INHERENT RIGHTS AND POWERS OF UKC

*(Revised December 18, 2009)

United Kennel Club holds and has reserved to itself certain inherent rights and powers in connection with conducting its business, registering litters, transferring registrations of dogs, licensing events, and awarding titles. These inherent rights and powers include but are not limited to the following:

United Kennel Club has the right to inspect all reports, scorecards and documents related to UKC events. Some, but not all, of the items subject to inspection are:

- a) scores;
- b) disqualifications of dogs for fighting or other reasons;
- c) errors by the recording person; and
- d) documentation excluded for any reason.

UKC reserves the right to correct any mistakes found during such inspection whether or not the document has the signature of a Judge or Club Officer.

UKC reserves the right to itself and in its sole judgement and discretion, to take such actions and impose such sanctions as would:

- a) Bar an individual from entering or participating in any way in any UKC licensed event.
- b) Bar an individual from transferring or registering any pups or dogs in that person's name (joint or full registration) or to any member of that person's family.
- c) Bar an individual from receiving Championship points for any dog registered in that person's name (joint or full registration).

By way of illustration, the following constitute some, but not all, of the situations calling for the above sanctions:

- a) Falsification or alteration of a UKC Registration Certificate, Pedigree, UKC Easy Entry™ Card or any other UKC document.
- b) Falsification or alteration of any reports of wins issued to UKC.
- c) Falsification or alteration of receipts issued by UKC Judges.
- d) Switching, wrongfully using or attempting to use a UKC Registration Certificate, Pedigree, UKC Easy Entry™ Card or any other UKC document.
- e) Selling or attempting to sell a dog with false or incorrect UKC Registration Certificate or Pedigree.
- f) Intimidating, threatening, or injuring a Judge, Club/Association member or official, event participant or spectator, or UKC representative.

The six illustrations given above are only by way of example and UKC reserves to itself its inherent right and power to impose such sanctions in any other circumstances deemed appropriate by UKC.

Any individual who is found guilty by a court of law of a crime involving dogs will be barred from United Kennel Club for an indefinite period. A person shall be considered guilty in a criminal proceeding if they are convicted by a judge, jury, or if they enter a plea bargain or other arrangement to plea to a lesser offense, or if their case is disposed of by any form of deferred adjudication; a person shall be considered guilty in a civil proceeding if they are held responsible or liable by a judge, jury, or if a compromised settlement is reached between the parties.

OCTOBER/NOVEMBER 2025 HUNTING RETRIEVER

Glen Scarborough, President 7421 Griffith Ln., Texarkana, AR 71854 (903) 276-6817 • President@hrc.org

Greetings HRC members,

We are still battling the heat in SW Arkansas, but fall is knocking on the door.

Safety is taught to all of us by our field representatives and club members. We must always be wary of our dogs while running and training in these hot temperatures. Our pups only want to make us

happy and will often put themselves in danger if we don't take good precautions for them in extreme weather. I have noticed many tests starting early, so they can finish early, avoiding higher temperatures. Great job! Always think safety first!

Our Youth Handler Program is up and going with many youth already participating, and we would love to see more. Any youth under age 18 can join if they are a member of HRC. All they need to do is fill out the entry form on our website. Go to hrc.org and click the Youth Handler tab under "People," then click enroll now. Nothing more needs to be done to get the youth signed up for the program. Each time a YHP member runs a test (pass or fail), they will receive 1 point that can be accumulated and used to purchase items in our online store (which is now being developed). Garmin has committed to awarding the YHP member with the most points accumulated by June 1, 2026, an e-collar as the grand prize. Some clubs have offered discounts to the YHP members running their tests, with a lot of positive feedback from some very happy parents! The Youth Handler Program is allowing one dog families the opportunity to have more than just the mom or dad to run their pup. The YHP member can run the same dog someone else has run for points the same day. The restriction is that the YHP member must run in a lower stake. Example being mom runs pup in finished for championship points, YHP member can run the same pup in Seasoned, or Started for a YHP point. Multiple YHP members can run the same pup in lower stakes if desired. The YHP member must adhere to the same rules and policies as any other handler. The intention is to get our youth out and running tests. They are our future! If you have questions about this program, please don't hesitate to contact me.

The HRC Fall Grand this year will be hosted by Music City HRC in LaVergne, TN. One thousand forty-nine dogs have been entered, making it the largest ever. Grand Chairman Tracy Stubbs and his crew of volunteers put many hours into making each grand possible. I will be running dog number 1034 in flight J, call-name Hootie. Like all entrants, we are looking to bring home one of those big green ribbons, but as the years have passed, I have learned it's more about seeing old friends again and meeting some new ones. The ribbons are just a bonus. When I am not running or working the Grand, I love to follow on our social media accounts. Our Grand PR crew does a phenomenal job posting pictures of tests, so everyone can follow along from home. For the first time this fall, all ten grand sites, along with upland, have a sponsor, so be looking for these sponsors, and please support them.

I Love HRC, the People, & the Dogs...

God bless you all.

Sarah Krause, Secretary

Howdy from Texas. We are currently in full fall hunt test season. I have been having so much fun judging this season. I always enjoy meeting new handlers, getting to know them and their dogs, and getting them hooked on hunt tests and HRC. Some of these new handlers have even turned into friends. Just another great part of this organization!

I have been judging since 2017, and my husband since 2005, and we judged together for the first time! I never thought that would happen. We have been scheduled several times to judge together, but he was always pulled to go judge at a higher level. Wow, did we have fun together.

Now it's almost time for hunting season. Bring on the birds!

Happy Holidays to you and yours, and God Bless.

Pat Johnson, Vice President

Hard to believe that we are only a few months away from 2026. It has been an eventful year in HRC. We established the new youth handler program, and from what I understand, there are a few kids taking full advantage of the program, running dogs, and being quite successful at it. These kids are our future and the future leaders of HRC, so if you are at a hunt test and come across one of these young ladies or gentlemen running dogs, take time out of your hunt test schedule to root them on. Another program that

was started was the ladies' handlers seminar that was held this summer. The ladies had a great time and had some great instruction from some of the lady handlers who have run multiple HRC tests and SRS events. This is all great news for HRC. If we get the ladies involved, then the whole family gets involved, and we get more youth into our youth program.

I had the honor of going back to my old stomping grounds and judging the Elk Horn Valley HRC test in August. I had a great time. I was there the first year they ran their test and was honored to be able to go and judge their 20th-anniversary test. The tests were challenging, and it was great catching up with old friends and being able to judge with one of my best friends in HRC for two days. Region 9a is going to lose a great lady when Ms. Marion Grace moves to Indiana later this year. She has been a running rules rep for Region 9a for the last five years, and her experience and wisdom will be missed.

Fall Grand is quickly approaching, time to see some of the most talented dogs in North America compete for the Grand Title and chase the elusive butterfly, as I have been told by a long-time trainer and competitor. We set a new record for entries at the fall grand of 1,050. Who would have ever thought the Grand would grow like it has? That is a testament to our organization and what the grand title means.

For some of us, hunting season has already begun, dove and early season goose. We are about ready to jump into full hunting seasons across North America, which means waterfowl season and upland hunting. This is why I train my dogs and run HRC tests. Like most of you, I want a better hunting dog, so HRC provides that through our testing program.

As always, we need to be good sportsmen and ladies while running our events. You never know who is in the gallery watching and listening. It could be their first test, and we should be setting a good example since this is becoming more of a family event.

Safe travels to everyone, and God Bless.

Kristine Odden, Treasurer

Greetings from Oklahoma! I'm amazed the fall season is upon us already, and everyone around here is gearing up for the fall hunt tests. It's also a welcome sight to see cooler temps with even a few trees in our area starting to turn colors.

In looking back this summer, it was definitely busy with traveling and activity! We had the opportunity to judge outside of our region twice – once in beautiful Region 13 at Hidden Pines and again in Region 08 with Badger State / Fox River Valley. All three clubs were very friendly, welcoming, and enjoyable to work with. And of course, judging the dogs was icing on the cake!

But probably the highlight of my summer was attending the Ladies Handler Seminar in Beebe, AR, hosted by Ace Acres Retrievers. This seminar was led by an amazing group of ladies whom I consider very good friends! They had a wealth of knowledge they shared with us, from gun handling to line manners to running dogs, and then running a Seasoned/Finished level test (while coaching us from behind) on Sunday. Whether these leaders realized it or not, they instilled a sense of confidence while keeping the training light-hearted, no pressure, and lots of information! It was also great to meet some new ladies in our group and form a bond together. We now share a great memory together!

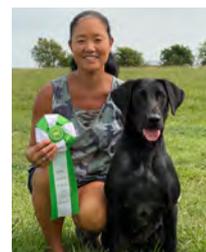

I also have to give a shout-out to our National President, Glen Scarborough, for leading the way in getting these ladies' handler seminars back up and running again! I know there are plans for future seminars in other regions, so be on the lookout for communication, and mark your calendars to attend!

And I can't leave out the people who helped "behind the scenes" with the seminar, as well as our bird techs and Ace Acres Retrievers for hosting. It was a beautiful location, and if you get a chance to run a hunt test there, do it!

By the time this goes to print and is delivered, the Fall Grand will be upon us. I'm definitely looking forward to being there again and seeing lots of friends! I wish everyone much success and safe travels there and back home again!

In the meantime, good luck running at the Fall hunt tests, and perhaps I will see some of you at the line!

God Bless!

MEMBERSHIP INFORMATION

The Hunting Retriever Club is composed of individuals and clubs interested in the improvement of the retrieving breeds, in the training and testing of Hunting Retrievers, in the awarding of Championships to those dogs that pass the testing program, and in the fellowship, cooperation and learning that can take place when people and dogs, rather than competing with each other, are working together to reach mutual goals of excellence.

The hunts have been designed to closely duplicate actual hunting conditions and situations. The training aspect of the program and the four levels of competition allow dogs and handlers at all levels of experience to learn, improve and work toward Championships.

Your membership includes a year's subscription (6 issues) to *HUNTING RETRIEVER*, a membership card and a copy of the *UKC/HRC Rules and Guidelines for Hunting Retriever Tests*. Domestic rates (U.S. and possessions) are \$25 a year, \$30 a year for a family; (\$17.50 per year is designated for the magazine subscription.) Dues cover a 12-month period. Dues are to be sent to: Hunting Retriever Club, Inc., 100 E Kilgore Rd, Kalamazoo MI 49002-5584. Phone: (269) 343-9020.

Final Retrieve

In Memory of

SHR ROOSTER HOLMES JH (“Rooster”)

Chocolate Labrador Retriever Male

December 26, 2021 - August 4, 2025

Owned by Gary Holmes

Rooster was a birthday present to me from my wife in 2022. When I got him, I didn't look at pedigree or anything, I just wanted a chocolate male to make into my best friend and hunting partner. We brought him home, and he instantly became a part of our family. There weren't many places he didn't go when we left home. We did all the puppy work and got his retrieving desire as high as it could be before starting formal training. We did obedience and marking drills in the front yard, as well as using the back of my side-by-side to complete force fetch training. It wasn't very much longer before I was hired part-time by Matt Emerson as a kennel tech at Flatline Retrievers in Blytheville, Arkansas.

