THIS IS NOT THEORY. IT IS PROOF.

*Seen by millions. Shared by thousands. Offers in days, not months.
Homes that would not sell before... now sold above asking*

Catalina was amazing! She was absolutely incredible in every aspect of this transition and experience. She made us feel like we were her only clients, even though we knew how busy she was, and she was always available for us at any time of day or evening for communication. She is a high energy person with total dedication to her craft and clients. Her passion and commitment is evident throughout the entire journey. We have bought and sold many properties over the years but we have never had a better experience with our real estate consultant! We would certainly recommend Catalina to anyone looking to buy or sell real estate. Thank you Catalina!

– SINGLE FAMILY HOME, Lutz, Tampa

We recently sold our home in Lutz, Tampa and Catalina was absolutely incredible throughout the process. From the first meeting, she was professional, knowledgeable, and very responsive to all our questions. Catalina helped us price the house perfectly, which led to immediate offer within the first weekend of listing. Her marketing strategy, from staging advice to high-quality photos and open houses, made a huge difference. What impressed us most is her communication—she kept us updated at every stage and handled negotiations with skill and confidence. Selling a home can be stressful, but Catalina made the entire process smooth and positive. We highly recommend her to anyone looking to buy or sell in the area!
