Principal's Report

– Kevin O'Neil

The 2024 Charles Campbell College yearbook captures many aspects of student life at the College, and contains many images of our students – at work and at play. The online yearbooks, produced since 2021, give old scholars, current students,

families and visitors an opportunity to see some of the amazing opportunities we provide for our students.

As has been the case since I was appointed as Principal to the College in 2019, it is a privilege to work with our students, families and staff to make the school the best it can be; this of course is an ongoing goal for everyone, as we continuously strive for improvement.

It has been particularly pleasing to watch our 1,200 students develop toward caring, capable, responsible young adults. Supported by their families and guided by their teachers and support staff, our students have experienced considerable successes, many of which are documented in this yearbook. Accompanied by our posts to social media platforms, I hope that everyone has a sense of the joy we experience as we all learn together at Charles Campbell College.

Throughout 2024, College leadership has worked to position the College as a STEM / VET Centre of Excellence, serving students from schools across eastern Adelaide. We have significantly expanded the Vocational Education and Training (VET) options onsite to include courses in Engineering, Automotive Services,

Electrotechnology and Construction from 2025. Of particular note is our Engineering Pathways package which enables students seeking tertiary studies in engineering gain hands-on experience in addition to their studies in Specialist Mathematics and Physics. Building upon our success in the FI in Schools World Final in 2023, we have developed a FI in Schools pathway for students from Years 7-10. In 2025, we will continue our work with Engineers Australia to create new STEM pathways for students in Years 3-6.

Student leadership remains a key focus across the College, and our prefects continue to make a positive difference to the lives of our students, and valuable contributions to our local community. I'd like to thank our 2024 Head Prefects, Joshua Hynes and Charlie Sproule, for their steady and supportive leadership of other prefects and members of our Rotary EarlyAct Club. Our EarlyAct student projects in support of *Second Chances SA* and *Catherine House* resulted in significant financial and in-kind support for both organisations, and morphed into our highly successful and award-winning Wakakirri dance and drama performances. We will continue to support and guide our growing number of student-led clubs across the College, creating opportunities for students to engage and connect with other like-minded students.

In January 2024, the Campbelltown City Council acknowledged old scholar Rishi Adhikari (2018-2022) as the Young Citizen of the Year for his extensive work with the 'Youth Crew' in Campbelltown whilst a student at the College. The Council also acknowledged the considerable contributions to the community by our Parents and Friends Chair, Kayla Petrovansky, who was awarded the honour of Citizen of the Year.

Congratulations go to all of our students who achieved individual success in academic, and sporting competitions, and others who made significant contributions to the community; many have been acknowledged at assemblies and special events, in this yearbook and in our social media.

A showcase of the College continues to be our Reception to Year 6 Stephanie Alexander Kitchen Garden Program, which provides an incredible learning experience for our younger students, thanks largely to the tireless efforts of Andrew Adair. Andrew has created amazing opportunities for students to appreciate the wonder of the natural world and the importance of fresh produce in healthy living. We are fortunate to enjoy Andrew's stewardship of the program, which includes his ability to create delicious recipes enabling students (and staff) to produce nutritious meals for themselves and others. Our orchard was established this year, and in 2025 it will be fenced and a hen-house constructed.

The College held its third annual Valedictory Dinner for Year 12 students and their families, accompanied by teachers, to celebrate their completion of secondary education. This year's event was held at JDF Receptions in Windsor Gardens.

I am grateful to our incredible Parents and Friends Community for the tireless work they do to support our students and staff, and to build such a positive culture amongst our families and friends. Without their support many of the events, activities and services that we enjoy here at the school could not continue; these include the breakfast clubs on the R-6 and 7-12 campuses, the second-hand uniform shop, Mother's and Father's Day stalls, after-school netball and other after-hours sports, the annual Campbell Fair, intermission drinks and snacks at performance nights, barbecues on sports days, open nights and transition days to name just a few.

I enjoy working with our very supportive Governing Council, made up of dedicated volunteers and community representatives. Governing Council provides me with valuable insights and community feedback which enables my leadership team and I to continuously improve what we do at the College, and how

we do things. Governing Council members are committed to enhancing community connections and I thank them for their service.

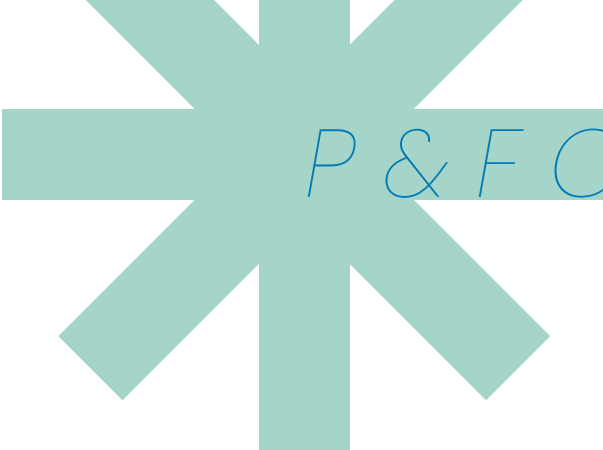

The College enjoys the ongoing support of our local community service clubs: the Rotary Club of Campbelltown, the Kiwanis Club of Rostrevor-Campbelltown and the Lions Club of Athelstone-Rostrevor. The City of Campbelltown is a proactive, branch of local government and has a strong commitment to youth and environmental sustainability; we continue to nurture a strong relationship with local council that has led to increasing connections between our students and youth across Campbelltown.

Charles Campbell College is a great place to work. I am grateful to all of my staff, teachers and support officers, for their ongoing support, and for their kindness and dedicated service to our young people. Despite the challenges that arise, my staff continually rise to even greater heights to support and guide our students and families.

This yearbook would not be possible without the hard work, skill and attention to detail of Jenny Noel and I thank her for what is another tremendous yearbook.

I hope that you enjoy reading the articles and looking through the images as much as I have; I am so proud of our community here at CCC. I'd like to thank all of our families and students for their ongoing support, and wish everyone a safe and happy Christmas / New Year holiday. I look forward to seeing you all again in 2025.

P & F Community

– Kayla Petrovansky, Chair

2024 has been a fantastic year for our Parents & Friends Community.

Throughout the year we have put into practice our Parents & Friends Community Values of:

- Giving a voice and support to the whole school community
- Providing opportunities and support for students, parents, staff and wider community members to engage and have a voice
- Creating a strong and engaged community that offers ongoing support in developing our children and young people to achieve their full potential.

2024 has been another incredibly busy year for our group. We were able to continue to grow our presence within the school by running many successful events and supporting our College with their events.

Term 1 saw us being a part of both the R-6 and 7-12 Sports Days by running BBQs and Cake Stalls. After a successful event in 2023 we also held our Campbell Fair again which gained an incredible response from the community. We thank everyone from the local area and our school who made these events possible.

In Term 2 we offered our Mother's Day stall to the R-6 students and for the first time, were able to offer the stall to our 7-12 students. Running the stalls is always a positive experience for the volunteers and students.

Term 3 provided us the opportunity to offer our Father's Day stalls for R-6 and 7-12 students and also hold our *Quiz-lympics* event. Our Quiz Nights are always a great way to see many people come together for a fun, entertaining evening. The teamwork to put on such an event is admirable.

Term 4 has been our busiest with transition visits, awards events and being part of the Wakakirri presentation.

This year has been an extremely busy year for Breakfast Club and our Second Hand Uniform Shop as the need for these services has increased. The efforts of the people who make this possible are greatly appreciated.

We launched Parent Club this year which will expand further in 2025. This is, and will continue to be, a safe space for all school and community members who have the privilege of being part of a child's life and upbringing. This group meets fortnightly and will continue to grow as we introduce guest speakers and programs that meet the needs and interests of those in our community and their children.

I would like to express how truly thankful I am to everyone who has contributed to the Parents & Friends Community in 2024. Without the people who offer their time, this group simply could not exist. The time, ideas and passion of our volunteers makes our group truly unique.

Thank you to all!

Governing Council

– Georgie Warren, Chair

As we look back over 2024, it's clear that our school community has been as vibrant and engaging as ever. It has been a privilege to be a part of this community. None of this would have been possible without the incredible teamwork from our school staff, Governing Council, P&F Community, local community members, and especially our students.

It has been a busy year for Governing Council, from our AGM, where we welcomed new members, to the very successful Campbell Fair. Reports delivered by our treasurer and principal have provided us with a deeper insight into how our school is performing and what the future holds for 2025.

Throughout the year, we have celebrated numerous student academic, STEM, Arts, and sporting achievements. We are incredibly proud of our students for their hard work and determination, as well as their dedicated teachers and staff who have supported them every step of the way. A special thank you to our families, whose unwavering support from the sidelines has been invaluable in helping our students reach their full potential.

Another highlight from the past year was the valuable feedback gathered through the OSHC parent survey. The insights we received were essential in understanding how the service is performing and where improvements can be made. We are pleased to report that the survey indicated a high level of parent satisfaction, which motivates us to continue supporting

these programs. A special thank you to Karen Leckie, who has been an exceptional *connector* between our Governing Council and the Happy Haven OSHC. Her dedication and communication have played a key role in ensuring our community's needs are met.

Our sub-committees have worked hard this year, providing updates about their areas. Members have contributed to policies, sport and the environment. Each has served their portfolio well and provided valuable guidance to both our Governing Council and the school.

