A Message From the Active Member of the Supreme Council

William M. Carter III, 33°
Active Member of the Supreme Council - Cleveland

A New Season of Energy and Engagement.

Welcome to the month of June, my Brothers! The warming weather finds the Valley of Cleveland standing at the threshold of an exciting new season. It is one marked by strengthened transparency and deeper engagement with YOU, the members we are privileged to serve.

First and foremost, **congratulations are in order to our two newest members of the Board: Illustrious Brothers Gregory Kita and Michael Spisak.** Their willingness to step forward into a servant-leadership role is itself a meaningful act of service. We are incredibly grateful for their commitment to helping shape the future of what is truly a remarkable Valley - one built through dedicated Brethren who choose not simply to observe the work, but to actively labor in the quarries for the benefit of all.

We also extend heartfelt congratulations to the newly installed officers of our four Bodies for the ensuing year. Our Installation is far more than just a ceremony. For the Valley of Cleveland, it is a declaration of passion and purpose. Each of our officers has accepted both the honor and responsibility of leadership, and we can all be assured that each will help carry forward the traditions of excellence and fraternal spirit that define our Valley. We thank those who have served faithfully and eagerly look ahead exploring the fresh ideas and enthusiasm that a new year brings.

Much good work is already underway!

Your Board has been diligently focused for the past several months on building a Valley that is increasingly transparent and aligned with the needs of its members. Our fraternity thrives when Brothers feel informed and connected to the work around them. All voices are heard, and efforts are being made not just to preserve the goodness that we have, but to thoughtfully strengthen how we serve our membership while honoring the traditions entrusted to us.

Perhaps most exciting of all is the work we are now beginning to revisit our committee structures and opportunities for involvement. We want to ensure that our Valley reflects what its members most desire: meaningful engagement, rewarding experiences, fellowship, education, service, and opportunities to contribute in ways that matter.

The future of the Valley of Cleveland is BRIGHT. And more importantly, it is a future we will shape together.

Let us approach this ensuing year with optimism! And even more, let us commit to renewed participation and the shared conviction that the best days of our Valley still lie ahead!

A Message From the Executive Secretary of the Valley

Brady M. Woodworth, 32°
Executive Secretary

We have a new look!

My brothers, after some suggestions and requests for the Valley Newsletter, we have taken a complete turn!

The Newsletter is focused on three things:

1) Celebrate the Accomplishments of our Members. This will include giving Recaps of each of our events with pictures and articles, and were also giving parts of the newsletter to each of the Valley of Cleveland and Scottish Rite Programs, like the Ohio Traveler's, Black Cap, Passport, Pathfinder, HGA, and everything that you do to grow in Scottish Rite.

2) Provide you with the details on how to be active in Our Valley. We have separate sections to focus on when we are putting on degrees, the social and fraternal events, as well as activities with the Children's Dyslexia Center of Cleveland!

3) Promote all Bodies. It is no secret that all of us are members of multiple Masonic Groups. *Wouldn't it be great if there was one place that had all of the great Masonic Events going on in Northeast Ohio?* Through your submissions of Blue Lodge & Appendant Body Events, we can make that happen. Send us your event flyers and registration links by the 25th of each month to my email, aasrcleveland@gmail.com, and we will feature them in each monthly newsletter leading up to the event! We also provided all of the District Contact Information for the 20th, 21st, 22nd, and 25th Districts for you to always be able to reference.

We are all Masons, and we are all trying to make that experience better for ourselves and for our brothers. Through this newsletter, I want to help change the narrative on how we talk about the Mansion of Freemasonry to each other. No more division, no more this group vs that group, **We Are One Fraternity.**

My brothers, we are ever growing and we want to know what you think of how we operate this Valley. Fill out the [Membership Survey on Page 3](#), and let us know what you think of the new format of the Valley Newsletter!

