SAVED

TERRY WILLIAMSON
PACKO LEADER

Welcome to a very special edition of the We Love Doggos Charity Magazine.

We are dedicating this issue to one of our very special charity partners, The Underdog Railroad.

You'll get a rare and heart-warming look inside the operations of a dog charity that focuses on the hardest of all dog rescue situations, dogs stuck in kill shelters and on "Euthanasia Lists".

But this isn't a sad story, instead it is a hero's journey as this small team fights on a daily basis to save every dog they can, many with just hours or even minutes left to live.

And save they do, to date The Underdog Railroad has documented 4,314 rescues... plus 24! The "plus 24" is the number of dogs saved on Freedom Ride #23, the 23rd transport sponsored by the We Love Doggos Charity.

I know, because I went on that ride and, quite frankly, it gave me an entirely new respect and appreciation for the tireless dedication and commitment of a very special group of 12 people who spend almost every day of their lives making the world a better place for dogs.

Be prepared to inspired!

Terry

Packo Leader

We Love Doggos Charity

THE WE LOVE DOGGOS HERO CLUB DONATES A VAN!

The Underdog Railroad is a dog charity that specializes in transporting dogs from kill shelters in Northern California through a rescue network that reaches as far north as the Canadian border, dropping off dogs at foster homes, no kill shelters and fur-ever homes along the way.

The only problem? They didn't have a transport van.

Ironically, the only van they could use belonged to one of the kill shelters and was not always available. When it wasn't more dogs would die.

Our We Love Doggos Hero Club thought that it was time to change that situation and in early April, just two weeks before the start of Freedom Ride #23, made a generous donation that allowed The Underdog Railroad to purchase their own van...this beauty right here!

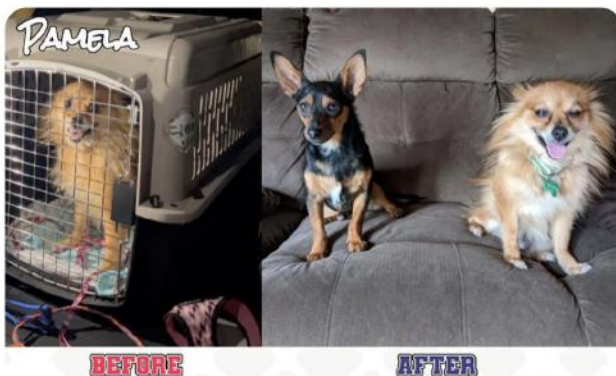

**THANK YOU
HERO CLUB!**

THE PASSENGERS

I have had the great privilege to be present at the very moment a dog knows that it has been saved.

You can feel their energy shift from fear to pure elation. It's the most magical feeling in the world and YOU, the We Love Doggos Packo, are responsible for the smiles on the faces of these very special furry passenger's on Freedom Ride #23.

And finally, one more special treat. To commemorate this incredible achievement, we have built a special landing page with all of the videos, pictures and stories from the trip.

FREEDOM RIDE #23

Smallest service dog

The smallest service dog is Cupcake, a female long-haired chihuahua, who measured 15.87 (6.25 in) tall, on 08 September 2012. She is owned by Angela Bain (USA) of Moorestown, New Jersey, USA.

Fastest 10 hoop slalom by a dog

The fastest 10 hoop/tyre slalom by a dog is 8.58 seconds and was achieved by Neo and his owner Stephen Bailey (both UK), in Minehead, UK, on 27 July 2016.

Tallest dog ever

Great Dane, Zeus, measured 1.118 m (44 in) tall on 4 October 2011 to become the biggest dog in the world. Zeus died in 2014 but remains the largest dog ever.

Heaviest dog breed

The heaviest dog breeds are the Old English mastiff (pictured) and the St Bernard. Males of both big dog breeds regularly weigh 77–91 kg (170–200 lb).

Most skips by a dog in 1 minute

Most skips by a dog and person in one minute using a single rope is 59, and was achieved by Jessica and her owner Rachael Grylls (both UK), in Lewdown, UK, on 1 December 2016.

FUN & GAMES Zone!

Buckle up doggo enthusiasts! Let's see how well you know our four-legged friends! Our fun and games section is filled with brain-teasing games and whimsical tests that are sure to get your tail shaking with joy. Think you can tackle them all? Let the games begin!

How To Play

Guess the Wordle in 6 tries.

- Each guess must be a valid 5-letter word.
- The color of the tiles will change to show how close your guess was to the word.

Examples

W E A R Y

W is in the word and in the correct spot.

P **I** L L S

I is in the word but in the wrong spot.

V A G **U** E

U is not in the word in any spot.
