Meine Geschichte

The image shows a story arc template consisting of 12 rectangular panels connected by a yellow line. The panels are arranged in a path that starts at the top left, goes right, then down, then right, then down, then right, then down, then right, then down, then right, then down, and finally right. The panels alternate between white and yellow. Small yellow tree icons are placed at various points along the path: one on the left side of the top-left panel, one on the left side of the middle-left panel, one on the top side of the middle-middle panel, one on the right side of the middle-right panel, one on the right side of the bottom-middle panel, and one on the bottom right corner of the bottom-right panel.
