Trusted Guidance. **TAILORED FOR YOU.**

Richie plays an integral role in two of our most future-focused practice areas: estate planning and intellectual property. With a thoughtful, grounded approach, Richie helps clients protect what matters most, whether that's preserving a legacy or building a brand from the ground up. He brings clarity and consistency to areas of law that are often filled with uncertainty. As our clients' businesses evolve and families grow, Richie is a steady resource they return to. His ability to translate complex legal issues into practical solutions has made him a valuable asset to our team and a trusted partner to the individuals and business owners we serve.

“Good planning isn’t just about the present. It’s about creating something that lasts. I want clients to feel confident in the foundation we build together.”

— Richard A. Hoffman

5+ Years of Legal Expertise

Richie has built a growing practice rooted in clear communication, practical strategy, and strong client relationships.

Hundreds of Legal Matters Represented

From asset protection to brand development, Richie has helped individuals and businesses take control of their futures.

Focused on What Endures

Whether preserving wealth or protecting ideas, Richie’s work helps clients secure what they’ve worked hard to build.

Focused Legal Solutions for You

The following pages offer a deeper look at Richie's areas of focus, and how he helps clients move forward with confidence.

The choice of a lawyer is an important decision and should not be based solely upon advertisements.

Estate PLANNING

Estate planning isn't just about documents — it's about making intentional choices that shape your legacy and protect the people you love.

Whether you're starting from scratch or updating an existing plan, thoughtful estate planning ensures your wishes are honored, your assets are protected, and your family is supported when it matters most.

Planning for your legacy can feel overwhelming, but with experienced guidance, they become opportunities: to care for your family, to preserve what you've built, and to make the process easier for those who come after you.

Trust Danna McKitrick to protect your wishes, ease the burden on your loved ones, and guide you every step of the way.

Estate Planning

Helping individuals and families protect their assets, plan for the future, and leave behind a meaningful legacy.

Trusts & Wills

Personalized wills and trusts that reflect your wishes and provide clarity for your loved ones.

Administration of Trusts & Wills

Guiding families through the legal and financial responsibilities of carrying out a loved one's final wishes.

Contested Wills, Trusts & Estates

Navigating disputes with care and confidence when questions arise over the validity or fairness of an estate plan.

Powers of Attorney

Preparing legal tools that authorize trusted individuals to make decisions on your behalf if you're unable to.

Probate

Assisting families in navigating the probate process, from court filings to final distributions.

Intellectual PROPERTY

Your ideas, creations, and brand are among your business's most valuable assets, and protecting them is essential to long-term success. Whether you're launching a new product, building a name, or expanding into new markets, securing your intellectual property is crucial.

Intellectual property services help safeguard the unique elements that set your business apart, including your logos, slogans, inventions, content, designs, trade secrets, and more. Proactive, smart legal guidance ensures your work stays protected and your competitive edge remains sharp.

We help businesses secure, manage, and defend the intellectual property that drives their brand forward, because your ideas deserve to be more than just ideas.

Identifying Your Assets

Helping businesses recognize the full scope of their intellectual property, from logos and branding to trade secrets and proprietary processes.

Securing Ownership Rights

Registering trademarks, copyrights, and patents to establish legal ownership.

Drafting Agreements

Creating licensing, confidentiality, and non-disclosure agreements that prevent misuse and control how your IP is shared.

Protecting Trade Secrets

Advising on internal policies and contracts to safeguard confidential information and reduce the risk of leaks or misappropriation.

Preventing Infringement

Building proactive legal strategies that minimize risk and protect your IP from threats.

Enforcing IP Rights

Litigating infringement, misappropriation, and contract disputes to help businesses defend their ideas and maintain control of their assets.