We would like to acknowledge the outstanding contributions made by our student Head Prefects, who have served as exemplary leaders within the school. As their tenure comes to a close, we look forward to welcoming new student leaders who will follow in their footsteps and continue to uphold the school's values and traditions. In the same spirit, we were thrilled to welcome Nadia and Sophia as new members of Governing Council. Their fresh perspectives and ideas have enriched our discussions and decision-making.

I extend heartfelt thanks to all members of Governing Council. Your hard work, dedication, and leadership has played a pivotal role in the success of our school. I would also like to recognise Principal Kevin O'Neil, and CCC staff, who generously give of their time and expertise. Our sincere appreciation goes to the parents who regularly attend meetings, the student leaders who inspire us, and community members, Vincent Tarzia MP and Councillor Anna Leombruno, whose support continues to make a difference.

"Education is the most powerful weapon which you can use to change the world."

Student Leadership

PRESENTATION OF STUDENT LEADERSHIP

We would like to congratulate our College Prefects who received their leadership blazer and badge at our Presentation ceremony on Wednesday 28 February. Our ceremony was attended by relatives of the Prefects and by senior members of College staff.

Following is our complete list of 2024 Prefects:

LEARNING AREA PREFECTS	
Literacy Prefect (R-6)	Kiara M (6)
Numeracy Prefect (R-6)	Aarna S (5)
English	Sakina Hasan A (11)
	Sebastian W (7)
Mathematics	Arad H (12)
	Diya (8)
Science	Shaniq W (12)
	Divpinder K (8)
HASS	Mihir P (10)
	Miqael Bin AK (9)
Technology	Any N (11)
	Joshua DS (9)
Languages	Jack B (10)
	Xen W (9)
Arts	Mollie J (10)
	Bethanee L (8)
Health and Physical Education	Fleur T (12)
	Chad W (9)
English as an Additional Language	Avril A (11)
	Rayyan A (9)

SPECIAL PROGRAMS PREFECTS

PAA Prefects	Lucy M (11)
	Amelia S (9)
ARFA Prefects	Ryan M (11)
	Ronin N (8)
International Prefects	Ruth W (11)
	Krina G (9)
Wellbeing Prefects 7-12	Casey T (10)
	Ella M (7)
Inclusion Prefects	Aidan F (12)
	Shianne D (9)
ATSI Prefects	Lynette T (11)
	Zachary M (9)
Vocational Education and Training	Jack R (11)
Sports Prefects	Tamati N (12)
	Alexis N (12)

HOUSE PREFECTS

Kardi House

Senior Prefects	Fleur T (12), Amy D (11)
Middle Prefects	Hannah L (8), Nathan N (9)
Junior Prefects	Elliot D (6), Harper P (6)

Kurraka House

Senior Prefects	Madeleine R (11), Hannah C (12)
Middle Prefects	Lia S (9), Jasmin C (9)
Junior Prefects	Evelyn O (5), Aaron H (6)

Ilya House

Senior Prefects	Tanishvel M (11), Alexandria K (11)
Middle Prefects	Tyler B (9), Rosie W (9)
Junior Prefects	Liam P (5), Lucy T (6)

Nantu House

Senior Prefects	Adeline R (11), Alexis N (12)
Middle Prefects	Eddie B (9), Aidan S (8)
Junior Prefects	Jobe F (6), Audric B (6)

Student Leadership

ROTARY EARLYACT PREFECTS

Earlyact President	Zoey C (6)
Vice President	Carmela V (6)
Secretary	Indiana M (6)
Treasurer	Liam G (6)
Membership	Olivia C (6)
Past-President	Shaileah D (7)
President Elect	Ella H (5)

ROTARY INTERACT PREFECTS

Interact President	Arad H (12)
Vice President	Joshua DS (9)
Secretary	Maddy C (7)
Membership	Shaileah D (7)
Treasurer	Allana T (8)
Past President	Harry G (12)

CCC at the Fringe

This Year marks the 10-year anniversary of CCC performing in The Fringe! As a school with a strong Performing Arts program, Charles Campbell College has always been proud that we are the only school to perform in the Adelaide Fringe.

In 2013 we performed a series of shows in smaller venues, as *Gluttony* itself was much smaller. As *Gluttony* has grown, we changed our format to a single show, but in much larger venues such as *The Peacock*.

We'd like to thank everyone who has made this possible, as a performance such as this requires many hours of organisation, planning, and rehearsing. Without the support of our teachers and families this show simply couldn't have come together.

We have performed in almost every Fringe since then, and despite COVID disrupting the Fringe in 2020 we have bounced back under the leadership of our Arts Coordinator, Mr Dale Evans, to continue this tradition in 2021. We'd like to give special thanks to Mary-Lou Michael for the vision and drive to start the tradition of performing at The Adelaide Fringe.

Most of all, we'd like to thank the audience for supporting the show. Without audiences to come to shows at The Fringe, artists would not be able to do what we love to do.

Harmony Week

R-6

Harmony Week is the celebration that recognises our diversity and brings together Australians from all different backgrounds. It's about inclusiveness, respect and a sense of belonging for everyone.

As part of our R-6 Harmony Week celebrations, a parade was held where staff and students were encouraged to wear a splash of orange or cultural dress. The crowd was entertained by a dance performance from some of our youngest students before everyone joined in to dance the Zorba!

Harmony Week

7-12

In the lead up to Harmony Day, students were visited by AFLW players, Ash Saint (AFL Women's All-Australian team 2022) and Hannah Ewings (AFL Women's Rising Star, 2022).

Students were asked to plan an offering for Harmony Day, took part in AFL Skills Workshops and were challenged to design a multicultural guernsey celebrating the diversity of culture in their community.

The best design was printed into a wearable player top and worn by students representing CCC in the PAFC Multicultural Carnival.

Last year, CCC won the Best Designed Guernsey award and the PAFC Multicultural Grand Final, with CCC students performing a guard of honour and coin toss for the AFL match which took place later that day.

On 28 March, 7-12 students were invited to participate in *Wear a Splash of Orange* and were presented with an orange ribbon, generously provided by the CCC Parents and Friends Community.

We look forward to more opportunities to learn and provide a space of respect for all students and staff.

R-6

Thank you to the staff and students who helped during Nantu House Week. A range of events took place including a hopping relay, target throw and movable kangaroo craft activity.

R-6 Nantu House Week raised over \$500 through the *lolly guessing jar* competition, *zooper dooper* stall and casual day.

A highlight included the staff vs student game of continuous cricket on the oval. Although the staff thought they won, the students definitely did!

HOUSE WEEK

We ended the week by announcing the winners of the *lolly guessing jar* and Guernsey Design competition. Congratulations to all!

- Jobe F and Audric B,
Nantu Prefects

7-12

In Week 8 of Term 1, we held Nantu House Week to raise money for the Vinnies Foundation with the week beginning on the Tuesday due to Sports Day being held on Monday.

We held a House Basketball Competition which was very popular, involving students from all year levels competing in several matches with the winning team earning House points.

On Wednesday, we held the inaugural Nantu Amazing Race where various challenges are located around the school and teams of

students are required to complete the activities in the shortest time possible. The activities included physical and cognitive challenges with the winning team receiving a canteen voucher and House points.

On Thursday, a BBQ was held which was very well-attended, followed by a Casual Day on Friday, with a gold coin donation received from participating students.

Throughout the week we held a raffle which contributed to a very successful House Week.

Year 12 Formal

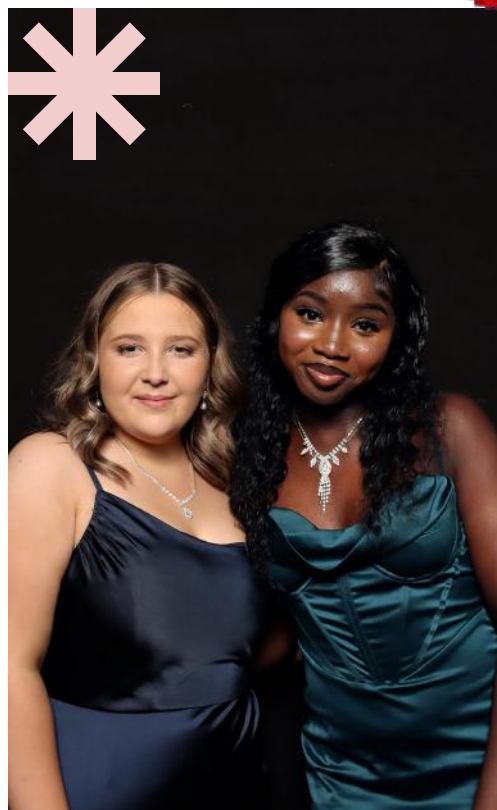

The 2024 Charles Campbell College Year 12 Formal was a night to celebrate, given all our years of high school are soon coming to a close.

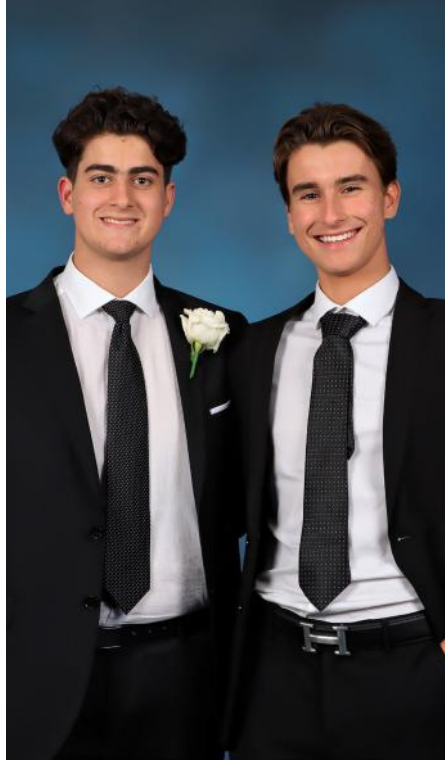

Hosted at the Adelaide Convention Centre, the venue was lovely, the food was delicious, and the dance floor was very active for the entire night.

