request or at www.lussotravel.com/privacy-policy.

Telephone Calls

It is important to us that we provide excellent customer service and it is for this reason that telephone calls to our UK office are recorded for security and monitoring purposes.

- He/she has read these terms and conditions and has the authority to and does agree to be bound by them;
- He/she consents to our use of information in accordance with our Privacy Policy;
- He/she is over 18 years of age and resident in the UK and where placing an order for services with age restrictions declares that he/she and all members of the party are of the appropriate age to purchase those services.

A booking is made with us when a) you tell us that you would like to accept our written or verbal quotation, and b) you pay us a deposit (see Clause 4) or if booking within 8 weeks of departure full payment and c) we issue you with a booking confirmation. A binding contract will come into existence as soon as we have issued you with a booking confirmation that will confirm the details of your booking and will be sent to you or your travel agent. If your confirmed arrangements include a flight, we (or if you booked via an authorised agent of ours, that agent) will issue you with an ATOL Certificate and a booking confirmation. Upon receipt, if you believe that any details on the confirmation, ATOL certificate (if applicable) or any other document are wrong you must advise us immediately as changes may not be able to be made later and your rights may be affected as a result. The balance of the cost of your arrangements is due not less than 8 weeks prior to the start of your arrangements. If we do not receive this balance in full and on time, we reserve the right to treat your booking as cancelled by you in which case the cancellation charges set out in Clause 8 will become payable. Any money paid to an authorised agent of ours in respect of a booking covered by our ATOL is held by that agent on behalf of and for the benefit of the Trustees of the Air Travel Trust at all times, but subject to the agent's obligation to pay it to us for so long as we do not fail financially. If we do fail financially, any money held at that time by the agent or subsequently accepted from the consumer by the agent, is and continues to be held by that agent on behalf of and for the benefit of the Trustees of the Air Travel Trust without any obligation to pay that money to us. If your booking is made through a travel agent all communications by us will be made to that address. If you arrange your holiday directly with us the correspondence will be forwarded to the lead passenger on the booking unless otherwise stipulated.

4. Deposits

The amount of deposit you pay will vary depending on the type of service you book and will be advised to you at the time of booking. Our minimum deposit amount is £250 per person or 5% whichever is the greater amount. Higher deposits may be required during peak periods and where prepayments to suppliers are necessary. Some airlines require tickets to be issued at the time of booking, in which case the deposit will be at least the full cost of the ticket and may not be refundable or transferable.

5. Our Price Policy

Our brochure(s) are prepared and costed many months before travel and based on known costs and exchange rates as advertised on www.xe.com on an ongoing basis. The prices in this brochure are for guidance purposes only and the price of your holiday will be confirmed at the time of booking. We reserve the right to amend the price of unsold holiday arrangements at any time and correct errors in the prices of confirmed arrangements. The price of your confirmed arrangements is subject to variations which occur solely as a direct consequence of changes in:-

- the price of the carriage of passengers resulting from the cost of fuel or other power sources;
- the level of taxes or fees on your confirmed arrangements imposed by third parties not directly involved in the performance of the package, including tourist taxes, landing taxes or embarkation or disembarkation fees at ports and airports; or
- the exchange rates relevant to the package.

Price variations will be calculated by applying the cost differential we experience as a result of the above factors. Prices may go up or down and we will notify you about any variation by sending you a calculation explaining the variation no less than 20 days you are due to depart.

If your arrangements are a package, and if that means that you have to pay an increase of more than 8% of the price of your arrangements (excluding any insurance premiums, amendment charges and/or additional services), we will offer you the options in clause 10.

If prices go down as a result of the above factors, we will make a reflective refund, but we will also deduct our administrative expenses from what is

owed to you and this may extinguish the value of the refund due.

Also, note that travel arrangements are not always purchased in local currency and some apparent changes have no impact on price due to contractual protections in place.

6. Method of Payment

We accept all forms of payment. Cheques should be made payable to Lusso Travel Ltd. Details for Bank Transfers are available upon request.

