Winter Holiday Closure

Girl Scouts and Families,

Welcome to the 2025 Fall Product Program! We are so excited about the incredible journey ahead.

As you step into this season, know that you are taking the lead on something truly special. This program is about so much more than selling chocolates, nuts, and magazines. It is your chance to **Be brave. Be fierce. Be fun. And of course, to be you.** Every sale, conversation, and connection you make helps build your skills and your confidence.

Each conversation you have and every goal you set brings you closer to something amazing. This season offers the opportunity to develop important skills such as setting goals, managing money, and speaking with confidence. These moments might feel small now, but they are powerful steps that help you grow into a strong, capable leader. And it all begins with you.

With every experience, you become more fearless, more determined, and more ready to take on new challenges. That is what being Girl Scout Strong is all about—being bold, resilient, and unstoppable at every step.

By participating in a Girl Scout product program, you're doing something truly incredible. You're not only building confidence and setting goals but also showing the world the amazing leader you are becoming.

Thank you for stepping up, dreaming big, and being part of this extraordinary community. We are proud of each and every one of you and can't wait to see all the ways you will grow, lead, and succeed.

Have fun, believe in yourself, and best of luck this season!

Warmest wishes,

Cynthia H. Breunig

Cynthia H. Breunig
President and CEO

I would like to extend a heartfelt welcome to both returning and new members as we kick off another exciting Girl Scout year and entrepreneurial program. This year, we're embracing a powerful new motto: Brave. Fierce. Fun! It's more than words—it's a call to action as we step into new adventures, take bold risks, and celebrate the joy of learning and growing together as BFF's.

This year is full of exciting possibilities for our Girl Scouts to explore new interests, build confidence, and leave a positive mark on the world around them. From stepping up as leaders to pushing past their comfort zones, and of course, sharing plenty of laughter with friends. Every experience is a chance to grow and shine.

To the amazing parents, caregivers, and troop leaders—your encouragement and dedication mean everything. Whether you're guiding activities, helping behind the scenes, or simply cheering from the sidelines, you are key to helping our Girl Scouts thrive in a safe, fun, and supportive space.

Here's to a year of bold moves, fearless fun, and unforgettable memories.

Here's to being Brave. Fierce. Fun!

Yours in Girl Scouting,

Devon Spira

Girl Scouts Creates Opportunities for All Girls

At Girl Scouts, creating a welcoming and supportive space for every girl isn't just a goal—it's who we are. Our movement was founded by Juliette Gordon Low, a bold and visionary woman who believed Girl Scouts should be for "the girls of Savannah, and all of America, and all the world."

For more than a century, Girl Scouts has opened its arms to girls from every background. No matter a girl's race, ethnicity, religion, ability, economic status, orientation, or where her story begins—she has a place in Girl Scouts. Through every chapter in history—whether challenging or hopeful—we've stood firm in serving all girls.

Today, many young people face unique pressures that can leave them feeling uncertain, overwhelmed, or left out.

That's why Girl Scout volunteers are more important than ever. When you help lead a troop, support events, or simply show up, you're helping create a space where girls feel they belong—where they can take risks, discover their strengths, build friendships, and grow into confident leaders.

Girl Scouts is, and always will be, a place where every girl can shine. Thank you for helping make that promise real in your community.

IEPO INDEPENDENT ENTREPRENEURIAL PROGRAM OPPORTUNITY

Girl Scouts participating in the IEPO will earn the Standard Girl Reward Plan and Nutty Dough. However, since they are not participating in a troop, they CANNOT earn Proceeds. Instead, they will earn additional IEPO Nutty Dough beyond the standard schedule to use toward GSSGC programming, events, or camp. The IEPO Nutty Dough for the 2025 Fall Program is calculated at \$5 for every \$100 sold.

Scan QR code to submit a participation interest form or visit <https://bit.ly/iepofall>

**Girls currently active in a troop that is NOT participating in the 2025 Fall Product Program may participate through the IEPO. However, if more than 2 girls in the same troop want to participate, then they will not be eligible for the IEPO, and the troop will need a trained Coordinator to participate in the standard program.*

WHY SELL IN THE FALL?

The Fall Product Program is a financial literacy program that allows girls to be entrepreneurs who learn and practice the Five Skills—Goal Setting, Decision Making, Money Management, People Skills, and Business Ethics—by offering family and friends the opportunity to purchase delicious nuts & chocolates, magazines, Tervis Tumblers, custom stationery, candles and Girl Scout-themed BarkBoxes.

Participating in the Fall Program is more than just a fundraiser—it's an opportunity to kick start a year filled with exciting activities, learning experiences, and personal growth.

Start Strong, Plan Big

By participating in the Fall Product Program, you're laying the groundwork for a year filled with possibilities. Your support ensures that your troop has the resources they need to embark on incredible journeys, both within Girl Scouts and beyond.

GIRL SCOUT CAMP

Girl Scouts is the largest all girl organization and everything we do is designed to create an environment where girls can learn and grow together and become leaders in their daily lives. We strive to build girls of courage, confidence and character who make the world a better place. When girls go to camp, either on their own or with an adult partner, they explore leadership in a new way. At camp girls build life skills, responsibility and healthy habits while developing a deep appreciation for nature. Girl Scout camp provides a caring environment led by trained adults who help girls explore, grow and have fun.