The event truly encapsulated how far all of us have come since we started school, how many relationships have developed and strengthened as a result, and how bright our futures can be as we prepare to continue our journeys beyond high school.

Thanks to all the teachers and staff members who made the event possible.

Sports Review

2024 was another huge year of sport at Charles Campbell College. This year, we saw increasing numbers in events and student participation. Over 800 CCC students participated in over 130 separate competitions. It was great to see so many students taking the opportunity to be active and develop their teamwork. Highlights of the year were winning the Yr 7/8 Division 2 Statewide Knockout Volleyball competition and the Middle School Australian Rules Football Academy team winning their competition and remaining undefeated across seven games. We are looking forward to another great year in 2025 with new sports captains Rose H and Aidan W leading from the front.

HOUSE WEEK

R-6

Ilya House Week raised just over \$500 which will assist 2024 Earlyact projects. Our bead bracelet stall was very popular and our lolly stall sold out in 15 minutes!

On the Friday, the winners of the Ilya class banner competition were announced. Congratulations to 1-202, 401 and 5-602 who received *zooper doopers* as their prize.

After the announcement, a staff versus students game of Golden Child took place. The highlight of the week was the students winning!

Thank you to the teachers and students who helped throughout the week.

- Violet P and Lucy T, Ilya Prefects

7-12

In Week 4 of Term 2 our school held Ilya House Week to raise money for the Red Shield Appeal.

On Monday, laminated Ilya logos were hidden around the school for a scavenger hunt. Students won prizes such as lollies and House points for locating the hidden logos. This activity continued through the week until all the logos were found. We also ran the wheel of fortune raffle where students had the opportunity to win a box of lollies and a voucher from the school canteen.

On Tuesday, we held a volleyball competition where students formed House teams and played throughout lunchtime, receiving House points for participating.

On Wednesday, a bake sale took place with cookies and brownies made by the Ilya House Prefects. Priced at \$1 each, we sold out very quickly!

On Thursday, the traditional House Week barbecue was held where Ilya Prefects sold sausages for \$2.50. This is always a popular event!

On Friday, students were encouraged to donate a gold coin for Casual Day. At lunchtime, we held a staff versus students basketball game with the staff claiming victory.

Dance Review

2024 has been another eventful year, full of wonderful performances in a variety of venues. We've witnessed innovative student choreography and CCC dance graduates returning to create choreography and share their learning.

The year began with a *flashmob* performed by staff on Sports Day! Each faculty contributed to the choreography, creating short sequences to the popular Taylor Swift song, *Shake It Off*. The dance was performed on the oval and included acrobatic highlights by the PE staff.

Our performance at the Adelaide Fringe with junior, middle and senior dance students was well-received and a great learning experience. We are proudly the only school to perform at this event.

Senior SACE students participating in *Leaps and Bounds SACE Dance Day* at the Festival Centre provided the opportunity to work with three industry choreographers.

PAA graduate, Kate Burgess who currently directs her own dance company, *Alchemy*, was invited to choreograph a work for senior students. Kate challenged the group with floorwork and popular music by Billie Eilish. Another PAA graduate, Mia Hocking who is currently studying a Bachelor of Creative Arts (Dance) at Adelaide College of the Arts, returned to present a workshop to provide support for our SACE Dance students.

Year 12 students, Amy B, Angelina G and Skye T, had a successful year performing their own choreography in solos and class dances as part of our shows, *Impact III* and *Luminous*.

Year 11 students, Lucy M and Parker H, successfully auditioned to perform a duet as part of the Festival of Music which is held at the Festival Theatre.

ISEC Dance students told their stories of travelling to Australia to study through dance. Their works, titled *Journey*, included a voice-over in various languages conveying the feelings and emotions felt on arrival.

Two wonderful collaborations took place this year:

- Lucy M choreographed a jazz piece titled *Jetstar*, performed at Candance For A Cure. Candance for a Cure is an annual dance

concert that has raised over \$300,000 for cancer research laboratories at the University of Adelaide since 2010. This year's amazing sold-out show featured 1200 performers from more than 34 dance studios and high schools in South Australia.

- *Wakakirri*, a story-dance competition, involved students from Years 5 and 6 working with Ms Falco, Ms Rechichi and myself. Our piece was titled, *Second Chances* and won many awards!

The annual Premier's Be Active performance was held at the ETSA Netball Stadium. Our 10-minute performance, involving students from Years 5-11, was a fusion of dances performed throughout the year.

Rockomotion is an annual collaboration between Year 9 Dance and Music students. Dance students created duets and quartets that were also performed to R-6 students and Year 6 students on their Transition Day. A highlight was the audience interacting with the performance of *Another One Bites The Dust*.

Our PAA students were provided the opportunity to visit the Adelaide College of the Arts to gain an insight in to the studying opportunities post-school. Students learnt about qualifications in Acting, Dance, Music, Visual Art, Media, Technologies and Film. Students were given a tour of the campus, viewed two performances and attended a Q and A session.

Thank you to Mr Gugenberger and Media students for recording and taking photos of our performances.

Reconciliation Week

At Charles Campbell College, we value all cultures and their connection to country. During National Reconciliation Week, the HASS classes learnt about shared histories of non-aboriginal and aboriginal people and the significant dates that have led to positive change and recognition for our nations first people.

Displays of student work in the B Building corridor and 7-12 Student Services area, are visual reminders of the National Day of Commemoration, Sorry Day, the 1977 Referendum and the 1992 Mabo Decision.

Throughout the week, a range of learning areas involved students in activities to further embrace aboriginal culture and connection to land. The Food Technology classes baked with native ingredients; Rivermint Brownies, Wattle Seed Damper and Lemon Myrtle Biscuits.

On Monday during lunchtime, 7-12 students and staff were treated to live music from

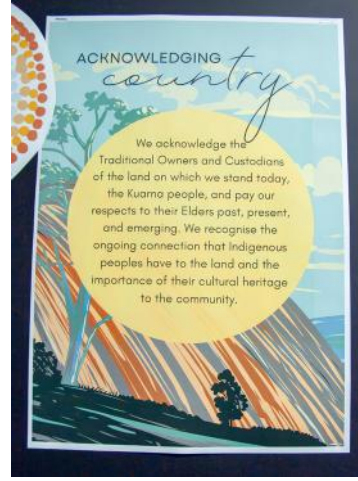

special guest, Tilly Tjala Thomas. Tilly, a proud Nukunu woman, who creatively fuses her ancestral language and English together in her song lyrics.

R-6 students attended an indigenous culture incursion, facilitated by Animals Anonymous who provided two inspiring presentations designed to connect students with the natural, and often fragile, wildlife world. Animals Anonymous have a strong commitment to conservation and protecting Australia's unique and vulnerable species.

Our R-6 Aboriginal Education Teacher led a number of cultural activities including ball games and art-based learning to further share the messages and symbolism of togetherness.

ARFA Review

Australian Rules Football Academy (ARFA)

After leading the ARFA program for nine of the last eleven years, 2024 will be my last year as ARFA Manager. It has been great fun, but hard work, and I feel confident now is the time to pass the program on to Bradley Potter and Theo Theodorakopoulos. Along with Jordan Schoell, we are lucky to have three A grade footballers on staff to provide a strong knowledge base, and enthusiasm to continue building our program far into the future.

It is rewarding to see a number of former ARFA graduates playing strong club football at various levels and clubs, and giving back to their community in various ways. We wish good luck to Alex Van Wyk, who will begin 2025 as a North Adelaide player, after consecutive Best and Fairest wins in the reserves at Norwood. It was very nice of Alex to vacate the ruck position in the reserves in time for his brother James to hopefully make it his own!

In 2024, we've had excellent male and female numbers in the SANFL Development Squad pathways at Norwood, North Adelaide and Central Districts. I'm hopeful our next SANFL / SANFLW or AFL / AFLW player is already in the making, as we definitely have excellent talent. With hard work, I'm confident a few will rise to these levels.

Highlights of our 2024 ARFA program include:

- Year 7-9 Boys winning the Premiership and were undefeated in the B Division of the after-school Wednesday competition, defeating Pulteney Grammar in the Grand Final at CCC

- School Sport SA 9-a-side Carnival held at Kensington saw CCC win the trophies in 7-9 Girls, Open Girls, 7/8 Boys and 9/10 Boys

- Open Boys 9-a-side team won the trophy undefeated at a Day Carnival

- Our girls team won the Power Cup in the Multicultural and Indigenous Carnival

- Tyreece B won the flag playing for Hawthorn FC in the Victorian Blind Football League

- Mason T played in the AFL World (Multicultural) Team for the second year

running, playing a carnival in Melbourne and has also been selected for the 2025 Next Generation Academy for Port Power

- Eden V has been accepted in to the Adelaide Crows Academy program

- Lia S played in the championship winning Under 15 State team, played for the AFL Woomeras (Indigenous) team in Brisbane, and finished 2nd in the SANFL Juniors Medal for Under 16 Div 3
- Jade J played in the Under 12 State team in Geelong, and finished 4th in the Under 12 Div 1 SANFL Junior Medal

- Eddie B finished 3rd in the Under 14 Div 4 SANFL Juniors Medal
- CCC played some strong football in friendly games against Governor Stirling College from Perth, Blackwood HS, Roma Mitchell SC, Golden Grove HS and Birdwood HS
- For the second year, we held a successful Year 10 ARFA camp at Halbury, working with Balaklava High School on coaching activities.

