welcome home

No matter where you make your home in this beautiful and exciting world, it's important that it also feels like home too. Personal items, perhaps a couple of loved ones, and an ambience that makes it comfortable and homely: these are the essentials for creating a cosy home.

- non-woven wallcovering collection
- 10,05 length x 0,53 m wide
- 48 wallpapers
- Taste collection

One of the simplest ingredients for creating a cosy atmosphere is an easily applied non-woven wallcovering. Our new 'Welcome Home' has the right one for everyone's own four walls. Patterned wallcoverings with plants or graphics complement each other perfectly with the matching solid-colour designs. The cool range of colours features different shades of white, beige and grey. And if you want a little more colour, you can also find the matching wallcovering in pink, red or green. This turns an apartment into a feel-good home with minimal effort.