7. Changes by You

If you wish to change any part of your booking arrangements after our confirmation invoice has been issued, you must inform us in writing as soon as possible either directly or via your travel agent. This should be done by the lead name on the booking. Whilst we will do our best to assist, we cannot guarantee that we will be able to meet your requested change. Any alterations are only possible if permitted by our suppliers. Where we can meet a request, all changes will be subject to any applicable rate changes or extra costs incurred as well as any costs incurred by ourselves and any costs or charges incurred or imposed by any of our suppliers. We will charge an administrative charge of £25 per amendment. You should be aware that these costs could increase the closer to the departure date that changes are made and you should contact us as soon as possible. Where we are unable to assist you and you do not wish to proceed with the original booking we will treat this as a cancellation by you. A cancellation fee may be payable.

Note: Certain arrangements may not be amended after they have been confirmed and any alteration could incur a cancellation charge of up to 100% of that part of the arrangements.

8. Cancellation by You

If you or any other member of your party decides to cancel your confirmed booking you must notify us in writing. Your notice of cancellation will only take effect when it is received in writing by us at our offices at 17 London Road, Alderley Edge, Cheshire, SK9 7JT. We recommend that you use recorded delivery. Since we incur costs in cancelling your arrangements, you will have to pay the applicable cancellation charges up to the maximum shown below (The cancellation charge detailed is calculated on the basis of the total cost payable by the person(s) cancelling and amendment charges which are not refundable in the event of the person(s) to whom they apply cancelling):-

Number of days prior to departure date when written notice of cancellation received	% of price payable
Up to 56 days prior	deposit only
55 – 43 days prior	50%
42- 22 days prior	70%
21 – 14 days prior	90%
13 – 0 days prior	100%

Note: We strongly advise you to obtain adequate Travel Insurance with appropriate cancellation cover. If the reason for your cancellation is covered under the terms of your insurance policy, you may be able to reclaim these charges.

Note: Certain arrangements may not be amended after they have been confirmed and any alteration or cancellation could incur a cancellation charge of up to 100% of that part of the arrangements in addition to the charge above. In these circumstances the applicable cancellation charge will be advised to you at the time of booking.

You may cancel any package arrangements prior to their commencement (following the process outlined above) in the event that i) circumstances amounting to unavoidable and extraordinary circumstances are occurring at the place where your arrangements are due to be performed or its immediate vicinity ii) those circumstances make it impossible to travel safely to the travel destination; iii) the performance of your arrangements will be significantly affected by those unavoidable and extraordinary circumstances and iv) the Foreign and Commonwealth Office advises against travel to your destination or its immediate vicinity. In this event, you will receive a refund without undue delay of any payments made but this the maximum extent of our liability and we regret we cannot pay you compensation or meet any other expenses or losses you may incur as a result.

If your arrangements are a package and if any member of your party is prevented from travelling, that person(s) may transfer their place to someone else (introduced by you and satisfying all the conditions applicable to the arrangements, including an agreement to these booking conditions) providing we are notified in writing not less than seven days before departure and you pay an amendment fee and meet all costs and charges incurred by us and/or incurred or imposed by us or any of our suppliers. Both you and the person to whom you would like to transfer your arrangements shall be jointly and severally liable for the payment of any balance due and for any additional fees, charges or other costs arising from the transfer. If you are unable to find a replacement, cancellation charges as set out above will apply in order to cover our estimated costs. Otherwise, no refunds will be given for passengers not travelling or for unused services.

9. Changes to a Confirmed Booking after Commencement of Travel

If you are forced to return home early, we cannot refund the cost of any services you have not used. If you cut short your holiday and return home early in circumstances where you have no reasonable cause for complaint about the standard of accommodation and services provided we will not offer you any refund for that part of your holiday not completed, or be liable for any associated costs you may incur. If you decide to alter your travel arrangements whilst abroad this is your own responsibility and we will not be responsible for any extras or difficulties that may arise with onward travel as a result of such alterations. Depending on the circumstances, your travel insurance may offer cover for curtailment and we suggest that any claim is made directly with them.

