SEAN EVANS

President/CEO, Meridian Chamber of Commerce

On behalf of the Meridian Chamber of Commerce Board of Directors, Chamber staff, and the entire membership, we are proud to present one of the many benefits provided by the Meridian Chamber of Commerce – the new 2024-2025 Membership Directory. Let it serve as your reference tool for the coming year as it is a handy resource filled with useful information about our community.

You will also find in this publication an alphabetical and categorical listing of over 900 Chamber member businesses that help support the important work of the Meridian Chamber. We encourage you to patronize our members businesses, to shop and dine locally, and help us continue in building success for our community.

The mission of the Meridian Chamber of Commerce is to enhance the Meridian area business community by promoting economic development, growth, and prosperity and doing this in a business-friendly, community connected, family-focused way.

With that being said, we invite local businesses

to join our membership. The Chamber is here to support, promote, and advocate on behalf of our members. We do this part by providing great networking opportunities and monthly events, some of which are business and leadership trainings, workshops and seminars, community forums, roundtables, and other social events that we assure will be beneficial to any business. Our economic development and government policy work is keeping Meridian a great place to do business.

Meridian's growth over the past decade has been nothing but astounding, and as we continue to work to keep our community safe and healthy, we know there is opportunity for everyone, and Meridian is poised for continued success.

Thank you,

Sean Evans

A message from

ROBERT SIMISON

Mayor, City of Meridian

On behalf of the City of Meridian, and as a Leadership Meridian graduate, I would like to thank the Meridian Chamber of Commerce for its efforts to support Meridian businesses. Since 1958, it has been a vital part of the economic fabric of our community and has established the Meridian Chamber as a leading voice for Main Street businesses.

Meridian is the premier city in Idaho to live, work, and raise a family, with amazing neighborhoods, quality schools, and growing businesses. Throughout my tenure as Mayor, I have had the opportunity to meet and listen to many business owners and leaders. This is largely made possible through our partnership with the Meridian Chamber of Commerce, and the various events, committees, and programs offered by the Chamber.

I am proud of the efforts we take to ensure Meridian is "Built for Business." From listening to our businesses, streamlining our service delivery, reducing regulatory burdens, and supporting free-market principles, we are keeping it easy to do business in Meridian. While we do not create jobs or businesses, we do provide the environment for businesses to open and thrive – keeping the Energy in Meridian!

We have also supported efforts to ensure we truly are "Designed for Living." We remain focused on preserving our great quality of life through investments in public safety, transportation, and

our parks. With new fire and police stations, we can better serve the community. By investing in transportation solutions, we can get goods and services moving in Meridian. And our enhanced parks create spaces for needed downtime at the end of the workday. These efforts have kept Meridian ranked as one of the top 10 safest cities in Idaho.

Although we've achieved great success as a community, there is more work to do, and as your Mayor, I value and appreciate the Chamber's ongoing efforts to support, promote, and advocate for local businesses. As a member of the Chamber of Commerce, you have a unique opportunity to network with fellow businesses and leaders and participate in various Chamber committees and programs such as MC Leads and Leadership Meridian. These opportunities encourage involvement and business-to-business support and contribute to the growth and development of Meridian's business community.

Ultimately, whether this is your first year as a member of the Meridian Chamber of Commerce, or your 50th, you've made a great decision to be part of the network of businesses supporting one another. And, with the City and the Chamber working together, we will continue to make Meridian the West's premier community in which to live, work, and raise a family...and to start, maintain, and expand your business!

CHAIR
Margaret Espinola
COMMERCIAL LENDING / LOAN OFFICER VP AT ZIONS BANK

With over 25 years of banking experience, Margaret Espinola has made a significant impact on her clients, colleagues, and community. Throughout her career, she has held various roles, including consumer loan officer, bank branch manager, mortgage officer, and commercial loan officer. She now serves as a Community Banking Relationship Manager at Zions Bank, where she supports both business and consumer clients with their banking and lending needs.

Over the past decade at Zions Bank, Margaret has consistently exceeded her department's annual goals for new loan production. Her experience as a former small business owner, having successfully grown a boutique clothing store to generate several hundred thousand dollars in annual sales in a town of just 35,000, has provided her with valuable insights that she applies to her banking relationships.

