CORSICA AND SARDINIA - 8 DAY ITINERARY

FROM BONIFACIO - TO OLBIA

Figari Airport – Bonifacio

LET THE FUN BEGIN

Join your yacht in the pretty harbour of Bonifacio, lying at the foot of the ochre-coloured town and citadel perched up on the edge of the cliff. Get settled in on board over a welcome cocktail and lunch before exploring the town. Shoppers will be more than happy with the individual and artisanal boutiques on offer. History buffs will enjoy climbing the steps up to the Citadel.

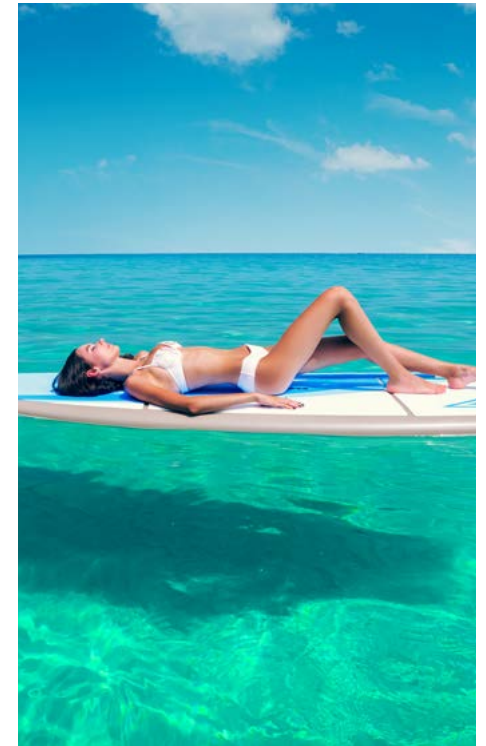

Bonifacio - Lavezzi - 8nm

WATERSPORTS RULE

Enjoy breakfast as the yacht cruises out of the fjord-like Bonifacio harbour. A short cruise and your yacht will arrive in the islands of Lavezzi and their impressive rock forms fashioned by centuries of wind and waves.

This is your playground for the day. Star gaze from the jacuzzi to end a perfect day.

DAY 3 —

BORDER HOPPING

Welcome to Sardinia! The first port of call here is the Maddalena Archipelago – a small cluster of pretty islands just off the Sardinian mainland – designated a National Park. Take the kayaks and discover your own perfect beach or paddleboard in and out of the rocks. Finish your day with drinks and dinner on board.

DAY 4

Maddalenas - Porto Cervo - 10nm

SUPER CHIC

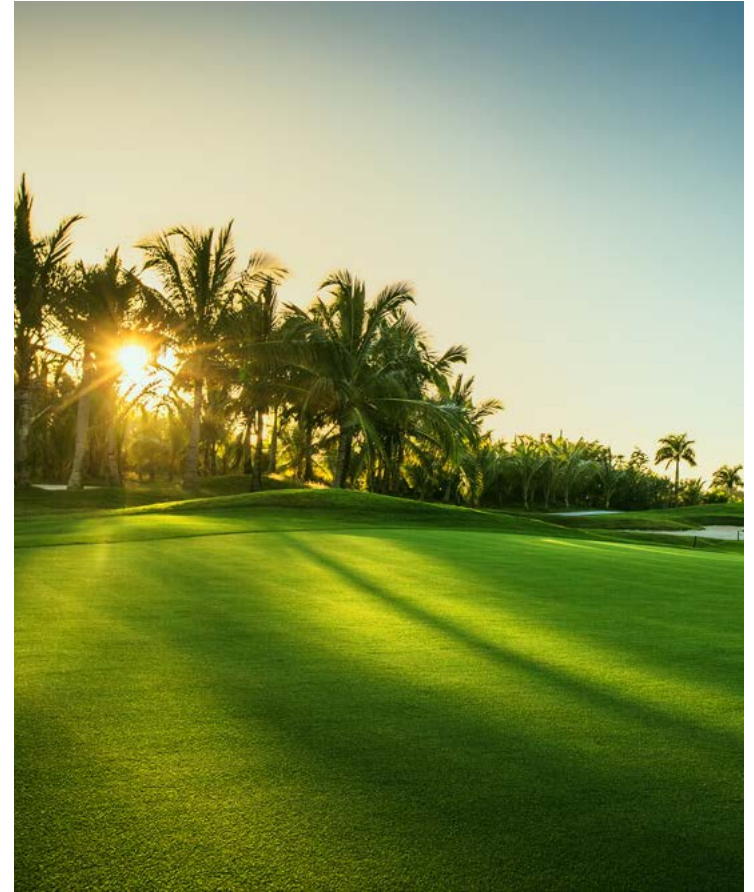

This morning the yacht will take a short cruise to Porto Cervo, the nerve centre of the Costa Smeralda - one of the most prestigious holiday destinations in the world. Head straight to the many designer and individual boutiques to find the perfect outfit for tonight.

