# WELCOME TO "THE HERO CLUB"

## And your first "Hero Club Magazine"

If you love dogs, then you are going to LOVE being part of this very special community.

I started the Club just as the pandemic was ending. The world felt like it had stopped spinning. Everywhere I looked there was sadness, loneliness, and fear.

### Our AmbassaDoggos

Now it is time to repay the favor. The shelters are once again overflowing, and they need us more than ever.

We are a community of THOUSANDS of dog lovers joining together to help save THOUSANDS (seriously!) of dogs in need and we have a great time doing it.

THAT is what "The Hero Club" is all about.

Love Unleashed,

*Terry Williamson*

Founder, Hero Club

Except for my disabled rescue dog Huckleberry, since passed, and my daughter's severely disabled dog, Ellie Pickles.

They loved the pandemic!

We played fetch non-stop, curled up to watch movies together frequently and ordered dog treats by the case. Always smiling. Always happy.

In many ways, our dogs were our heroes during these troubling times. Aren't they always?

# Charity In Action!

We Love Doggos is a hands-on charity. Whether we're vaccinating street dogs in Mexico, or building gazebos to give shelter doggos some relief from the elements, our goal is save as many dogs as we can from kill shelters, and to make life a little better for all doggos.

# HERO CLUB Charity Partners

All charity operations are run by the We Love Doggos Charity, a registered 501(C)(3). Through our member's generous support, we not only financially support several other AMAZING dog charities, but we also work together besides them in the field on special projects and missions.

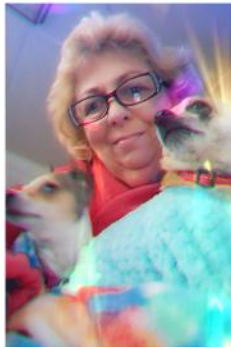

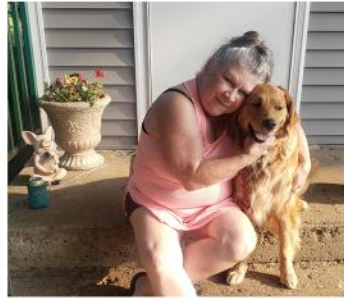

**But, that is just the start.**

We are a community. We help each other. Whether it's finding a new home for a furry family member, helping with medical costs or saving a dog in a life-or-death situation, we are always there for each other.

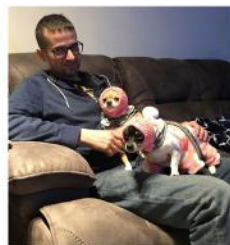

# COMMUNITY *Heroes!*

By partnering with our Hero Club community, We Love Doggos has successfully rescued thousands of doggos and given a paw-sitive boost to dog-friendly organizations who make life a little better for dogs.

Through monthly memberships, contributions, and generous donations, the Hero Club diligently channels resources to furnish shelters with essential amenities and supplies, as well as covering medical expenses for dogs requiring urgent care.

Remarkable initiatives, such as providing heating and air conditioning systems, shade structures, and playground equipment, are made possible by the commitment of our Hero Club members who are the real heroes behind all the wagging tails.
