# Introducing Sheffield

RVM Australia is proud to bring Sheffield, a trusted and established New Zealand brand, to Australian consumers. The Sheffield range spans a wide variety of product categories including kitchen appliances, homewares, seasonal products, floor care, personal care, and whitegoods — all designed to enhance everyday living with convenience and affordability.

With over 18 years of experience behind the brand, Sheffield continues to deliver innovative, on-trend products that represent outstanding value for money. Guided by the philosophy of “Living well every day,” Sheffield stands for quality, reliability, and service. Every product is backed by a reassuring 24-month warranty, giving customers peace of mind with every purchase.

Beginning with the 2025 Sheffield Cooling Range, Sheffield product will now be available through RVM Australia. Australian customers can enjoy the same well-regarded Sheffield products that have become a household name in New Zealand.

**Three fan speeds**  
Tailor your cooling experience to your preference with three speed settings.
