*Letter From the President***DAVID RIVERA, J.D.
PRESIDENT**

As I reflect on my journey as President of Cristo Rey San Diego High School, I am filled with gratitude for the unwavering commitment of our community. This past spring, we celebrated our inaugural graduating class, with 97% accepted to four-year universities such as UCLA, UCSD, Loyola, Emory, Cal Poly, and USD. This achievement is possible because of you, our steadfast champions.

You have built a foundation of hope, resilience, and belief in the transformative power of education. It's seen in our students' determination to earn their education, in seniors' smiles as they open college acceptance letters, and in our leadership team's vision for growth to meet increasing demand.

This is just the beginning. As our scholars' aspirations grow, so must our capacity to support them. With your partnership, we will continue to meet every challenge and expand our impact.

I invite you to reflect on your role in our success and join us in reaching new heights this year. Your investment is a testament to the belief that every child deserves the chance to rise above circumstances.

Thank you for your generosity. With a dedicated and growing community behind our scholars, we will welcome and empower more students to realize their full potential.

With heartfelt gratitude,
David Rivera