Rooster and I both learned a lot and developed our relationship as a dog and trainer/handler. He was never destined to do much because of his pedigree not being what most people want in a dog, but we had goals, and he had a desire to please me. Slowly and surely, we reached goal after goal. He completed his Started Hunting Retriever title in two months. Our first duck season wasn't the best, but I got to watch him grow and mature, as well as see his first retrieve, a 50-yard swim up current on the St. Francis River. Our second year, we started on some AKC tests. Rooster went 4-for-4 and obtained his Junior Hunter title in 2023. The rest of the year and most of the next, we worked hard in our handling and marking, prepping to make a run at his Hunting Retriever title. We fell short in the fall of 2024 at our first test, and I almost gave up on him. We worked hard in the off-season and had a better duck season. This year, we worked even harder and pushed him to be better, but just as he was making strides, he tragically passed away.

You were more than just a dog. You taught me more in three years than I ever could have expected. I just hope you know how big a void you created when you died, RooRoo. I love and miss you, buddy!

Final Retrieves are offered at no charge to HRC members.

Guess who forgot to train on the dog stand for the Finished test for this 18-month-old Lab? Big sigh of relief when she was still there when the last bird of triple hit the ground!

The answer to these questions probably depends on the individual member and what his or her focus and priorities are. We are a large and successful organization, and as such, it's always a challenge to keep as many members as possible reasonably content in our big tent. And if the size and growth of HRC is the measure overall, things must be fairly acceptable.

What is pretty clear is that we have members at both ends of the spectrum when it comes to focus and priorities. And over time, the organizational priorities and functions seem to have shifted somewhat. But what in our wide, wonderful world doesn't change? And what change is not applauded by some and criticized by others?

How do we adequately meet the needs of the wide range of members? Members range from those where almost the total focus is on the Grand and getting a dog into the HOF (Hall of Fame). And at the same time, we've got members who just want HRC and our tests to help them have the kind of Finished hunting retriever that truly gives them bragging rights on the swamp. And we have a section of membership that is totally content with what they get out of HRC membership, if a local HRC club can just help them get their dog to pick up a duck. They don't even want to pursue the HR title and content to let the dog break or keep it restrained if not steady. Then we've got a bunch of professional trainer/handlers who need

to keep their clients happy with test passes. They also need to be able to do what they need to do in training to regularly pass dogs without working double shifts 7 days a week. And they no doubt appreciate a little relaxation time and a good night's sleep on a pretty regular basis.

I hear people wondering if the influence of professional trainers/handlers will end up with HRC, following the AKC Field trials many years ago, when the Amateur stake came into being, with only amateurs being allowed to handle dogs. I would hope that concern is more in the tinfoil hat domain and not even in the same zip code of things we HRC members need to be worried about.

Whether it's just in this region or widespread, I can't say, as I don't travel outside the region to run tests. But I do hear a fair amount of talk about the effect of pros on the weekend tests. And I hear judges complain a club's hunt test committee will not approve a good and legitimate Finished test because they think it will upset the pros and they won't come back to their test. One of these was as simple as asking the Finished retrievers to mark off a raised dog platform.

There have been some concerns about how the online pros' entries are handled. One club I'm aware of has devised its own online entry system. Guess that solved one problem, but to me, it created several other problems.

In the October-November 2024 issue of this magazine, I wrote about rules and policy changes that no longer allow HRC tests to prepare our Finished retrievers for advanced hunting skills that running HRC hunt tests once did. I'll not reiterate, other than for example, the exact hunting test that was a series in a Grand years ago, had pro handlers very upset a few years ago, and now that type test is no longer allowed. And it was a test that tested very commonly needed retriever skills for the waterfowl hunter.

Trickle-down effects of the Grand tests and procedures on weekend HRC tests are grist for the Finished gallery now and then. I hear off-duty judges in the gallery gripe that they get complaints about their test from some handlers, saying, "They don't do it this way at the Grand." This trickle-down not only influences expectations and test settings but often results in rules and policy changes. This is something that I've sadly observed for years. And few, if any, of the trickle-down effects are a friend of tests reflecting hunting realism. Obviously, the Grand is a great game for those who choose to play it, but should it have any effect on how weekend hunt tests operate? With the kind of huge entries that have come to be with the

Hmmmm! How come that never happens to me when I'm hunting grouse? Huh?

Grand, no doubt some adjustments need to be made for logistical and other reasons. But it's a different stake with its own set of rules and policies. There must be a way to keep the Grand reasonably related to top Finished level performance without necessitating adverse effects on hunting realism on the weekend Finished tests.

I did hear a comment at a recent hunt test that caught me off guard but raised an interesting point. This handler opined that it seems strange for HRC, with its steel-band strong ties to hunting, that the only route to getting a HOF designation on one's dog is through the Grand. And he wondered why there wasn't an Upland HOF and Waterfowl HOF designation, with one of the requirements being a Grand Slam of the dog retrieving all the U.S. and Canada huntable upland or waterfowl. Whoa. Welcome to the Finished gallery. Interesting. Not for me, but neither is the Grand or regular HOF. But I can see where the Grand can be addictive. When our club hosted the Grand and the regulars started rolling in, it was like old home week! I run my dogs regularly in HRC tests because I really enjoy them, and to keep them at the peak of their Finished game in actual hunting. But I'm not above accepting a Point Club jacket now and then.

I always tell members looking for change that we are a grassroots organization with representatives who are part of the governance and operation of HRC. Since many things and officers need to be voted on, there must be a lot of folks who think we are pretty much where we need to be. And I tell some that if a certain change is important

Seems like opening day for ducks will never come. Then it's bitter cold January hunts and season rapidly approaching the end. Retriever is ready to make a retrieve if the shot's any good.

enough, get involved with how to see if it can be changed.

At the same time, it sort of seems that whether it's my hunting lease, a club (local HRC or other), or our nation's government, if things seem pretty copacetic for a wide majority of folks, business as usual seems to stay the order of the day. But when, for whatever reasons, that seems not the case, then a happy general majority can become splintered, and then majorities sometimes shift, and we see drastic changes. In my experience, that is frequently not a good thing.

So hopefully we can remain a pretty laid-back, reasonably contented organization and avoid radical changes or hard feelings. At the same time, it probably behooves all of us to try to walk a mile in the shoes of those who do not reflect our focus and priorities. And if we are in control, try to listen and provide some things that may be unimportant to us but extremely important to others.

Sometimes it can be good to think outside the box and perhaps look for creative ways to reach some middle ground on things. For example, might it be possible for field reps to get a little skull session organized, consisting of some of their local club

officers, some professional trainers active in the area and some experienced judges who might tend to be at the extreme ends of "HRC: Hunting Uber Alles!" and "the Grand and HOF are what HRC is all about"? Maybe after a Judges' Seminar. The agenda might cover some things like: 1.) Understanding factors and their effect on the difficulty and length of tests. 2.) Are there tests that can focus on hunting realism without putting an undue load on the pros to have their dogs ready? 3.) What are some good Finished hunting-oriented tests that can be set up in a way that works better for pros and don't take all day? 4.) Maybe if two clubs' tests are nearby on the same weekends, if a creative and fairly complex test is planned at one club, perhaps a heads up to the pros to head to the other club's test. Just wool gathering. Sort of like a day in the duck blind when the birds won't fly.

My wife occasionally tells me when it comes to some things, that I ain't the dumbest guy in the world...but I better hope he doesn't die. I surely don't have the answers to the changing challenges of this great organization, and I'm glad I don't have the responsibility of our elected and appointed HRC officials to keep figuring it out on the fly. Hopefully, we'll continue to be the best when it comes to retriever testing organizations. Good luck to all who are and will be on the bridge helping steer the Good Ship HRC through the rocks and shoals, as well as calm waters. As mentioned earlier, HRC operates a big tent and, probably amazing, we do as well as we do, not that there are conflicting interests and some unhappiness.

Since besides being an old geezer and accused being more than a little allergic to change, I've been at it in HRC in our region since just before there was dirt, known to love hunting with my retrievers even more than a hearty blind breakfast of bacon and eggs in the early morning and a sip of Scotch in the evening, I may hear more "What happened to the hunting realism in tests?" than is representative of even our region. But even I have to say, "Come on!" when somebody tells me soon the only thing hunting in tests will be head-to-toe camo and the Remington 870. Really!?

Puppy Betsy says, "I might have to slip into my camo vest for hunting, but I think I could retrieve some

When you find yourself in a little knot of Hunting-Realism-First-Finished handlers, all sorts of things get woolled around. Recently, someone asked a question I didn't have an answer to, though I've seen the same evolution. The question was why it has seemed to become standard operating

Tough blind to mark out of and mark off the gun. But training and running realistic HRC tests help get the job done. Sometimes, while running a test, I realize with winger noise, I don't have to train quite as hard to mark off the gun like the silent hand-thrown birds of yesteryear.

Pup from solid HRC bloodlines with plenty of GRHRCH titles has no idea what an HRC hunt test is. But you can bet her owner, getting his first kiss on the way to her new home, is already dreaming of running HRC hunt tests. Good HRC training with other club members, and things came together quickly. At 5 months, she grabbed her first two Started ribbons, at 16 months got her HRCH title, going 4/4, and 500 points when 3 years old. Thank you, HRC!

procedure to rope the flunking canine on honor (honor on leash) for other than control-related failures and have someone shoot for the honor handler. And the questioner followed up with a statement that this seemed at conflict with the historic HRC approach of no callbacks, and you can run the rest of the test even if you fail. Clearly, an out-of-control dog has always needed to honor on lead.

I've been participating and enjoying HRC since it came to this state two years after it was founded. It's by far the greatest thing that ever happened to this muddy hunter and his retrievers, and has been a very important part of my life for almost 40 years. Long live HRC and good luck to those in charge to keep all of us under the same tent pretty content. Meanwhile, I'll go through withdrawals with the last

I hope it's not too long before I get one of these pretty HRC Hunt Test ribbons.

test in our region in the books last weekend. And when next April arrives, I'll be twitching with eagerness for the first HRC test. Between now and then, Popi and I and a friend and his Lab will be enjoying the heck out of our Finished HRCH and UHCH titled dogs doing a very fine job in waterfowl and upland hunting. And doing that job so much better than our earlier hunting retrievers BECAUSE we run HRC tests that are about hunting, AND we use a real shotgun for them to mark off the barrel. Good hunting and good testing. Always, questions come up, especially with growth, and fine-tuning will continue as needed, but still, by far the best game in town. All in all, the tests, the training, club activities, test socials, camaraderie, new friends made, etc., let's hear it for HRC. It just doesn't get any better than this, does it? 🐾

THE CLIMB

by Lynne Frady

I am sure you have heard the adage “Uphill both ways.” Here in my Blue Ridge Mountain home, that statement could not be truer. The saying not only pertains to our mountains but also to life. We are met with many challenges and milestones in our lives, and how we approach each one is different for everyone. In the literal sense, “How do you climb a mountain”? One step at a time! I also know many people who face life’s challenges the same way; one of these people is Chuck Prowler, owner of Crabtree Retrievers and Kennels

I have known Chuck for many years; he is a retriever trainer, an avid waterfowl hunter, a business/kennel

owner, and the President of the Cherokee Foothills HRC club. He has a full plate and gives all he does 110%.

