Albatross At A Glance

No Scrambles. No Sandbagging. No Nonsense.

The Albatross Format that's redefining fair play—with Modified Stableford scoring and daily handicap adjustments to ensure every round rewards skill and integrity.

Where Business Executives, Athletes & Icons Tee It Up

Curated pairings with real ROI: pro athletes, LPGA standouts, private equity leaders, fund managers, and VC-backed founders.

Large Purses. World-Class Venues. Concierge Everything.

This isn't just another tournament—it's a luxury retreat. From TPC Dorado Beach to Anguilla's Aurora Resort, every event includes curated hospitality, white-glove service, and competitive stakes.

The Clubhouse Reimagined

Through our Tronic partnership, members access exclusive perks, promote their businesses, and stay connected with curated deal flow all year round.

The CGA Connection

Official partner of the Celebrity Golf Association (CGA), giving members rare access to compete alongside legends like Ray Allen, Charles Woodson, Jeremy Roenick, Reggie Bush, and more.

Purpose Beyond the Game

A portion of every event supports the Footprints Forward Foundation, which aims to support 100,000+ foster youth with mentorship, housing, and education.

Business Done on the Course

Partnerships get signed. Startups get funded. Doors open. Albatross is where business gets personal.

White-Glove for Members & Brands

Everything from concierge travel to branded activations is coordinated by our team to keep the focus on connection, performance, and presence.

NOT JUST ANOTHER GOLF CLUB. A GATEWAY.

There are golf clubs, and then there are curated communities of leaders, creators, and competitors who believe that golf should do more than entertain—it should open doors.

MORE THAN A GAME. A PLATFORM FOR WHAT'S NEXT.

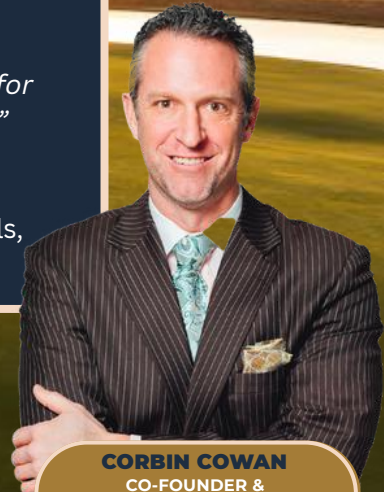

Albatross is a private golf society for those who value competition with meaning—where athletes, founders, and investors come together to play real golf and build real relationships.

"We're not just building a golf society—we're building momentum for the right kind of people to meet, play, and move things forward."
— Corbin Cowan, Co-Founder

Each event goes beyond the leaderboard—creating space for deals, ideas, and connections that carry far past the final round.

ALBATROSS GOLF SOCIETY X CELEBRITY GOLF ASSOCIATION (CGA)

Jeremy Roenick
Celebrity Partner

"We saw an opportunity to take the spotlight CGA had built and pair it with the substance and precision of Albatross. That's when everything changed."

— Matt Haines, Co-Founder of Albatross & Founder of CGA

The Celebrity Golf Association (CGA) produces high-impact tournaments that unite athletes, entertainers, and business leaders—not just to compete, but to drive visibility and meaningful results for the causes that matter.

The Albatross Golf Society was built on the belief that golf, when intentionally curated, becomes a platform for real connection. It's where capital meets opportunity, and relationships are built to last.

TWO DISTINCT VISIONS. ONE INTEGRATED EXPERIENCE.

Some partnerships happen naturally—when the values align, the vision scales, and the impact multiplies. Albatross Golf Society and the Celebrity Golf Association—two organizations built on different strengths, now operating as a unified platform for competition, connection, and purpose.

Warren Sapp
Celebrity Partner

"You come for the golf, but what you leave with is bigger—relationships, access, and real momentum."

— Josh Booty, Celebrity Partner

A PLATFORM BUILT FOR ACCESS AND IMPACT

- **Precision Pairings** - Founders. Athletes. Investors. Matched with intent.
- **Impact in Action** - Direct support for foster youth through Footprints Forward.
- **Dual Platform Access** - Private Albatross rounds. High-visibility CGA events.
- **Real Relationships** - Strategic introductions. Lasting outcomes.