EVENT RECAP: SPRING REUNION

Valley of Cleveland
**SCOTTISH
RITE™**

Honoring: Illustrious & Worshipful Brother
Timothy M. Daley, 33°

We had another amazing Spring Reunion this year in honor of Illustrious and Worshipful Brother Timothy M. Daley, 33°. We started on Saturday May 2nd, where over a hundred brethren gathered together at the Berea Masonic Center to see the live portrayals of the 4°, 14°, 16°, 18°. We had a class of 11 Master Masons join the Valley of Cleveland that day, who were all beaming with excitement from the degrees that they had received.

Then on Monday May 4th, we gathered back at the Berea Temple for the portrayal of the 32°. We were honored that we had four more members of the Valley who had not previously received the 32° join our class that evening, including a member of the Valley of Youngstown who came to see our degree!

While there were a number of amazing moments during the weekend, we would be remiss if we didn't thank our Casts and Stage Crew for all of their hard work that they put in for the Spring Reunion. Multiple Degree Practices over a month in advance in preparation to provide the best experience possible to our new members. **Brethren, we cannot thank you enough for your dedication towards the Valley of Cleveland!**

This was a special picture that Tim Daley asked us to take at the Reunion. It features 4 pairs of Fathers & Sons who are Senior DeMolays and now members of the Valley, all who worked with Tim in some capacity in DeMolay.

Pictured are 23 Scottish Rite Masons who all started their Masonic Journey in the Order of DeMolay. This picture was a special request from our honoree as he spoke in his speech about the power of mentors that he had in DeMolay and how they inspired him to continue to grow in Masonry. Although we are all from different chapters, the lessons and examples we learned in DeMolay were the same.

EVENT RECAP: 50 YEAR AWARD

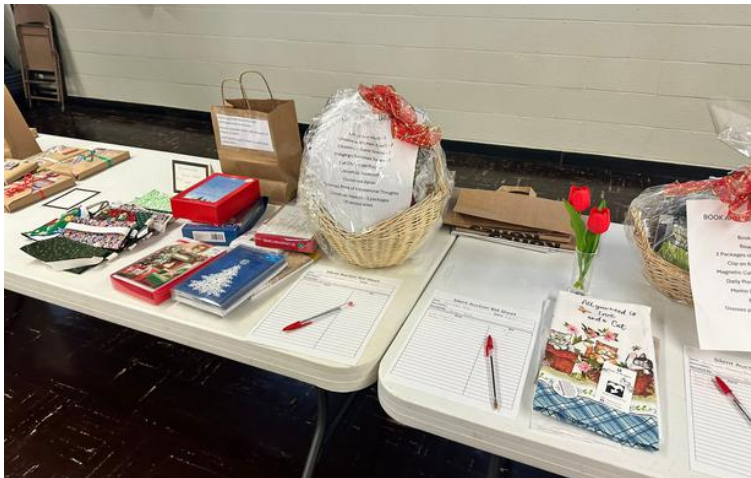

On May 13th, I had the honor of meeting **Sublime Prince David Mc Dermott** and his wife Helen. David is one of our 50-year Service Awardees this year but is unable to attend our ceremony on June 1st, so Helen reached out and asked if we could come to their Retirement Community to present it to him. We had a lovely visit and David was very excited to receive his 50-Year Certificate and pin from the Valley, and placed it right next to his Lakewood Lodge 50-Year Award! **Congratulations David, and thank you for your membership to the Valley of Cleveland!**

Retiring Remarks from our Thrice Potent Master

Willie Stamper, 32°

Thrice Potent Master: 2024-2026

Fourteen Years.

Fourteen years is the time I spent as an officer in the Lodge of Perfection. In life, that is an associate degree, twelve years of school in the line and two years of college as the presiding officer. If we think back to the days of our youth, when life was fresh and new, full of wonder and possibility, there were so many things to discover, and explore. We didn't know what we didn't know, but we were eager to find out, and from the moment we stepped into the light, we knew this was different.