In Term 4 at the Sports Assembly, we announced the winners of the three ARFA perpetual trophies:

Player of the Year	
Year 7	Jimmy G and Mayci B
Year 8	Tarjh S and Matilda R
Year 9	Mason H and Lia S
Year 10	Matt M and Imogen B
Overall	Tarjh S and Lia S

Athlete of the Year	
Year 7	Kyan N and Jade J
Year 8	Ronin N and Matilda R
Year 9	Tyler B and Eden V
Year 10	Seb J and Aliza L
Overall	Kyan N and Jade J

Student of the Year	
Year 7	Seb G and Charlotte A
Year 8	Cohen H and Matilda R
Year 9	Nathan N and Eden V
Year 10	Kobe J and Imogen B
Overall	Cohen H and Eden V

Congratulations to our Year 10 Integrated Learning / ARFA graduates, many of whom have been in the ARFA Program since Year 7. We hope you enjoyed and benefited from the program. We look forward to watching you push hard to become great players and even better people.

Thank you to our ARFA prefects, Ronin N and Ryan M, who assisted the program in a range of ways, and initiated a number of meetings to discuss issues and plan for improvement. Well done, you've both shown great leadership and have been awesome role models.

- Shane Willsmore, ARFA Manager

AUSTRALIAN RULES
FOOTBALL ACADEMY

R-6

A range of fun activities took place for Kardi House Week. Students participated in African and Italian dancing workshops which was great to see everyone having fun and moving around.

On the Thursday, our lolly bag stall sold out in the first five minutes of lunch! As well as a *casual clothes day*, we held a *magic squares* raffle with three different prizes on offer and a poster competition that acknowledged one person from each class.

Other highlights included the Emu mask-making workshop and the staff versus students game of tunnel ball.

Organising Kardi week was an amazing experience and opportunity.

- Kardi House Prefects, Harper P and Elliot D

HOUSE WEEK

7-12

During Week 9 of Term 2, Kardi held their House Week to raise funds for the Beyond Blue Foundation.

On the Monday, all four Kardi House Prefects, Fleur, Amy, Hannah and Nathan, sold hot chocolate for \$2 and cookies for \$1 and ran a competition to *guess the lollies and chocolates in a jar*. This competition was free and ran throughout the whole week. The hot chocolates were very popular on Monday and the prefects decided to continue to sell them throughout the week. Unfortunately, on Tuesday the fun *tug of war* event was cancelled due to bad weather.

On Wednesday, buttery, salty popcorn was sold for \$2 alongside the hot chocolate and cookies. During lunch on Thursday, the famous \$2.50 sausage sizzle was held which was immensely popular!

Friday was *casual day*, where students can wear non-uniform for a gold coin donation which was collected by the Kardi Prefects during Mentor Group. During lunch, the Year 12 students competed against the teachers in an entertaining game of Volleyball.

Congratulations to Kardi House for organising a great week of activities and for raising money for Beyond Blue.

PAA Review

Performing Arts Academy (PAA)

2024 saw us back at the Adelaide Fringe in our annual performance of *A Collage of The Arts*. We continue to be the only school in SA that provides such an exciting opportunity for our PAA students to perform in the second-largest International Arts event in the world.

The show included performances from many of our PAA students, including debut performances by the Year 7 PAA students, alongside music, dance, and theatre performances by students across the whole college from Reception to Year 12.

PAA students performed in the 12 Drama performances of *Jack The Ripper – the Monster of Whitechapel*, several dance performance nights, the *Music Showcase*, *Year 12 Music Night*, the dance show, *Innovate IV*, and the annual *Rockamotion* in Term 4.

PAA students were invited back to be involved in two very special performances. The first was at the Premier's Reading Challenge where the Year 8 PAA students performed a scene based on the book series *Minutes of Danger*, before the Minister for Education, notable Australian authors and other special guests. The second performance was at the Premier's Be Active Challenge presentation, where PAA students collaborated with other dancers from Year 5 upwards and performed to the Minister for Education and over 300 primary school students.

We continued the tradition of the *PAA Performance Evening*, which took place on Wednesday 4 December, featuring performances from our Year 7 and 8 PAA students. Our Year 8 PAA students developed their plays from initial concepts right through to scripting, rehearsing, and performing. With Ms Kaploon guiding the way, students used a series of workshops to delve into the questions plaguing their minds. Each workshop was delivered by an Artist in Residence, Ms Kate Burgess – herself a PAA and CCC Alumni. This process culminated in the development of the play, *Déjà-rêvé* – *Reminiscence of a Dream* and the reprisal of their Premier's Reading Challenge performance of *Minutes of Danger*. Our Year 7 PAA students performed dance pieces that they have been developing over the course of the year.

Next year, we'll start with a bang – yes, we're back in the Fringe – again! We'll be performing on Saturday 22 March 2025 at *Gluttony*.

I would like to publicly acknowledge the work of our graduating Year 12 Performing Arts Academy students and thank them for the hours of commitment they have put into making the PAA the best that it can be. I wish them all the best for the future, and every success wherever life takes them. I look forward to welcoming the new members to our community in 2025 and can't wait to see where the year takes us.

– Dale Evans, Arts Leader and PAA Manager

Book Week

Parade - Staff

A big thank you to the students and families who organised costumes for this year's Book Week parade. The students looked amazing and had such a great time during the festivities. I would also like to thank the families who attended the parade. The students loved seeing you there, and the teachers appreciated your vocal support. Finally, I would like to thank the R-6 Literacy team and Rebecca Archer for their help preparing and running the parade.

Science Week

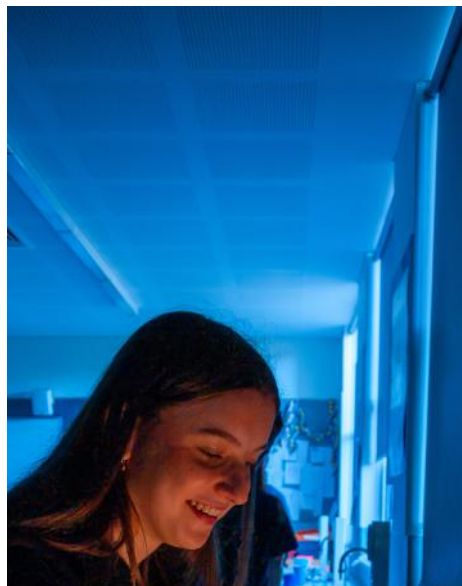

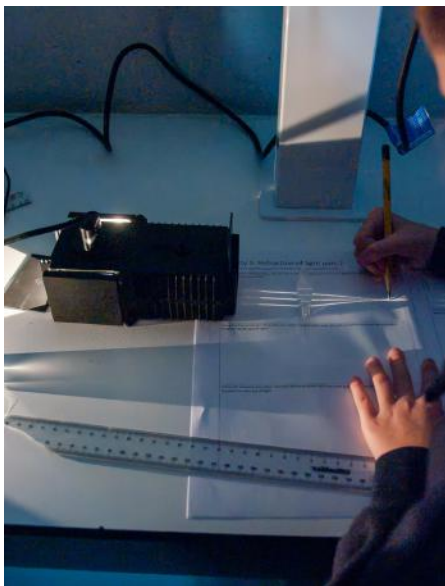

National Science Week is Australia's annual celebration of science and technology. The 2024 school theme is Species Survival – More Than Just Sustainability. The theme aimed to highlight the importance of science and innovation in ensuring the survival and thriving of different species in an ever-changing world.

CCC celebrated Science Week with eleven special classes taking place that brought R-6 and 7-12 students together. Our Senior students displayed maturity, proficiency and leadership as they guided our R-6 students through a range of science-based activities and experiments. Thank you to Science Leader, Luigi Pilla, and the CCC Science faculty for organising an amazing week of activities!

R-6 HOUSE WEEK

Kurraka House Week was an exciting time, filled with fun activities. The student leaders worked with Ms Falco to plan and organise fundraising and craft events, with large numbers of R-6 students participating. Highlights included 'pick a number' and the 'crazy hair' day. This in particular was a lot of fun, with students and staff alike creating weird and wacky hairdos to raise money for Catherine House.

HOUSE WEEK

7-12 HOUSE WEEK

In Week 9 of Term 3, 7-12 Kurraka House Week was held to raise money for the R U OK? Foundation. On Monday, the Kurraka Prefects held a dodgeball game in the gym. The teams consisted of five players from the same house and were divided into Year 7-9 and Year 10-12 competitions. Teams were awarded House points according to their final ranking after several games.

On Tuesday, an Indoor Soccer competition was held with students, once again, competing in Year Level groups. The atmosphere was electric with students vying for hard-earned House points.

The sponge throw, always a favourite, was held on Wednesday where students paid \$2 for five throws at the participating teachers. Mr Bradbrook, Mr Butler, Mr T and Mr Farmer bravely took on the challenge and only ended up slightly damp! During lunch, alongside the sponge throw, raffle tickets were sold for \$2 each.

The biggest hit of the week was the sausage sizzle which was held on Thursday. The Prefects cooked sausages which sold out very quickly!