Margaret's entrepreneurial mindset and dedication to lifelong learning have fueled her success, allowing her to seize new opportunities and deliver exceptional value to her clients.

INCOMING CHAIR
Terrie Trevino

ANCILLARY SALES SPECIALIST AT BLUE CROSS OF IDAHO

Terrie brings over 35 years of experience in the insurance industry, with extensive knowledge spanning both the carrier and agency sides. After a successful 13+ year career at Blue Cross of Idaho, where she excelled as a Sales Consultant and Dental & Ancillary Product Leader, she transitioned to the agency side in 2017. As a Broker at Payne-West Insurance (now Marsh McLennan) and Compass Benefits (now OneDigital), Terrie thrived on building strong client relationships, using her expertise to create customized, cost-effective solutions tailored to the unique needs of each client group.

Terrie holds a Bachelor of Arts degree from Edmonds Community College in Edmonds, Washington, and remains committed to professional growth through active involvement in industry organizations. She is a respected leader in the National Association of Benefits and Insurance Professionals (NABIP), having served as Past President of both NABIP Treasure Valley and NABIP Idaho.

In addition to her professional achievements, Terrie is actively involved in the Meridian Chamber of Commerce, where she currently serves as Vice Chair on the Executive Committee.

VICE CHAIR
**Tressa
McLaughlin**

Meet Tressa McLaughlin, a customer-focused CEO and print industry leader from Boise, Idaho. With a BFA in Advertising Design/Marketing

from Boise State University, Tressa is known for developing innovative solutions tailored to her clients' needs. Her career is defined by a dedication to driving business growth through strategic partnerships and a customer-centric approach. A true entrepreneur, she has led successful startup ventures and acquisitions, while her commitment to creating a positive work culture has earned her multiple "Best Places to Work" awards.

Tressa's leadership and influence extend beyond her business. She is an Idaho Business Review 50 Women of the Year honoree and contributes to the print industry through association memberships, speaking engagements, and thought leadership. She also serves on both the Meridian Chamber Board of Directors and the BPA Board of Directors, demonstrating her deep commitment to community involvement and industry leadership.

In her free time, Tressa enjoys relaxing with family and friends, hosting barbeques, and going on adventurous vacations. She is an avid reader, enjoys home improvement projects, camping, and is passionate about hard rock music, particularly bands like AC/DC and Van Halen. Tressa looks forward to connecting with industry advocates and progressive business leaders for future collaborations.

TREASURER
Pat Catanzaro
ABACUS
BOOKKEEPING

Pat is the owner of Abacus Bookkeeping Consultants LLC. She fell in love with Treasure Valley and immediately jumped

into the business community, joining the Meridian Chamber of Commerce before moving here in 2017, then becoming a Chamber Ambassador upon arrival. Welcoming and meeting new and existing members and chamber staff has been key to her feeling at home in this beautiful valley. Pat's career began in the banking industry, working in multiple areas, then advanced into software design, development, and process engineering for banking applications focused on the customer experience in the bank lobby, Customer Service and Teller platforms. Twenty years ago, she stepped out of corporate America and formed Abacus, becoming a QuickBooks Certified Pro Advisor. Pat consults with a diverse clientele of small businesses and nonprofits, helping them become more profitable by educating owners and employees on best business practices and how to leverage financial information to their advantage. Pat has over 11 years direct financial experience maintaining, nurturing, and growing Chambers of Commerce. She is a 2020 graduate of Leadership Meridian and a 2011 graduate of Leadership Morgan Hill and joined the Meridian Chamber of Commerce Board of Directors as Treasurer in 2023. As a passionate supporter of many nonprofit fundraisers and activities, she looks forward to expanding her contributions to the community.

Legislative Priorities 2024-2025

TRANSPORTATION

Transportation is crucial to Idaho's economy, and further delays will not only strangle Idaho's economic vitality but also result in passing the problems to future generations. Accordingly, the Meridian Chamber of Commerce supports the following projects and funding mechanisms for transportation infrastructure:

- Construction of Linder overpass at I-84 to provide additional arterial north/south access through Ada County.
- Continue improvements to Highway 20/26 west of Eagle Rd. to reduce congestion, improve safety, and create economic opportunity for development
- Completion of State Highway 16 Extension to Highway 84/Central Valley Expressway and continue funding the connections from the new highway main east/west connections in Meridian.
- Using a multi-faceted approach to create alternative funding sources including registration fees, fuels taxes, local option taxes and other user fees
- Support the continuation of investigating other means to fund alternate transportation without negatively impacting the General Fund

ECONOMIC DEVELOPMENT

The Meridian Chamber favors legislation that creates jobs, reduces regulation on businesses, encourages businesses to grow and prosper, and makes it easier for businesses to provide goods and services for our citizens and trade.