Just as in life, time passes, like the sands of the hourglass. But this time, every particle is a person, a lesson, or a moment in time, shaping and molding us into something different. Polishing and perfecting us, smoothing the sharp edges, shaping us into something better, until we are more than we thought we could be. Like Jonathan in the 11th degree, we begin as a craftsman, and through life, relationships and experience, are transformed into something more, something better.

Constans says, "Give me to serve, and I am doubly blessed." I can echo and confirm that thought. I am honored and blessed in that the leaders and members of the day, thought enough of me to select, appoint and elect me to the Lodge of Perfection. I am doubly blest and privileged, in meeting, knowing and serving with some of the best people I have ever known.

This space is far too short for me to properly express my thanks and appreciation, for all Scottish Rite, and its members, both here in the Valley of Cleveland and abroad, have done and mean to me. So, I will simply close with a solemn and profound... **Thank You!**

Retiring Remarks from our Outgoing Trustee

Robert C. Cygan, 33°

Consistory Trustee: 2025-2026

Time to say Farewell,

It has been an honor and a privilege to serve the Valley of Cleveland as a Trustee, but all good things must come to their conclusion.

Being a trustee and having a part and input as to the direction of the Valley as we transitioned from downtown to Berea, then implementing the ideas that helped shape our Valley to where we stand today was a tremendous honor to say the least.

The hard work of the Board all working together, especially our Secretary in keeping us on track and achieving the Valley of Excellence award several years in a row and making our Valley one of the best in the state is nothing short of spectacular.

The Valley is in very good hands with the new Officers and Trustees; they are poised to take our Valley to even greater heights, and I have no doubt they will. I thank the board for their confidence in me and allowing me to be a part of it.

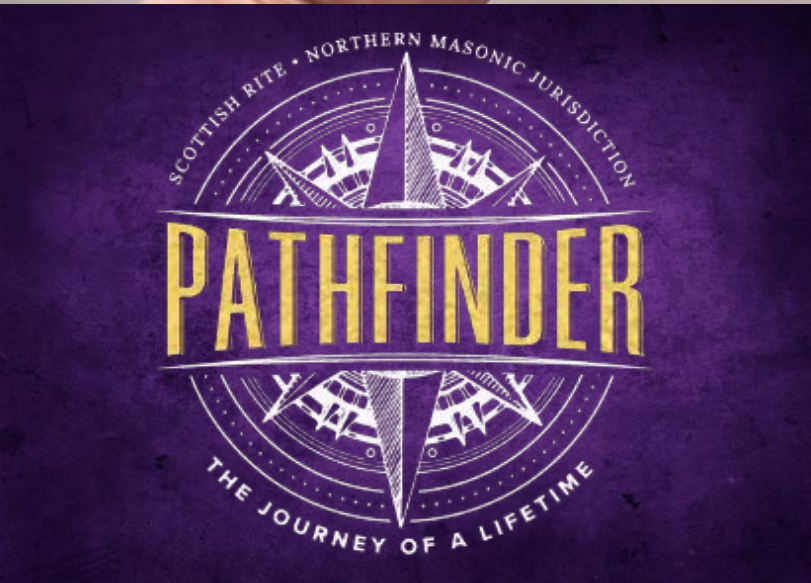

Fraternally,

Bud Cygan

End-of-Year Celebration

Our grads!

L to R: Ben, Marcus, Director Jessica Rzepka, Kerri, Kate, and Vaughn

What a great time we had at our end-of-year party and graduation! There were inspirational speeches and stories, plus games, pizza, cake and socializing. This annual event is a chance to celebrate all our students and congratulate them for their hard work and perseverance, especially those who successfully completed the program.

Best wishes to all our graduates and we look forward to hearing all about your future successes!

EVENT RECAP: GRADUATION

Also graduating were five trainee tutors. They spent 60 hours in class and 100+ hours tutoring students at the Center in order to receive their certification as Dyslexia Practitioners accredited by the International Multisensory Structured Language Education Council.