On the final day, a casual day was held where students wore non-uniform clothing. The following week, the raffle was drawn with the lucky winner collecting a box filled with lollies, chocolates, and a \$30 gift card.

VSP Review

Vision Support Program

In 2024, the Charles Campbell College Vision Support Program has once again demonstrated its commitment to an inclusive and empowering environment for students with vision impairments. Through a combination of specialised resources, personalised support, and a dedicated team of educators, the program has helped students thrive academically, socially, and emotionally. This year, we celebrated the growth, resilience, and achievements of our students, who continue to inspire with their determination and drive to succeed. Following are highlights for each student:

Owen R, Year 7

One of my highlights was making things in Wood Work because I enjoy using the different tools and machines.

Sheajpreet G, Year 7

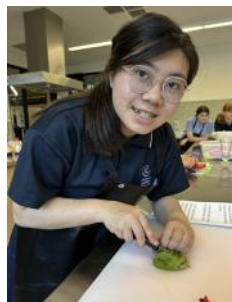

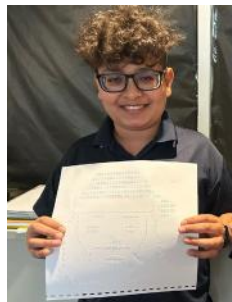

Sports Day was my highlight because it was fun and we did lots of activities.

Hamish M, Year 7

I liked doing VI which is going on different types of transport. I liked Mental Health classes, Hass and English.

Daisy C, Year 8

This year I learnt a lot of fun things. In Term 1 and 2, I had Food and Wood Work lessons that I really enjoyed. In Term 3 and 4, I enjoyed Music and in HASS I made air-dried clay earrings for Market Day.

Nevaeh F, Year 9

There were a lot of great things this year, but the thing I enjoyed most was Music. I loved rehearsing with my friends, performing in the Music Showcase, and taking vocal lessons. I

am really looking forward to our upcoming performances.

Shianne D, Year 9

This year, I enjoyed creating a play in semester 2 Drama classes. I am currently working on a horror movie for Drama, and enjoying the opportunity to film in a group with my friends. I'm looking forward to presenting the horror film, as well as participating in other Drama performances.

Kane W, Year 9

My highlight this year was participating in the F1's in Schools program where we made 3D model F1 cars that are powered by a gas canister. I love how car mechanics work and how energetic and intense these races can get.

Tyreece B, Year 10

My biggest highlight this year was winning a premiership with the Hawthorn Football Club and taking home the Best First Year Player Award. My biggest school-based achievement has been graduating from the ARFA program, as I have tried my best and worked hard. ARFA has helped me gain confidence on and off the field, and improved my overall fitness.

Tavian A, Year 10

My biggest highlight this year was the September Music Showcase. I really enjoyed singing 'Welcome to Paradise' with my band, Blue Haze, and making new music friends. It was a really energetic and positive night and we had a really good crowd attend.

**Ethan C, Year 11**

PE has been a highlight for me as we have covered so many different sports in class including a section focused on coaching which I found enjoyable and challenging.

Max C, Year 11

Highlights for 2024 include Music and the performances that took place. I have enjoyed being challenged in Food class.

Adeline R, Year 11

Being House Captain for Nantu has been a highlight for me in 2024. I really enjoyed the challenge and even came away with the win for Sports Day. I am looking forward to being captain again in 2025 and potentially retaining the title.

Bo B, Year 10

I have two highlights for 2024; one has been Music, I have loved participating in the band rehearsals and performances during lunch and after school. I have also really enjoyed PE including, our Sports day.

International Review

2024 has been an enormous year for the International program.

140 different international students were enrolled at CCC for anywhere between 4 weeks and the whole year, ranging between Years 2 to 12. The majority of students arrived from Vietnam, China and Japan, but we also attracted enrolments from Cambodia, Brazil, Italy, Germany, France, Hong Kong, Iran, Korea, Pakistan, India, Nepal, Peru, Colombia, Chile, USA, Laos, and the Philippines. Our students completed short Study Abroad Programs or have enrolled in the ongoing Graduate program, with aspirations to continue in Australian universities.

Through our partnership with the International Education Service (IES), international students participated in the state-wide 'welcome' events, Student Ambassador program, multi-sports day, as well as visits to Victor Harbor, the city, Waterworld, and West Lakes aquatics.

The school extended a heart-felt welcome to nine study tours, comprising over 150 students and staff, from:

- Japan: 2 from Chuo Morioka Junior High School, Kadoma City Junior High School, Kansai Hokuyo High School, Hachioji Junior High School and Ushiku High School
- Thailand: Satriwittaya School
- South Korea: Chungcheongbuk-do, and
- India: Open Forum for Principals

A study tour from Taiwan involved 25 Visual Arts teachers who spent time immersed in a range of classes in the Arts Learning Area. This was a wonderful opportunity to share teaching practice and highlight our use of student agency to drive learning.

Another visit consisted of 34 international agents who will promote our school, and study

opportunities in Adelaide in general, to their clients around the world. This visit allowed us to showcase a range of student talent and the quality of learning in Dance, Music, the Formula 1 in Schools Program and Student Leadership.

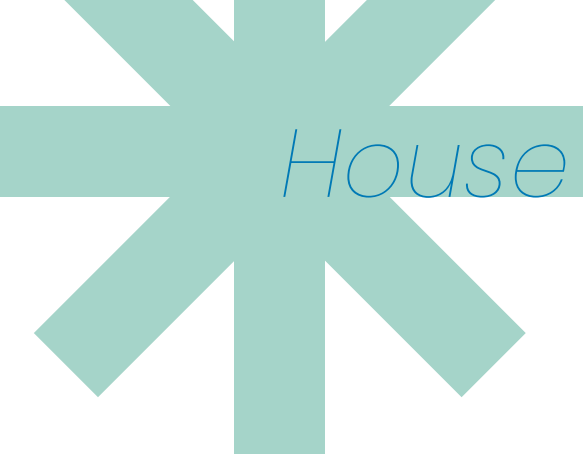

Our gratitude and sincere thanks go to our student buddies, homestay families and staff, who have continued to welcome these visitors with open arms.

We are delighted to be South Australia's biggest and most ambitious international program, and look forward to welcoming a new wave of visitors in 2025.

*- Bobbie Taylor, Assistant Principal
International Education*

House Competition

This year marks the fourth instalment of the Charles Campbell College House Competition, and it was another resounding success, full of energy, enthusiasm, and good-hearted rivalry. As always, the competition saw spirited participation from all four houses – Kardi, Nantu, Ilya and Kurra – each contributing to a year of fun, fundraising, and community spirit.

HOUSE WEEK CHARITABLE ENDEAVORS

A central highlight of the competition is that each House not only competes for glory but also works hard to raise money for their chosen charity. Each House Week was full of exciting activities, stalls, and events, all aimed at fostering camaraderie within each house while supporting important causes.

On the 7-12 Campus, each house chose a charity close to their heart, raising significant funds for worthy causes:

- Kardi supported the Beyond Blue Foundation, helping to raise awareness and funds for mental health support.
- Nantu raised money for St Vincent de Paul Society, contributing to their work with individuals and families facing hardship.
- Ilya focused their efforts on the Red Shield Appeal, supporting The Salvation Army's mission to assist vulnerable communities.
- Kurra raised awareness and funds for RUOK, promoting mental health and encouraging people to check in on their loved ones.

On the R-6 Campus, the four Houses united in their support for their Early Act projects, contributing to a variety of local initiatives and making a meaningful difference in their community.

FUNDRAISING SUCCESS

As a collective effort across both campuses, the House Weeks raised an incredible total of \$5,393, a testament to the dedication and generosity of the students, staff, and the wider school community. This outstanding amount will go a long way in supporting the selected charities and making a real impact in the lives of those in need.

HOUSE SPIRIT AND PARTICIPATION

It was inspiring to see so many students get involved, not just in fundraising but also in the activities and events that contributed to House points throughout the year. Whether it was competing in sports events, taking part in trivia challenges, or helping run stalls and activities, students came together to support their House and showcase school spirit.

A special thanks must go to the House Prefects, whose leadership, organisation, and tireless efforts were key in making House Weeks a success. Their dedication to driving the competition and encouraging their peers is truly commendable. Additionally, we are grateful to the staff who supported the students, whether by helping to organise activities, supervising events, or assisting with the charity efforts. Without their hard work, none of this would have been possible.

Well done to everyone who participated, and a huge congratulations to the winning House! Here's to even greater achievements in 2025!

RESULTS

Charity Shield

All four Houses had their own House Week to raise money for a chosen charity. Based on the money raised and student participation throughout the week, this determined the winners of the Charity Shield.

- 1st Ilya - 1466 points
- 2nd Kurraka - 1403 points
- 3rd Nantu - 1373 points
- 4th Kardi - 1306 points

House Champion

For the overall House Competition, points were earned through competitions, academic achievement, House Weeks, attendance, leadership and community involvement. Ilya had a fantastic year winning the double and going back-to-back.

- 1st Ilya - 11766 points
- 2nd Nantu - 11569 points
- 3rd Kardi - 10646 points
- 4th Kurraka - 10519 points
- Caleb Butler-Bowdon, Year 10 Leader

Drama Review

Early in Term 2, the Year 11 and 12 Drama students performed the comedic drama, 'Jack the Ripper: Monster of Whitechapel', written by Joe Dickinson. This was part of their SACE ATI task that involved the development, performance, and evaluation of their creative skills that went towards 40% of their grade.