- Support the exploration of local based incentives
- Support local option tax authority and mechanisms for funding infrastructure associated with new growth including impact fees
- Support legislation that improves access to, and administration, of state liquor licenses.
- Support the Tax Reimbursement Incentive and its efforts to stimulate economic development

TAXES

The Meridian Chamber supports a tax structure which is fair, stable, provides adequately for those services the government must provide, and encourages investment by businesses and individuals in the growth of our economy.

- Support the review and potential elimination of sales tax exemptions
- Support state income tax rates

to maintain competitiveness with other states

- Pursue a multipronged approach to property tax reform beyond shifting taxes from residential to commercial entities.
- Support business-friendly tax policies to help businesses grow and allow them to reinvest in Idahoans through job opportunities. These policies include elimination of the business personal property tax.

EDUCATION

The Meridian Chamber supports efforts to expand the capabilities of our K-12 schools to graduate all students with the necessary skills to successfully complete college and/or career/technical education (CTE), including emphasis on science, technology, engineering and math (STEM). State-supported colleges and universities need to provide the relevant curriculum and the trained workforce required if Idaho businesses are to effectively compete in the global marketplace.

- Support a mechanism for Idaho schools by which new growth contributes to the building needs associated with student enrollment
- Support the reduction of the

"super majority" requirement to a 60 percent approval rate for the passage of local bond issues

- Support the increase in funding for each student from the state level and maintain the freedom for the school districts to use that funded as needed.
- Support education policies that will strengthen our workforce and build a talent pipeline for Idaho businesses by:
 - a. Expanding career technical education (CTE) appropriations to increase enrollment in Idaho's technical education training centers and expand middle and high school CTE curriculum.
 - b. Supporting opportunities to expand early-childhood education.
- Support local public library district and its role in the community education process.

LOCAL GOVERNMENT

The Meridian Chamber supports measures that enhance the amenities of our community to make Meridian a great place to live, work, and raise families.

- Protect the ability of communities to utilize Urban Renewal Districts and Auditorium Districts as a tool to fund growth and development needs in the community.
- Ensure that cities and counties have the necessary revenue to provide essential services

Meridian Chamber Events

Meridian Chamber Gala

The Meridian Chamber Gala is an evening dedicated to celebrating our members and supporting the Chamber's mission as a nonprofit. This annual event brings together business and community leaders for a night of recognition, networking, and fun. Guests can enjoy delicious food, refreshing drinks, and the excitement of raffle and auction items, all while dressed in formal attire. Proceeds from the gala help fund Chamber programs and initiatives, allowing us to continue our work in fostering growth and unity throughout Meridian. Join us for a memorable night that celebrates success and makes a lasting impact!

Speaker Series Luncheon

The Meridian Chamber hosts monthly luncheons at a variety of locations. These luncheons feature Meridian Chamber updates and a speaker presenting on issues that are pertinent to the Meridian business community.

Oktoberfest in Downtown Meridian

Join us for our annual Meridian Oktoberfest every first Saturday of October! Each year, Oktoberfest features vendors, German food, live music, contests, and of course beer! With an average of 12,000 people attending, Meridian Oktoberfest is a must-attend event.

“Queens of the Greens” Ladies Golf Tournament

Now in its fourth year, this event has become a signature tradition, organized by our Women in Leadership Committee with support from the Chamber staff. The nine-hole scramble continues to offer a fun and engaging experience, with interactive activities at each hole, allowing participants to connect while enjoying the game. For those not ready for the tournament, the golfing clinic remains a popular addition. The day concludes with our now highly anticipated luncheon and fashion show, providing a perfect opportunity for networking and business promotion through hole sponsorships!