Our 2026 Training Program Graduates:

- Angela Yeager
- Christine Baranek
- Jill Myers
- Megan Brown
- Trish Staiger

We congratulate them for their hard work and are so grateful that they embarked with us in the mission of the Children's Dyslexia Centers to train more educators to be equipped to serve children in reaching their reading potential.

Mitchell's Fundraiser Results

Drumroll please...the final totals are in, and we raised \$461 from our Mitchell's Gift Card Fundraiser! So many of you pitched in by purchasing and selling 78 gift cards for delicious Mitchell's ice cream totaling \$1,845 (of which we keep 25%).

Thanks to all who participated. Extra special thanks to our highest sellers, Lauren Brand, who sold \$570 worth of gift cards, and Tricia Gompf, who sold \$555! The funds raised will be used on needed educational and office supplies.

If you missed this fundraiser or are looking for additional ways to support the Center, you can always make a donation at any time on our website (see button below), or purchase supplies from our [Amazon Wishlist](#)

SCOTTISH RITE MASONIC MUSEUM & LIBRARY

Entrepreneurial Apron Seller Ebenezer Hutchinson of Quechee, Vermont

Hilary Anderson Stelling, Director of Collections and Exhibitions, Scottish Rite Masonic Museum & Library

As a young man New Hampshire native Ebenezer Hutchinson (1787-1855) pursued a career as a potter. By 1815 he was working with his brothers in Quechee, a village in Hartford, Vermont. There they sold “Brown Earthenware” including sap pots, vessels designed to be used to harvest sap to make maple syrup.

Ebenezer Hutchinson explored a range of business pursuits. In 1820 he advertised that he published a map of New England, sold The New England Farmer’s Diary and Almanac and produced in his own factory hair combs “of every kind and quality, made in the newest fashion.” Adding to the list of the variety of services and products he offered to customers Hutchinson advertised that “he carries on the business of Copper-plate Engraving, & Copper- plate Printing,” employing “the most experienced workmen.”

SCOTTISH RITE MASONIC MUSEUM & LIBRARY

Connected to this business, Hutchinson sold “Masonic Aprons & Diplomas, designed and engraved by Moody M. Peabody of Hartford VT....” Peabody advertised as an engraver in Quechee from June of 1820 through November of 1822, promising to undertake work “in an easy and genteel manner, with dispatch and on reasonable terms.” Hutchinson likely printed the aprons and diplomas Peabody designed. Described as a “Royal Arch Apron” beneath the central design, another inscription on this apron says it was “Printed and Sold by E. Hutchinson Harford queechy village VT. Copy Right Secured.”

An enthusiastic marketer, Hutchinson spoke highly of the aprons and diplomas he offered, claiming that they had “been pronounced by various lodges in Vermont and N. Hampshire, to be superior, both in the design and execution, to any before invented.” Reaching out to a broad audience, he offered his work to Freemasons across the country, stating that “Gentlemen of the craft wishing Aprons or Diplomas, or both, can by addressing a line to the subscriber, have them sent to any part of the United States.”

Hutchinson does not name his potential Masonic customers as brothers, nor does he sign this apron using the title of brother, suggesting that he himself may not have been a Freemason. Records of Masonic membership in the early 1800s are spotty, but Hutchinson is not listed as a member of a lodge in records compiled by the Grand Lodge of Vermont.

Interestingly, several copies of a print, Freemason’s Heart, that Hutchinson and Peabody had collaborated on, such as this one in the museum’s collection, have survived to the present day. Aprons associated with the pair may not have been made in as significant numbers. This one is rare example of regalia signed by Hutchinson.

In spite of—or perhaps because of—his diverse commercial undertakings, Hutchinson ran into financial trouble. In 1823 he listed a large number of items at public auction, being sold “to keep him from prison.” Offerings included household furnishings, such as tables and bureaus, and potentially business-related items, like books, paper, and measures. Hutchinson eventually overcame his financial problems. By 1825 he advertised a new location for his copper plate printing business in Woodstock, Vermont. His work as a map publisher continued for the next two decades, but his time creating Masonic prints and regalia, such as this apron, was short-lived.
