

Welcome to
Barnwood Park School

Here is a message from our Headteacher:

I am delighted that you are joining our school community in September.

I know moving to secondary school comes with a mixture of excitement and nerves - this is perfectly normal but I can assure you that you will be absolutely fine.

There are lots of opportunities available to all our pupils both in and outside of the classroom and we hope you experience as many of these new opportunities as possible so that your time with us is a happy and memorable one. You will also get the opportunity to meet lots of new people and make new friends, some of whom will be for life!

Every adult in our school is here for you, to support you with your learning and to help you if you have a problem or worry.

We are all very much looking forward to meeting you in September.

What the students say...

"Changing schools can be a stressful time. However, at Barnwood Park, if you feel worried there will always be someone to talk to and help."

"Barnwood can help you grow and learn. It is easy to make friends, especially at our after school clubs."

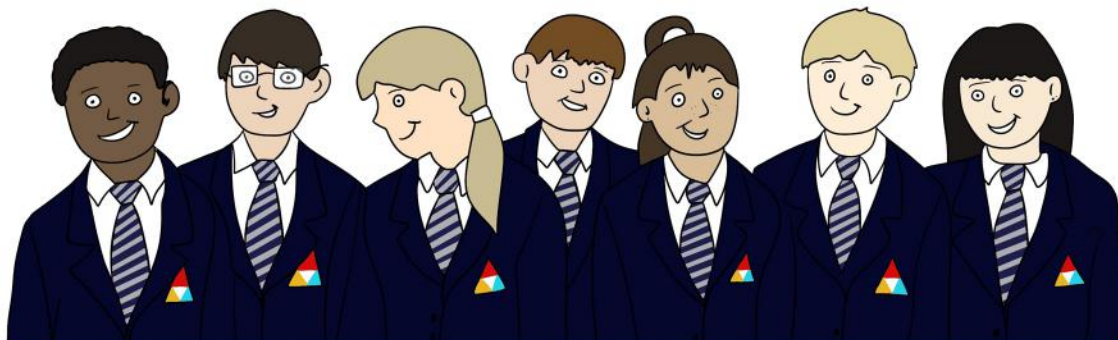

How will you help me get ready to come to Barnwood Park?

You may feel a mix of emotions about coming to secondary school. It is quite normal to feel a bit worried because starting secondary school is a big change. We are a very friendly and welcoming school and we can all remember what it feels like starting Year 7. We will do everything we can to help you settle in as quickly and happily as possible.

You will come and visit us for transition days to meet your form and Form Tutors. Your parents/carers will also be invited to a transition evening.

If you wish to hire a locker so you are ready for your first day, you can choose your locker online at Secure Locker Rentals: **www.locker.rentals**. The lockers are available now to reserve for the academic year 2025/2026.

To allow you to study without any distractions, you are not allowed to use any phones, smart watches or any other unauthorised electronic device from home (such as AirPods) in the school building.

What happens in a school day?

We have a 2 week timetable, Week A and Week B.

You will be given a timetable on your first day in September.

You will move between classrooms for each lesson and have different teachers. Don't worry about finding your way around. If you get lost, older students and teachers will be happy to help you. You will soon know where everything is and feel at home!

What about food?

We have a canteen that serves food before school and at breaktime and lunchtime. You can eat there or get something from the snack hut.

Why not start your day with your free breakfast, which you can collect between 8:10 and 8:40am from the Canteen or Learning Support Centre.

Snacks, such as paninis, wraps, pasta pots and sandwiches, are available at break and lunchtime. Meals are also available. There is always lots of variety on the menu, including options for any students who have allergies and dietary requirements.

You don't need to bring cash with you. Your parents/ carers will pay into an online account and you pay for your food using your fingerprint. If you have free school meals, you will use the same fingerprint system.

You can also bring in a packed lunch from home.

If you ever forget your lunch or find your account doesn't have enough money in it, don't worry, speak to someone in Admin and they will help.

When a teacher sees that you have displayed one of our school values - Ambition, Determination, Success, they will give you a 'house point' and at the end of each term we will celebrate your achievements. You will be awarded Half Colours and Full Colours badges when you reach a certain number of points. Points can also be gained through house competitions and events, or through a referral from a teacher.

You may also receive a 'positive postcard' which is sent home to celebrate something you have done.

What do I do when I need help?

We all have problems from time to time. We know you can only do your best when you feel happy and safe, so please let us know if you are worried about anything in school or outside.

You will get to know your Form Tutors really well so they will be the best person to speak to. You can also speak to your Head of Year or any adult at the school that you feel comfortable talking to. They will listen to you and help. It always helps to talk.