Students dedicated many hours during class, after school, and during the first term holiday break to workshoping, rehearsing, and polishing this performance. The colourful array of characters provided some much-needed levity and humour throughout the much darker and suspenseful moments in the play. With opportunities for on and off-stage roles, the cast and crew rose to the challenge of their production timeline and have since developed their own creative skills and made lasting memories and new friendships.

The Year 8 PAA class had the opportunity to perform at the Premier's Reading Challenge Reception before various schools, dignitaries, and special guests. The students devised and wrote the piece themselves, loosely based upon the adventurous series of books '200 Minutes of Danger', '300 Minutes of Danger', and '500 Minutes of Danger' by Australian author Jack Heath. This short performance of four vignettes explored the different consequences of the character's unexpected methods of survival and the peculiar and humorous perspectives from those around them.

Presented by Stage 1 and 2 Drama Students

A play by Joe Dickinson Directed by Genevieve Hudson

Jack the Ripper

Monster of Whitechapel

May 8th Wednesday 6:30pm

Performed at the
Charles Campbell Arts Theatre

Adult tickets: \$15
Students/Concession: \$7.50

M rating, Some violence, Adult themes

F1 in Schools

In 2024, the F1 in Schools program began its expansion initiative to allow more staff and students to be involved in the competition. At the Royal Adelaide Show, we had three teams from Year 8 in the Development Class and another two teams from Year 7 in the Cadet Class.

Our three Development Class teams achieved the following results:

Emphasis: 1st Place, Knock Out Champions, Best Manufactured Car, Best Engineered CAD, Best Engineered, Fastest Lap, Grand Prix Race.

Fusion Racing: 2nd Place, Best Managed Enterprise, Best Team Portfolio, Best Team Trade Display, Outstanding Industry Collaboration, Best Team Marketing.

Impulse: 3rd Place

It was great to see a Knockout Final with only CCC teams involved! These students won 11 of 15 awards on offer and will proceed to the National Finals in 2025.

Our two Cadet Class teams achieved the following results:

Apac: 1st Place, Best Engineered Car, Fastest Lap

Dark Matter: 3rd Place, Best Team Poster

Congratulations to all students involved!

Activities in which students have been involved include Bunnings and school BBQ fundraisers, presenting for the International Student Agents who visited our College and running a F1 in Schools Education session for our Year 6 students. All these events have helped the students within the program to gain confidence in presenting, communicating and networking with others.

In 2025, we will be introducing a Year 9 F1 in Schools competition class to allow current students to continue working on their competition elements within class time as they prepare for National Finals. We also will be introducing a new Year 7 class to continue to expand the number of students within the program.

Music Review

CCC Music students successfully performed and entertained at a number of events throughout the year.

- **TERM 1:** Fringe performances by Groove Factor band (Gabrielle, Sophie N, Abby, Rachel, Lexie, Matilda and Sjaida), solos by Year 12 students (guitarist Samuels and vocalist Gabrielle), and the Year 8 PAA Music students; SACE Music Night with Year 11 and Year 12 students in the CCAT.
- **TERM 2:** Auditions held for the Primary Schools Festival of Music; SACE Music Evening with Year 10, 11 and 12 students in the CCAT; Songwriting Workshop for Year 10 and 11 students presented by industry professionals Thandi Phoenix, Chloe Dadd and Mr Rhodes (Blake) in writing, recording and producing original songs over two days.

Here are students' original songs on SoundCloud:

<https://soundcloud.com/search?q=Charles%20Campbell%20College>

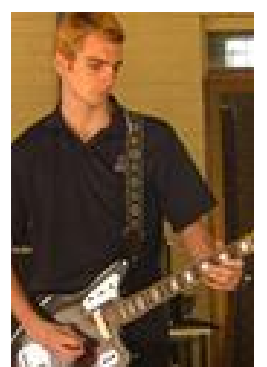

- **TERM 3:** Music Showcase presented in the CCAT for Year 9, 10, 11 and 12 students; Year 12 student Gabrielle performed on the Festival Theatre stage as an assisting artist for the SA Primary Schools Music Festival – watch her outstanding performance via this QR code
- **Term 4:** Groove Factor band and Samuels' solo guitar performances at the 7-11 Achievement Assembly; November Lunchtime Concert Series presented by Year 9, 10 and 11 students; the annual ROCKAMOTION Concert presented by Year 9 Music and Dance students for 2025 Year 6 to 7 transition students.

Thank you to all staff and students who supported these events, and congratulations

to all our talented musicians who worked hard to present performances at a consistently high standard throughout 2024.

– Janice Leahy, Music Teacher

Japan Study Tour

TOKYO AND MOUNT FUJI

On 21 September, two teachers and eighteen students from Years 10 to 12 stumbled out of bed at 3am and travelled to the airport, ready to embark on an adventure of a lifetime. After a brief, hectic stop at Queensland airport, and a long tiring flight we finally landed in Tokyo, greeted by the twinkling city lights and a very welcoming bed. Everyone was up bright and early the next morning ready to see the sights of the city. Starting with the Meiji Shrine and the Nezu Museum, we got our first taste of the rich Japanese culture and history whilst enjoying their beautiful gardens. A change of pace in the afternoon saw us explore the vibrant Hajajuku district, a visit to the chaotic Shibuya crossing before ending our day at an indoor amusement park, *Joypolis*, where we were treated with an unexpected and beautiful sunset over the city. The next day we boarded our bus and headed to central Honshu, home of Mt Fuji. A long bus ride brought us to the amusement park, *Fuji Q Highland*, with those of us game enough spending an exhilarating day on the vast

variety of roller coasters, including the steepest rollercoaster in the world, while others were more content wandering through Thomas Land, trying different Japanese food stalls and buying souvenirs. The afternoon saw a quick trip to Lake Kawaguchiko which promised a beautiful view of Mount Fuji. Unfortunately, the clouds were covering the famous mountain, but we enjoyed a cable cart ride and a scenic view of the lake and the surrounding area.

USHIKU HOMESTAY

Leading into our visit to Toyo University Ushiku, we were a little unsure about what the next few days would bring but from the moment we arrived we experienced a warm welcome and endless generosity. After a tour of the school, a welcoming ceremony, and an exchanging of gifts, we were introduced to our buddies and their families and headed to their homes (one of us even staying in a temple) to begin our authentic Japanese experience. Over four days, we were immersed in Japanese culture, trying different foods, participating in cultural

customs and experiencing the city of Tokyo and surrounds. Experiences included trips to Disneyland, aquariums, delicious home cooked meals, plenty of Mario Kart and fireworks. During school hours we travelled to either the Ueno Zoo, or National Museum of Nature and Science, visited the gigantic Ushiku Buddha and local shopping malls, and experienced traditional Japanese classes including lessons in calligraphy and Japanese counting, giving us a priceless experience of Japanese school life. It was with heavy hearts that we farewelled Toyo University Ushiku, our buddies and their families to whom we had grown close with, waving farewell but promising to keep the friendships alive.

NAGOYA, KYOTO AND HIROSHIMA

During the final few days, we travelled via Shinkansen (bullet train), experiencing both the peak of Japanese infrastructure and the rich cultural history. In Nagoya we participated in traditional Japanese crafts, designing a pendant using sand before visiting the Nagoya Train Museum and learning about the history and development of bullet trains. In Kyoto we enjoyed a walk through the Arashiyama Bamboo grove before exploring the Tenryuji temple and the scenic surrounds. A tough hike up the hill to Arashiyama Monkey Park was worth the effort when we were able to get up close with native Japanese Monkeys, wandering around freely at our feet. The day ended with a visit to the Samurai and Ninja Museum, where we learnt about the history of these brilliant warriors and learnt how to throw shuriken's and dressed up like a traditional samurai. The next day we wandered through thousands of red gates at the Fushimi Inari Shrine and a beautiful Japanese garden before heading to the Higashiyama District for an afternoon of exploration. At Hiroshima we visited the Hiroshima Peace Park and Atomic Bomb Museum for a sobering, eye-opening look at the devastation caused by the atomic bomb. Afterwards, we toured Hiroshima Castle, where, along with the history, we enjoyed an excellent view of Hiroshima city. With mixed feelings we arrived back home, thankful for having the assistance of our teachers Ms Taylor and Mr Butler, the fond memories of the incredible experience and suitcases full of Japanese treats and souvenirs.

Nihon Daisuki! (I love Japan!)

- Rachel L

Parade of Nations

PARADE OF NATIONS AND INTERNATIONAL DAY OF PEACE

Charles Campbell College is a diverse and multicultural community with over 44 countries represented in our student cohort across R-12. This is a special part of our identity.

On Friday 20 September, a special ceremony was held to recognise our diverse community and to acknowledge the International Day of Peace. Selected students were asked to carry the flag of the country of their birth and to wear traditional / national clothing. The flag students carried was a gift from the College, which students were welcome to keep. Families of those students carrying the flag were invited to attend the ceremony.

The College has installed two Peace Poles (R-6 and 7-12) which were donated by the Rotary Club of Campbelltown. A short ceremony marking the International Day of Peace (21 September) took place after the Parade, and then our students enjoyed a shared lunch kindly donated by Homekind Real Estate.

Italian Review

During Italian this year, all classes have been involved in many diverse cultural and language learning activities, where students have problem-solved, created, designed, engineered, hosted, performed, critiqued and attended events. They have showcased themselves amazingly well and have represented CCC with pride.

Year 10 girls, Binaypreet and Samantha, were invited VIPs for the *Radio Italiana's World Women's Day* event and spoke on radio about the importance of learning a language and of being a female.