Chuck opened a small kennel and began training dogs full-time. He had put in the time and decided this was the direction he wanted to go, so he started his journey at the bottom of the mountain

He started his business in his garage at his home in 2018 after quitting a high-stress job. He was licensed for a 10-dog kennel and offered all-breed obedience, retriever training for hunt test, and for hunting, boarding, and grooming. He has beautiful fields and a small technical

pond on his property where he trained and offered group training. He also has a bed and breakfast where people can come stay and train. Over the years, he has held training seminars and various training opportunities for all breed clubs. Chuck was doing great, and his climb up the mountain was steady, but there was something more he had pulling him upward

Starting the business in his garage, it was never intended to be a kennel. The space could not keep up with the boarding or training demand in the area. He and his wife, Kay, knew they needed to expand to keep up with the demand in the area, and to do that, they would need a purpose-built kennel for sanitation, cleanliness, and room to grow.

Chuck and Kay began planning for a new kennel in August 2022. It took two years of planning, permitting, design, and finding contractors. The shovel hit dirt on July 4th, 2024.

Hurricane Helene hit on September 27th, 2024, which would bring obstacles that were unforeseen. Building materials and contractors were extremely hard to obtain, and this would push back the expected opening date by months.

With hard work and a never-give-up attitude, Chuck and Kay opened the kennel on August 1st, 2025. It is a beautiful facility. When you walk in, you are welcomed with a spacious lobby that has a barn wood accent wall and an office. The kennel has two halls of Mason kennels, one hall of glass front kennels, and the other hall has chain link fronts. There are twenty-five kennels total, with a main hall for expansion. The kennel offers indoor kennels only. Chuck visited kennels in the southeast to weigh options on indoor/outdoor kennels. Many of the kennels

he visited had turned their outdoor kennels to indoor to expand capacity and for cleanliness. So, he decided indoor kennels in his area would be best.

As for what they offer at the new facility, they offer boarding, obedience training for most dogs, retriever training up to Finished level (HRC/UKC), and Master level (AKC). He has also trained for the Super Retriever Series. They had offered

grooming in the past, but have not added a grooming station in the new facility. They are planning to add a separate grooming house in the future. They have a mobile groomer on call if needed.

The beautiful Mason Kennels offer both glass front kennels and chain link kennels in separate halls.

They offer many extras for the dogs that stay there. Each dog gets daily walks on the farm, and repeat clients are welcome to come out and walk around the grounds with their dog. Chuck also texts boarding clients pictures and updates on their dogs daily. He will also accommodate “Facetime” with clients on demand.

The lobby and office area, complete with barn wood for the accent wall and cherry wood slabs for the countertop tops. All the wood came from their property. It's very welcoming.

The kennel sits on 120 pristine acres, and Chuck has access to other farms for retriever training. He also has a small technical pond with plans for more ponds in the future.

Crabtree Retrievers and Kennels have indoor space for seminars and training. The Smokey Mountain Boykin Group has had yearly socials/seminars on the grounds, and several retriever training groups have weekly training sessions there as well. They have had a few fans favorite professional trainers rent the property and put on

Sky loves the new facility and says, "Welcome ya'll, come on in to stay and play!"

seminars. They are looking forward to expanding those events in the future. There are also plans in the making for hosting the regional Golden Retriever Club to hold seminars and trials there.

The center of the kennel is open and offers training and seminar space. This area is still going through its final phase of construction and paint. Sky says she thinks he has a great “magic table” complete with ramp. The perfect place to teach pup how to hold bumpers and to carry.

A few things that set Crabtree Retrievers and Kennels apart from others are that the beautiful mountains offer a distinctive look at retrieving, and keep dogs in great shape. The temperatures are great, and training can take place year-round. They offer one-on-one training as well as group sessions.

A photo of the kennel and some of the training grounds nestled in our Blue Ridge Mountains.

The training facility may look like others on the outside, but the trainer’s attitude and ability set them apart. One thing I love about Chuck is that he loves to have a good time. He trains with kindness, patience, fun, and prefers positive training practices. The results are great hunting and hunt test companions that you can take to the field with pride.

Their retriever training program does not boast a wall of ribbons and plates. Most of their retrievers trial in the fields and marshes far away from judging eyes and whispering crowds.

I asked Chuck if he could be a superhero, who would he be, and why. His answer is on his business card: “Be the hero of your own story.”

I have no doubt that Crabtree Retrievers and Kennels will grow and become a premier facility for retrievers, seminars, and tests. As for the mountain, keep climbing, Team Prowler. The view at the top will be spectacular!

Chuck says, “It’s a work in progress, but we’re open and we hope to see you soon!”

Final Retrieve

In Memory of
HRCH Bakbay Supernova MH QA2 ("Tuco")

Yellow Labrador Retriever Male

November 29, 2011 - July 4, 2025

Owned by Bruce Bachert

Tuco led a full life, although he would certainly have preferred to do a lot more hunting than he did. He enjoyed all the events he entered, whether they were HRC, AKC hunt tests, AKC field trials, or SRS events. When he was ten months old and had done an admirable job on a tough triple in training, I rewarded him by doing a jump shot on blue wing teal on our home pond, where he did a great job picking up a double and blind. He spent most of his career running AKC field trials, but managed to finish his HRCH at age 12, having only failed once when he was convinced he knew better than I did where a tough water mark was located. He loved to hunt for rats and rabbits around our rural home. Unfortunately, he didn't get to enjoy as much retirement as he deserved when a sudden hemangiosarcoma rupture took him out of our lives.

Final Retrieves are offered at no charge to HRC members.

2025 HRC INC. LADIES HANDLER TRAINING SEMINAR

Women educating, supporting, and encouraging women to train and run their own dog.

By Vanessa Everett

The inaugural 2025 Ladies Handler Training Seminar started to gain momentum back in the spring when HRC President Mr. Glen Scarborough had a vision. He contacted some key lady handlers—Stephanie Bullen, Whitney Killough, Missy Bartlett, Dorine Reinert, Leah Spivy and myself—to get things rolling. An event like this can only happen with the unbelievable support from so many people. Here is a small list of supporters: Ace Acres Retrievers, Mr. Jimmie, and Ms. Laura Johnson for the best hospitality. It was above and beyond. Green Country HRC for helping with the food. Dr Bradshaw for her first aid. Tommy Balderacchi, Cadet Odden, and Derrick Watson for being great bird techs. Kristin Odden was our photographer. All of you made this a special weekend for the ladies, and I thank you. I would also like to say a big “Thank You” to all of the ladies who attended this training seminar. I think we had an amazing weekend together, and I am hopeful that you left the weekend with more knowledge, confidence, and eagerness to continue this journey. Bonus...the weather was perfect for Arkansas in August.

Day 1: We started Saturday morning with a meet and greet. We discussed what the ladies were looking to gain from the weekend. After assessing their level of training, we went to work. We explained the proper equipment needed, along with the importance of dog obedience in running a dog. We spent a lot of time covering guns, emphasizing safety, loading, aiming, and shooting. We taught proper etiquette, entering and leaving the line, and while on the bucket. We broke up into small groups to give the ladies more specialized instruction. The groups

included shoulder the gun, loading and unloading the gun, and sitting on the bucket. During our lunch break, Dr. Bradshaw reviewed the elements of first aid. Steph Bullen reviewed key components of the rule book, judges' sheets, and how judges go about judging. Pink slips were covered, and making sure they were correct. Then it was back to the real work. We had the ladies shoot the gun at two singles; thank you, bird boys. Each lady took an older dog, walked out of holding blind to the line, sat loaded two poppers, and ran a double with the dog. By then, most were a little overwhelmed but very excited about their accomplishments. Day 1 ended with a very nice banquet dinner, and all retired for the evening.

Day 2: It was time to put our Day 1 teaching and learning together. Each lady would complete a Seasoned test. We went through the entire judges' briefing, gun safety, and each lady would be judged with getting their sheet at the end, along with a test dog. The test started with a walk-up, blind, double, and diversion. Some also did an honor too. We supplied each lady with a seasoned dog so they could get a real feel for how it all works. The ladies were so encouraging and happy for one another. This group of ladies was amazing from the beginning. Most of the ladies had little to no experience with the gun or the dog. Within the day and a half of this seminar, they went from rookies to seasoned pros.

It is always a pleasure to watch people grow and to give back to a wonderful organization that has given all of us a huge extended family. Thank you all for a great weekend. I know I can speak for all of us who instructed, we cannot wait to see ya'll at the line with your own dog!

Next year's seminar will be held in Iowa; details to be released at a later date.

ATTENTION, ALL HRC CLUBS!

If you would like to have your club report included in the Region Reports section of HUNTING RETRIEVER, please follow these guidelines.

- First and foremost, be aware of the magazine deadlines. Each Public Relations Representative must observe the magazine deadlines, so make every effort to get your material to them well ahead of each deadline. They will need time to compile all the club reports into one document, so don't wait until the last minute to send or e-mail your information to them.

The deadline is the 15th of January, March, May, July, September and November (or the next business day thereafter if the deadline falls on a weekend or holiday). That is the final date the material must be into the magazine, therefore, ideally, all club reports should be received by the Representative no later than the 10th.

- Any club reports sent directly to HUNTING RETRIEVER magazine, bypassing the PR Rep, will be returned to the sender.
- If your club is not going to submit a report, be sure to let the Representative know so they are not waiting on it.
- Very Important! If you are emailing photos, please send each one as a separate

attachment, and please supply photo captions for each photo. Please don't embed the photos in your text document as this changes the values of the photos, making them unusable.

- Please don't alter the photos in any way - including changing the file size or the resolution, and cropping. Please remember that all digital photos will reproduce at the same resolution at which they were taken. A photo taken at a low resolution photo will remain "low res" even if it is "bumped up."
- Please furnish clear descriptions and/or captions for all photos.
- *If the photos were taken by a professional photographer, written permission to publish must have been obtained, and a photo credit must be included.
- Region Report Content Guidelines: The following can be included in the Region Reports: Hunt test descriptions; hunt test photos (group pass photos, for example); items that will be of interest to all national members; photos that relate to the report.
- Please proof all of your material before sending it to the Public Relations Representative.

Ottawa Valley HRC – Submitted by Bruce Hood.

Ottawa Valley's weekly training sessions ended in early September, just as evenings were getting shorter and the early goose season opened. Training was held all summer, rain or shine, and featured realistic hunt test setups intended to expose members to a wide variety of land and water scenarios. For some newer members, it was their first exposure to gun handling. Some of our members also entered or judged at tests put on by other Region 1 chapters.

After an unusually hot, dry summer, the temperature moderated just in time for our annual hunt test on Aug 30-31. The test was well attended, and it was a pleasure to see the familiar faces of so many other members from HRC Region 1. We owe a huge thank you to the Burns Family for their generosity in providing their gorgeous ski property and facilities at Mount Pakenham for our hunt test and weekly club training. Thanks also to the judges, club members, and everyone who pitched in and made our hunt test a success, from planning the many facets of the test to loading wingers to drying ducks, preparing lunches and Saturday's turkey dinner with all the fixings, to donating and putting together the raffle. Thank you also to the handlers and their dogs for coming out and supporting our event. We saw some excellent retrievers and dog handling, good setups, and judging, and well-deserved ribbons. Whether you took home ribbons or not, we hope everyone had a good time and picked up some pointers for what to work on with their dogs. Hope to see you again next year.