First Friday and Business After Hours Networking Events

Twice a month, Meridian Chamber members gather at different member-hosted business locations for networking events open to all Chamber members. The First Friday event, from 7:30 to 9:00 a.m., offers a chance to connect with local professionals over coffee and a light breakfast. Meanwhile, Business After Hours takes place on the third Thursday of each month, featuring drinks, appetizers, and valuable networking opportunities after the workday.

Ribbon Cutting, Grand Opening, Anniversary Ceremony or Open House

When a business joins the Meridian Chamber, we celebrate with a Ribbon Cutting ceremony, but we can also accommodate any type of event, such as Grand Openings, Anniversaries Ceremonies, or Open Houses. These welcoming events feature our Chamber Ambassadors, and all members are invited to join in, offering a great opportunity to connect and learn more about the new business member.

Weekly Business Buzz Interviews

These eight-to-10-minute in-person interviews are shared on social media to spotlight Chamber

members, telling the unique stories behind their businesses and what drives their passion each day. The interviews highlight the business's products or services and, occasionally, give viewers a virtual tour of the location.

Meridian Chamber Golf Classic

Mark your calendars for the annual Meridian Chamber Golf Classic!

This exciting tournament draws a sold-out crowd of local business owners and community leaders. Participants can look forward to a fantastic day of golf, complete with a SWAG bag full of goodies from Chamber member companies, fun activities at every hole, a poker run, raffle prizes, and beverage cart service throughout the event. Awards will be given to the top-scoring team, and lunch is provided for all players. This year's tournament will take place at Falcon Crest Golf Club.

As a key fundraiser, this annual event supports the Chamber's member programs throughout the year. In addition to enjoying a premier round of golf, participants will have valuable networking opportunities and plenty of chances to promote their businesses. Whether you're an avid golfer or simply looking to support the Meridian Chamber, this is a can't-miss event! Join us for a day of fun, networking, and community support. 🇺🇸

Meridian Community Involvement

GOVERNMENT AFFAIRS

The Government Affairs Committee meets monthly to work with local legislators and civic leaders to protect competitive business interests in Meridian.

Economic Development

The Meridian Chamber Economic Development Committee meets monthly to explore the economic benefits of proposed developments and projects in the region. The committee works to ensure that Meridian is a community that is business-friendly, competitive and vibrant.

AMBASSADORS

The mission of the Ambassador program is to increase the retention of new and existing Chamber members. Ambassadors will accomplish this through working with the Meridian Chamber in training and communication. Through contact and networking with the Ambassadors, Meridian Chamber members realize the benefits offered by becoming a dedicated member of the Chamber.

LEADERSHIP DEVELOPMENT

The purpose of this committee is to promote leadership development in the Chamber, in the business community, and the general community. The committee will explore issues related to leadership development, education needs of the local employers, create leadership and education opportunities for the general membership, convene key stakeholders, and foster collaboration in the business community to develop a more diverse community and improve economic mobility. The

committee will help guide the Chamber in creating opportunities to give our business leaders a voice locally, regionally, and statewide and to engage, empower and take ownership in Meridian and its direction.

SCHOLARSHIPS

The Meridian Chamber works to raise money for five \$1,000 scholarships to high school seniors every May who will be furthering their higher education at an Idaho College or University. We also host a Scholarship Luncheon to award and congratulate the students.

MC LEADS GROUPS

MC Leads is the Meridian Chamber's referral program. Business individuals from different industries gather on a bi-monthly basis to grow each other's businesses. Members of the group do business with each other and share contacts with other members of the group.

MERIDIAN DOWNTOWN

In June of 2021, the Meridian Downtown Business Association merged with the Meridian Chamber of Commerce and is now a standing committee of the Chamber. The mission and goal of this committee is to build awareness for the Meridian Downtown business community and to focus on creating events and activities in the heart of Meridian that will create Downtown Meridian as a destination for the Treasure Valley. The committee members are made up of downtown property owners and business owners, but anyone is welcome to attend meeting and support the activities for downtown.

Leadership Meridian gives unique business perspectives

Leadership programs are designed to develop an individual's ability to take on leadership roles within their organizations and communities. Employers often select individuals they believe have the potential to become outstanding leaders – those who stand out from the rest. Leadership Meridian aims to identify and nurture these future leaders by deepening their understanding of our community while providing opportunities to connect with like-minded peers and established community leaders in an environment that fosters idea exchange and encourages participants to take on leadership roles.

