HOSPITALITY PROJECTS

Spaces created for travellers and friends, for special occasions as well as relaxing days. These interiors are created to catch your attention, recharge your energy and create cherished memories. Sans Souci has been involved in projects from hotel lobbies to famous restaurants and spas. On the next pages you can find the most iconic names such as Dubai's Burj Al Arab and London's Claridge's.

FIVE LUXE HOTEL

Dubai, UAE

FIVE LUXE HOTEL

FIVE LUXE Hotel is newly adorned with unique Sans Souci's chandeliers inspired by the underwater world. The new gem in the heart of Jumeirah Beach Residences (JBR) in Dubai, stands as a testament to the fusion of exceptional design and advanced technology.

Sans Souci's in-house design team created eighteen lighting installations for FIVE LUXE. From the twelve-meter chandelier and a glass wall composition in the lobby to specific lighting in individual apartments. Each one features its unique theme, thus, all the lighting needed to match the atmosphere and design of the rooms.

GRAND RESORT BAD RAGAZ

*Bad Ragaz,
Switzerland*

GRAND RESORT BAD RAGAZ

Interiors and state-of-the-art technology, Grand Resort Bad Ragaz guarantees the best in hospitality.

We developed ten lighting designs for the hotel's interiors with the crowning jewel – an eighteen- meter-long crystal waterfall that cascades down the central staircase, from the rooftop to the ground floor. Created by Sans Souci in collaboration with Carbone interior design studio, the installation features a curtain made of 33,000 crystal glass pieces, upcycling components from the previous Swarovski chandelier.

EXPERIMENTAL HOTEL

Paris, France

EXPERIMENTAL HOTEL

Located in the heart of Paris's Marais district, Hotel Experimental Marais sits within one of the capital's most vibrant neighbourhoods. Our lighting installation redefines the atmosphere of the hotel's restaurant as a contemporary reinterpretation of a New York brasserie. Three circular installations are each composed of three interconnected circles arranged across two layers, creating a striking visual effect.

CONRAD HOTEL SHENYANG

*Shenyang,
China*

CONRAD HOTEL SHENYANG

Upon arrival, guests are welcomed into a transition lounge that seamlessly blends classic detailing with contemporary design, reflecting the cultural depth and cosmopolitan spirit of Shenyang. The lobby lounge, framed by high ceilings and oversized windows, offers a serene retreat – a place to unwind, connect, and take in panoramic views of the vibrant cityscape below.

For the Conrad Hotel, we created a striking installation that cascades from the high ceiling down to the walls, adorning the space with shimmering hues of gold and blue. Our handblown Kerchiefs components appear to float weightlessly, gently flowing through the space.

BURJ AL ARAB

Renovated exit lobby in Burj Al Arab features the magnificent spiral chandelier as the bespoke centrepiece for the interior. The stunning chandelier was adapted from our much-loved Symphony collection and is comprised of 210 crystal tubes, weighing around 450 kilograms.

The installation seamlessly integrates heritage craftsmanship with the cutting-edge technologies. Each of the 210 glass tubes is fitted with an LED strip, coated in gold, and then engraved with a unique leaf motif taken from the luxury hotel's wallpaper.

SABLIER ROOFTOP RESTAURANT & BAR

*Zurich,
Switzerland*

SABLIER ROOFTOP RESTAURANT & BAR

A captivating piece of drama. This exquisite installation combines light, beauty, and music to crown the award-winning interior design of the Sablier Restaurant, Zurich.

We worked closely with the team at Thöny Interior Design to create the ultimate centrepiece for the Sablier restaurant, located in the Circle complex at Zurich airport. Sans Souci's Opera and Flash collection were specially chosen to add drama to these rich interiors.

The OPERA installation runs 12 metres through the bar and restaurant. It is made from hand-blown glass components, suspended from the ceiling, in decadent golden hues.

ORAN ROYAL HOTEL

*Oran,
Algeria*

ORAN ROYAL HOTEL

Oran Royal Hotel, a distinguished landmark in the heart of Oran, Algeria, blends historic grandeur with modern luxury. Enhancing its timeless elegance, our bespoke Vice Versa chandelier transforms the reception into a luminous statement of sophistication and artistry.

