# Racing is our passion

---

At HRX we specialise in the design and manufacture of high quality racewear apparel, bringing innovative and performance-driven solutions to athletes and teams worldwide.

Founded on a passion for speed and innovation, our company accelerates the world of racing by designing and creating cutting edge products around the globe. We are passionate about racing and committed to delivering high performance apparel that empowers our customers to achieve their goals.

HRX is what you need: if you ever wondered how to actualise the racing gear you always desired, HRX is the answer. Together we can design your ideas and make them come to life! How? Thanks to our technical knowledge, Italian craftsmanship and innovative technologies, we can create your bespoke kit as fast as you need. As the founder Ago Alberghino always says: **OUR PASSION IS RACING.**

PASSION

**MADE IN ITALY**

ADVANCED TECHNOLOGY

**TIME TO MARKET**

*All HRX products are unique pieces.*

- *Created with our designers to develop your ideal suit that represents the best image of you*
- *Developed by our pattern-makers to give you the best fit and comfort depending on each situation*
- *Entirely handmade*

*Every single HRX product is a focus of industrial attitude with an extra trademark of Italian craftsmanship.*

*All projects can be considered as a real masterpiece.*

BESPOKE

# HRX DESIGN OPTIONS

HRX wants to help its customers find the right combination for their racewear. That's why we offer 3 different buying styles.

## BESPOKE

**BESPOKE:** Unique gear tailored to your imagination. Our bespoke experience offers the highest level of customisation thanks to the work of our design and graphics team. Select the fabrics and colours that best represent you, place your logos, embroidered or printed, wherever you like. Then sit back and watch your design come to life as our pattern-makers use your measurements to make a product that fits you perfectly.

## ICS

**ICS:** A lighter customisation option that lets you add logos and extra colours to pre-selected designs. You may even add a made-to-measure option for a fit that is designed specifically for your body.

With 5 simple steps:

1. Choose the model
2. Choose the design
3. Pick the colours
4. Add your own logos
5. Add extras

## READY TO WEAR

**READY TO WEAR:** Ready, steady, race with our ready-to-wear products, standard racewear that shares the great quality of our bespoke products to help you live your racing passion with style.

## FOR 2025 THE HRX CONFIGURATOR CHANGES IT'S LOOK.

*3D design will be available for the experience, helping to shape your own product.*

*New and historic designs, the options: simple or distinctive, with or without patterns, with and without extras.*

*In addition to being fun to configure your own product there will be a wide variety to choose from.*

*A configurator has all the Fia kart suits, and underwear that's also possible to configure.*

*Suits, underwear and soon gloves!*

FUJI MATT

FUJI SHINE

FUJI GOLD

## NEW HOMOLOGATION FIA

*Ink is directly diffused to the fabric, eliminating the need for patterns and giving you complete creative freedom in terms of graphic design. The end result is a more resistant product that is less likely to suffer damage from wear and tear and extended use, perfect for the dynamic outdoor use typical of karting racers.*

*Our sublimated karting suits are available in:*

*FUJI MATT, matte fabric*

*FUJI SHINE, shiny fabric*

*FUJI GOLD, an innovative fabric that is a cross between shiny and matte, with a cost-effective approach that does not compromise on quality.*
