Dear Doggo Lover,

Welcome to another quarterly edition of the We Love Doggos Charity Magazine.

Before you dive into the heartwarming stories and fun, dog-themed games, I want to take a moment for reflection.

In 2022, our first year in operation, we helped rescue 850 “at risk” dogs, most stuck on “Euthanization Lists” with just days or even hours to live. Last year that number grew to 2,000+. This year we want to help rescue 5,000 dogs!

But how do we do that? The short answer is WE don't, YOU do. Let me explain...

Our members-only community is called The Hero Club and it's made up of 7,000+ doggo lovers who work together to nominate, vet, select and support dog welfare organizations with a proven track record of rescuing dogs in three critical areas: shelter, transport and treatment.

At the highest level our “Packo Partners” get full, hands-on support. That includes funding of special initiatives, projects, and missions as well as a monthly donation to that charity’s general fund.

Additionally, We Love Doggos Charity participates in actual dog-rescue activities. This may include riding with a van full of rescue dogs on a “Freedom Ride” delivering them from kill shelters to their new fur-ever homes, a vaccination trip to find and treat homeless street dogs or funding a shelter makeover.

Just as important are the “Spotlight Charity Partners”, most of which are nominated by our Hero Club members. They also receive financial and community support, although at a lower but still meaningful level.

This strategy allows our presence to go both deep and far with members and support in all 50 states. It also allows us to scale quickly and help save more and more dogs as membership in The Hero Club increases.

In that regard, I want to personally extend my heart-felt thanks to the incredible Hero Club members who go above and beyond every day in support of our mission to make the world a better place for dogs.

And you thought we were just about premium, custom dog tees! As we like to say, “people come for the free t-shirt and stay for the smiles on the faces of the dogs we help rescue.”

This year, that’s 5,000 smiles...and growing!

Love Unleashed,

Terry
Packo Leader

SPOTLIGHT CHARITY PARTNERS

Congratulations to our two newest Spotlight Dog Rescue Charity Partners, The Asher House and Los Adoptables!

These two amazing charities were nominated for this award by the doggo-loving members of our Hero Club community. Each will receive 12 months of financial and community support from the We Love Doggos Charity as well as a heartfelt “thanks” for the critical role each plays in support of our mission to make the world a better place for dogs.

The Asher House: Seven years ago Lee Asher quit his job to travel around country in an RV with his rescue dogs visiting

shelters across the country to bring attention to the world of dog rescue.

From there the star of the Animal Planet series, “My Pack Life” went on to build a 240-acre sanctuary that serves as home for all kinds of rescue animals, including 150 plus dogs at any given time.

Los Adoptables: In what can only be described as a true safe haven in the middle of what often resembles a war zone, Pris and her team do an incredible job of saving hundreds of dogs each year from the impoverished streets of Ensenada, Mexico and surrounding areas.

These homeless “street dogs” face the harshest of conditions and fight everyday for survival.

The We Love Doggos Charity makes trips to the shelter and participates in vaccination missions multiple times per year. While ALL of the Spotlight Charities deserve support and recognition, we hold a special place in our hearts for Los Adoptables and the work they do.

THE FREEDOM VAN GETS A MAKEOVER

You may remember the lead story from our last edition, The We Love Doggos Charity donated a passenger van to be used by The Underdog Railroad, our Packo Partner for emergency dog transport.

This amazing organization transports dogs from kill shelters in Northern California to new homes as far north as Canada, saving over 400 lives a year.

Terry, our Packo Leader, joined the maiden voyage delivering 24 at risk dogs to their new homes up and down the west coast of the United States.

At the time the van was just an empty shell stuffed full of dog crates.

Now, thanks to the generosity of The Hero Club, the van is being outfitted with insulation, a climate management system and air conditioning, a necessity during the blazing hot summers in California's central valley.

Cara, the organization's Executive Director, asked us to extend a heartfelt "THANK YOU" to our incredible community for its undying support of their mission.
