

Sitting on Love

(Bronze)

Mackenzie Thorpe

Mackenzie is proud to unveil

His classic image in
timeless bronze,
Sitting on Love

“

It's a place full of joy
and light
no worry or fear
but a life, built on
the foundation of love

”

Mackenzie Thorpe

Unique marbled patina

Cast in bronze

Solid granite base

Made in the UK

Made with Love

“

It's the hardest thing to make bronze, an incredibly hard metal, look soft. This is what I wanted to achieve with **Sitting on Love** and I am thrilled with the final result, each piece looks gorgeous and truly individual.

It's not until you pick it up, do you realise how heavy it is.

”
