# TRISA OF SWITZERLAND

The Trisa Electronics AG, a subsidiary of the renowned Trisa AG, headquartered in the picturesque Triengen, takes pride in offering a wide range of **high-quality household electrical appliances**. Our focus is on simplifying and enriching the lives of our customers. Under our motto "**We simplify your life**" we present a variety of items ranging from powerful hair care and kitchen appliances to elegant refrigerators and wine cabinets, raclette ovens, vacuum cleaners, and golf trolleys.

We believe true beauty lies in simplicity. That's why we leverage our extensive **knowledge and passion** to offer household electrical appliances that are not only functional but also aesthetically pleasing. In today's fast-paced world, every minute counts, and our products are designed to optimize and enhance them. Whether in the kitchen, bathroom, or on the golf course, our devices accompany you throughout the day, turning every task into an **experience of simplicity and joy**.

# MIXED CONTAINER

Introducing our latest concept for our customers: **Mixed containers.** While conventional practices dictate ordering separate containers for each product, we offer a refreshing alternative. With mixed containers, customers can consolidate diverse products into a single order.

Gone are the days of meeting minimum order requirements per product. Our mixed containers afford unprecedented **flexibility**, enabling customers to tailor their orders to their **unique needs**. Whether you're in need of electronic appliances like hair dryers, kitchen gadgets, vacuum cleaners, fridges, and more, our comprehensive service caters to your every requirement.

Experience the elegance of simplicity with Trisa of Switzerland. Let us revolutionize your shipping experience, transforming it into a journey of **convenience and satisfaction**. Join us as we embark on a mission to redefine logistics, one mixed container at a time.
