Since 1990, Ruby Orchids has been dedicated to cultivating the finest orchids in New Zealand. Today, they proudly stand as the largest cymbidium grower in the country, with an impressive production area spanning over 28,000 square meters.

What sets Ruby Orchids apart is their exceptional collection of exclusive orchid varieties. With their own breeding program, they continually introduce unique and captivating blooms that you won't find anywhere else.

Renowned for their commitment to top-quality flowers, Ruby Orchids is highly regarded in the industry. Their innovative approach ensures continuous improvement, offering you an ever-expanding range of stunning orchid varieties, with an exciting pipeline of yet more new and extraordinary varieties coming on the scene in the next few years.

At New Zealand Bloom, we strive to provide our customers with the most exquisite and extraordinary flowers available. That is why we are thrilled to announce an exclusive worldwide distribution arrangement with Ruby Orchids. Through this partnership, we are now the sole distributor of their exquisite flowers, making them available exclusively through New Zealand Bloom.

Alongside our portfolio of other great cymbidium growers, we look forward to bringing you the widest range of premium cymbidiums that NZ has to offer, this season and beyond!
