Take advantage of our over 45 years experience

At RhinoCo, we will do whatever it takes to help you deliver incredible installations that earn you more and bring value to your business.

Leverage our 45 years of industry experience and let us show you how we can inspire your trade business.

Frank Ferrara, Director

The best Australian brands.

Succeed using our market leading Australian brands. Choose our well known, unique & protected brands to add value to your installations.

Industry leading warranty.

RhinoCo backs our brands and products with a leading 4 year or greater warranty on our professional CCTV, alarm, access control and intercoms.

Providing excellent support.

Save time and effort and get the answers you need with our Australian-based expert technical support team and detailed online knowledge base (Visit http://help.c5k.info).

Scan to visit our knowledge base

We have you covered with our national distribution centre.

Our distribution centre in Mulgrave, NSW with over 4,000m² of space for stock.

We're ready to supply you with whatever you need. With our huge national distribution centre filled with stock and same day shipping Australia-wide, we'll make sure you always get what you need for your job.
Same day shipping.

We ship nationally within one day from our distribution centre, with same day delivery for the Sydney Metro area.

Same day trade approval.

Sign up with your ABN and relevant license(s) and we'll immediately set you up with a trade account and dedicated sales representative.

Ready to supply you for your next installation

Here to save you time.

Get to your next job or finish the day earlier - save time on your next install with pre-configured systems in CCTV, WiFi, intercoms, access control & more.

Tools to help you succeed.

Leverage our marketing materials to support your quotes and win jobs - business cards, custom brochures, posters, demo stands & more.

Unique winning solutions.

We custom engineer solutions to your creative installation problems to achieve a winning solution. Ask us how we can support you in your next project.

RhinoCo TECHNOLOGY
M/L: 407530935

It is our mission to support and inspire your installation business.

Let us prove it to you.

Power & Illuminate Your Next Install with ENSA™

ENSA™

Solar Powered Lighting & Battery Systems

- **Solar systems to power your next installation**
- **Pre-configured & ready for implementation**
- **Use for lighting, CCTV, WiFi, access & more**
- High conversion rate monocrystalline panels
- Large capacity lithium batteries (LiFePO4)
- Fully adjustable LED lighting modules
- 180lm/W with microwave motion sensor
- Set parameters with included remote
- Optional bird spike strip included
- Ø50~60mm diameter pole mount

Configure Use with Included Remote

*Pole/base not included with SSL-B units, sold separately

56W Solar System
- 56W Monocrystalline Panel
- 218Wh LiFePO4 Battery
- 20W 180lm/W Area Light
- 145 x 75° Beam Angle
- 12.8VDC Output Voltage

SSL-B20MC

80W Solar System
- 80W Monocrystalline Panel

Watchguard access: Perfect for standalone installations

Watchguard™

Standalone Access Control Systems

- 125KHz card & code access, setup via reader
- Door chime relay, tamper switch & vandal lockout
- Data I/O bus for multi-station systems
- Add up to 3 x slave ACRDR100 access readers
- Add split decoded controllers for additional security
- Units include 2 x access control key cards; 12VDC

Split-Decoder for Standalone Systems

- Splits unlock signal from reader, prevents sabotage
- Terminals for alarm integration, 3 output relays
- Connect up to 3 keypads/readers; incl: 2 x keyfobs
- Power input: 12~24VDC auto-adjusting

*125KHz cards also available

Fast Hi-PoE Desktop Switches

Extend up to 250m at 10Mbps

- 4 & 8 port fast desktop switches 100M,
- 2 x RJ45 uplinks: 10/100M (-4F), 10/100/1000M (-8G)
- 30W per port (60W HiPoE); total 60W (-4F) / 96W (-8G)

VSPOE-SWA4F (4 Port) VSPOE-SWA8G (8 Port)

Gigabit Hi-PoE Switch

Desktop PoE switch, 1000M gigabit PoE ports, 30W per port & 1 x HiPoE port, 96W total

VSPOE-SWB8G (8 Port, 96W)

Gigabit Fibre PoE Switch

4 x 1000M gigabit PoE ports, 4 x SFP fibre ports, 1000M uplink port, 30W per port & 1 x HiPoE port 90W

VSETH-SW9GF2 (9 Port, 120W, SFP)

Mini GBIC Fibre Adapters

LC connector single mode & multi-mode fibre adapters for use with switch SFP ports, supports OM1/2/3/4 (-MM1); SMF (-SM1)

SFPMM1 (Multi-mode)
SFPSM1 (Single-mode)

Extended PoE Switch

- Extends PoE up to 800m to supported ePoE cameras
- Extends to 300m@100Mbps and up to 800m at 10Mbps
- Total PoE load up to 120W
- 8 x 100M PoE device ports
- 30W/port, 2 x 60W HiPoE
- RJ45 & SFP 1000M uplinks
- DIN rail mountable
- -30°~65℃ operating temp.
