

BIG APPLE

A pleasant disconnection

A pleasant disconnection

The "Big Apple" can be placed in any environment. Placed in an outdoor space, placed in an ambience with bookshelves, or with sound elements, or it can stand alone where an extraordinary ambience begins.

You will find safety and shelter. Without noise and in constant connection with the environment itself.

**BIG
APPLE**

A pleasant disconnection

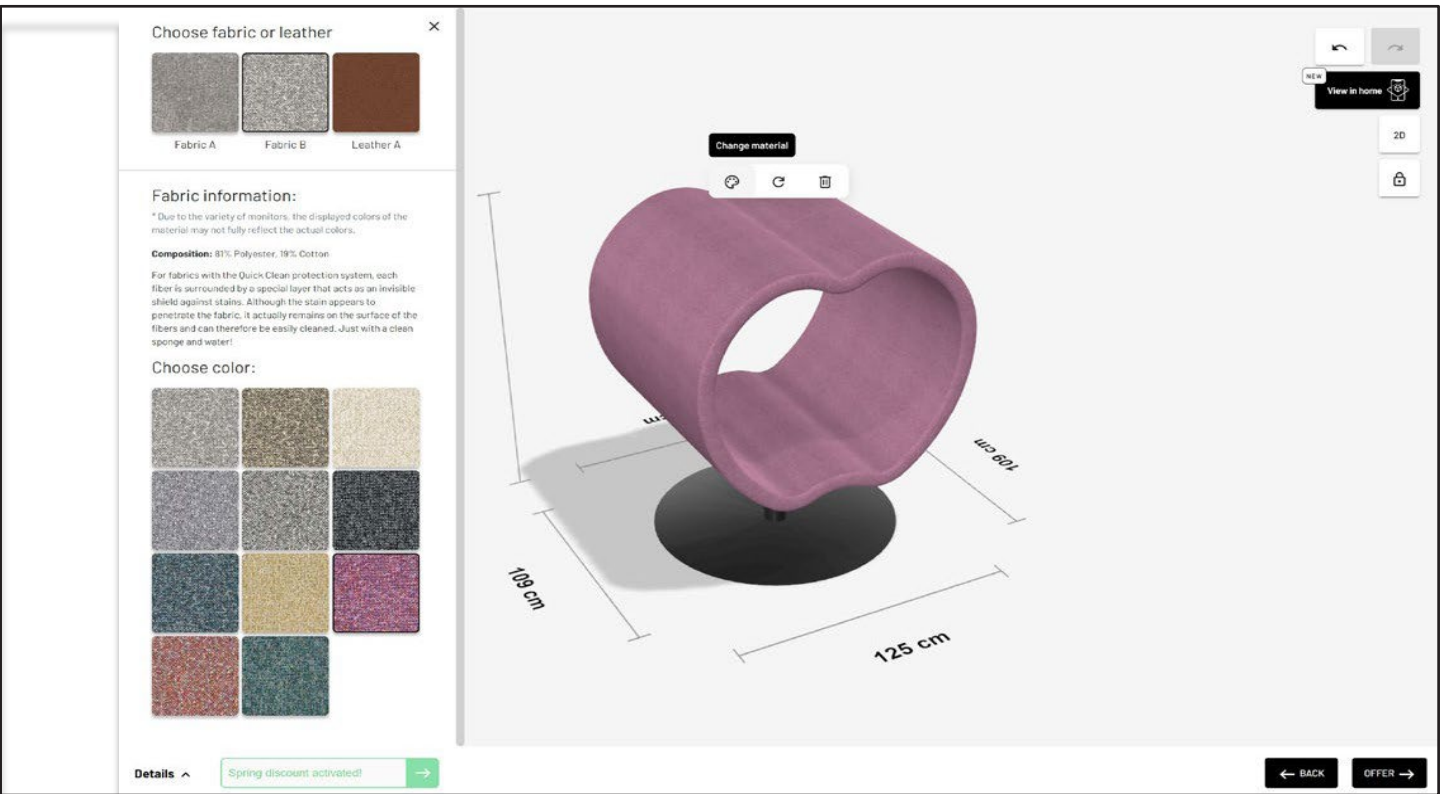

Wherever you place it, the Big Apple will bring a special atmosphere.