The future of HRC!

Luther Marsh HRC – Submitted by Erica Wilson.

Well, what an amazing hunt test we had this year. We got off to a great start and had 2 finished flights. It was so amazing to see everyone come together for the love of the game.

We were able to bring up 2 judges from the USA—Pat Johnson and Rusty Noahr. We are so thankful that they were able to make it up and spend the weekend with us. We also had the opportunity to have 2 apprentice judges for our club. We had Nick Ayres for Started, who got to spend his weekend with our very own Bruce Kostal and Mary-Lou Wickens. We also had Mike Masucci move into Finished, and what a great experience he had getting the judge with 2 different judges as well. Both did an amazing job, ensuring to keep with the HRC's rules and making sure everyone had a great time.

Let me set the mood for you. Costco trip completed, land set, and ready for tests to be laid out on all by Friday morning. We met with the Judges and got all the tests set up, everything perfect and ready to go for Saturday morning. We offered pizza in the parking lot on Friday night to all who came to help. Saturday morning came, and people began to arrive with their dogs in tow. It was so amazing to have them all here, to experience the HRC family. Tracie, Rachel, Jasmine, and I set out to make dinner: smoked pork roast, Caesar salad, baked potatoes, and homemade baked beans. What a great night we had with amazing food, great company, and of course ribbons and pink slips.

We wanted to take this time to thank our club members, who, without them, we would not be able to do what we do. This club is a true Gem, with such amazing people. We would also like to thank the bird techs, the Judges, the landowners, and the people who allowed us to use their land. It's also important to thank everyone for coming out and supporting our club. So, in closing, thank you all from Luther Marsh HRC Family.

By the time this is published, our October 2025 Fall Hunt Test will be history. These last tests mark the changing of the season, as the weather cools and Fall is on the way. We hope that you and your dogs have had a successful and healthy year. As always, we are grateful for many things....

- Having such a beautiful property to train at and to hold our hunt tests.
- Having a strong, dedicated group of members who always step up to the plate to help at training and hunt tests.
- Having the opportunity to share in our dogs' successes and challenges, and to celebrate our accomplishments.
- Having the chance to make friendships with a group of people who enjoy working with their dogs.

CHRC trains all year round. If you are interested in joining us as a guest on our training days (4th Sunday of every month), please contact us through our website or Facebook page.

Granite State HRC – Submitted by Jeff Enos.

Granite State HRC would like to thank all Region 2 clubs, our Region 2 Rep (Eric Bartlett), and our Region 2 Running Rules Rep (Tim Soucy) for another great season.

John Truver has had great success with his dog, Bene. They are giving the Grand a try this fall. Bene went into the 3rd series in the spring.

Jim Cropsey has welcomed his new pup, Merlin. Unfortunately, he also had to say goodbye to Mowgli.

Kevin Ostrom and Remi have been near perfect and are headed to the fall Grand in Nashville.

On 9/27, the club will be holding a fun

pheasant shoot to wrap up the year.

Good luck to the dogs entered in the Grand and to those heading out into the field this fall.

Bene and Maisy.

Guns Up HRC – Submitted by Phil Magnuson; Tim Soucy, President.

We Guns Up folks are still basking in the afterglow of our 20th Anniversary Hunt in August. Traditionally, we've had our test over Memorial Day weekend, but the August date worked out well and allowed several professional trainers to run dogs. Weather was warm but not too humid so most of us were comfortable.

We had two flights of Finished and a good turnout for Seasoned and Started. Among the many highlights, we had Tracy Stubbs judging Finished both days, which was great for the handlers and gave two of our local judges the experience of judging with Tracy.

Matt Soucy brought his friend's smoker to cook a spectacular judge's dinner Friday night and another great meal for the Saturday night tailgate. Almost everyone stayed for the tailgate, which made for fun camaraderie and a very successful raffle—many thanks to our HRC corporate sponsors and others who donated raffle items.

At the ribbon awards ceremony, several speakers recognized Audie and Roxanna Gould for establishing the Guns Up HRC and all the hard work that went into running it for 20 years.

We are very thankful for our hosts, Brian and Peggy Knowles, who allowed us to use their property for the test and building for headquarters and tailgate, and who worked tirelessly to make the test a success. We also thank Dave Mosher for the use of his excellent property at Sugarfoot Kennels in Burnham, which allowed us to run two flights of Finished, and for his help before and during the weekend.

We had great support from club members and a surprising number of non-members who worked long hours to keep things going, some of whom did not even run dogs - they traveled to Maine just to help. Love this HRC family!

Finally, we are excited to be discussing the possibility of hosting the Grand a few years down the road, perhaps in conjunction with one or more other New England Clubs.

Lake Audrey of South Jersey HRC – Submitted by LuAnn Riebel, President.

Another Hunt Test Season has come to an end for Lake Audrey HRC. Our August hunt test was a real scorcher, but still, many members, handlers, and their dogs ran to support the club.

A big thank you to Nora Gerberuex, our Hunt Test Secretary, and Eilene Hagan for a job well done running headquarters smoothly, and Drew Gerbereux, our equipment manager, seeing that the flights were kept equipped with equipment needed each day. Thank you to all our Judges for coming and putting on some great tests. I want to thank all the members who were willing to come out and work each flight, knowing it was going to be very hot and knowing we would be short workers. I can't thank you all enough. I also want to thank all the handlers who worked at each flight to give a helping hand. Everyone's help was very appreciated.

Thank you to all those who donated to our Raffle and to our Tailgate.

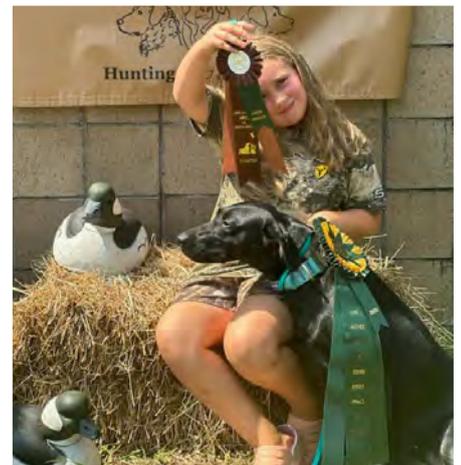

I want to congratulate all our members who

passed or were titled. We had two 6-year-old Junior Handler Members who ran their own dogs in the Started Flight and got their Passes: Shiloh Hieselman and her dog Grit, and Rory Wessler and her dog Fate. What a sight to watch these young handlers. Other members who got passes are Bill Sprague and his dog Blueberry, Started Pass; Kim Cramer and her dog Nemo, Started Pass; Christine Scarpino and her dog Encore, 2 Started Passes; Cameron Green and his dog Muddy, Started Pass; Elaine Sorrentino and her dog Storm, Finish Pass; Bob VonSuskil and his dog Storm, Finish Pass; Bill Johnson and his dog Ice, 2 Finish Passes; Cameron Green and his dog Onyx, Finish Pass; Cameron Green and his dog Coal, Finish Pass; Cameron Green and his dog Josey, Finish Pass; Wayne Sumner and his dog Bean, Finish Pass; and Sarah Rowland and her dog Nyx, Finish Title. Amazing to see so many members running their dogs and accomplishing all the hard work they put into their dogs. Congratulations to all those handlers entered that passed or titled also. Without everyone's help and support, our club's hunt test wouldn't have been such a success.

Now that both our hunt tests are over, LAHRC will be concentrating on next year's hunt test.

On the calendar of events will be having Elections, our Holiday/Awards Dinner, Gun Dog Event, Club Picnic, and Demos the club is asked to do for other organizations, and our Hunt Test. During the year, we train every Sunday, weather permitting.

Here at Lake Audrey HRC, we hope that everyone has a safe and wonderful holiday season!

THANK YOU, NMHRC Members, Dogs/Handlers, and to our dedicated HRC Judges for your hard work at our August Hunt Test! Your individual and group contributions made for the perfect recipe for a fun, successful hunt test! As a newer/smaller club, each test is faced with a fierce will and determination to make this the best test yet. The NMHRC BOD, HT Committee, our HT Sec’y Tim Conover, HRC Judges, our Region 2 support system, and the many amazing handlers, pros, and top-notch dogs from all over are the reason we keep going!

Year four has wrapped, and we’re very excited to have welcomed new members and their dogs. The club is blessed to call Echoewood our “home turf” for training days and events, and this year we were fortunate to have two additional properties welcome our group for training days. It goes without saying that the NMHRC members “make it happen”! Looking forward to 2026 as it will officially be Year Five for the NMHRC! Best to all, see you in the Spring!

Greetings from Western North Carolina. Appalachian HRC is the newest club in Region 3. We had our first official Meet and Greet and informal training day in August, and we had around 20 people looking to get involved. We are very excited to be a part of HRC and are looking to be a very active club.

Our first training day will be sometime after The Grand; you can join our Facebook Group to get the details. We are planning to hold our preliminary hunt test this spring in Shelby, NC. I would be remiss if we did not give a huge Thank You to Region 3 Representative Brett Abernathy for meeting with the club officers via a Zoom Meeting to get the ball rolling on this club becoming a reality. We look forward to seeing this club grow over the coming year, and we look forward to having HRC represented in Western North Carolina.

Hello HRC Family, the handlers and retrievers of Backwoods HRC have enjoyed the cooler weather across the Carolinas in the last two months. Several club members got the chance to participate in dove and goose hunts with their family, friends, and companions over Labor Day weekend. Good luck to everyone who will be campaigning this fall, and especially to the Backwoods members who will be running the HRC International Grand.

Greetings from ECHRC! We've had some "false fall" weather towards the end of summer, which has gotten our members very excited about the upcoming hunting and hunt test season here in the Carolinas.

Many of our members have been busy chasing hunt test ribbons, doves, and geese on the weekends, and we've got the upcoming duck season within sight as well.

Our fall hunt test was held in September, and a good time was had by all.

Come see us next spring!

I want to start out by giving thanks to a few people who were instrumental in helping us avoid having to cancel our fall test due to blue-green algae on our original test grounds. John and Laura Carey, along with John Stroud, graciously allowed the club to utilize their properties. Thank you for helping us keep this event going.

We also want to thank everyone for coming out to run their dog with us this fall. We had a great evening of fellowship at our tailgate, spending time with our hunt test family around the region. Our judges set up some challenging tests and got to see some great dog work. We thank them for giving up their time to sit in the chair and challenge the handlers and their dogs.

As dog people, we put in a lot of time training our dogs to earn titles. That being said, I want to congratulate a few of our members and their dogs on achieving their dogs' Hunting Retriever Champion titles. Richard Whitaker and his dog Rip, Tyler Mize and his dog Pier, and Bruce Underwood and his dog Coupe. Congratulations!

We wish all the other clubs and handlers success as we continue to roll into the fall chasing ribbons. We also want to wish everyone

a safe and fun waterfowl season.