Josh Booty

The Albatross Format

No Scrambles. No Mulligans. No Noise.

Real Golf. Real Stakes. No Sandbagging.

We didn't just build a tournament format—we designed a playing system that protects the integrity of competition and rewards players who show up to win.

This isn't best ball. This isn't four-man shamble. This is you vs. the course—and the players alongside you. You play your own ball

Net Modified Stableford Scoring

We use a Net Modified Stableford format—an exciting, momentum-driven way to play that encourages aggressive golf and strategic decision-making.

Rather than counting total strokes, Stableford assigns points based on your net score per hole (adjusted for handicap), and the highest point total wins. This means one bad hole won't ruin your round—and birdies are more rewarding than pars.

Anti-Sandbagging Adjustment

At the end of each round, your handicap is adjusted based on how you played that day—up or down. No pre-set expectations. No hiding behind an inflated index. This day-by-day recalibration ensures that every round is a true test of consistency and effort.

"It's rare to find a group where the competition's this sharp and the company's this good. You show up knowing the format's built to be fair, and the people around you are the type you want to stay connected to."

Charles Woodson, Celebrity NFL Partner

Empowering Youth. Transforming Futures

Footprints
Forward

Our Mission To support 100,000+ foster youth over the next decade by providing mentorship, transitional housing, life skills, education, and trauma-informed care—delivered through strategic partnerships and a national support network.

Investing in Youth. Building a Legacy.

At the heart of Albatross Golf Society is a deeper purpose—one that extends far beyond the leaderboard.

Footprints Forward is the philanthropic arm of Albatross, committed to creating meaningful, measurable impact for youth aging out of the foster care system.

Each year, more than **23,000 young adults** in the U.S. leave foster care with no family, limited resources, and few opportunities. We're here to change that.

"If Albatross is about access and opportunity—Footprints Forward is about making sure no one gets left behind."

— Corbin Cowan, Co-Founder

Spotlight on Purpose

In the recent Valiant CEO feature, Albatross Co-Founder Corbin Cowan shared the deeper mission Albatross: To channels Albatross' influence and capital into partnering with established local and national organizations—those already doing the hard work of providing housing, mentorship, job training, and trauma support.

The image shows a page from Valiant CEO Magazine featuring Corbin Cowan. The headline reads "CORBIN COWAN: TRANSFORMING GOLF INTO A PLATFORM FOR IMPACT". The article discusses his role as Co-Founder and CEO of Albatross Golf Society, highlighting his commitment to giving back and the impact of the Footprints Forward foundation. It mentions that Albatross is setting new standards for competition and is also using its platform to create life-changing opportunities for those in need. The article notes that in 2023, the society launched Footprints Forward, a foundation dedicated to supporting young adults aging out of the foster care system. It also mentions that each year, over 23,000 young adults age out of the foster care system in the U.S., often without a dependable support network. Many are left to navigate adulthood alone, with 20% experiencing homelessness as soon as they turn 18. By age 24, only half manage to secure stable employment, and fewer than 1% ever earn a college degree. Yet, despite these obstacles, 70% of foster youth still aspire to attend college and create better futures for themselves. Footprints Forward is dedicated to turning those aspirations into reality. Corbin and his team have set an ambitious goal: to support 100,000 foster youth within the foundation's first decade. This commitment includes expanding scholarship programs, forging partnerships with top-tier educational institutions, and increasing transitional housing support. By leveraging the influence and resources of Albatross members, the foundation ensures these young people receive not just financial aid but also the skills, mentorship, and opportunities needed to thrive. This isn't just charity—it's about creating a system that drives real, lasting change. The article concludes with a quote from Corbin Cowan: "Footprints Forward isn't just a foundation—it's the heart of Albatross. Supporting foster youth is the legacy we're building together." A QR code is provided for more information.

Unlock Golf's Most Strategic Circle