10. If We Change or Cancel Your Holiday

Where we refer to a 'price reduction' in this clause, we mean that we will give you an appropriate reduction in the price you paid for the arrangements affected for any period during which there was lack of conformity, (unless that lack of conformity is attributable to you). Where we refer to 'compensation', we will pay you appropriate compensation without undue delay for any damage which you sustain as a result of any lack of conformity subject to the limitations and exclusions in section B of clause 12.

It is unlikely that we will have to make any changes to your travel arrangements, but we do plan the arrangements many months in advance. Occasionally, we may have to make changes and we reserve the right to do so both before and after departure.

Changes and cancellations before departure

Most changes will be insignificant and we reserve the right to make them. If we make an insignificant change to the main characteristics of your arrangements we will try to notify the change to you or your travel agent as soon as reasonably possible before your departure but we will not notify you about any other insignificant change. We will have no other responsibilities to you in respect of any insignificant changes.

Occasionally, we have to make a significant change and we reserve the right to do so. A significant change is one where we or our suppliers significantly alter any of the main characteristics of your arrangements. Examples of significant changes include the following changes when made before departure:-

a change of accommodation to that of a lower official classification or standard to that originally booked for the whole or a major part of the time you are away;

a change of outward departure time resulting in the overall length of time you are away being reduced by twelve hours or more;

a change of UK departure point to one which is substantially more inconvenient for you (except between airports within or around the same city for example London Gatwick and Stansted Airports).

Where we or our supplier can no longer fulfil any special requirements that we have accepted and confirmed on our confirmation invoice and this will have a significant impact on your arrangements.

If we have to make a significant change or cancel before departure, we will inform you without undue delay and if there is time to do so before departure, we will offer you the choice of the following options:-

- (for significant changes) agreeing to the changed arrangements,
- accepting the cancellation or terminating the contract between us and receiving a refund (without undue delay) of all monies paid; or
- accepting an offer of alternative arrangements of comparable standard from us, if available.

(In the event that any proposed change or alternative offered results in a reduction or increase in the price you have agreed to pay or an increase or decrease in the quality of arrangements we have agreed to provide, we will also notify you of any price reduction or additional amount due).

You must notify us of your choice within 7 days of our offer. If you fail to do so, we will contact you again, re-iterating the above choices and sums payable or refundable and if you again fail to respond within 7 days, we may terminate the contract and refund all payments made by you without undue delay.

Where you have booked a package and you choose option i) above, subject to the following exceptions as well as the limitations and exclusions in section B of clause 5, we will where appropriate pay you reasonable compensation. The compensation that we offer does not exclude you from claiming more if you are entitled to do so.

We will not pay you compensation where:-

- we make a significant change or cancel before you have paid the final balance of the cost of your arrangements;
- we make a significant change or cancel as a result of unavoidable and extraordinary circumstances as set out in clause 11;
- where you choose options i) or iii) above;

We will not make a price reduction or pay you compensation; and the above options will not be available where:-

- we make an insignificant change;
- we cancel as a result of any failure by you (including a failure to make payment in accordance with these terms);
- where the change(s) or cancellation by us arises out of alterations to the confirmed booking requested by you.

Changes and cancellations after departure

If we become unable to provide a significant proportion of your

arrangements after you have departed, we will try to offer you suitable alternative arrangements of, where possible, equivalent or higher quality than those specified in the contract. If the alternative arrangements we make are of a lower quality than those you originally booked, we will make a price reduction. Where our original agreement included return transport we will also provide you with equivalent transport back to your place of departure. You may reject the proposed alternative arrangements only if they are not comparable to what we originally promised to provide or if the price reduction we offer is inadequate. Where we are unable to make suitable alternative arrangements or you reject the proposed alternative arrangements in line with this clause, where appropriate and only where you have booked a package, we will pay you compensation subject to section B of clause 12.

The above sets out the maximum extent of our liability for changes and cancellations and we regret we cannot meet any other expenses or losses you may incur as a result of any change or cancellation.

