EVERYDAY SUPERHEROES

Hi there! I'm the Good Greek, Spero! Ever since I was a young boy, I wanted to be a police officer; they were the good guys and they were *real superheroes*. So, after attending college, I pursued my childhood dream and became a police officer and member of the elite S.W.A.T. Team in North Miami. I enjoyed being able to help people and to protect the innocent from the villains of the world. After several years, I realized that I could help people in many other ways and still be a superhero to those that needed me, and so I changed my police uniform for a new one; the Good Greek one.

Now, Good Greek Moving & Storage are your superhero movers because we help families just like yours when relocating to their new homes safely. You too can be a superhero, and it all starts by following your own superhero dreams. Don't forget to thank those that serve and protect us every day such as your parents, teachers, doctors, police officers, fire fighters, and others.

I hope you enjoy the adventures of Spero The Hero, and please keep a look out for new issues by going to SperoTheHero.com.