To achieve a design that resonated with the hotel's luxurious approach, we turned to the Vice Versa collection – an exquisite blend of bold contrasts and excellent craftsmanship. This collection, renowned for its interplay of metal nanocoating and textured slumped glass, was the perfect choice to create this sophisticated installation.

THE RITZ-CARLTON BERLIN

*Berlin,
Germany*

THE RITZ-CARLTON BERLIN

The The Ritz-Carlton, Berlin embodies the beauty born from the union of Berlin's Golden Age and Art Deco design.

Our Starburst components sparkle throughout the hotel lobby, capturing guests' attention and enhancing the space with radiant elegance.

Inspired by the glamour of the Golden Era and the cinematic presence of Marlene Dietrich, this lighting installation evokes the spirit of that era.

The modern and vibrant Tea Lounge was given an entirely new dimension with the Space Balls lighting feature. The contrasting interplay of silver and brass nanocoating finishes subtly references the Golden Age, reinterpreted with a contemporary twist.

MANDARIN ORIENTAL RESIDENCES

London, UK

MANDARIN ORIENTAL RESIDENCES

At the heart of the Mandarin Oriental Residences in Mayfair, bespoke lighting plays a key role in elevating the understated luxury of the penthouse and duplex interiors.

The brief called for contemporary lighting with a strong sense of texture – pieces that would complement the architectural clarity of the space while adding artistic depth. For this project, we developed two signature chandeliers, each tailored to its unique setting yet unified by a refined design language.

FOUR SEASONS KUALA LUMPUR

*Kuala Lumpur,
Malaysia*

FOUR SEASONS KUALA LUMPUR

A contemporary reimagining of the classic chandelier for the modernist interior of the Four Seasons Hotel in Kuala Lumpur. Sans Souci created a unique take on the classic installation for this luxury hotel, which embraces the captivating pulse of Malaysia's capital.

We designed the installation as a centerpiece for the hotel's lobby. Given the clean, contemporary interiors we created a more pared-down but still visually delightful interpretation of the the traditional chandelier.

FAIRMONT HOTEL TOKYO

Tokyo, Japan

FAIRMONT TOKYO HOTEL

In the Grand Ballroom, our striking pendants draw inspiration from the sea, transforming the space into a radiant seascape of light. Crafted from glass rods finished with aurum nanocoating and polished metal, these sculptural pieces shimmer like reflections on the ocean's surface, elevating every event.

On the 35th floor, within the Kiln & Tonic restaurant, our bespoke chandeliers composed of handblown light amber glass and refined metal elements create a warm, soft ambience that enhances the inviting atmosphere of this Mediterranean brasserie.