11. Unavoidable and Extraordinary Circumstances

Except where otherwise expressly stated in these booking conditions we will not be liable or pay you compensation if our contractual obligations to you are affected by unavoidable and extraordinary circumstances beyond the control of the party who seeks to rely on them which we or the supplier(s) of the service(s) in question could not avoid even if all reasonable measures had been taken. These events can include, but are not limited to war, threat of war, civil strife, terrorist activity and its consequences or the threat of such activity, riot, the act of any government or other national or local authority including port or river authorities, industrial dispute, lock closure, natural or nuclear disaster, fire, chemical or biological disaster and adverse weather conditions which make it impossible to travel safely to or remain in the travel destination; adverse sea, ice and river conditions, significant risks to human health such as the outbreak of serious disease at the travel destination and all similar events outside our or the supplier(s) concerned's control. Advice from the Foreign Office to avoid or leave a particular country may constitute unavoidable and extraordinary circumstances. Where you have booked a package and we are unable to ensure your return as agreed because of unavoidable and extraordinary circumstances which directly prevent you from travelling safely back to your point of departure, we will bear the cost of necessary accommodation if possible of equivalent category for a period not exceeding (a) 3 nights per traveller (exceptions apply in respect of persons with reduced mobility and people travelling with them, pregnant women and unaccompanied minors, as well as persons in need of specific medical assistance, provided that we have been notified of their particular needs at least 48 hours before the start of the package); or (b) where a different period is specified in any passenger rights legislation applicable to the relevant means of transport for your return, for the period specified in that legislation.

12. Our Responsibilities and Liability to you

Where we refer to a 'price reduction' in this clause, we mean that we will give you an appropriate reduction in the price you paid for the arrangements affected for any period during which there was lack of conformity, (unless that lack of conformity is attributable to you). Where we refer to 'compensation', we will pay you appropriate compensation without undue delay for any damage which you sustain as a result of any lack of conformity subject to the limitations and exclusions in section B of this clause.

A. Our responsibilities differ according to what you have booked:

In relation to flights where the place of flight departure and arrival is within the UK

In respect of the sales of flights where the place of flight departure and arrival is within the UK, we act as agent. We accept no liability in relation to any contract you enter into or for the acts or omissions of any supplier(s) or other person(s) or party(ies) connected with any such booking. For all such flights, your contract will be with the supplier of the flights in question. When making your booking we will arrange for you to enter into a contract with the applicable flight supplier(s) and your booking with us is subject to the specific booking conditions of the relevant flight supplier(s) you contract with. The supplier's terms and conditions may limit and/or exclude the supplier's liability to you. Copies of applicable conditions are available on request from us.

In relation to bookings of Packages:

We accept responsibility as an "organiser" under the Package Travel and Linked Travel Arrangements Regulations 2018. Subject to these booking conditions, if we fail to arrange or perform your package arrangements in accordance with our agreement, we will remedy any resulting lack of conformity. If that is impossible or entails disproportionate costs (taking into account the extent of the lack of conformity and the value of the arrangements affected), we will instead pay you reasonable compensation subject to clause B of this clause. Please note that it is your responsibility to show that we or our supplier(s) have been negligent in performing or arranging the package arrangements if you wish to make a claim against us.

In relation to all other bookings:

We have a duty to select the suppliers of the services making up your booking with us using reasonable skill and care. Except as stated otherwise in these terms, we have no liability to you for the actual provision of the services, except in cases where it is proved that we have breached that duty and damage to you has been caused. Therefore, providing we have selected the suppliers using reasonable care and skill, we will have no liability to you for anything that happens during the service in question or any acts or omissions of the supplier, its employees or agents.

Please note that it is a condition of our acceptance of the responsibility above that you inform us and the supplier(s) concerned without undue delay of the lack of conformity you perceive; and allow us a reasonable period in which to remedy it. Please contact our local representative using the contact details on your itinerary or by calling our emergency number +44 (0)1625 800321

B. Limitations of responsibility

In these terms and conditions, our responsibilities are limited, and duty to pay compensation is limited as follows:-

We will not be responsible, make a price reduction or pay you compensation for any lack of conformity injury, illness, death, loss, damage, expense, cost or other claim of any description if it results from:-

- the act(s) and/or omission(s) of the person(s) affected;
- the act(s) and/or omission(s) of a third party unconnected with the provision of your arrangements and which were unforeseeable or unavoidable; or
- Unavoidable and extraordinary circumstances as set out in clause 11.