Richard Whitaker, a CCHRC member, reached out and would like to tell a special story about his dog, Rip.

Rip earned his Finished Title during the CCHRC fall hunt test. Rip is a rescue that had a musculoskeletal growth imbalance in his front legs, bowed legs. As such, he was turned over to the Boykin Spaniel Rescue (BSS) and placed in rehabilitation. Richard adopted Rip when he was 14 months old. This little dog has come so far, and from what Richard was told by BSS, Rip is only the 3rd rescued Boykin to achieve this title. He will be 5 years old in November.

Well, what does someone write about after a horrendously HOT summer with virtually no organized training sessions going on? Midlands was about to join the “no report submitted” group of local Clubs, much to the dismay of one of our members who never fails to email me after she gets her magazine to compliment me on my submission every other month. This will be short and sweet, but here you go, Ann!

Thanks to North Georgia HRC and a few dedicated Midlands Club members, I have something to write about. The summer heat did not deter 3 members from running the test put on by North Georgia on the weekend of Sept 6-7 on some pretty amazing grounds. Saturday was unbearably hot and humid, with not even a slight breeze to cool you off. The dogs got no relief on the water tests because I am sure the water was more like bathwater than a refreshing swim. Sunday started out cloudy and cooler, but once the clouds disappeared, we were right back to being hot. Congratulations to the following 3 Midlands handlers.

Club member, Drew Ellyson, ran his young dog, Cypress, in Seasoned. Cypress showed that she could remember what she had learned in training and went home on Sunday with 2 ribbons and 2 point slips. Passing a dog at a test is not new to Drew. However, running a Lab instead of a Boykin was a whole new experience!

Bobby Siau and Willie made the trip all the way from the coast of SC to run this test and had some good luck. Saturday’s water test was giving many handlers an issue, but Bobby and Willie got it done. And by the time they got to the land series, it was really hot and a lot of uphill marks with some heavy cover. Willie passed and made his handler proud. Sunday’s tests were obviously no problem for Willie because he earned yet another pink slip and ribbon. Bobby says he is “really enjoying Willie and am having lots of fun”.

Don and Ali ran the flip side of the tests that Bobby and Willie ran. Both land and water tests each day had their own challenges, but they were good Finished tests. The fields had a lot of cover and terrain changes. Ali slept like a rock Saturday night after being in the heat and having to run up and down in the field to retrieve all the marks. Sunday’s land test had sloped terrain and heavy cover, but she was up for the challenge. Two tests and two more passes to add to her point total!

The next article will have a report about a couple more hunt tests that I hope to see more members involved in, as well as a report about the Midlands October hunt test.

The fall hunt test season has finally kicked off down south, and we have had several members running tests despite the heat. Congratulations to those members who have earned more passes. And good luck to those who will be stepping to the line at the fall Grand in Tennessee. We wish you all the best of luck!

Thank you to Kelli and Sue for hosting a wonderful training day in September at Golden Oaks Ranch. It was a nice day, and the dogs all had a wonderful learning experience. We took advantage of slightly cooler temperatures and worked on land concepts and line mechanics.

In July, we hosted an HRC Judges and Handlers Seminar, taught by Alan Wilcox. It was attended by 25 people (about 5 judges and 20 handlers). Participants were involved in good discussions about setting up tests, judging blinds, and expectations for different levels in HRC tests.

Our training day in August included drills for honoring, walking fetch, holding blinds, channel swims for beginners, and swim-by casting for more advanced retrievers. About 11 people and 14 dogs participated. All the dogs showed their innate willingness to retrieve. We welcomed

While this is usually the place we post pictures of our dogs, our accomplishments, and fun, this month is a TRIBUTE. For you see, our club has lost a member; our community has lost a kind, young man. Heather and Chris Ashley's Son, Haden Ashley, passed away July 26, 2025, far too soon, for he was only 20 years old. We are sure his soul is in heaven, for he was a kind, heart-of-gold, upbeat person, who was faithful to God. He died of complications from Duchenne's Muscular Dystrophy. While he was bound to a wheelchair and needed assistance to do most things, he still loved the outdoors and hunting. He loved Family, Friends, Dogs, and God. He always had a smile and never let his disease get him down. We will always treasure his time on earth and miss him terribly. RIP Haden Ashley.

We had a very successful fall hunt test with good numbers in all flights. We elected to go to 35 finished dogs in each flight, and it worked well for us. But I have to brag on our club members, we work like a well-oiled machine and keep things moving along. Thanks to all of our judges and bird techs for giving up their weekend so we could run our dogs and have a good time. We had several new faces, and we hope they come back in the spring. We need to keep the sport growing. We had one new youth handler in Started. I encourage everyone to push the new youth program to our young people. If you need any information, we can get it for you.

We have several members preparing for the fall Grand, and we wish all of them good luck!

This spring will be our 40th Anniversary hunt. It will be held at the illustrious Cattle Ranch in Greensboro, AL. I hope everyone will make plans to come and join us for a fun-filled weekend, April 18-19, 2026.

Thanks, and God bless HRC.

Fall is rapidly approaching, and Gun Creek members are prepping for the upcoming waterfowl and upland seasons. It's a great time to get our retrievers accustomed to pits, blinds, and dog stands. Young dogs in particular need a proper introduction to these things prior to the season, to prevent undue consternation the morning of their first hunt. A little pre-hunt preparation can go a long way in helping them (and you) enjoy a successful hunt. Let's all remember that the Hunting Retriever Club was "Conceived by Hunters, for Hunters!"

Many thanks to our training coordinator, Ken Bennett, as well as to Russ and Kelly Dusett for their efforts at each of our weekly training events this year. Our club had a successful one-day hunt test in August. We appreciate all those who participated to make this a safe and fun hunt test. We are starting to plan for our winter Upland Hunt Test, which will be held January 10-11, 2026. Wishing everyone and their dogs a fantastic time this autumn.

REGION 8

William Kehoe

Badger State HRC – Bill Kehoe, President, wckehoe@gmail.com.

Badger State HRC celebrated our 30th Anniversary hunt this past July 26th & 27th at the Richard Bong Recreation Area, sharing the weekend with our good friends at Fox River Valley HRC.

The summer heat subsided a bit, and Mother Nature provided us with a great weekend for our hunt. We hosted two flights of Finished, one flight of Seasoned, and one flight of Started. We had a great team of local Region 8 judges and were honored to have HRC National Treasurer Kristine Odden and Cadet Odden, Region 9A Public Relations Rep., come judge for us.

Following the hunt on Saturday, we held an excellent banquet. We experimented with an online raffle and provided an opportunity to purchase final in-person sales. Raffle prizes included two opportunities for an African Safari Hunt, two Pheasant Hunts, two Lake Michigan Salmon fishing trips, a winger with a Garmin Remote release, a Garmin Collar, and several framed wildlife prints.

Congrats to Ron Schiro and Savvy for earning their HRCH title, and Rick Niepert and Ruby for earning their HR title.

Badger State HRC donated more money to support the Bong Field Trial Association and the digging of a new Technical Pond in the Class 1 training grounds.

As the Region 8 hunt test season has come to an end for the year, Badger State HRC members have taken to the fields and marshes for Dove, early Teal, and early Goose seasons. Thanks to our training partners and club members for putting in the time and effort to help train our dogs.

As always, stay safe, hug those dogs, and follow us on our Facebook page!

Cranberry Country HRC – Submitted by Anne Millane; Adam Bally, President, ballysgundogs@yahoo.com.

Cranberry Country HRC held its second annual waterfowl hunt test at Bally's Gun Dogs in Tomah, Wisconsin, over the weekend of July 12th and 13th. Turnout was great with challenging tests, great grounds, and skilled judges, making it a successful experience for everyone involved. Two flights of Finished, one each of Seasoned and Started, were conducted with judges from Region 8, with handlers coming from Wisconsin, Illinois, Iowa, Minnesota, and Indiana, with some driving eight hours or more to enter.

Setup commenced on Friday afternoon, and the workers and judges capped the day with a barbecued chicken dinner, baked potatoes, coleslaw, and salad at the air-conditioned Tomah-Warrens Sportsman's Alliance club nearby in plenty of time to get some needed rest before all the action got underway.

Highlights from the weekend included four young handlers running Started all passing with their dogs, while two handlers achieved milestones with 500 HRC point club recognition-Bill Chittenden with Gus and Zach McFarland with Kai. Great accomplishment, Bill and Zach!

Saturday night's banquet, attended by more than fifty people, was held at the Tomah-Warrens Sportsman's Alliance club and included smoked brisket and pulled pork, fried chicken, cheesy potatoes (to die for!), baked beans, coleslaw, and assorted beverages. The raffle drew a lot of interest with great donations from multiple national and local businesses.

It takes a lot of help to make for a successful hunt test weekend, and many people stepped up to assist with ours from Badger State HRC, Horicon Marsh HRC, Muddy Water HRC, and WISILL, all partners in the game, so to speak. Special thanks to Mike Delaney, Carrie Scaff, Jake Scaff, Jim Scaff, Steve Silk, Chad Nickols, Jenny Macaluso, Jim O'Brien, Sara Pesch, Kim Krupicka, Becky Coppersmith, Jim Coppersmith, Anne Millane, Adam Bally, Cortney Bally, and their kids—Lane and Brooke. Hired help from the Tomah FFA and Vernon County Youth Dairy Council filled many of the field positions. Thanks to everyone who helped out at our summer hunt tests.

Fox River Valley HRC – Gary Peterson, President, Gary.Peterson@domino-na.com.

The Fox River Valley HRC partnered with Badger State HRC to host our annual hunt test in July, and lots of fun was had by all.

We will begin our Upland training season on January 4, 2026. Come out and join us! We meet on the 2nd and 4th Sunday of each month at McCullom Lake Hunt Club, 10603 Okeson Rd., Hebron, Illinois.

It's been a fast-paced summer filled with training, testing, and continued improvements at the Mead Dog Training Grounds. This year brought an expansion to the bird pen and ongoing work on Field 3, making the grounds even better for our members and the public.

We also officially enrolled in the "Adopt a Wildlife Area" program, strengthening our commitment to maintaining and improving access for everyone who uses the grounds.

Our annual hunt test, held the first weekend of August, was a resounding success with excellent attendance, great setups, dedicated judges, and outstanding retrievers. And the grounds lived up to our MUDDY name!

A new tradition was born the Thursday following our test — the "Donald J. Siloway Soirée". Named in honor of Don (who, for the record, is very much alive), the event celebrates camaraderie, laughter, and the occasional fashion surprise. Famous for his Hawaiian shirts, Don threw us all off this year by not wearing one! Going forward, the Soirée will be held annually on the Thursday after our test weekend — and yes, appropriate attire is encouraged.

We look forward to seeing everyone next year for more training, testing, and good times in Central Wisconsin!

WISILL HRC – Ken Reinert, President,
kdhomes1996@gmail.com.

WISILL proudly celebrated its 35th Anniversary at our August Hunt Test, and the event was a tremendous success! We had a fantastic turnout, and thanks to the hard work of the WISILL members and judges, everything ran smoothly.