Leadership Meridian offers monthly, full-day sessions where participants receive an in-depth overview of the area. Through experiential learning and behind-the-scenes access to the inner workings of the community, participants gain fresh perspectives on creative leadership. A key element of the program is the use of advanced

assessments, which go beyond basic personality profiles. These tools not only help individuals understand themselves better but also equip them to work effectively with a variety of different personalities, strengths, and styles.

Each session feels like a field trip, offering access to places and experiences that are typically off-limits. Over the years, Leadership Meridian participants have supported numerous local nonprofits, contributing both time and funds as a class. The Leadership Meridian Legacy Projects have benefited organizations such as The Meridian Food Bank, The Boys and Girls Club, CATCH, The Senior Center, and the Kiwanis Hope Tree Project "Sleep in Heavenly Peace."

IDAHO STATE UNIVERSITY MERIDIAN HEALTH SCIENCE CENTER

1311 E. Central Drive, Meridian, ID 83642
208.373.1700

Idaho State University, based in Pocatello, has had a presence in the Treasure Valley since the early 1970s. The Meridian Health Science Center opened in 2009 and houses nine distance-learning classrooms, a pharmacy complex, science labs and clinics for counseling, speech, language and dental work.

At the start of the 2015-16 school year, the university opened L.S. and Aline W. Skaggs Treasure Valley Anatomy and Physiology Laboratories, featuring a cadaver lab, a virtual cadaver lab and a virtual learning center with capabilities of live-streaming classes to rural Idaho classrooms and around the globe. The new facility also includes a bio-skills learning center that aims to be a training hub for medical professionals across the region. The new center will allow ISU-Meridian to expand its offerings to include a Doctor of Physical Therapy program and a Master of Occupational Therapy program.

ISU-Meridian offers almost 30 undergraduate and graduate programs and partners with the West Ada School District to give high school students a head start.

In 2013, thebestcolleges.org website selected ISU-Meridian as one of the nation's top 10 branch campuses, citing its community involvement, health screenings for uninsured adults and affiliation with The CORE, an economic development corridor in Meridian that creates core competencies in the state for health and health-related research.

COLLEGE OF OSTEOPATHIC MEDICINE

1401 E Central Drive, Meridian, ID 83642
208.795-4266

The Idaho College of Osteopathic Medicine opened in

Meridian in September 2018. Created in partnership with Idaho State University, the three-story, 94,000-square-foot facility features a technology-rich clinical simulation center, a 3,500-square-foot medical library, and a 3,479-square-foot Osteopathic Manipulation Medicine (OMM) lab. The building also provides two 250-seat lecture halls and 12 Objective Structured Clinical Examination (OSCE) rooms.

ICOM students will earn a Doctor of Osteopathic Medicine degree, or D.O., as opposed to a Doctor of Medicine degree, or M.D. Both groups are licensed physicians with similar schooling, training and practices, but their philosophies vary. Osteopathic medicine emphasizes holistic care and preventative treatment. ICOM had 162 students register for the opening year 2018-2019.

The University of Idaho Boise provides southwest Idaho with premier undergraduate and graduate education, as well as professional development for practicing professionals and community education through business incubation and Extension efforts in 4-H.

K-12 Education

The West Ada School District, with approximately 40,000 students, is the largest school district in the state, serving Meridian, Eagle, Star, and parts of Boise, Kuna and Garden City.

In the summer of 2014, trustees voted to change the district's name from Joint School District No. 2 to the West Ada School District to represent the six cities within its borders.

The district provides several Schools of Choice for students of all ages. Schools of Choice offer programs designed around a unique instructional approach, area of emphasis and/or student population. The district also offers three modified calendar schools for elementary-aged students.

Making waves for Meridian

By Paul Adair

Located near Boise, Idaho, Roaring Springs Waterpark is not only one of the largest waterparks in the country, with attractions for every member of the family, but is also connected to one of the nation's largest family entertainment centers, Wahooz Family Fun Zone. Wahooz features 15 indoor and outdoor attractions for all ages, including go-karts, an indoor adventure park, laser tag, bowling, arcade, and much more.