We will not be responsible, make a price reduction or pay compensation:-

- for services or facilities which do not form part of our agreement or where they are not advertised by us. For example any excursion you book while away, or any service or facility which your hotel or any other supplier agrees to provide for you.
- for any damage, loss or expense or other sum(s) of any description which on the basis of the information given to us by you concerning your arrangements prior to them being confirmed, we could not have foreseen you would suffer or incur if we breached our contract with you; or that relate to any business.

Any price reduction or compensation that is payable will be calculated taking into consideration all relevant factors for example (but not limited to):-

- whether or not you have followed the complaints and notifications procedure as described in these conditions. It is a condition of our acceptance of liability under this clause that you notify any claim to ourselves and our supplier(s) strictly in accordance with the complaints procedure set out in these conditions.
- the extent to which ours or our employees' or suppliers' negligence affected the overall enjoyment of your arrangements.
- deduction that we must make to take account of any money which you have received or are entitled to receive from any transport provider or hotelier for the complaint or claim in question.

(Please also note that where any payment is made, the person(s) receiving it (and their parent or guardian if under 18 years) must also assign to ourselves or our insurers any rights they may have to pursue any third party and must provide ourselves and our insurers with all assistance we may reasonably require.)

Luggage or personal possessions and money

The maximum amount we will have to pay you in respect of any claim for loss of and/or damage to any luggage or personal possessions or money is an amount equivalent to the excess on your insurance policy which applies to this type of loss per person in total because you are assumed to have adequate insurance in place to cover any losses of this kind.

Claims covered by an International Convention

When arranging transportation for you, we rely on the terms and conditions contained within any applicable International Conventions. The extent of or the conditions under which compensation is to be paid or liability accepted will in all cases be limited as if we were carriers under the appropriate Conventions, which include The Warsaw/Montreal Convention (international travel by air); The Athens Convention (with respect to sea travel); The Berne/Cotif Convention (with respect to rail travel) and The Paris Convention (with respect to hotel arrangements). You can ask us for copies of these Conventions.

Any other claims which don't involve injury, illness, death or damage caused by us or our suppliers intentionally or negligently; or other liability that can't be limited by law

The maximum amount we will have to pay you in respect of all such claims is three times the price paid by or on behalf of the person(s) affected in total. This maximum amount will only be payable where everything has gone wrong and you or your party has not received any benefit at all from your arrangements.

Assistance to those on a package in the event of difficulty or unavoidable and extraordinary circumstances

Where you have booked a package, we will provide appropriate assistance without undue delay in the event that you experience difficulty including where you are unable to return to your agreed point of departure because of unavoidable and extraordinary circumstances as set out in paragraph 2 of clause 11. Such assistance will extend to providing appropriate information on health services, local authorities and consular assistance; and helping you to make distance communications and to find alternative travel arrangements. We will charge a reasonable fee for such assistance if the difficulty is caused by you intentionally or as a result of your act or omission. In the event such assistance is needed please contact our local representative using the contact details on your itinerary or by calling our emergency number +44 (0)1625 800321

13. Your Responsibilities

Any passports, visas, health certificates, International Driving Licences, entry requirements and other travel documents required for your holiday must be obtained by you, whose responsibility it remains

to ensure that these are all in order and to meet any additional costs incurred (whether by you or by us on your behalf) as a result of failure to comply with such requirements. You are responsible to arrive at stated departure times and places and any loss or damage which you suffer through failure to do so lies with you. We have no liability whatsoever to you through your failure to do so. The Foreign & Commonwealth Advice Unit may have issued information about your holiday destination. You are advised to check this information on the Internet under the address <http://www.fco.gov.uk>