The more active may prefer to stick to the theme of watersports. Then it's party time

DAY 5 —

FABULOUSLY FAMOUS

Have a late breakfast over a very gentle cruise round to Cala di Volpe which will be your anchorage for the day and overnight. Take a spin on the jetskis or try jetsurfing. You may prefer to laze away the afternoon on your favourite beach before preparing for another full evening of drinking champagne cocktails and eating another wonderful dinner.

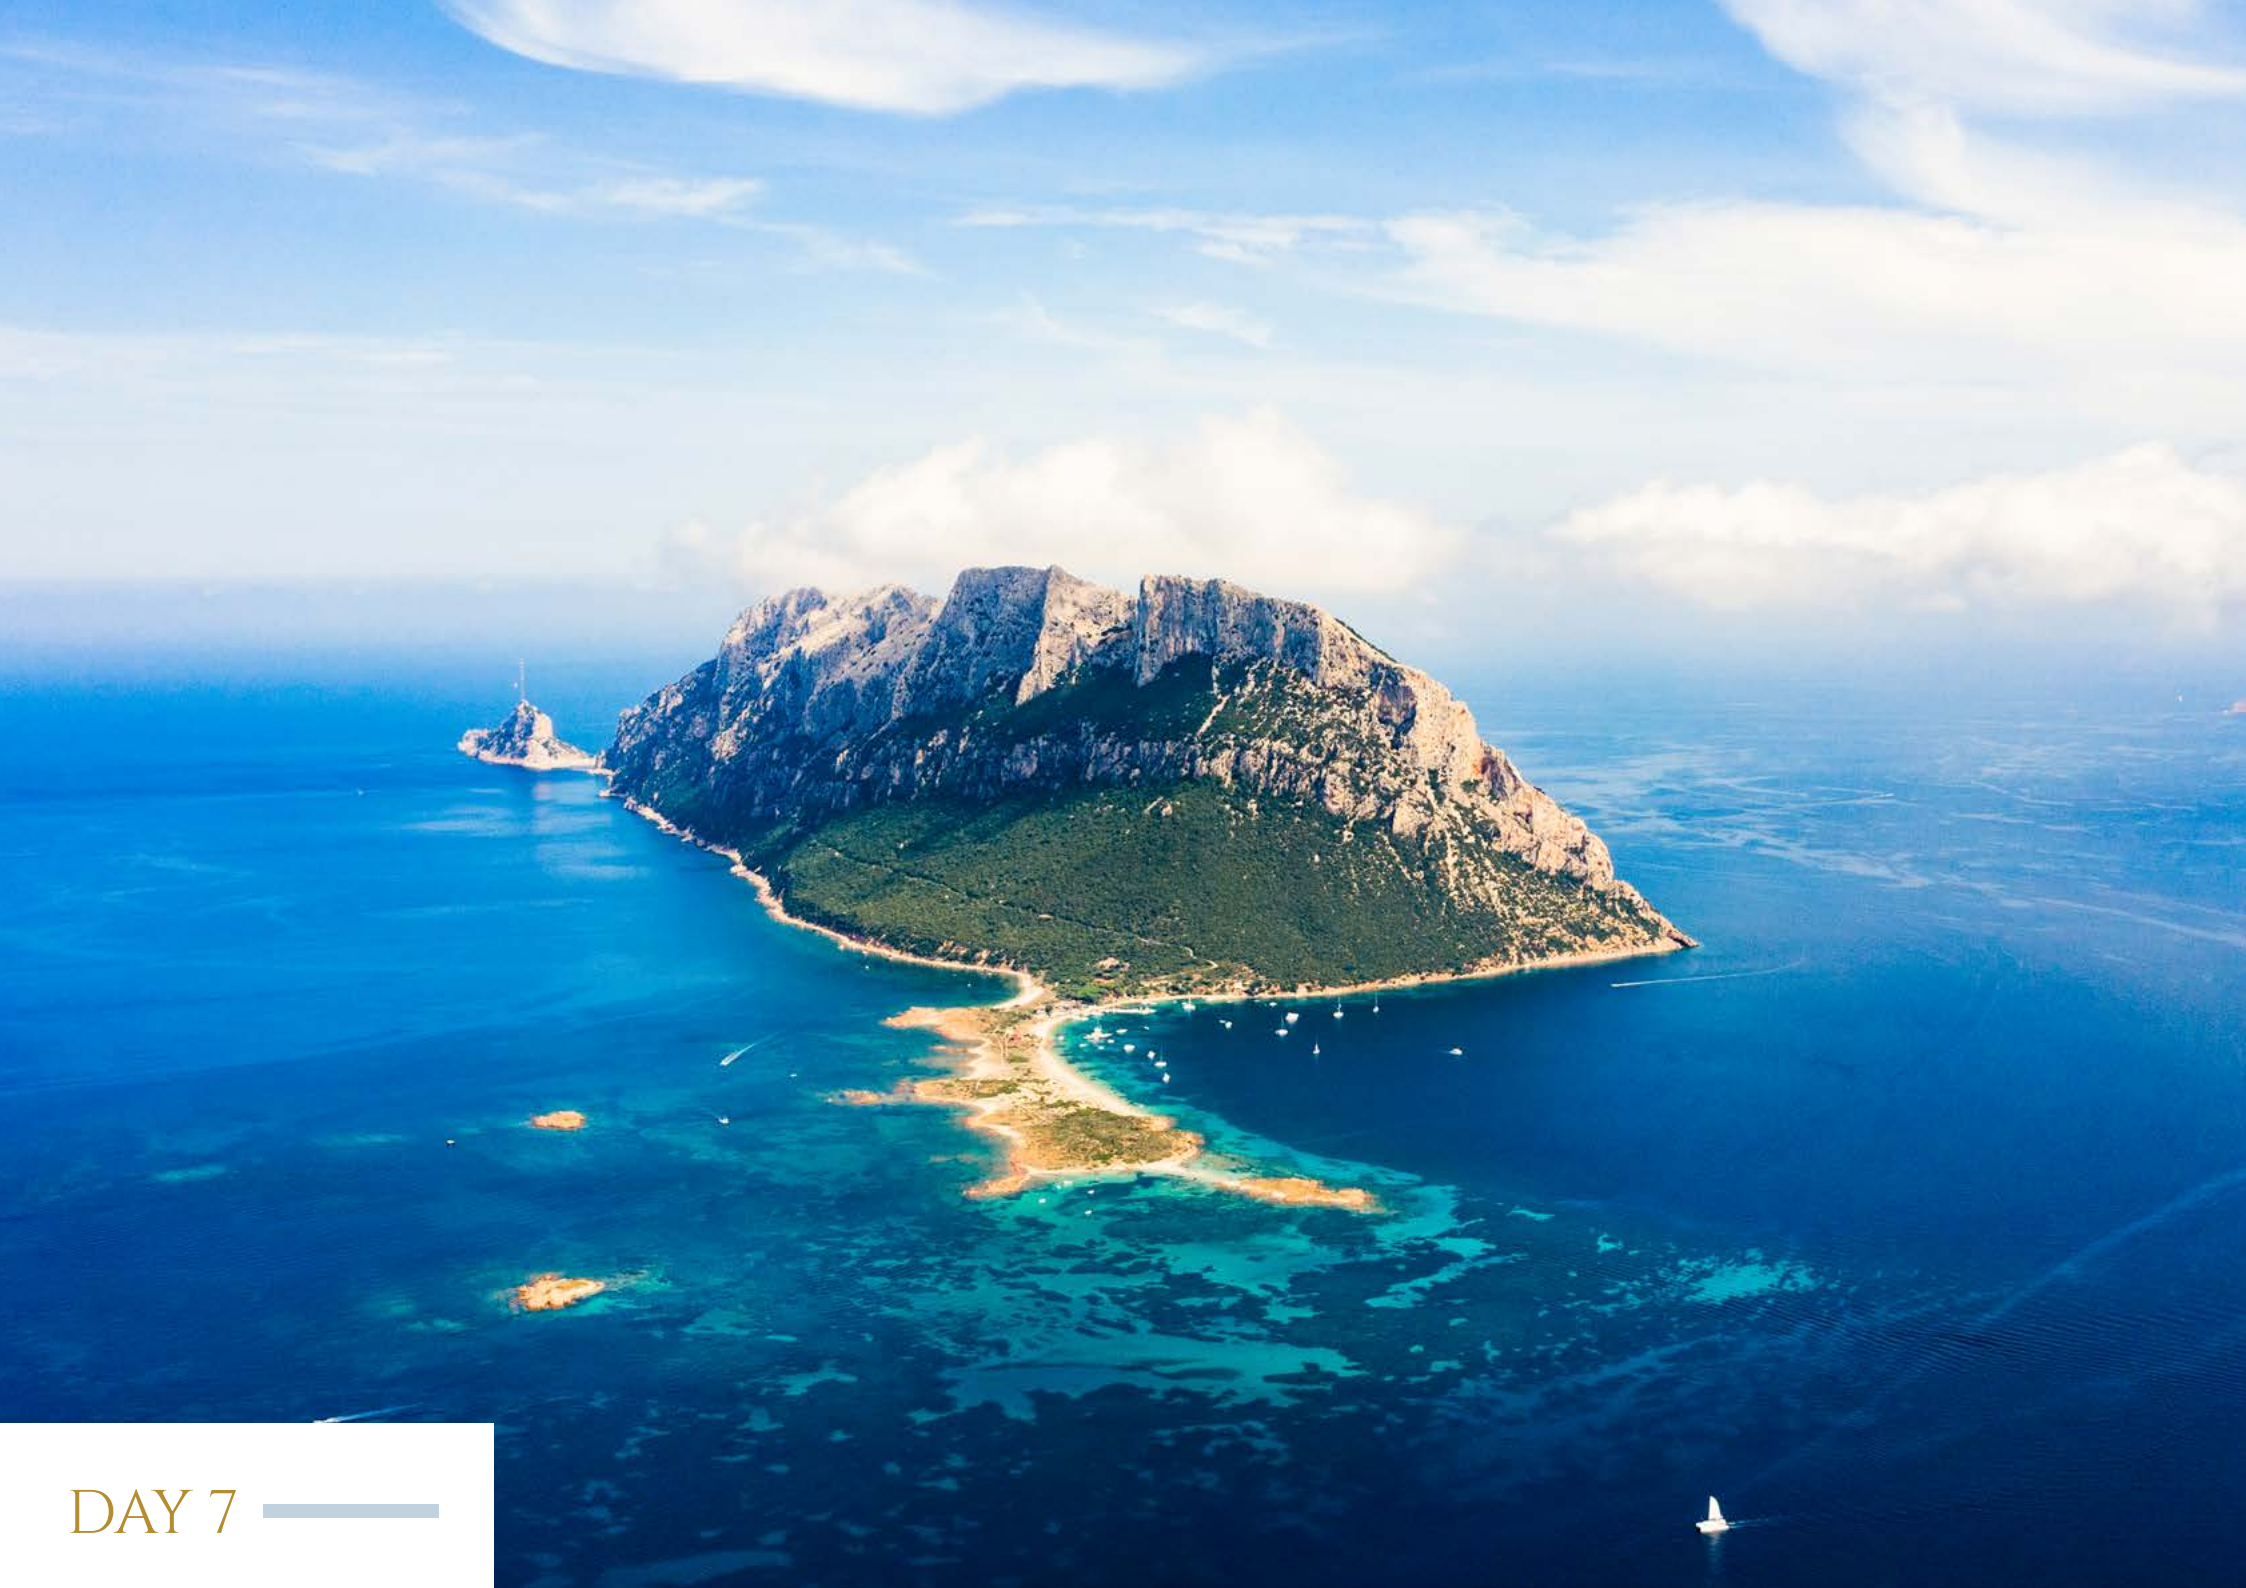

DAY 6 —

UNDERWATER ART

Wake up in Porto Rotondo and ease yourself into the day with some yoga or gentle stretching on the top deck. Porto Rotondo is another version of Porto Cervo with more boutiques and art galleries to explore. Once again there are a multitude of beautiful beaches to choose from to suit your mood. Have a quiet dinner on board this evening before heading ashore to find your favourite cocktail bar.

THE KINGDOM OF TAVOLARA

A short morning cruise takes you to Tavolara a small island just off the coast. Known in ancient times as Hermea, it is about 5km long by 1km wide and consists of Monte Canonne standing 565m above sea level with a tail of beach either end.

There are several different beaches to discover by kayak or head underwater to explore the marine life. After a busy day, the crew will organise a wonderful farewell party on board for your final evening while the yacht gently rocks at anchor.

BONU IAZZU

Enjoy a lazy breakfast as the yacht takes you into Olbia where you will disembark for your onward or homeward trip.

Please note that this is a suggested itinerary only and can be adapted as required and dependent upon your arrival and departure schedules. Some of the suggested stops in this itinerary may require reservations to be made in advance and will incur further costs.
