

REACH CYBER CHARTER SCHOOL

OUR STORY, OUR STUDENTS, OUR MISSION

In August 2016, Reach opened our doors with 16 staff members and 468 students with a mission to improve academic growth and cultivate curiosity through integrated STEM opportunities, K-12 personal instruction, and career exploration. Due to the popularity of public cyber charter schools and parent demand for robust, comprehensive virtual education, today, Reach is educating 6,000 students across the Commonwealth and has over 800 staff members to serve our students.

Reach serves a diverse population of students from every corner of the Commonwealth, from gifted students who seek an accelerated track, to competitive athletes and performers, pregnant and parenting students, students with disabilities or compromised immunities, military families who need to relocate often, and others who seek an individualized approach to education and a flexible schedule.

BEST PLACES
to work in **PA** **2025**

We are proud to share that Reach Cyber Charter School has been recognized as one of the Best Places to Work in PA for 2025!

THE REACH DIFFERENCE: INNOVATION, FLEXIBILITY, AND WHOLE-STUDENT SUPPORT

Reach Cyber Charter School ensures a safe online learning experience for Pennsylvania students through strong digital protections, clear policies, and ongoing education that empowers families and students to navigate the online world securely and confidently. The Reach difference is:

- Innovative, **STEM-integrated curriculum** across all grades, with project-based learning and hands-on exploration woven into core instruction.
- **Flexible, personalized learning pathways** that include **live virtual classes**, **on-demand lesson** recordings, **personalized pacing**, and **accelerated options** for students ready to move ahead.
- **Household-centered scheduling** designed to support students with athletics, arts, medical needs, work schedules, or other unique family circumstances.
- **Year-round learning** and **accelerated high school programs** give students the opportunity to earn credits faster and graduate early.
- Statewide **social and enrichment opportunities**, including field trips, STEM camps, meet-ups, and partnerships with community organizations **across the Commonwealth**.
- Comprehensive **special education**, **gifted services**, and **tailored ESL support**, ensuring every learner receives the **individualized instruction they need**.
- **Secure digital learning environment** with regular student wellness check-ins, prioritizing both **safety and emotional well-being**.
- Over 30 **certified school counselors** provide **academic, social-emotional, and career-readiness support** to learners at every grade level.
- **Regional Family Mentors offering in-person support**, home visits, and ongoing guidance to households across Pennsylvania.
- **Robust MTSS academic interventions**, including **small-group instruction and one-on-one support** to help students grow and thrive.
- **Career readiness integrated from K–12**, beginning with early-grade career **exploration kits and events**, and expanding into **high school** opportunities such as job **shadowing, internships, mentorships**, industry certifications, pre-apprenticeships, and specialized **Career Course Programs** in veterinary science, carpentry, cosmetology, and cybersecurity—plus **Dual Enrollment** partnerships with colleges across Pennsylvania.
- A strong, **connected community** built on collaboration between educators, households, and students—ensuring that **every family feels supported**, empowered, and part of the Reach experience.