We were especially honored to have HRC National President Glenn Scarborough and HRC Field Rep Chair Mike Botts representing HRC and judging at our event. Their presence made the weekend even more special. We sincerely thank them, along with all our judges, for generously giving their time and volunteering to judge. Their dedication and expertise are key to making our events successful.

This year's event also included a very exciting milestone—WISILL is proud to be one of the first clubs to implement the new HRC Youth Handler Program. Congratulations to all of the youth handlers who participated at our hunt test! It was inspiring to see the next generation of hunters and dog trainers building their skills and passion for the sport.

As the hunt test season winds down, we would like to congratulate all our members on their accomplishments this year. Whether earning titles, achieving passes, or simply making progress in training, your dedication to your dogs and the sport is what keeps our club thriving.

We would also like to extend a special good luck to all our club members competing in the 2025 HRC Fall Grand. We know how much hard work and preparation it takes to reach this level, and we're proud to have WISILL represented on such a big stage.

We are excited to close out the year together at our Annual Meeting and Christmas Party in December. This is always a special time to come together to celebrate the many successes of our members over the past year and to look ahead at what's next for WISILL in 2026.

A special thank you goes out to the members who have been hard at work maintaining the training grounds at Bong. Your efforts to cut up and remove the large trees from the stick pond are greatly appreciated. This behind-the-scenes work ensures we can continue to train and host quality events on safe and well-maintained grounds. 2025

Gateway Retrievers HRC – Submitted by Ben Kuhn.

Gateway Retrievers HRC has had a busy summer of training, preparing our dogs for the fall hunt test season. We have spent the last few weeks preparing for our annual hunt test on September 27-28. The grounds are ready, and the event will feature a youth hunt, promoting responsible hunting and handling skills. This event highlights retriever training and encourages young hunters to connect with conservation and outdoor traditions.

Summer is gone, and training is winding down. Hunting season is upon us, and it has been really slow. If you're hunting in this hot weather, please watch yourself and your dogs. Good luck to all. Good luck to all of you going to the Grand. When you are there, please thank the workers and the committee for all they do, and the time they spend so we can run our dogs.

Retrievers Unlimited HRC – Submitted by Stephanie Schroeder.

It has been a busy summer. We were able to hold at least two training days/month and managed to schedule them around the heat. We held our last training day for Fall 2025 and are turning all of our attention to our Fall hunt test and hunting seasons. Looking forward to seeing successes at both and plenty of wags & brags for the next issue. We have met with the site supervisor at Peabody River King SWFA and have some great sites selected. We couldn't hold the quality of tests we do without the collaboration and hard work of the IDNR employees at our site. We have several members who are running or have dogs entered in the Fall Grand in Nashville.

We were blessed with another beautiful summer gone by and the ability to host our annual regular hunt tests on August 9th and 10th, 2025, in Mt. Iron, Minnesota. We are very appreciative of the working collaboration with the Minnesota Iron Range Retriever Club for the use of over 180 acres of grounds, clubhouse, and pole building. The quality of the grounds truly provides great opportunities for training and realistic hunt test setups. Thank you to judges Debra Reid, Mark Stites, Wade Samson, Sandy Zandlo, Becky Denny, Roger Davis, Darin Schadt, Shannon Stites, Cecil Epp, and Patrick Gysbers for their time, knowledge, and promotion of sportsmanship. Our Saturday night banquet was well attended. We hope that all attendees had a fun time and brought home some raffle prizes. With the spread of food, we are sure that no one went away hungry. Many thanks to our business sponsors, members, volunteers, bird techs, and handlers. Our event would not have been successful without everyone's contribution of donations, equipment, time, and talent.

Following our hunt test event on Tuesday, August 12th, AHRC member Dennis Anderson hosted Irish Labrador Retriever breeder and trainer Matty Lambden. Matty provided a free training seminar for members. We all took away some gold nuggets of advice and later tried working on our own Irish accent. Thank you so much, Matty, for taking time away from your family to spend time at the Minnesota Game Fair and with us. I'm sure we Minnesotans gave you 'something to talk about' back home.

On September 4th, club members sponsored a table at the Delta Waterfowl Banquet in Grand Rapids, Minnesota. It was fun to be with like-minded people supporting Delta Waterfowl's mission to protect and enhance waterfowl populations and habitats. No one at our table won the gun of the year, but we won by supporting our local businesses and sponsors who supported our event, banquet, and club.

The air is getting cooler, the leaves are changing color, and waterfowl are flying over

in V patterns. It's time to put all the season's training into action. Be safe and shoot straight.

Our club members worked hard at our annual Hunt Test, and we want to thank everyone who attended and hope to see you again in 2026.

This year, Deb Eckhardt recognized Casey and Jessica Dowler with FR Labs for their lifetime membership with the club, their generosity in hosting club training sessions, their ongoing help with handlers, their major contributions to the HRC Organization, and their personal and professional accomplishments.

Club members had great success with their dogs at their home club test. Here are the results: **NEW HRCH TITLES**—HRCH Ace, owned by Adam Haut; HRCH Moira MH, owned by Shawn Johnston and Jo High; **500 POINTS**—HRCH Laird MH, owned by Shawn Johnston and Jo High; **HR TITLE**—HR Dice, owned by Deb and John Eckhardt, SHR TITLE; SHR Moose, owned by Mark McFarland; SHR Gus, owned by Brad and Lindsey Kimber; **Earning Passes were**—GRHRCH Jade MH 500 Points, owned by Deb and John Eckhardt; HRCH Sammie, owned by John and Paula McCusker; GRHRCH Nene MH MNR, owned by Casey and Jessica Dowler; HRCH Banks, owned by Kurt Rahlf; HR Cash SH, owned by Ben Martin; HRCH Rip, owned by JoLyn Olson; and HRCH Johnny, owned by Cecil Epp.

While Casey was running a Seasoned test at Elkhorn HRC, a bus of Veterans came to watch for the day, and when he and Tess finished running, Tess was able to go and greet all the Veterans. The smile on their faces was priceless.

This summer was our first Hunt Test season without our dear friend Nancy Wiener, so I wanted to focus on raising money for her Memorial Scholarship account, and the support and generosity of handlers were so heartwarming. The following clubs will be recognized in an upcoming edition, but I wanted to take this opportunity to recognize contributions from this Summer and a HUGE THANK YOU to the 50/50 winners who donated the money back to Nancy's Memorial for future HRC Foundation Scholarship recipients.

Green Country Retriever Club is a group of retriever and dog enthusiasts who enjoy training, attending events, and hunting with our dogs, family, and friends. Our commitment to HRC is to give back to the sports and breeds that we love.

We have at least six members who are AA Finished judges, with five having judged at various Grand events. Four others that hold credentials AA/A at Seasoned. And two members with AA Started. All our members are active in working, running, and judging events across the United States and Canada. If you are looking for judges during the 2026 HT season, please feel free to reach out.

Our teams spent the summer attending events up north and workshops to help with their handling skills. Along with our training days that are always open, we can attest that our season never ends.

Hello from all of us at Three Rivers HRC! Thankfully, summer is winding into fall, and we have been blessed with some cooler weather. We have been busy gearing up for our Fall Wood Duck Wally Hunt test. Members have continued to enjoy monthly training days and meetings. We held our annual club picnic, where we trained in the morning, then played a few retriever games, enjoyed some good food, and fellowship. We had a great turnout for that, as well as our mock test training day. We think it's very beneficial to have a training day that is set up like an actual hunt test to help handlers who are new to tests get an idea of what to expect. As the fall test season and dove and early teal/resident goose season open in our area, members are looking forward to some time at the line and in the field with their retrievers. Until next time, we wish you belly up birds and great hunts with friends, family, and our four-legged companions.

Cooler Weather, Busy Dogs

With cooler temps finally rolling in, we're gearing up for duck hunting and fall testing.

Our recent HRC training day at Triplemark Retrievers gave members the chance to sharpen skills in marking, obedience, and blind retrieves—all in a supportive, hands-on environment.

We had a smaller group this time, which meant new handlers got plenty of opportunity to refine their skills on both land and water. Advanced dogs also got their reps in, with handlers benefiting from coaching and tips shared by our more experienced group.

Beyond training days, several of our Club members have been hitting the road to compete in hunt tests across the area. With cooler weather, many are also taking advantage of longer training sessions to prep their dogs for dove season and fall hunts.

We're excited to keep building on these opportunities for skill development, fellowship, and great dog work. Next up—the Keystone Lake HRC Fall Hunt Test, October 11–12 at Triplemark Retrievers' property.

Lake Charles Retriever Club – Submitted by Chris Fontenot; Robert Falgoust, President, falgoustr@yahoo.com.

By the time this report hits your mailbox, our club will have hosted our Fall Hunt test. We are looking forward to seeing everyone and enjoying a great weekend. We had a club training/workday to go and spruce up the equipment to prepare for the hunt test. Everyone pitched in and got the wingers, guns, etc., in working order.

Lake Charles Retriever Club recently had a booth at the Delta Waterfowl banquet in Lake Charles. Robert Falgoust, Rocky Fontenot, and Chris Fontenot were there meeting potential new members and explaining what HRC is all about. We had a good reception, and hopefully, some new members will come.

We are hoping for cooler weather, which usually comes with the opening of Teal season in Louisiana. Good luck to those hunting or running your retriever at a local test.

Pontchartrain Retriever Club – Tyler Davis, President, phrcdogs@gmail.com.

The Pontchartrain Hunting Retriever Club is proud to share another successful season with our members and supporters. On August 2nd and 3rd, we hosted a highly successful HRC Hunt Test. The event brought together handlers, retrievers, and spectators for a weekend of camaraderie and competition, showcasing the dedication and skill that define our club.

Our mission remains focused on preserving the hunting retriever tradition while also encouraging the younger generation to get involved. Shout out to St. Amant High School NJROTC cadets for their hard work and participation. By introducing youth to training, handling, and the values of responsible dog ownership, we aim to ensure the future

strength of our sport and community.

The club will continue to host monthly training days, providing consistent opportunities for members to develop their dogs, share knowledge, and strengthen connections within the retriever community. Looking ahead, we are excited to announce that our next HRC Hunt Test will be held this coming spring, and we look forward to welcoming both returning participants and new faces.

As our club continues to grow, we encourage all members and friends to stay connected through our Facebook page. There, you will find event announcements, training resources, and updates on all club activities.

Amite River HRC – www.amiteriverhrc.com; Submitted by Ron Lewis; Jeff Holley, President.

Well, it is now football season, and teal and waterfowl seasons are around the corner. A lot is going on at Amite HRC.

We had a great training day in early August. Thank you to the Lake Rosemound HOA for hosting us and especially to Kathy Terry and Denise Paul, both residents at Lake Rosemound, for coordinating. We had a good time and were even fed a delicious BBQ meal after training! Rob DeVeer's new puppy, Ember, and Jeff Holley's puppy, Addy, made their debuts, and we expect big things from them down the road.

Our August SRS event went well, with over 70 teams competing. A big thanks to event chair Bob Nicholson for doing most of the hard work, as many of us were either running or judging at the Central Louisiana HRC event the same weekend. Thanks to Ron Anderson for hosting at his property and helping out.

