An aerial photograph of the Kaaba in Mecca, Saudi Arabia, is centered within a decorative, golden, scalloped archway. The archway is set against a background of a repeating Islamic geometric pattern in shades of gold and brown. The Kaaba itself is a large, dark, rectangular structure with a white cover, surrounded by a large, circular courtyard filled with people. The surrounding city of Mecca is visible in the background, with numerous high-rise buildings and a dense urban landscape.

The Prophet (P.B.U.H) said, "Whoever performs Hajj for Allah's pleasure and does not have Relations with his wife, and does not do evil or sins then he will return (after Hajj free from all sins) as if he were born anew."

Narrated Abu Huraira : Volume 2, Book 26, Number 596:
