The Illusion of the Perfect Profession
Betsy Gall

The Illusion of the Perfect Profession is a culmination of Betsy's journals, letters to God, and her journey with faith throughout this horrific traumatic experience that left her family shattered and asking how could this happen. Through reading and research, Betsy discovered that physician suicide is a trend. One million patients lose their doctors to suicide every single year. This is a subject matter that, unfortunately, needs to be widely discussed to help change a system that is undoubtedly broken.
