A message from our Head of School,

LES RAINEY

As we launch into our 53rd year of providing quality Kingdom education in our community, we are reminded of our commitment to raising up the next generation through a partnership between the home, the church, and the school. As a ministry of Bay Area Church, we believe there is no greater influence in a student's life than this united effort to prepare them to use their God-given gifts to bring Him glory.

At Bay Area Christian School, this vision is more than just words on paper, it comes to life every day across our campus. From the classroom to the ball fields, from the band hall to chapel services, and even through joyful moments on the playground, our students are immersed in experiences that are intentionally designed to shape both their minds and their hearts. We believe education is more than academics. It's about discipleship. It's about helping students to see the world through a biblical worldview, love deeply, serve faithfully, and live courageously in a broken world.

Our teachers and staff are not just educators—they are shepherds and mentors, committed to walking alongside students with grace, truth, and purpose. In each grade and every program, we aim to equip our students with a biblical worldview that prepares them to engage the world with wisdom, conviction, and compassion. Our [monthly Red Star](#) is a simple yet meaningful tool to help your child treasure God's Word—hiding it in their heart and carrying it with them as they grow in faith and life.

This back-to-school guide is designed to give you the tools and information needed to start the year well. We hope you find this guide both informative and helpful as we prepare to begin another school year in August. Rather than send multiple emails, our aim is to centralize the majority of important information into this one publication. Inside, you'll find highlights of new faculty joining our team, important divisional updates, lunch information, and other helpful resources.

As we prepare to welcome over 950 students back to campus, we do so with great anticipation, knowing that God has uniquely designed this year to shape the lives of our students. Thank you for entrusting your children to us—we consider it a blessing to partner with your family.

It's a great day to be a Bronco!
