

DECORATING WITH
TOPIARY & WREATHS

Topiary & Wreaths

A charming style companion for garden lovers and classic home enthusiasts

If you're drawn to the timeless elegance of clipped topiary trees and lush wreaths, this guide is for you. Whether you're designing a cozy corner or planning an alfresco lunch, "Decorating with Topiary Trees & Wreaths" is filled with inspiration to help you infuse every part of your life with garden charm.

From soft throw pillows in the living room to topiary-themed bedding in the bedroom, you'll discover tasteful ways to celebrate your love of greenery throughout your home. Entertain guests with beautiful table settings and whimsical details in the kitchen, or refresh your space with curated wallpaper, paint colors, and fabrics. And because your love for garden style doesn't stop at the front door, we've included tips for taking it on the go—with accessories like totes, and phone cases that show off your signature look.

Let this guide be your companion in creating a home (and lifestyle) that feels like a walk through a well-loved garden—peaceful, pretty, and always in bloom.
