

# THE *Norris* SYSTEM

**International CE Course**

**Interested In Hosting a CE Course In Your Country With Dr. Tito Norris? Choose From a 1-Day or a 2-Day Course!**

## **The Feature & Benefits of the Norris 20/26® System**

**Dr. Tito Norris**

Stone Oak Orthodontics | San Antonio, TX

### **1-Day Course Overview**

**Registration at 8:00am-9:00am.**

**9:00am - 10:30am:**  
(Break 10:30am - 11:00am)

#### **The Norris System Overview**

- Mechanics & Efficiencies
- Bracket positioning
- Earlier wire engagement
- Comprehensive bonding guide
- Seven factors affecting size discrepancies

**11:00am - 12:30pm:**  
(Lunch 12:30pm - 1:30pm)

#### **Airway Friendly Orthodontics**

- Exploring comprehensive airway
- Reading CBCT images
- Identifying factors indicating nasal and/or pharyngeal airway obstruction
- Prosthodontic approaches and maxillofacial surgical options

**1:30pm - 3:00pm:**  
(Break 3:00pm - 3:30pm)

#### **New Horizons In Interdisciplinary Treatment**

- Facially-driven treatment planning
- Treatment of gummy smiles
- Pre-orthodontic bonding
- MARPE, TADs, SAS and 3D trans-palatal arches

**3:30pm - 5:00pm:**  
(Questions/Answers After)

#### **Substitution and Autotransplantation**

- Dental implants in the esthetic zone
- Techniques for predictable, successful, and esthetic substitutions and autotransplantations

*Each of the four modules will include diagnostic and treatment planning strategies for all types of complex cases, with the goal of not just achieving occlusion predictably, but also treating with an emphasis on facial support and how to improve facial aesthetics as patients age.*
