BESPOKE

HRX DESIGN OPTIONS

HRX wants to help its customers find the right combination for their racewear. That's why we offer 3 different buying styles.

BESPOKE

BESPOKE: Unique gear tailored to your imagination. Our bespoke experience offers the highest level of customisation thanks to the work of our design and graphics team. Select the fabrics and colours that best represent you, place your logos, embroidered or printed, wherever you like. Then sit back and watch your design come to life as our pattern-makers use your measurements to make a product that fits you perfectly.

ICS

ICS: A lighter customisation option that lets you add logos and extra colours to pre-selected designs. You may even add a made-to-measure option for a fit that is designed specifically for your body.

With 5 simple steps:

1. Choose the model
2. Choose the design
3. Pick the colours
4. Add your own logos
5. Add extras

READY TO WEAR

READY TO WEAR: Ready, steady, race with our ready-to-wear products, standard racewear that shares the great quality of our bespoke products to help you live your racing passion with style.

FUJI MATT

FUJI SHINE

FUJI GOLD

NEW HOMOLOGATION FIA

Ink is directly diffused to the fabric, eliminating the need for patterns and giving you complete creative freedom in terms of graphic design. The end result is a more resistant product that is less likely to suffer damage from wear and tear and extended use, perfect for the dynamic outdoor use typical of karting racers.

*Our sublimated karting suits are available in:
 FUJI MATT, matte fabric
 FUJI SHINE, shiny fabric
 FUJI GOLD, an innovative fabric that is a cross between shiny and matte, with a cost-effective approach that does not compromise on quality.*