All guests staying with us are expected to conduct themselves in an orderly and acceptable manner and not to disrupt the enjoyment of other guests. If in our opinion or in the opinion of any hotel manager or any other person in authority, your behaviour or that of any member of your party is causing or is likely to cause distress, danger or annoyance to any of the other guests or any third party or damage to property, or to cause a delay or diversion to transportation, we reserve the right to terminate your booking arrangements with us immediately. In the event of such termination our liability to you and/or your party will cease and you and/or your party will be required to leave your accommodation or other service immediately. We will have no further obligations to you and/or your party. No refunds for lost accommodation or any other service will be made and we will not pay any expenses or costs incurred as a result of termination. You and/or your party may also be required to pay for loss and/or damage caused by your actions and we will hold you and each member of your party jointly and individually liable for any damage or losses caused by you or any member of your party. Full payment for any such damage or losses must be paid directly to the hotel manager or other supplier prior to departure from the hotel. If you fail to make payment, you will be responsible for meeting any claims (including legal costs) subsequently made against us as a result of your actions together with all costs we incur in pursuing any claim against you. We cannot be held responsible for the actions or behaviour of any other guests or individuals who have no connection with your arrangements with us.

14. Conditions of Suppliers

Many of the services which make up your holiday are provided by independent suppliers. Those suppliers provide these services in accordance with their own terms and conditions which will form part of your contract with us. Some of these terms and conditions may limit or exclude the supplier's liability to you, usually in accordance with applicable International Conventions. Copies of the relevant parts of these terms and conditions are available on request from ourselves or the supplier concerned.

15. Flights, Delays and Denied Boarding

The following clause applies to arrangements booked with us that are inclusive of flights.

Please note the existence of a "Communitylist" (available for inspection at http://ec.europa.eu/transport/modes/air/safety/air-ban/index_en.htm) detailing air carriers that are subject to an operating ban with the EU Community. The carrier(s), flight timings and types of aircraft shown in this brochure and detailed on your confirmation invoice are for guidance only and are subject to alteration and confirmation. In accordance with EU Regulation 2111/2005 we are required to advise you of the actual carrier operating your flight/connecting flight/transfer. We do this by detailing carriers to be used or likely to be used on our website's Airline Information Pages and we shall inform you of the identity of the actual carrier(s) as soon as we become aware of it. The latest flight timings will be shown on your tickets which will be despatched to you approximately two weeks before departure. You should check your tickets very carefully immediately on receipt to ensure you have the correct flight times. If flight times change after tickets have been dispatched we will contact you as soon as we can to let you know and in all cases at check-in or the boarding gate. Such a change is deemed to be a minor change in accordance with Clause 10.

We use the scheduled services of the world's international airlines and whilst these airlines are rarely subject to lengthy delays there are occasions where airlines are subject to operational delays, change of aircraft and routing, over which we have no control. Where this does occur it is the responsibility of the airline or transport provider concerned to provide refreshments and/or appropriate accommodation. We cannot accept liability for any delay which is due to any of the reasons set out in Clause 13 of these booking conditions (which includes the behaviour of any passenger(s) on any flight who, for example, fails to check-in or board on time).

Under EU Law, you have rights in some circumstances to refunds and/or compensation from the airline in cases of denied boarding, cancellation or delay to flights. Full details of these rights will be publicised at EU airports and will also be available from airlines. Reimbursement in such cases is the responsibility of the airline and will not automatically entitle you to a refund of your holiday price from us. If the airline does not comply with these rules you should complain to the Aviation Consumer Advocacy Panel which is part of the Civil Aviation Authority www.caa.co.uk. This brochure is our responsibility, as your tour operator. It is not issued on behalf of, and does not commit the airlines mentioned herein or any airline whose services are used in the course of your travel arrangements. Please note that in accordance with Air Navigation Orders in order to qualify for infant status, a child must be under 2 years of age on the date of its return flight.

16. Special Requests, Disabilities and Medical Problems

Any special requests must be advised to us at the time of booking e.g. diet, room location, a particular facility at a hotel etc. You should then confirm your requests in writing. Whilst every effort will be made by us to try and arrange your reasonable special requests, we cannot guarantee that they will be fulfilled. The fact that a special request has been noted on your confirmation invoice or any other documentation or that it has been passed on to the supplier is not confirmation that the request will be met. Failure to meet any special request will not be a breach of contract

on our part unless the request has been specifically confirmed and guaranteed in writing. We are not a specialist disabled holiday company, but we will do our utmost to cater for any special requirements you may have. We will give you information about whether the arrangements you have chosen are generally suitable for persons with reduced mobility but if you or any member of your party has any precise medical problem or disability which may affect your chosen arrangements, please provide us with full details before we issue our confirmation. We will only provide precise information on the suitability of the trip or holiday taking into account your needs if you specifically request us to do so. Acting reasonably, if we are unable to properly accommodate the needs of the person(s) concerned, we will not confirm your booking or if you did not give us full details at the time of booking, we will cancel it and impose applicable cancellation charges when we become aware of these details. If you develop a serious medical problem after making a booking or a medical problem worsens, we reserve the right to reasonably refuse or cancel your booking, if in the unfortunate event that we cannot accommodate the booking/reservation. In these circumstances we will endeavour to limit any cancellation charges applicable.

17. Complaints

We make every effort to ensure that your holiday arrangements run smoothly but if you do have a problem during your holiday, please inform the relevant supplier (e.g. your hotelier) and our local representative (where applicable) immediately who will endeavour to put things right. If your complaint or problem is not resolved locally, please contact us by email, by telephoning our 24 Hour Emergency Telephone Number +44 (0) 1625 800 321. Please note that failure to follow this procedure may affect your rights under this contract and reduce or extinguish any claim against us or our suppliers as we have been denied the opportunity to investigate and rectify the problem and/or take steps to reduce or entirely prevent any loss or damage being suffered. If the problem cannot be resolved and you wish to complain further, please send formal written notice of your complaint to us at Client Services, Lusso Travel Ltd, 17 London Road, Alderley Edge, Cheshire, SK9 7JT within 28 days of the end of your stay, giving your booking reference and all other relevant supporting information. Please keep your letter concise and to the point. This will assist us to quickly identify your concerns and speed up our response to you.

18. ABTA

We are a member of ABTA, membership number Y2136. We are obliged to maintain a high standard of service to you by ABTA's Code of Conduct. We can also offer you an arbitration scheme for the resolution of disputes arising out of, or in connection with this contract. The arbitration scheme is arranged by ABTA and administered independently. It is a simple and inexpensive method of arbitration on documents alone with restricted liability on you in respect of costs. The scheme does not apply to claims for an amount greater than £5,000 per person. There is also a limit of £25,000 per booking form. Neither does it apply to claims which are solely in respect of physical injury or illness or their consequences. The scheme can however deal with compensation claims which include an element of minor injury or illness subject to a limit of £1,500 on the amount the arbitrator can award per person in respect of this element. The application for arbitration and Statement of Claim must be received by ABTA within eighteen months of the date of return from the holiday. For injury and illness claims, you may like to use the ABTA Mediation Procedure. This is a voluntary scheme and requires us to agree for mediation to go ahead. Further information on the Code and ABTA's assistance in resolving disputes can be found on www.abta.com. You may also wish to refer the matter to the European Commission's Online Dispute Resolution Platform which can be accessed using the following link: <http://ec.europa.eu/odr/#>

19. Brochure Accuracy & Pricing

The information contained within this brochure and on our website is for guidance purposes only. It is prepared many months in advance and we endeavour to ensure that all the information and prices in our brochures/website are accurate at the time of publication. However, occasionally changes and errors occur and we reserve the right to correct prices and other details in such circumstances. We will not be liable for booking errors which are attributable to you or which are caused by unavoidable and extraordinary circumstances as defined in clause 11. Descriptions of accommodation, facilities and services are obtained from our suppliers in advance of publication and it is possible that an advertised facility may be withdrawn or changed for reasons such as lack of demand, bad weather, maintenance or renovation. You must check the current price and all other details relating to the arrangements that you wish to book before your booking is confirmed. Due to ongoing renovations some hotels or their surroundings may have changed, sometimes quite dramatically since the latest update of this brochure or our website. In the majority of cases the images featured are those provided by the relevant suppliers. Please note that the imagery provided is purely for your guidance and need not necessarily provide a current representation of the property and its surroundings as further developments may have taken place since these images were taken.