In May 2023, after nearly two years of planning and construction, Roaring Springs was welcomed its first guests to phase one of the largest expansion in its now 25-year history; a seven-phase master plan that will increase in size of the waterpark by 40 percent over the next decade and bring some of the best water rides in the world to Idaho.

The next four phases each include a major water attraction that will be added every two to three years, with the last two bringing in additional parking. The new water rides will be selected based on the newest in waterslide design and technology, as well as what the waterpark believes will provide the most fun and thrilling experiences for its guests to share.

"Our leadership team has visited waterparks all around the world, and we're excited to bring some of the highest quality, most fun water rides to Idaho," says Roaring Springs CEO Pat Morandi. "This expansion will make Roaring Springs one of the largest waterparks in the United States, provide outstanding entertainment for families, and create jobs for both young adults and professionals. All of this is made possible by the long-time valued support of our community, and our tremendous partnership with the City of Meridian."

What's new

The first phase of the expansion features three exciting new attractions, including Camp IdaH2O, an interactive watery wilderness playground. With seven kids' slides and 80 play features awaiting young explorers, this new zone celebrates some of Idaho's most iconic animals, including bluebirds on a diving board, baby bears on a log flume, and a buck-toothed ram keeping watch from a lifeguard chair. But the most unique feature of Camp IdaH2O is Tippin' Tater, the world's first – and only 650-gallon – potato tipping bucket.

Whitewater adventure meets waterpark fun in Idaho's

first action river with Class 5 Canyon, where thrill-seekers and whitewater lovers from Idaho – and beyond – can experience an exciting new take on the park's more relaxing Endless River. Equipped with kickboards, guests are propelled with wave action around the ultimate river ride experience with a zero-depth entry beach.

For the kids – and kids at heart – Critter Crossing is an adventure pool with forest-themed floating features for guests of all ages to balance across with overhead ropes, plus water basketball.

Then, when guests have worked up an appetite, the new Geysers Grill & Bar offers delicious Idaho fare with an Asian flair, including rice bowls, fried potstickers, gourmet sliders and other American favorites. And now grown-ups can enjoy adult beverages at the waterpark's first bar, featuring Idaho-inspired craft beers, huckleberry-infused cocktails, and more. Additional amenities include 16 luxury cabanas with cushioned sectionals and wait service from the new Geysers Grill & Bar, plus upscale pool deck furniture, restrooms, and additional parking.

And if the record attendance numbers at the park over the last two summers are any indication, the response to the new attractions has been overwhelmingly positive.

"I've been with Roaring Springs almost since the waterpark first opened and have been lucky to see how the waterpark has grown over the years. It's been great to watch how each new ride and attraction has brought more fun, more excitement, and more memories for family and friends to share," says Tiffany Watts, Marketing Director at Roaring Springs.

Roaring Springs was also chosen as the 2023 Leading Edge recipient for being the first outdoor waterpark in the United States to install the Ellis Aquatic Vigilance System or EAVS as part of the expansion. The system features cameras that alert lifeguards to potential incidents in real time. Also of note, a new state-of-the-art UV filtration system helps to maintain Roaring Springs' high standards for water cleanliness and safety.

As members of the Meridian Chamber of Commerce, Roaring Springs is immensely grateful for the Chambers efforts in getting the word out about the what's new at the waterpark.

"Our cooperative advertising efforts have dramatically increased our reach to other cities and states, thereby increasing our attendance at both Roaring Springs and Wahooz," says Watts. "This also fulfills one of Meridian Chamber's missions of bringing out-of-town guests to experience our city and all the attractions and amenities it has to offer."

In June 2024, the waterpark celebrated its 25 years of operations. The festivities were marked with an epic pool party with character meet and greets, giveaways, anniversary cake, and a performance by American Idol Season 11 winner Phillip Phillips on the park's Wave Pool Stage. 🎉

Sometimes it takes a village at Meridian

By Paul Adair

Located in the heart of Idaho's Treasure Valley at the corner of Eagle Road and Fairview Avenue in the Boise Metro area, The Village at Meridian (The Village) has been the city's premier mixed-use development offering retail, office, entertainment and residential space for more than a decade.

