# How to know the heart of God!

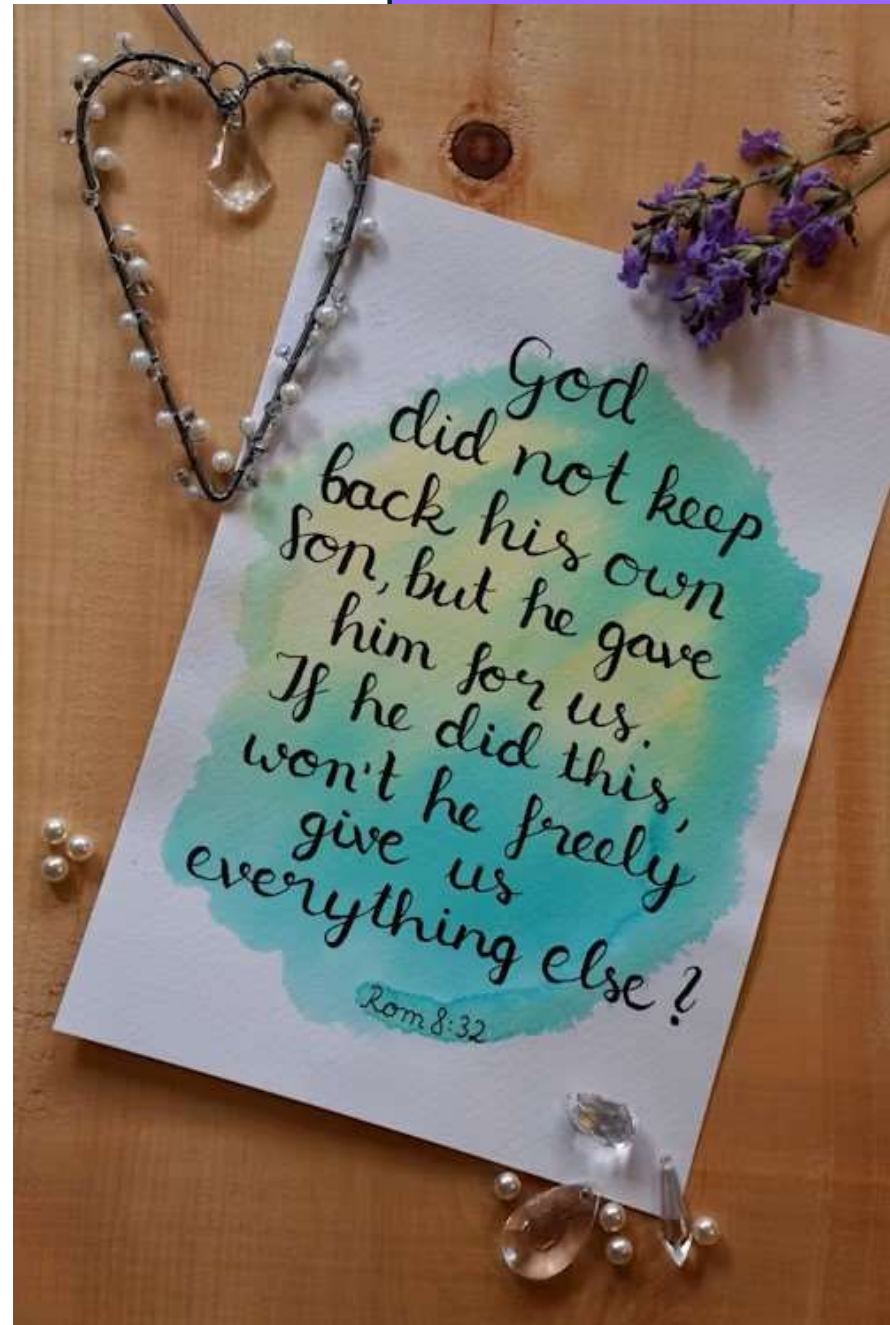

*Our heart shows our nature. If you know my heart you learn my character and my feelings.*

*To know the heart of God you have but to read about Him...*

*Hmmm...where can we find writings about our Fathers will. His desires, and in essence who our God is.*

*You know I'm joking around... we have the BIBLE! By reading the word of God, by talking to God during our prayer time we come to know the Heart of God.*

*"All scripture is breathed out by God and profitable for teaching, for reproof, for correction, and for Training in righteousness." Timothy 3:16*

# *Know Jesus, Know God!*

*John 14:9 “Jesus said to him, “Have I been with you so long, and you still do not know me, Philip? Whosoever has seen me has seen the Father. How can you say, ‘Show us the Father’?”*

*To truly know the heart of God we must know and trust in Jesus for salvation. Jesus revealed to us the Father, as He is the image of the invisible God.*

*When we come to know Jesus, it will change our whole life. As we learn of His character, His will and desires for us we begin to want to be more like Him.*

*We begin to want to please and obey Him.  
Psalm 42:1*

*I want to share a conversation I had with Holy Spirit the other day while in prayer. I pray it will be a blessing to you. As you read it, know that it is being spoken to you as well. 💜*

“You are **His heart** daughter. You are His joy, His delight. He is pleased with you. You made it! There were days long ago where it did not seem as if you would...

Thank You Jesus!! We have made it ladies! We are here. And I know you will say along with me that it is only because of Jesus that we have come this far! Thank You Jesus for loving us! Thank You for saving us!

Holy Spirit went on to tell me to share His Love, to let you know that He has always been there with you. Take a moment to look back over your life. Add the total sum of your years. Years you toiled through. Years you breezed through. Years you seemed to cry through.

Through them all your Heavenly Father was with you. He is bringing you to an expected end. He knows the thoughts and plans He has for you. What is the Plan Ladies? How do we learn the plan? Go to WHO has the plan! Know Him! Trust Him! Believe that your entire life, every minute of it, whether you were crying, laughing, working, relaxing, studying, or even sleeping! Your Father, your Savior, and your Comforter were always there, and they still are. If you haven't spent much time with them lately... no time like the present.

*Seek the Heart of GOD!*