20. Insurance

It is a requirement of booking that adequate travel insurance cover is obtained prior to booking. Please ensure that any policy obtained provides adequate cover for cancellation, missed departure and unused accommodation. You must also ensure that any activities considered hazardous (scuba diving, etc) and travel in light or single-engine aircraft are covered by your policy where you intend to take part in such activities. We advise you to read the details of your policy carefully and take them with you on your holiday. Please note that the majority of insurance policies will exclude any undisclosed pre-existing conditions, medical or otherwise, and we advise you where you have any doubt to check with your insurer prior to booking. We do not sell travel insurance but please contact us should you require an introduction to an insurance provider who will assist with your insurance needs.

21. Jurisdiction and Applicable Law

These Booking Conditions and any agreement to which they apply are governed in all respects by English law. We both agree that any dispute, claim or other matter which arises between us out of or in connection with your contract or booking will be dealt with by the Courts of England and Wales only (if not referred to Arbitration under Clause 18). You may however, choose the law and jurisdiction of Scotland or Northern Ireland if you live in those places and if you wish to do so. If any part of this contract is found by a competent authority to be invalid, unlawful or unenforceable then that provision shall be deemed not to be a part of this contract and it shall not affect the enforceability of the remainder of this contract. No term of this contract is enforceable pursuant to the Contracts (Rights of Third Parties) Act 1999 by any person who is not a party to it.

22. Subsequent Versions of these Conditions

These booking conditions are accurate at the time this brochure was printed. We may alter these terms and conditions at any time. If we do so, all subsequent bookings will be governed by the newer version. You must check our website for the applicable up to date version of these terms and conditions.

AITO is the Association for independent and specialist holiday companies. Our member companies, usually owner-managed, strive to create overseas holidays with high levels of professionalism and a shared concern for quality and personal service. The Association encourages the highest standards in all aspects of tour operating.

Exclusive Membership

AITO sets criteria regarding ownership, finance and quality which must be satisfied before new companies are admitted to membership. All members are required to adhere to a Code of Business Practice which encourages high operational standards and conduct.

Financial Security

An AITO member is required to arrange financial protection for all holidays and other arrangements (including accommodation only) booked by customers with the member under the AITO logo. This financial protection applies to customers who are resident in the UK at the time of booking and to most overseas customers who have booked directly with the member. In doing so, the member must comply with UK Government regulations. Members are required to submit details of their financial protection arrangements to AITO on a regular basis.

Accurate Brochures and Websites

All members do their utmost to ensure that all their brochures and other publications, print or electronic, clearly and accurately describe the holidays and services offered.

Professional Service and Continual Improvements

All members are committed to high standards of service and believe in regular and thorough training of employees. Members continually seek to review and improve their holidays. They listen to their customers and always welcome suggestions for improving standards.

Monitoring Standards

AITO endeavours to monitor quality standards regularly. All customers should receive a post-holiday questionnaire from their tour operator, the results of which are scrutinised by the Association.

In addition, customers can leave detailed feedback, accessible from the homepage of this website, or via a direct link supplied by their AITO tour operator, about their holiday.

Sustainable Tourism

All members acknowledge the importance of AITO's Sustainable Tourism guidelines, which recognise the social, economic and environmental responsibilities of tour operating. Those demonstrating their achievements beyond the pure acceptance of this principle are recognised by the award of 2 to 5 star status.

Customer Relations

All members endeavour to deal swiftly and fairly with any issues their customers may raise. In the unlikely event that a dispute between an AITO member and a customer cannot be settled amicably, AITO's low-cost Independent Dispute Settlement Service may be called upon by either side to bring the matter to a speedy and acceptable conclusion.

Many of the flights and flight-inclusive holidays in this brochure are financially protected by the ATOL scheme. ATOL protection does not apply to all holiday and travel services listed in this brochure. Please ask us to confirm what protection may apply to your booking. If you do not receive an ATOL Certificate then the booking will not be ATOL protected. If you do receive an ATOL Certificate but all the parts of your trip are not listed on it, those parts will not be ATOL protected. Please see our terms and conditions for information or for more information about financial protection and the ATOL Certificate go to: www.atol.org.uk/ATOLCertificate.
