THE DETAILS

WEDDING ROOM BLOCKS

Discounted room blocks require a minimum of 10 rooms. You will be financially responsible for 90% of contracted room revenue. For instance, if you block 20 rooms and only 17 rooms are booked, you will have to pay for 1 unused room. A Deluxe Suite is offered complimentary on the evening of the wedding if you book a rehearsal dinner, getting ready room, or post-wedding brunch on property.

GETTING READY

Suites accommodate up to 8 individuals comfortably. The suite will need to be reserved the evening prior to the wedding to ensure availability in the early morning to get ready.

If a larger space is required due to the size of your bridal party, one of our Event Spaces can be rented. Our event spaces have windows to provide natural lighting and enough space to accommodate a minimum of 12 members of your bridal party. Coordinate with your sales manager if you are interested in availability and pricing.

DINING & EVENTS

Rehearsal dinner options include CityGate Grille, Che Figata, and several Event Spaces within the Hotel. Your food & beverage minimum will be based on the date, location and size of your event.

Couples getting married on property are given first priority to the many locations throughout our campus for First Looks and Photos. Coordinate with your sales manager if you are interested in securing any of the many locations for photos.
