## GIORGIO BAGNARA, FOUNDER AND CEO OF GIOBAGNARA

Born into a family renowned for cultivating the Art of Fine Living for three generations, Giorgio Bagnara became passionate about his calling at a very early age.

At the end of the 1990s, after noticing that leather utilized in the fashion industry was not considered a suitable material for home accessories, he founded GIOBAGNARA with the goal of applying leather to a homewares collection.

Along with his wife, Vanessa, he first moved his design studios and workshops in the old docks of the Port of Genoa and, later, in a renowned historical building near Genoa's Marina where, surrounded by the essence and beauty of that location, the company took a significant step forward.

## THE DYNAMICS OF A DUO

A real laboratory for ideas, Giorgio Bagnara coordinates production in the Manufactura's workshops.

He carries out projects and handles private orders, working at the very core of production and enriching his repertory of forms each day, being involved in all stages of creation.

His wife Vanessa harmonizes the collections, cultivating elegance and contributing her chic feminine vision to the creation of trendy accessories. Together, with natural complicity and meticulous care, they plan and select what will become the collections of tomorrow. They combine expertise and intuition to be fully attentive to their clients' needs.

## GIOBAGNARA

Renowned for its elegant creations that convey luxury without ostentation, GIOBAGNARA adheres to the highest standards of craftsmanship. By pursuing a philosophy that incorporates traditional know-how with leading-edge technologies, and offering a limitless color palette of quality leathers and suede, founder Giorgio Bagnara has been able to experiment and push the technical boundaries of his craft in order to create pieces that are both beautiful and functional. Launched in 1999, the GIOBAGNARA brand has quickly earned a reputation for expert leather workmanship, and its founder has become a key partner for a large number of interior designers as well as a select group of yacht and private jet designers who rely on his specialized knowledge to realize made-to-measure commissions.

In 2015, Giorgio Bagnara expanded his leather goods portfolio with the acquisition of saddle leather specialist RABITTI1969.

In 2017, Bagnara initiated a collaboration with French designer Stéphane Parmentier, who was appointed creative director of GIOBAGNARA and its affiliate brands.

In 2018, the company's portfolio grew with the strategic acquisition of PIGMENT FRANCE, a respected company with specialized skills in leather covering and the weaving of wicker, rattan and straw.

In 2022, GIOBAGNARA acquired the Italian luxury lifestyle brand RIVIERE. The know-how of this brand is unique of its kind, and elevates the universal characteristics of beauty and quality. With this acquisition RIVIERE enriches GIOBAGNARA's offer and strengthens the Group's international leadership in the sector.

Today, GIOBAGNARA proudly counts more than 150 direct employees.

The brand now boasts an impressive offer of quality leather homewares and is ready to embark on its next exciting chapter.
