SOURCEBOOK

# *Furniture designed for life and crafted with care, since 1921.*

Since 1921, we have been dedicated to the craft of bench-made upholstery. Each piece is thoughtfully handcrafted in Lenoir, North Carolina, nestled in the shadows of the Blue Ridge Mountains. Today, our collection extends beyond upholstery to include casegoods for the entire home: living room, bedroom, dining room, and office.

This Sourcebook presents our complete residential collection in a convenient and visually inspiring format. Inside, you'll find your favorite Fairfield styles organized by room and category. From upholstery to casegoods, and from modern to classic, every design shares a common thread: quality craftsmanship, enduring style, and exceptional value.

## **WOOD FINISHES: UPHOLSTERY & CASEGOODS**

All our hand-applied finishes require multiple steps from our skilled American artisans. As a result, each piece will be unique with variations in color, shading, burnishing, distressing, crackle and/or texture. Each piece is treated as a true work of art, one-of-a-kind pieces that are rich in beauty and personality. To preserve this character, we offer FairShield+ as a standard application on all upholstery finishes. This clear, protective topcoat varnish forms a chemically cross-linked barrier that is more resistant to wear and more impervious to moisture & commercial cleaning materials. FairShield+ is also formulated with UV inhibitors to reduce the harmful effects of sunlight and features silver ion technology (an antimicrobial agent) to help preserve the finish and protect against mold, mildew, fungus and odor-causing bacteria.

## **CONVERSION VARNISH**

Ideal for high-use environments, Conversion Varnish resists wear and is more impervious to moisture. You can add Conversion Varnish to stocked, pre-finished casegoods (top surface only) for an upcharge.
