LIBERTY

EMPLOYEE OF THE MONTH

Melissa & Ian

Thank you for always being there for us and for all the time you've put into the new systems we are rolling out.

- Sonny Lucas

Mac VanDoros

Mac has an awesome attitude, is very coachable, claims to have once had a rebound in YMCA basketball, and lands at least 1 out of every 10 jokes he makes. Who knows which of these is the main component but it's all starting to come together, having 7 intakes to lead the branch in April while pacing for over 10 at almost the half way point of May. Big things ahead!

MM

Shout out to MM for sacrificing all the time in and out of work to help anyone that needs it. Please put your phone on Do Not Disturb after 8 pm tho! 😊

- Korey Leonhard

Team "Birds Aren't Real"

Thanks for working your butts off 7 days a week to win the competition - build pipelines, good habits, and knowing where your loans are. Go birds!

- **My loan officer Nick is very patient and understanding. He helped me with how the pre-approval documents are uploaded and emailed me the letter I sent to my son who is working with a realtor to look for a house. I want to move from Maryland to Ohio. - barbie bj747**

- **I had a great experience with chad and his whole team. Would highly recommend. He was willingly to help me and answer any questions I had. (I had a lot) He made sure to get everything done and if there were any issue he was on top of it. I called him once late on a Friday night not knowing he was having family time and he was more than willing to step away and help me through the panic at the time. If you are looking for good communication, a funny yet serious, caring loan broker reach out to Chad - zuser201712311953045**

From start to finish of the process Joe was with us every step of the way (even on closing to make sure we were good to go)! We were impressed at how simple he made the process. Highly recommend to anyone looking for a lender. - Tyler
- Joe was amazing, did everything he could to get our loan to close, even gave me multiple options. I had a fairly complicated FHA loan with DPA that ended up turning into FHA with cash down payment, and Joe still managed to have us close in time! I was amazed at how fast he managed to get everything done for us, and he was excellent at communicating with us on what was next, what to expect, and what he needed from us. Joe went above and beyond my expectations for a loan officer, and overall was a pleasure to work with! ^_^ Joe would be my recommendation for anyone looking to purchase a home! Thank you so much! - Heather C

- We've known Chris for awhile and he's always been super reliable. When we finally decided to start looking for a house we went right to Chris. He instantly took initiative and made everything very easy to understand. This was our first experience buying a home and it felt so easy. He'd reach out just to check in on us to see how we're doing. He'd give us his insight and opinion throughout the entire process. It was never hard to get ahold of him, which in this market, was a true blessing. I will 10/10 recommend Chris to anyone I know when they're looking to buy a house! - Kevin & Mal

LOVE

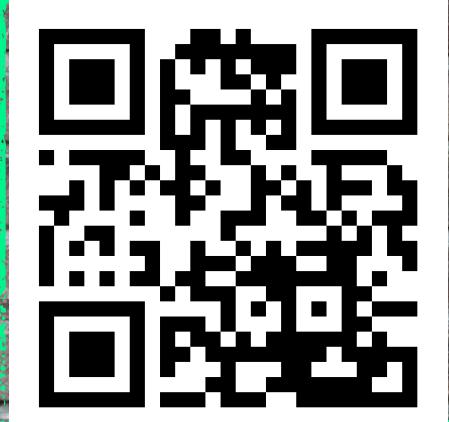

THE GIBSON FAMILY

EMMITT

SCAN
TO DONATE

This is Emmitt Gibson. Emmitt is an incredible two-year-old boy who has Down Syndrome. He has amazing parents, Maggie and Brock Gibson, and a big sister, Sophie, all of which love him dearly.

In late 2022, Emmitt was diagnosed with Acute Myeloid Leukemia. He's been so brave through his first treatments but there are still more cycles of chemo he must courageously face. He is in his 4th cycle of 6. This has been an extremely difficult time for the family, but Emmitt has pushed through and somehow managed to keep that adorable smile. With all the treatments and recovery time, Emmitt's mom, Maggie and dad Brock still balance their careers, hospital trips, and being the excellent parents they are, while also expecting a baby girl next month! While mom and dad take turns being with him, they also have Sophie to care for at home, and a baby to prepare for. Their hectic schedule has made it hard for them to find time to eat, never mind cook. With your help, we can raise money to provide them with gift cards for meals and meal deliveries. Your funds will literally help feed this family as they try to navigate Emmitt's continued treatments while trying to maintain as much of a normal life for Sophie as possible. Every single donation, no matter how small, will mean the world to them.

This charitable cause was brought to us by Taylor Bednarski, our graphic designer.
