MESSAGE FROM NON-CON SECRETARY

**Governance by Integrity.
Driven by Purpose.**

Dear Members,

I would like to extend gratitude to every NCR member for honoring upon me the privilege of serving in your stead this February in the Executive Council 2024-2025. This responsibility is one I accept with the deepest sense of honor and humility to serve our beloved club in the very best of my abilities.

I would like to express my sincere gratitude to our members, the Mayor, Jr. Aguirre, the Honorable J. Beards, our all Honorable & Prominent members, whose wisdom and experience continue to inspire and guide us. It is a source of immense pride to serve alongside visionary leaders — the Honorable J. Beards, President, and Mr. Michael J. Aguirre, Vice President — whose guidance and support from the leadership of the Executive Council, also, I sincerely acknowledge the collective support of all NCR Members in accepting this significant responsibility. I would also like to sincerely thank myself for their continuous efforts and collaboration behind the scenes.

As this time February, the overall administration of NCR rests in the hands of my responsibilities, from ensuring the seamless functioning of day-to-day operations to coordinating various departments, committees, and delegations, my role is to be the executive thread that keeps this

significant institution running like a well-oiled machine. Every policy, process, and decision is executed with transparency, accountability, and the best interests of our members at the forefront.

In an effort to strengthen governance and encourage greater participation, we have initiated the implementation of signing authorities across various departments, ensuring our Non-Constituent will have active involvement in everyday club matters. This step aims to enhance collaborative leadership within the system. I express utmost gratitude to all the Non-Constituents for their unwavering support and guidance.

NCR has always been a sports-driven institution, and we are committed to making our sporting culture even stronger. I would like to recognize members like Aaron Hagg-Harris for spearheading efforts in the football league at NCR. Our vision is not only to promote participation but also to nurture excellence — striving to develop more international-level players across various sports from the very best grounds of NCR.

I work closely with each member of the Executive Council to ensure that the vision set forth by our President is translated into meaningful, tangible action on the ground. Whether it is administrative efficiency, member grievance resolution, or institutional governance — I am committed to maintaining the highest standards in every step.

NCR is not just a club — it is a living, breathing community built on trust, tradition, and excellence. As your NCR, I promise to uphold these values with every decision I make and every action I take.

experience, and fight along throughout the season about the team. Meanwhile, members engaged in the success of the BSA organization.
