SS27 ICONS

For SS27, WITHBLACK introduces ICONS — a collection shaped by shifting perspectives and a changing state of mind. In a time defined by uncertainty, the desire for simplicity, comfort, and enduring style becomes more essential than ever.

This season explores the new language of quiet luxury: understated yet directional, refined yet effortless. Outerwear is reimaged through sculptural silhouettes, protective proportions, and tactile surfaces that create both presence and ease. Soft structure meets functionality in pieces designed to move naturally through everyday life while elevating the feeling of it.

The palette reflects a softened modernity — grounded earth tones, faded neutrals, deep forest greens, muted blues, rich aubergines, and warm caramels. Colours inspired by calmness, stability, and understated confidence.

ICONS captures the balance between emotional comfort and contemporary sophistication. Luxury is no longer about excess, but about value, longevity, and the way clothing makes you feel.

Confident. Relaxed. Effortlessly composed.

WITHBLACK SS27 ICONS is designed for a modern wardrobe with permanence — pieces that feel relevant now, and even more relevant tomorrow.

SHIFTED PERSPECTIVES — Quiet Luxury for Real Life.

The logo features the letters 'WB' in a large, white, serif font, with a vertical line through the 'B'. Below it, the words 'WITHBLACK' are written in a smaller, white, sans-serif font. The background is a dark, moody scene with a bright, triangular light source on the right side, creating a strong contrast and a soft glow on the surface below.