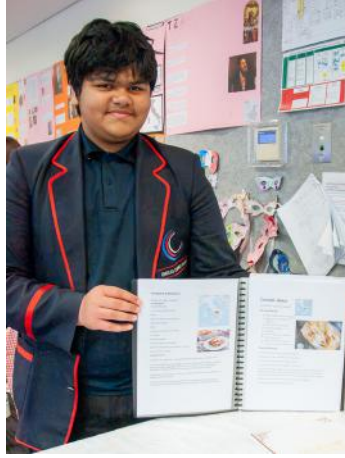

Year 9 students, Jack B, Jedd R and Callum W, were invited to showcase their amazing oral abilities by performing a chapter, from the Italian Consulate of SA's resource book launch of "Geronimo Stilton".

One outstanding feature of learning, especially about food, in both Year 9 and 10 classes, was the beautifully presented and delicious restaurant scenarios created in the classrooms to capture an authentic Italian restaurant atmosphere.

Italian Review

Year 8 students have participated in work based on the regions of Italy, designing menus, participating in the *Masterchef* competition, being television presenters, building imaginary cities, and participating and winning in the Italian State Language Competition on famous Italians. Well done!

Year 7 classes have learnt about the Italian language and culture by designing PowerPoints on Italian Festivals, making masks, performing role plays, creating their own fresh pizza with ingredients and developing the lyrics to a song.
Buon lavoro ragazzi! (good job, guys!)
 - Italian Language team

Outdoor Education

This year, Outdoor Education students in Years 10, 11, and 12 explored some of South Australia's most beautiful and challenging landscapes, building their skills and resilience along the way.

Year 10 *kicked off* their journey with a bushwalking camp at Kuitpo Forest, learning outdoor skills and teamwork; they also had a snorkelling day at Port Noarlunga, discovering the local marine life.

Year 11 had a memorable surfing trip to Berry Bay, where perfect weather and dolphin sightings added some excitement. Their bushwalking camp at Mount Crawford was a test of endurance, with rain and thunderstorms creating a challenging, yet rewarding, experience.

Year 12 started with a kayaking adventure in the Coorong, where they learned paddling techniques, discussed the area's significance with Indigenous speaker Mark Koolmatrrie, and looked into environmental issues affecting the region. They followed this with a bushwalking camp at Mount Remarkable to hone their skills, preparing for their final self-reliant hike at Innes National Park.

Media and Gaming

MEDIA

This year, Media students were tasked with creating short films.

Title: *Whispers*

Genre: Horror

Synopsis: A young girl hears whispers before she disappears. Are her friends next?

Created by: Liviana F, Kaiyah F, Imogen F and Alisa P

Title: *Revenge of the Cars*

Genre: Comedy

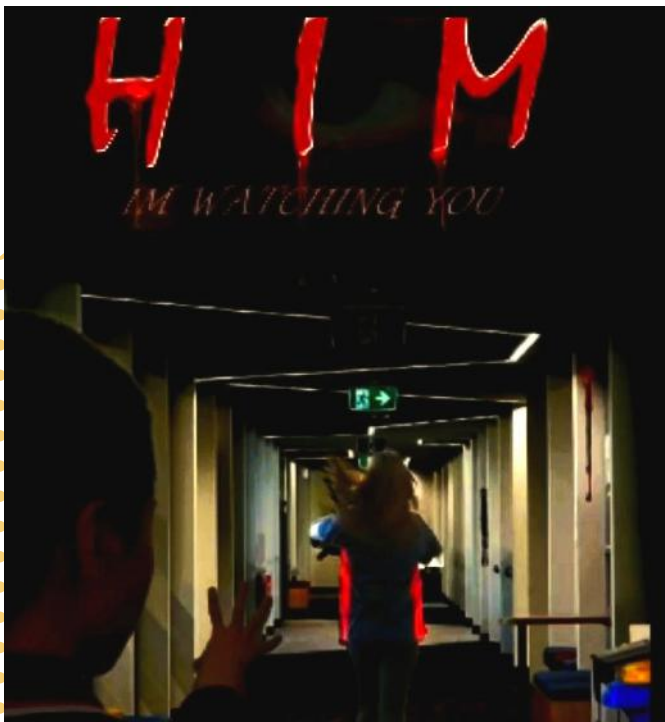

Synopsis: A group of cars take revenge on a student for stepping on and destroying another car (friend).

Created by: Mitchell K

Title: *Him*

Genre: Horror

Synopsis: A young girl works after school to complete her assignment. When she leaves, she feels she is being watched. Does she get home safely?

GAMING

Games with a social message.

Using *GameMake*, students were tasked with creating a computer game that focused on a social issue. Through game play, students conveyed their social message via challenges, messages and rewards (points or lives).

Game: *Protect the Trees*

Social Message: Environmental protection

Created by: Riley H

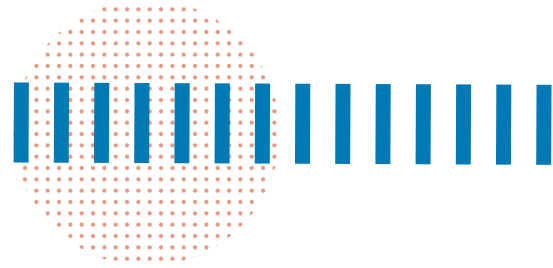

Game: *Homeless*

Social Message: Explores the affects of homelessness on individuals

Created by: Eden V and Latisha D

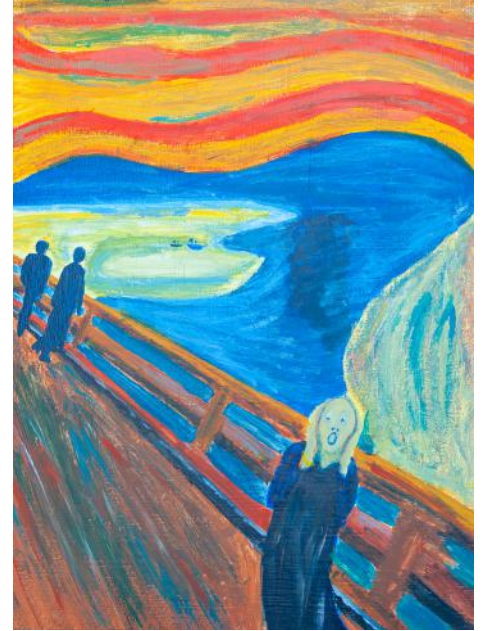

Olwen C, Year 10

Jazz M, Year 9

Gurneet W, Year 9

Liam H, Year 11

Year 12 Valedictory

ACADEMIC EXCELLENCE AWARD

Arad Haghighatnejad

Each of our distinguished guests had the honour of presenting awards to deserving recipients and their presence added a special touch to the night, highlighting the significance of the students' accomplishments.

Heartfelt congratulations were extended to all students for their perseverance and dedication throughout the year. We also express our gratitude to the families, friends, and staff who supported the students on their journey, making their success possible.

The Valedictory Dinner was a fitting tribute to the Class of 2024, sending them off with well-wishes for a bright future.

– Melanie Laws, Head of Senior School

The Year 12 Valedictory Dinner was a night to remember as students, families, friends, staff, and special guests gathered at JDF Receptions to celebrate the remarkable achievements of the Class of 2024. The event marked the culmination of years of hard work and dedication, creating an atmosphere filled with pride and joy.

Guests enjoyed a delicious two-course meal while reflecting on the achievements of the graduating cohort. Awards were presented throughout the evening, recognising students for their outstanding academic performance and for upholding the college's core values of learning, respect, and excellence.

Our event was graced by distinguished guests:

- The Honorable Vincent Tarzia MP, Member for Hartley, Leader of the Opposition
- The Honorable John Gardner MP, Member for Morialta, Deputy Leader of the Opposition
- Her Worship Jill Whittaker, Mayor of the Campbelltown City Council and
- Corporal Mark Tunley, from RAAF Edinburgh.

Year 6 Graduation

Our Year 6 Graduation was held on Wednesday 11 December and was an amazing evening shared with our families, friends, and the staff who have supported us throughout our time at Charles Campbell College. During the ceremony there were a few tears, but it was a lovely time spent reflecting on 2024 and our years in primary school. After the ceremony in the K-Building, we moved to the Paradise Hotel for a dinner and dance party.

There was a crazy photo booth that went wild all night long, great dancing to songs like the Backstreet Boys and the Macarena, as well as a tonne of food, drinks and unlimited ice-cream. It was truly unforgettable for us Year 6s and we had a lot of fun.

We would like to thank the teachers and Parents and Friends Committee for all their hard work in putting the event together. It was very special.

To all of our fellow Year 6 graduates: we wish you an incredible journey through middle school and beyond!

- Indiana, Erin, Lucy, Austen, Aaron and Jared

Achievement Assembly

R-6

Our annual R-6 Achievement Assembly was a fantastic way to acknowledge the wonderful achievements of our students. Throughout the assembly, students from all year levels were recognised for their academic achievement, values and improvement. We were entertained by performances from our talented students and had the opportunity to showcase a live recording of the Year 5-6 Wakakirri performance, *Second Chances*.

Special guests included Spencer Chenoweth, representing The Honourable Vincent Tarzia, The Mayor of Campbelltown, Jill Whittiker, Mr Geoff Sibley and Mr Chris Ward from the Kiwanis Club of Rostrevor-Campbelltown, Past President of the Rotary Club of Campbelltown Susan Harris, Yvette Cole from Campbelltown Council, Café Va Bene owner, Dominic Clemente, and Governing Council members.

