Welcome to Hyper

About Hyper

At Hyper, we are driven by the mission of unlocking the boundless potential of creators through our innovative connectivity solutions. As a team of visionaries and makers, including creative marketers, product developers, and entrepreneurs—we recognize the importance of doing things differently, thinking big, and aiming for excellence.

We believe in technology that simplifies and enhances our customers' lives, enabling them to achieve their goals and unlock their full potential. With our solutions, we aim to Go Beyond device limitations and expectations, empowering our customers to pursue their passions and make a positive impact on the world.

FOUNDER & PRESIDENT
Daniel Chin

Company Overview

Hyper is a leading company based in Silicon Valley that specializes in providing cutting-edge accessories for Apple products.

- Founded in 2005
- Team based in Silicon Valley
- Owned by B. Riley Financial, Inc. ($RILY (NASDAQ)
- Global presence in over 100 countries
- #1 in NPD for docking stations in 2021

Core Products

- USB-C Hubs
- Docking Stations
- Multi-port Chargers
- Wireless Chargers
- Battery Packs

Key Differentiators

- Speed to Market
- Flexible in Evolving Market
- Exceed Quality Expectations
- Sustainability Focused

Key Milestones

- 2009: 1st Apple Accessory: MacBook External Battery
- 2016: Most Crowdfunded USB-C Hub ($3.1M)
- 2017: Hyper Enters Best Buy
- 2021: Hyper #1 Docking Station Brand in U.S.

Compatibility
USB-C PD compatible devices

Launch Date
March 2024

COMMERCIAL GRADE

240W Charging Power
Deliver 240W of charging to power-hungry devices.

Enhanced Durability
Made from a durable silicone jacket that has been tested to withstand over 25,000 bends.

Portable and Tangle-Free Silicone Design
Spend less time untangling and more time creating.

Over-Temperature Protection (OTP) up to 90C/194F
Safe delivery of power and data for peace of mind.

HYPER

HyperJuice®
USB-C® and Lightning® Hybrid Silicone Cable

Versatile hybrid fast charging cable for all your Apple® Lightning® and USB-C devices.