The Village brings Ada County the perfect gathering place, with a healthy mix of restaurants, upscale retail, and 200,000 square feet of Class A office space, all just a short walk to a wide range of amenities situated within a lush landscape.

In the years since it opened, The Village has continuously grown, evolved, and attracted new businesses, and the center currently houses more than 120 businesses. One of the big draws to The Village is the recently updated The Village Cinema, a 15-screen movie theatre that features luxury amenities such as reclining seats, a 21-and-over VIP balcony, and the cinema's connected Backstage Bistro.

What's more, right next to the Village is the Julius M. Kleiner Memorial Park, a 58-acre community park with plenty of ways for families to have fun. The park is home to the annual summer Rock the Village concert series and has a playground with a splash pad, basketball courts, beach volleyball, bocce ball, two fishing ponds, and

wide-open fields to experience the great outdoors.

So, whether it's shopping, movies, concerts, arcades, local entertainment, fine dining, or just taking a stroll, The Village has something to ensure families and friends keep coming back again and again.

Developed by CenterCal Properties, The Village has been designed with European-style architecture in mind, with the buildings and tree-lined village streets surrounding a park setting complete with a children's play area and world-class show fountain with hourly shows choreographed to lights and music.

At The Village's 10-year anniversary celebrations, CenterCal Properties Chief Executive Officer and Founder, Jean Paul Wardy, said, "We believe in creating projects that support the market and make communities better. That is something that's important to us. We spend a lot of our time really thinking about how we could create something unique and interesting that would support the area in an authentic way. The results of our design and development process are a thoughtful destination like The Village at Meridian, so we are very proud that the community has embraced the project and of its success over the last 10 years."

GIVING BACK TO MERIDIAN

CenterCal has long built a strong reputation for creating destinations with a unique strategy of placemaking, which emphasizes the importance of community gathering and growth. This philosophy is on full display at The Village, where the company is wholly committed to being good neighbors, to supporting its retailers, to always being approachable, and – most importantly – striving to make a difference in the community where it lives.

One of The Village's most cherished annual traditions is Witches' Night Out, which brings the community together in October in support of the Women's and Children's Alliance (WCA), a nonprofit that provides healing and freedom to victims of domestic abuse and sexual assault. The Village marketing department originally created the event to generate awareness with a goal to raise at least \$6,000 in funds in order to move 50 women off the waiting list for services from the WCA and, over the years, the Village team has far surpassed this goal and have since helped hundred of women in the area.

This year, the event saw hundreds of witches and warlocks – all dressed in their finest witch and warlock wardrobe – attend this sold-out event in Fountain Square. One Hundred

percent of the table sales go to directly support Faces of Hope, an important regional organization that serves men, women, and children experiencing domestic violence, sexual assault, child abuse, elder abuse, stalking, or human trafficking.

In May 2024, The Village also held a Celebrate Hope fundraiser for Faces of Hope. For this event, The Village partnered with the Meridian Chamber of Commerce's Leadership Meridian Class of 2024 to bring live

entertainment all day, artist-led paint classes, Character Meet and Greets, Raffles, and the Hive Makers Market, as well as a live auction with prizes such as an exclusive private animal encounter with nationally recognized animal expert Corbin Maxey, Ladies Night Out at The Village, and more.

And being May the 4th, the event was – of course – also a time to celebrate all things Star Wars, as The Village hosted an exciting Star Wars Costume Contest with prizes for best

family ensemble and most creative costume.

“Our goal is to make sure residents in West Ada County know that we are here with a safety net of immediate crisis services for victims of abuse and violence,” said Paige Dinger, Executive Director, Faces of Hope.

“We are so grateful to The Village at Meridian and Leadership Meridian Class of 2024 for hosting our grand opening celebration.”

TOUCHMARK

WHY WAIT?

*It's time to
make the most
of every day!*

Are you looking to live a
rewarding, meaningful,
and purposeful retirement?

“There is a closeness
here. People are really
friendly, and we’re all
on a first-name basis.
It’s like a family—
we care about
one another.”

Ted Foote, resident

Touchmark at Meadow Lake Village is not just a place to live; it's a place to thrive. Imagine the retirement you've dreamed of and enjoy cultural activities and outings, chef-prepared meals, fitness classes, transportation, housekeeping, and more, all without the worries of home maintenance.