Our fall hunt test is scheduled for September 27-28 and will be over by the time you read this. Hope you were able to come out to run your dog or help. Attending hunt tests is a great way to meet new friends, catch up with old friends, and learn the hunt test game.

As we look forward to winter and spring, we will have our annual Christmas party tentatively on December 13th. We will host an SRS event in mid-January, and our spring hunt test will be in March. This will be our club's 40th anniversary hunt test, so we are already starting to plan something special. Please come to some meetings to offer some ideas!

Amite River HRC welcomes our new members and encourages all members to participate in events and meetings. Please stay informed of all meetings, events, and training days via our Amite River HRC Facebook page. Help us to grow and thrive as a club by participating! Hope to see you soon.

Central Louisiana Retriever Club – Submitted by Mary Anne Sayer, masword@suddenlink.net; Scott Ducote, President.

Central Louisiana Retriever Club held their August regular hunt a couple of weeks ago with five entries short of four full Finished flights and one full Seasoned flight on both Saturday and Sunday.

There was excitement in the air as many Finished entries were handlers with young retrievers trying to earn their first Finished pass or HRCH title. With a weekend success rate of 81% across all Seasoned and Finished flights, smiles and ribbons were plentiful! Started entries were lower than normal, with the category less than half full. Perhaps this will improve next year if the 2025-26 duck season is bountiful enough to remind hunters that retrieving downed birds is a lot easier with a trained retriever.

Once again, our HRC sponsors came through for CLRC by supporting our raffle with great products. Many of our members also donated some nice items to make this fundraiser a great success. Several large donations were received from local companies that love the Louisiana outdoors: Loewer Powersports, Shell Shocked Lodge & Guide Service, and Louisiana Crawfish Company.

Hats off to President Scott and Stacey Ducote for their delicious cooking and Avoyelles Parish hospitality! As folks gathered Saturday evening for our tailgate supper, we were grateful to have Delta Waterfowl host our Puppy Run, which is getting more popular each year. We saw 11 children ranging in age between 4 and 13 years as they gained more experience with their puppy or handled a young retriever. Delta Waterfowl and CLRC took this opportunity to visit with the older kids about hunter awareness and safety, and always keeping an eye on your retriever.

To our judges, thank you for joining us and keeping your tests tuned into retriever health. We all had a great time thanks to your thoughtfulness and skill in setting up challenging and safe tests. Holding a large hunt test in August is quite a challenge! With fewer than 15 working members, CLRC “broke the mold” in August thanks to its members’ commitment and friendship.

Our club meetings are on the third Thursday of most months, 7 p.m., at 1889 Monroe Highway in Pineville, with a training day on the following Saturday. All retriever enthusiasts are welcome!

Cajun has been preparing for our Fall Hunt Test. Everything is coming together nicely. We would like to thank English Animal Clinic for being one of our sponsors for our event.

On August 16th, we helped organize the Gueydan Duck Festival Dog Trials. This is a one-day non-sanctioned event. It is a day for bragging about your dog. We had 99 dogs that ran between the three flights. We also had 4 junior handlers who came out to play. They received special gifts from the Duck Festival and Cajun HRC. Here are a few pictures from that day. It was a great day for all.

Some summer weekends in South Texas are better for get-togethers and spending time with those we love. Other weekends are better for staying indoors and in the AC, so you don't drown in your own sweat, or the mosquitoes don't carry you away! Luckily, Randy chose well when he picked the weekend for our August training day. It was such a great day, we ended up having two meals in the field! We had donuts in the morning, and Maria was kind enough to pick up fried chicken for lunch. We had a great group of both new and old handlers. Our CRRC family loves to support

each other, and we welcome new members with open arms and food!

Our Fall Hunt Test Committee has all of the I's dotted and T's crossed for the October hunt. We're looking forward to seeing everyone soon! We can't wait till the December/January issue to share the pictures, stories, and successes with the rest of our HRC Family.

If you're new to the area or just looking for a great club to visit, please feel free to attend one of our meetings at 7 p.m. on the second Wednesday of each month at Las Flores Restaurant in Alvin, Texas. We welcome anyone to join us if you happen to find yourself in the area!

Hello HRC Friends and Families,

As you’re reading this, our annual Fall Hunt test will be in the books with Handlers, Retrievers, and Trainers likely making last-minute preparations for the HRC Fall Grand or possibly the first teal in hand on the heels of a memorable retrieve. Either way, we wish you the best for the coming fall.

Without going out on a limb, our hunt test has all the makings of a great one. Wonderful judges, capable bird technicians, a generous family-run ranch providing hard-to-surpass grounds offering Grand quality set-ups, full

flights of talented retrievers, fat, healthy mallards, wonderful food provided by the ranch owners, and cool mornings with clear sunny skies in the afternoons.

On a personal note, I can't adequately express my gratitude for the many volunteers from around our Region 12 and further that have stepped up and in to ensure this test, which almost didn't happen.

Best of luck to all who show up for our test and others in the coming weeks, and remember to keep training, since little compares to watching a highly charged athlete perform in the field or the trial at the top of their game!

We made it through a relatively mild Texas Summer, and we are getting ready for Fall hunting and Hunt Tests. Throughout the Summer, our club has been diligently training and trying to improve our dogs and our handling. Cowtown members Keith Harrison (Rocky) and Brad Green (River) are looking for Success at the Finished level. At the Seasoned level, Kenny Coomes (Rebel) is looking for that HR title, while Johnny Moon and Justin Tran (Mally) and Andy Polanco (Junior) are looking for that 1st Seasoned pass. Several Members, Katelynn Wilson (Newt), Ryan Casey (Lucky), and Cam Trimble (Kiki), are prepping for Started. In August, we had 3 ladies (Natalie Hill, Nikki Buchanan, and Lisa Moon) from our Club attend the Women's Handler seminar in Bebe, AR, that was organized by HRC. They had a great time of fellowship and learning—a huge THANK YOU to HRC for providing opportunities to succeed in dog handling. As always, Play Hard and Train Harder.

out of the region to get to some of those early summer hunt tests. Our Treasurer, Larry Lauck, is training his new pup that he got, so they will be hitting the hunt tests soon.

In August, we held our Annual Top Gun shoot. We had about 20 club members out shooting 5 stand. Congratulations to the top 3 Shooters: 1st Kyle Krause, 2nd Jimmy Fischer, and 3rd Joe Ellen Collins.

With the cooler September weather finally blowing hot weather out of East Texas, the Club members get ready for the Big Hunt Test at the end of September. The members gathered for a trailer cleanup day and made sure all equipment was in order. The members finalized the details of the HRC Hunt Test that is being held on September 27 and 28 in Ore City, and the members and everything are ready to go.

The morning air was cool, and you and your hunting partner are sitting and watching and waiting for the first signs of birds rolling in. That is right, it is Dove Season! You know that this is the beginning of the year where the memories of you and dog will be made. Be careful when you are out hunting, and be sure to make time to hunt with you and your dog (when your dog is ready). This is their moment, rather they pick up zero birds or the limit. Love and cherish every moment!

On the other end of that, we have members in our club and many of you who are getting ready for The Grand, which is taking place in October in Tennessee. The long hours, the drives, the time away from family. Each hunt test is a stepping stone and a step to grow. Training, fine-tuning the dogs, and hitting those last hunt tests to make the final corrections, and running so the dogs are at their peak. All the while, the anticipation and eagerness are slowly creeping up inside; this is what it is all about, The Big Show, The Grand!

North East Texas HRC Club wants to wish the Members who are rolling out to the Fall 2025 Grand the best of luck and safe travels. We are cheering you on!

We want to wish everyone who is going to the 2025 Fall Grand the best of luck and travel safely.

On August 23rd and 24th, Platte Valley HRC hosted its fall hunt test at a new location – Stillroven Farm in Berthoud, Colorado. With 4 different flights, including 20 started dogs, 20 seasoned dogs, and 54 finished dogs, we had perfect fall weather with partly cloudy conditions and intermittent rain all weekend.

You can never thank all the people involved in putting together a weekend HRC hunt test, but I would like to send a "shout out" to a few folks for their contribution to a very successful hunt test weekend: Jeremy Lowry and David Heldt – Hunt Chairman, Curt Lacey – Hunt Marshall, Allan Goff – Bird Tech, LeeAnn Heldt – Hunt Secretary, Mike Kuetemann – Raffel Coordinator, our Judges, Hunt Marshalls, Bird Techs, and the countless people that lend a hand during set-up and moving equipment from test to test. It takes a large group of volunteers to put on these weekend hunt tests, and Platte Valley members always step up! I'd also like to thank all the people who came out from HRC clubs throughout the Rocky Mountains. It's great to see so many people from other HRC clubs.

Congratulations to all of you who earned a ribbon and/or a new title. There were too many pictures to share, so I picked out only a few. A VERY BIG CONGRATULATIONS goes out to Erik Brekke and HRCH Duckdawg's Shootin The Breeze for reaching the HRC 500-point club. Entering the 500-point club is a great accomplishment for a select group of teams and shows that Erik and Breeze are a great team, very consistent, and excel at the finished level. Maybe equally impressive is that Erik rarely ran two tests in one weekend, because he was always selflessly giving back to the HRC through his many, many judging assignments. Again, congratulations, Erik and Breeze, on a great accomplishment. You deserve it, and we can't wait to see the "free" 500-point jacket!

As the hunt test season winds down, we would like to congratulate all of our club members on their achievements this year, and we look forward to another great year next year! With the hunting seasons FINALLY upon us here in Colorado, we would also like to wish everyone good luck and remind everyone to always be safe out there!

Club members have changed over from training and testing to hunting.

The club test was a great success because of the good weather, a great group of judges, a dedicated committee, and hard-working avian technicians.

The 2025 Hunt test season has come to an end in Region 14. While this is a sad thing, there is so much to look forward to. Early goose and upland game have started, with the waterfowl season starting very soon. The dogs can definitely feel the change in the weather and are excited to start something new. It is amazing how what they learned and trained for over the last months is applied in real hunting situations.

The hunt test season was another great one. We saw new dogs get started, often bringing new handlers too. It is great to see the HRC family continuing to grow in our region. Many dogs passed their tests, moved up levels, and earned titles at all levels. The region had multiple dogs earning 500 points and 1,000-point titles. Watching these teams run is so awesome. The Saturday night tailgates were a great mix of pass slips and ribbons being passed out, storytelling, catching up with old and new friends, good food, and fun raffles and auctions.

As we move into fall, the Cascade Board wishes everyone a fun and safe hunting and training season. No matter what, times spent with your retriever are wonderful times. Take time to notice.

Fall is almost here. Temperatures have finally cooled off. Very little rain has fallen out here in the west since June. Early goose is on, targeting the local Canada Geese that have forgotten how to fly north. Something about this area seems to keep them here and raise more goslings. The final hunt tests for Region 14 have ended. With that, thoughts change to upland game. Pheasant, grouse, quail, and a few chukar on the east side of the Cascade mountains. Followed by full-on duck and goose season. In between hunting, there will be training tune-ups to maintain standards.

Our club is prepping for the year-end festivities. The annual banquet with elections for the board. Recognition of members' successes from this past year. Discussion on training days for next year.

Have a great and successful hunt and training season.