Camp Skyland Ranch

Camp Skyland Ranch is located in the San Jacinto Mountains on the Banning side and is owned and operated by Girl Scouts of San Gorgonio Council. Skyland Ranch is situated at an elevation of 5000 feet overlooking the Morongo Valley. The sprawling camp setting in this chaparral environment allows many open spaces for campers to find themselves and connect with nature. For over 70 years, thousands of girls have experienced the magic that is Camp Skyland Ranch.

Camp Azalea Trails

Camp Azalea Trails, nestled in scenic San Jacinto Mountains near Idyllwild, CA, offers an unforgettable outdoor experience for Girl Scouts. Owned by the Girl Scouts of San Gorgonio Council, Camp A.T. sits at over 6,400 feet, surrounded by canyons, a peaceful stream, and towering pine trees. Since 1940, thousands of girls have discovered its magic, forming friendships, enjoying adventures, and celebrating beloved camp traditions.

Camp Wi-Wo-Ca

Camp Wi-Wo-Ca is located between Yucaipa and Cherry Valley on an oak-covered parcel in the upper reaches of Wildwood Canyon. The property is easily accessed through the Hidden Meadows community off Wildwood Canyon Road. This almost in-town camp is ideal for day use, training seminars and first-time camping experiences.

Step into a classroom without walls! Our outdoor STEM programs invite students to explore, question, and connect with nature through hands-on experiences that spark curiosity and inspire a love for the environment. Volunteer Safety Steps

GSSGC policy is to conduct a criminal background check on all volunteers. We require a Live Scan to be completed for volunteers that expect to be in direct contact with Girl Scouts for more than 16 hours per month or more than 32 hours per year.

You must complete both screening and training to participate in GSSGC activities!

Mandated Reporter Training

- Sign on to your GSlearn account.
- Go to the Content Library, and search to complete “GSUSA Girl Scouts Child Abuse Neglect and Prevention”.
- Complete the training.
- Screenshot the achievement once training is completed and email it to mandatedreportercert@gssgc.org.

Note: This training does not come with a certificate of achievement. Completion of this training is recorded as an achievement in GSlearn. For assistance, please contact Customer Care at customercare@gssgc.org.

Live Scan

All persons completing a live scan must be a registered Girl Scout Adult Member.

- 1) Visit www.gssgc.org/livescan or scan the QR code below.
- 2) Register and watch the video completely at the end of the registration.
- 4) Receive your appointment confirmation QR code
If you did not receive confirmation, you did not watch the video.
- 5) Take the QR code to your appointment

Unfortunately, Live Scan from other organizations does not transfer to GSSGC.

Highest Awards: A Legacy of Leadership

You shine brightest when you're making the world a better place. That's why you can earn three separate awards—the Girl Scout Gold, Silver, and Bronze Awards—as you dream of a better tomorrow and take action in big ways today.

Juniors earn the Bronze Award by teaming up with other girls to make a difference in their towns.

Cadettes earn the Silver Award by researching an issue, making a plan to address it, and taking action to improve their communities.

Seniors and Ambassadors earn the Gold Award—the highest award in Girl Scouting—by developing and carrying out lasting solutions to issues in their neighborhoods and beyond. Gold Award Girl Scouts truly are the world changers, rock stars, role models, and real-life heroes we all look up to. Plus, they're amazing candidates for colleges, scholarships, competitive internship programs, and exciting careers.

Do you have a vision for a better world? We're here to help you create lasting change every step of the way—and can't wait to see all that you're going to accomplish!

Girl Scout of the Year

The Girl Scout of the Year award honors girls in grades 9–12 who shine as role models through leadership, character, and service. These Girl Scouts inspire others by living the Promise and Law every day. This year, we celebrate **Elsie “Kazoo” E.** and **Hayden “Funsie” R.**

Hayden, brings warmth, creativity, and quiet confidence - mentoring at Skyland Ranch, helping at Junior Jam, or leading Council events. A Gold Award Girl Scout and National Merit Scholar, she’s a friendly, familiar face across the High Desert and Council, known for her leadership and dedication to service.

Elsie leads with heart and a welcoming spirit - supporting new volunteers, guiding girls, and stepping in wherever needed. A Gold Award Girl Scout, camp leader, and program facilitator, she contributes to Council planning. Her energy, kindness, and creativity make her a trusted leader, mentor, and friend throughout Central West and the Council.

The Daisy Society

The impact of your giving is seen every day in the lives of local Girl Scouts. As a member of The Daisy Society, your lifetime support has helped girls across our community access what they need to thrive—not just in Girl Scouts, but in life. Because of you, girls have been able to join and stay in Girl Scouts, explore career paths, build financial literacy, grow as leaders, and experience the outdoors through our camps.

Your generosity has also strengthened our council through capital campaigns and long-term investments that keep our programs strong and accessible. Every dollar you’ve given has stayed right here in our community, creating opportunities that last a lifetime. Thank you for believing in our Girl Scouts' potential—and helping them realize it.