INTERCONTINENTAL ATHENEE PALACE

*Bucharest,
Romania*

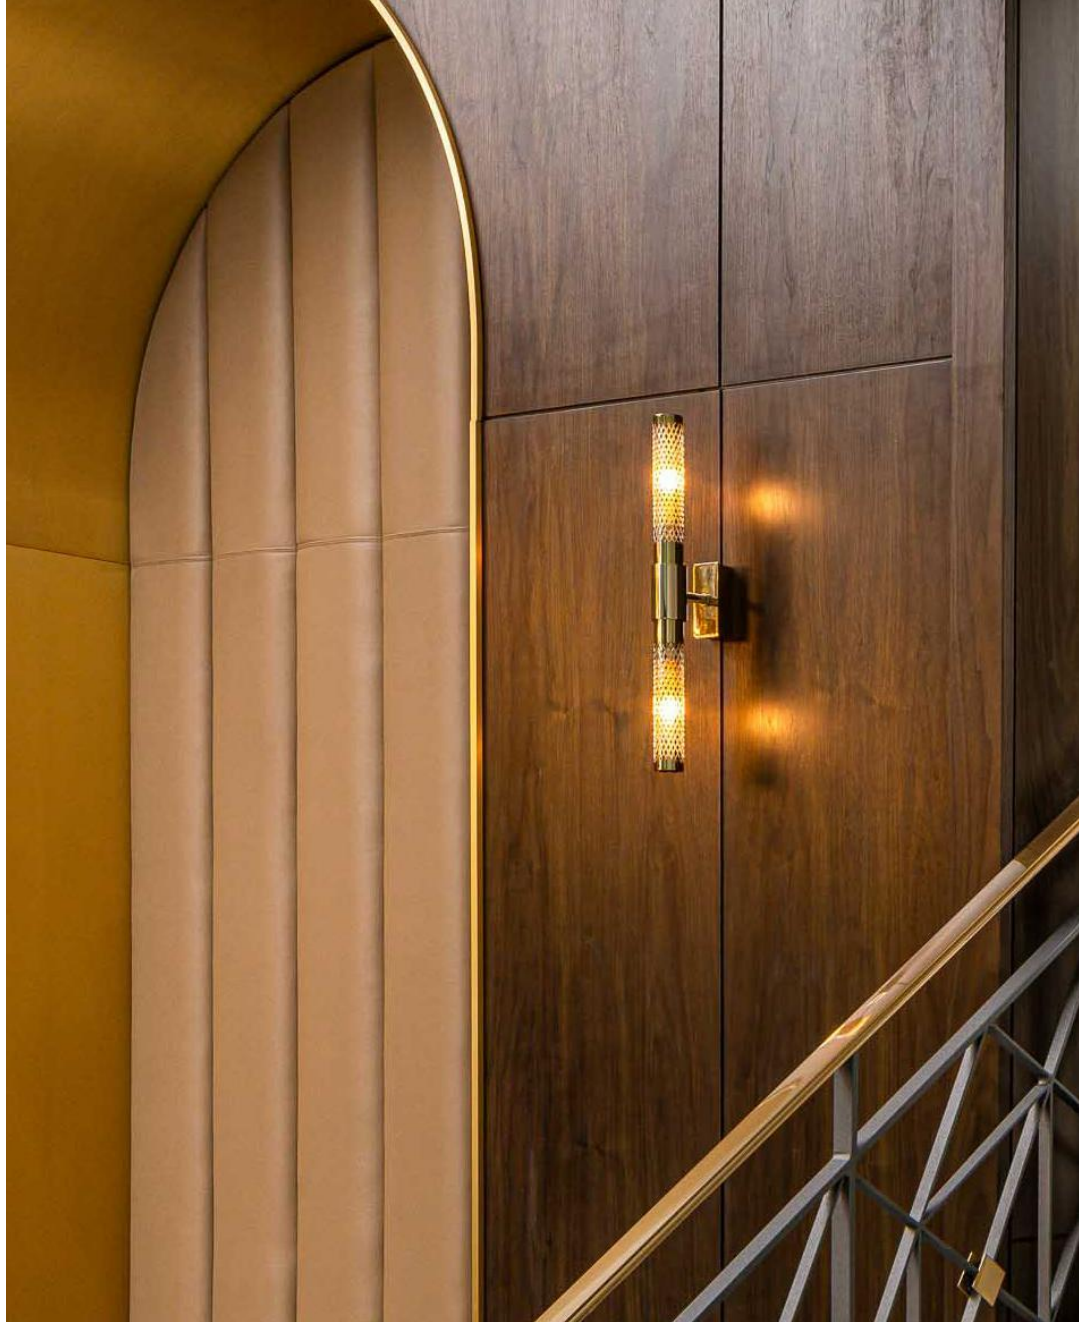

INTERCONTINENTAL ATHENEE PALACE

Café Athénée, located within the historic InterContinental Athénée Palace, has long been a cornerstone of Bucharest's cultural and social life. As the iconic café underwent a meticulous renovation, Sans Souci was invited to contribute our expertise in bespoke lighting, helping to shape a contemporary interior that honours the building's architectural heritage.

At the heart of the project is a custom installation positioned above the main countertop, crafted from our Symphony collection. Complementing this centrepiece, we supplied matching wall lights that bring a cohesive and refined lighting language to the space.