Newaukum River Retriever Club – Submitted by Davie Berg, President.

It was a great test season in Region 14. We continue to grow as a Region, and it shows in the

number of Finished dogs that are running tests. This year, because of our Finished dog numbers, we added a flight, making it our first test with two flights of Finished. We are grateful to all who traveled to our test, coming from as far away as California and Canada. As our wait list grew, our decision to add a second flight of Finished was only possible because of the judges who were so willing to help on somewhat short notice. We could not have done it without them, and we are grateful for their support!

We also welcomed our first official Junior Handler, Jeffrey Olson, running his grandpa's Boykin Spaniel, Ricky. Jeffrey is the grandson of Region 14's Field Rep, Elroy Olson. Jeffrey and Ricky did a great job at the line. We expect to see Jeffrey around in HRC for many years to come.

As a club, we strive to provide good judges who judge to the HRC standards, good quality mature birds, and good grounds that provide true hunting conditions, allowing judges to keep the "hunt" in the hunt test. While all of these factors are important, there is nothing more important than keeping the welcoming, supportive spirit of HRC alive and well and just having a whole lot of fun! We hope to see you at our hunt test in July next year.

Now that the Northwest hunt test season is over, let the hunting begin. Stay safe and have fun!

National Junior Handler No. 002, Jeffrey Olson, running Grampa Elroy's dog Ricky. We're looking at the future.

Northeast Washington Gun Dog Club – Submitted by Gina Goodrich; Dave Steinbach, President, Northeast Washington Gun Dog Club (newgdc.com).

What a great hunt test! The NEWGDC held its second test on August 30th and 31st at the Burlington Ranch in Chewelah, WA. Club members spent weeks preparing these world-

class grounds and ponds for the event. We had a good turnout, very warm weather, and lots of fun. The dinner, auction, and raffle brought everyone together for some great food, awards, and prizes.

Big thank you to the judges: Les Anderson, Kevin Biery, Dave and Davie Berg, Carol Black, Fred Drennen, John Gilbert, Dave Steinbach, Pam and Boyd Ulsh, and Ellen Ziegler. Also, special thanks to our bird wingers and techs from the local 4H and Awana groups, joined by Jeffrey Olson (Elroy's grandson). Sawyer Brown and led by the amazing Weston.

There were lots of ribbons handed out and titles awarded, and best of all, we had one dog reach 1,000 points and two dogs reach 500 points. William Woll's Topgun Have A Little Faith ("Faith") hit 1,000 points in the Finished Test, and Mike Sanders hit 500 points with 2 dogs. Kelly Merrick and Chasidy Vanderhoof earned their Seasoned Title, and Michael Hughes received a Started title with his Lab Retriever ("Maddi"). The water flowed, and buckets were dumped, and our bird techs even took buckets to get wet and cool off in their place!

Our training days are over as we move into hunting season in the Northwest. Check out our website www.newgdc.com early next year, where you can view our 2026 training dates and register for training days.

You can also follow us on our new Northeast Washington Gundog Club Facebook page!

Bill Woll earns the bucket and his dog Maddi's 1,000 points with winger tech Jeffery Olson joining him for a cool down.

Chasidy Vanderhoof gets wet with winger tech Sawyer Brown, who took the bucket for Kelly Merrick.

Nick Schiele accepts his Seasoned ribbon from Ellen Ziegler and Boyd Ulsh.

NEWGDC club member Travis Denton gets ready to send his dog in the land portion of Finished.

Davie Berg watches while Moxie retrieves her bird in the water portion of Finished on Saturday.

Salt Chuck HRC – Submitted by Wendy Tisdale; David Aberdeen, President, Salt Chuck Hunting Retriever Club (schrcwebmaster9.wixsite.com).

Well, our Salt Chuck Hunting Retriever Club members have been having a busy summer here on Vancouver Island! Our club has held monthly training days and open training days. We are a very lucky retriever-loving bunch here. As well as the Salt Chuck Hunting Retriever Club, we also have the Pacific Rim Hunting Retriever Club, the Upper Island Hunting Retriever Club, and the Vancouver Island Retriever Club.

HRC tests, CKC Hunt Tests, Working Certificate tests, and Field Trials... our clubs do it all! Due to our mild(ish) winters, the clubs hold training days most months of the year. Most people belong to more than one of the retriever training clubs on the island. How lucky are we to have so many clubs in such a small area!

In August, the Canadian National Master Hunt Test (a Canadian Kennel Club event) was held at the beautiful Swamp Dog Farm near Black Creek on Vancouver Island from August

16 to 22. Many of our Salt Chuck members and their dogs entered the event, and many more of our members volunteered in different capacities to make the event a success. Local SCHRC members were very successful. From an entry of 30 retrievers, 10 dogs qualified (5 Golden Retrievers, 4 Labradors, 1 Chessie). Seven are owned and handled by SCHRC members and also run successfully in HRC events. Congratulations to: MOTCH Zanirigoldngun Daretolivein Chaos MH WCX (GRF)—"Chaos" owner/handler Maria Soto; HRCH CH GMH Cedarbrae Bark at the Moon (BLRF)—"Ozzie" breeder/owner/handler Tracey Griffin; HRCH UHCH GMH NMH Goldngun Shots Before Daylight (GRF)—"Taboo" breeder/owner/handler Louise Roberts; HRCH UHCH GMH Cedarbraes Up the Ante WCX (YLRF)—"Koa" breeder/owner/handler Tracey Griffin; HRCH UHCH GMH Goldngun Dare's Ode to Tequila CGN QFTR WCI (GRM)—"Patron" breeder/owner/handler Louise Roberts; HRCH UHCH GMH Goldngun Marshland Selkie CGN WCX (GRF)—"Selkie" breeder/owner/handler Rick Roberts; and HRCH UHCH GMH MOTCH Zaniri Dare I Say More CGN JFTR WCX (GRF)—"Ninja" breeder/owner/handler Mary Shillabeer.

We wish everyone a successful fall hunting season, and we look forward to our monthly club training day.

Spokane Bird Dog Association – Submitted by Carol Black; John Gilbert, President, spokanebirddog.com.

We plan to host a Judges’ Seminar in February. Training days will start in March. We plan to repeat our super singles event. Then our hunt test is Memorial Day Weekend, on Saturday and Sunday. All dates will be posted to the SBDA website: spokanebirddog.com

Have a great hunting season!

Treasure State Retriever Club – Submitted by Margo Ellis-Lingohr; Mike Heard, President.

Well, we’ve had a crazy, busy summer here at TSRC, but the biggest news is our own Jim Emanuel won our second SRS event in the amateur division. This is Jim’s second win, and that gives him the SRS Amateur Championship. We are so very proud of Jim and his dog, Steve (SRSAC Good Ol Steve). Jim and Steve will be going to the SRS Crown Championship in Louisiana in October. Please watch the Crown if you have time and cheer our own little yella dog on.

We successfully completed our HRC event, with several members getting some new titles and achieving 500 points in the HRC world. We need to thank Five Valley HRC for partnering with us to make our tests a destination for folks from across the country to enjoy.

Even my own two clowns had success this year, with Michael completing his HRCH at Five Valley and Flurry getting her 500 points.

Many of these folks come and help in any way that they possibly can, and I, for one, really appreciate the help. Thank you for helping us make HRC a success out here in the west.

The grounds have been getting a facelift, and by the time this hits your mailbox, we will be closing them down for the winter, but early next spring, we will have more to do. Thank you to all the club members who have volunteered this year, both at events and on ground maintenance.

Safe hunting and safe travels.

Flurry with her 500-point ribbon.

Jim Emanuel and SRSAC Steve.

Five Valley Retriever Club – Submitted by Kay Donahue; Ted Hays, President.

Hello from Five Valley Retriever Club. First, since I missed the last quarter entry, I want to

share that we had another great hunt test in July. We had so many great individuals and dogs in attendance and had a lot of fun at our raffle/BBQ Saturday night. Huge thank you to Treasure State Retriever Club for letting us host our test on their grounds again. The grounds are always beautiful and a wonderful place to spend time. Also, a huge thank you to the Boulder Football team and everyone else who helped us put on our test and donated items for our raffle. We had many members and nonmembers step in and lend a hand when needed.

Now that the hunting season is in full swing, we have ended our group trainings, which will commence in the spring! Our members are busy putting their training to the true test in the field with their 4-legged partners. Hope everyone has a successful and safe season!

South Hills Hunting Retriever Club – Submitted by Terry Sanders; Randy Both, President.

Copperstate HRC – Mike Wilson, President.

It has been a hot summer. It's still triple digits here, but we will be ready for hunting season and HRC Hunt Test season. What do we do in the hot weather? We get up early and train, or we go to the mountains in Northern Arizona, and we travel to support our HRC family. We get it done. One of our members gets creative and makes jewelry, including "bumper" earrings

Notice of Suspension

UKC makes every attempt to maintain an accurate and up-to-date "Notice of Suspension" list, and the list is updated regularly. However, as there may be lag time between disciplinary action and adding an individual to the list, and also because mistakes and omissions can and do happen, UKC will not guarantee the accuracy of this list. If an individual is in question, customers should call UKC directly to obtain the most up-to-date information regarding that individual's disciplinary status. UKC can only confirm or deny a person's disciplinary status and cannot provide details on that person's case.

The following is an updated list of individuals who have been suspended or barred until the date indicated. During the period of suspension or barring, a person who is suspended or barred may be prohibited from, but not limited to, one or more of the following:

1. They are barred from registering any dogs in their names (joint or individual ownership). They may, however, transfer any dogs currently registered in their names (joint or individual ownership) to another individual(s), except they may not transfer dogs to any member of their families, spouses, or companions. Companion is defined as anyone who resides at the same address as the suspended individual.
2. They are barred from registering any dogs in their names (joint or individual ownership) and they may not transfer any dogs currently registered in their names (joint or individual ownership).
3. They are barred from registering any litters and from signing any litter registrations in any capacity. No offspring of a dog registered in their names (joint or individual ownership) is eligible for registration with UKC.
4. They are barred from entering or participating in any way in any UKC licensed event, including, but not limited to, co-owner, handler, back-up handler, judge, guide, spectator, or UKC licensed official.
5. They are barred from holding office in any UKC approved club or association.
6. No dog registered in their names (joint or individual ownership) may be entered or participate in any way in any UKC licensed event.
7. No championship points, wins toward a title, or monetary payouts from any UKC specialty program will be awarded for any dog registered in their names (joint or individual ownership).
8. They are barred from advertising in any UKC publication or UKC internet site.
 Any violation of these sanctions or any other UKC rule or policy during the time period in which the individual is barred or suspended may result in their being suspended indefinitely.

A note about photo quality and resolution SEE THE DIFFERENCE!

High resolution

Low resolution

Please remember to send unedited images, at the highest size and resolution possible, for ad and cover photo submissions. Images that may look fine on your phone or computer monitor, can appear 'fuzzy' or out of focus when printed at the necessary resolution for publication.

If you are submitting multiple photos, please be sure to name the files and identify them in a manner that indicates which photo is which dog. When emailing photos, be sure to send your photos as jpeg, pdf or tif files as attachments. Do not embed them in the email.
