# A Message To Our Customers

I want to take a moment to personally thank you for your continued support. Your trust in BF Mulholland means everything to us, and I truly value the relationships we've built over the years.

I'm excited to share that as of March 4th, BF Mulholland is under new ownership—marking the start of an exciting new chapter. While it's business as usual, this change brings fresh opportunities. We are now independent once again, giving us the flexibility to expand our product range, enhance our services, and invest in technology to make working with us even easier.

With the backing of Viso Capital, we're in a strong position to grow while staying true to what has made us successful for 56 years—our commitment to you, our valued customer.

The future is bright, and we're excited about what's ahead. If you have any questions, please don't hesitate to reach out.

Thank you once again for your trust and support. We look forward to continuing this journey with you.

Yours Sincerely,  
**John McAviney**  
Managing Director

# Meet Your Dedicated Support Team

Through all our recent changes, one thing has remained constant—our reliable, dedicated, and supportive Sales Team. If you've already had the pleasure of working with them, you know what we mean. If not, there's no better time to connect! Either way, we think you'll enjoy getting to know **Sam** and **Cormac** a little better.

## Sam Blake

Business Consultant, Republic of Ireland

**"Hi, I'm Sam, and I work closely with dental professionals to understand their business needs and provide the right solutions. Oral health and wellbeing are my passion, and I love supporting both practices and patients."**

- **Experience:** 20+ years in sales and operations, 16+ years in healthcare
- **What I love about dental sales:** Helping professionals who make a real difference
- **Fun fact:** I'm a Frappuccino addict and often mistaken for Australian (but I'm South African!)
- **Work style in one word:** Customer-centric
- **How I help clients:** Attentive, approachable, and always getting things done
- **Excited about:** Learning more about the Irish dental market

You can reach Sam on +353 (0) 86 025 8184 or at [SBlake@bfmulholland.com](mailto:SBlake@bfmulholland.com)

## Cormac McGreevey

Business Consultant, Ulster Region

**"Hi, I'm Cormac, and I support dental professionals across the Ulster Region by streamlining their supply needs and ensuring they have the best products and support for top-quality patient care."**

- **Experience:** 30 years in business development and client-focused roles
- **What I love about dental sales:** Helping professionals find solutions that improve patient care
- **Fun fact:** Recently danced in a gold jumpsuit in front of 250+ people — video available on request!
- **Work style in three words:** Proactive, customer-focused, and honest
- **How I help clients:** Expert guidance, proactive support, and access to top dental products
- **Excited about:** Building strong relationships and delivering impactful solutions

Contact Cormac on +44 7502 496 511 or at [CMcGreevey@bfmulholland.com](mailto:CMcGreevey@bfmulholland.com)

.....

## **Practical** for every practice

The Assistina Twin can be tailored to meet the individual needs of your dental practice. It can process up to 360 instruments per hour not just due to the innovative procedure with a short processing time, but also thanks to its ergonomic design and wide range of adaptors.

## **Oil service** without waiting time

Green light for better sustainability: with the Assistina Twin, waiting times during lubrication are a thing of the past. It is the first processing device equipped with two alternately usable process chambers, thus enabling non-stop loading. Prepare your transmission instruments easily and more efficient than ever!

## **Oil service** in record time

With the Assistina Twin, you can maintain your instruments more quickly than ever before. Thanks to the innovative oil nebulization technology, W&H has succeeded in decreasing the maintenance process to a record time of just 10 seconds – for a speedy and incomparably thorough maintenance result.

## Osstell Beacon

**Now £1,600 | €1,888**

**RRP £5,277 | €6,226.86**

### Intuitive guidance

#### Osstell Beacon

The Osstell Beacon, used with the cloud-based OsstellConnect, provides accurate dental implant stability (ISQ) readings with an easy-to-read traffic-light system. This helps guide treatment decisions and personalize care. OsstellConnect also enhances team communication, tracks clinical decisions, and offers visual graphs to show implant stability over time, improving patient understanding and treatment efficiency.

### Communicate with your patients using traffic light clarity

Track implant progress  
and plan the next steps  
with confidence!

### Precision and reliability with the **Implantmed** and Osstell Beacon solution

Implantmed Plus from W&H offers safe, comfortable implant treatments with an intuitive touchscreen interface, powerful motor, and secure torque control. It **connects** with the Osstell Beacon to display ISQ values, enabling real-time implant stability measurement. Features include a wireless foot control, intuitive pump, and automatic thread cutter.

## WHO WE ARE

We're a trusted supplier of dental products, equipment, and supplies across the UK and Ireland. With **over 50 years** in the business, we know exactly what dental practices need—from everyday essentials like consumables and PPE to advanced tools and high-quality equipment. We're not just about products; we offer **support**, digital services, and even training to help you provide the best care for **your patients**.

Shopping with us means you get top brands, expert advice, and reliable service all under one roof. We're here to make it **easy for you** to get what you need, so you can focus on what you do best.