Congratulations to our Year 6 students for their outstanding achievements this year. We wish them the very best in their future and have no doubt they will achieve great things moving forward.

Congratulations to Aaron H who received the 2024 Junior School Dux Award. Aaron demonstrated high levels of academic achievement, exemplified the College Values, provided a consistent role model, maintained an active involvement in extra-curricular activities and undertook numerous leadership roles throughout his time at school.

Photography

The Look Up Series

Create a photo series based on the world around or above us.

To represent the topic of *looking up*, I decided to create a series of photos that start by looking down towards the ground, and end by looking up towards the clouds.

- Austin M, Year 11

The Look Up Series aims to shift the viewer's focus to the often-overlooked spaces above.

- Quyen N, Year 11

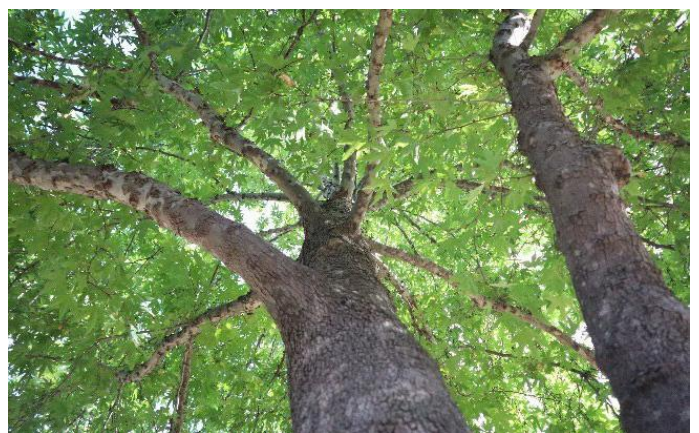

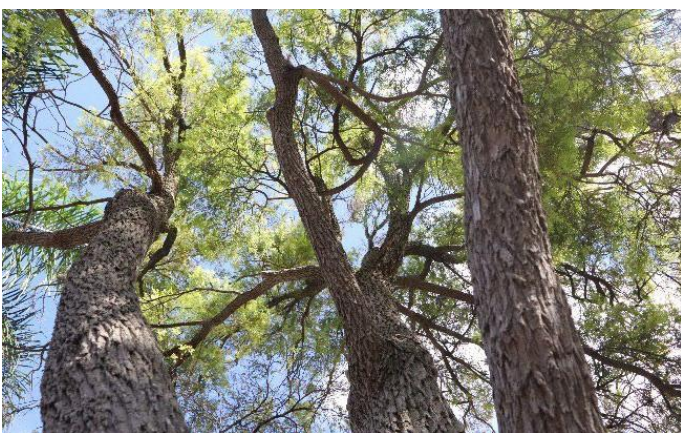

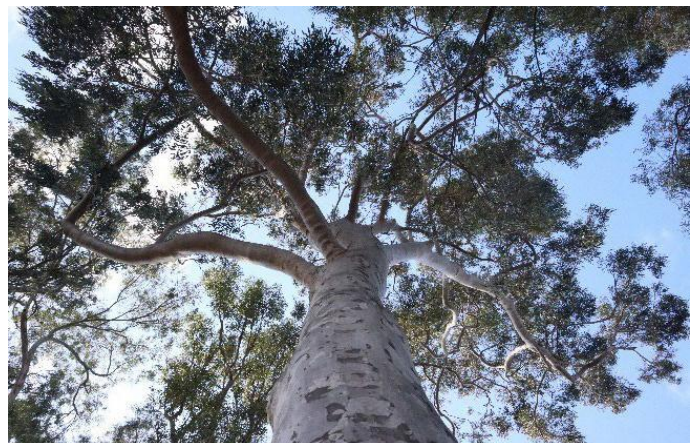

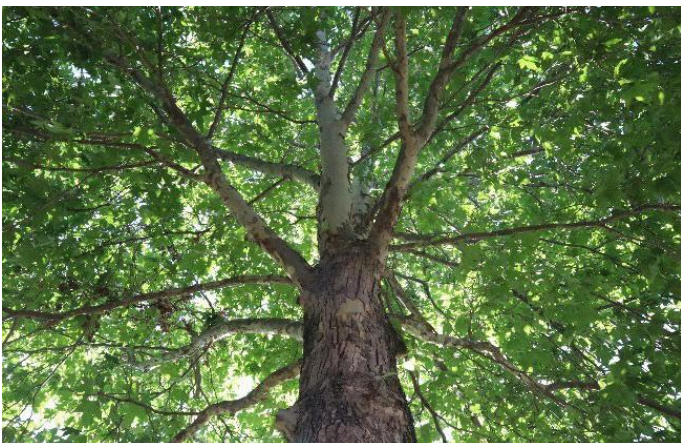

I wanted to show how the sky varies and how quickly and unexpectedly such changes may happen. Each photo captures the sun light differently and creates a mood that is symbolic of the changes that happen in one's life.

- Alicia W, Year 11

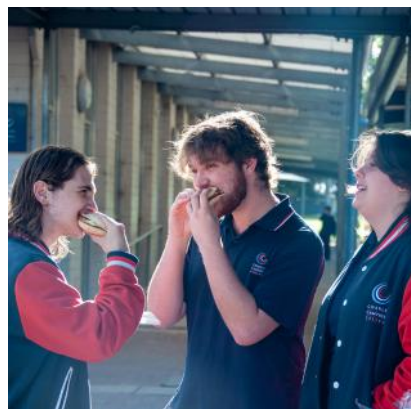

In this photo series, I created a series of photos following the folio topic, *Look Up*. I explored trees and nature from a unique *looking up* perspective. Looking at nature from a different perspective, emphasises how it appears when we pause, and shift our gaze upwards, revealing a whole new angle to life. My work communicates a reminder to slowdown and appreciate the world around us from a different perspective, highlighting the beauty that goes unnoticed when we get absorbed in our daily lives.

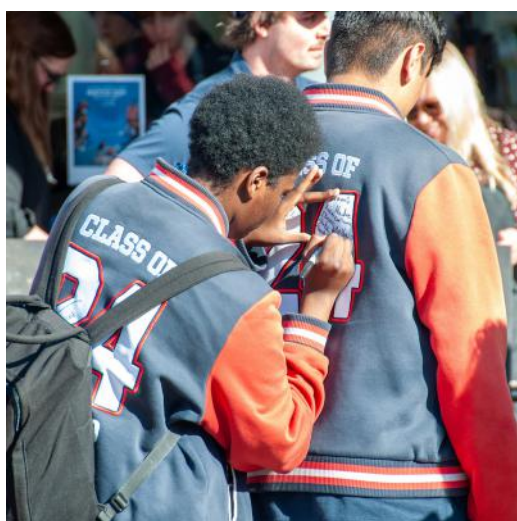

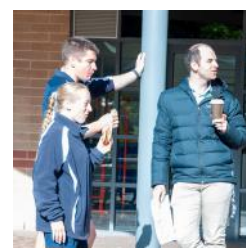

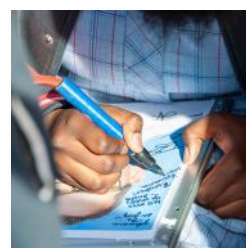

- Phoebe D, Year 11

Last Day for Year 12

On Friday 25 October, excitement filled the courtyard for our traditional Year 12 celebration breakfast. CCC Staff cooked a hearty breakfast of bacon and eggs, along with fruit salad for our students to enjoy. Memories were shared and friendships celebrated as students signed uniforms, cards.....and a photo of Mr Glasson! Several students displayed their sewing talent by fashioning their school uniform into a work of art.

R-6 Sport Review

After-School Sport

This year, Charles Campbell College was proudly represented in after-school sport with students participating in basketball and netball. Students from Year 1 to 6 showcased outstanding skills and teamwork throughout their games.

Teams practiced in the gym after school and then competed against other schools, applying the skills they learned in Physical Education to their chosen sports. It was wonderful to see their hard work and dedication in action.

A special thank you to all coaches and parents who supported the students' sporting journeys this year. Your efforts made it possible for them to participate and thrive in these experiences.

- Andrew Wise

Wakakirri

Wakakirri is a national arts initiative that enables children to express themselves and tell a story through the art of dance and drama.

This year, 24 CCC Year 5 and 6 students entered Wakakirri and performed an incredible story representing the work undertaken by community group, Second Chances SA, a non-profit volunteer organisation which supports people in prison, their children and families.

The aim of the Wakakirri performance was to illustrate the implications that the criminal justice system has on families and to show that all members of society deserve a second chance and to be treated fairly.

We are very proud of the seven awards that our performance received:

- Lead Cast Award for performance in dancing and acting
- Ensemble Award for overall performance
- Production Award for overall staging
- Storytelling Award for story construction and clarity
- Production Award for soundtrack
- The Spirit of Wakakirri Award
- Human Rights Resilience Story State Award.

On Friday 1 November, we held a celebration assembly to acknowledge the success of our students, who performed their piece one last time for parents, CCC Governing Council, the Kiwanis Club of Rostrevor -Campbelltown, Second Chances SA and the Mayor of Campbelltown. Mayor Jill Whittaker presented our students with a Campbelltown Council award to acknowledge their achievements and hard work.

This has been an amazing experience for our students, who are feeling very proud of what they have achieved. Thank you to Christine Falco, Sonia Rechichi and Kim McCarthur for the many hours of work put into this performance!
