FITTED NAUGAHYDE BILLIARD TABLE COVER

Protect your pool table from dust, stains and damage with our heavy duty fitted Naugahyde cover. A good cover is important to the life of your billiard table. It will protect the finish and cloth from fading due to exposure to ultraviolet rays. It also will keep the table free from lint, dust and animal hairs while at the same time protecting the pockets from drying and fading.

CUE TIPS

KAMUI ORIGINAL TIP

Adds grip and consistency. Made with leather that maintains even more porosity enabling the tip to grip the cue ball to prevent miscuing. 14mm weight. Comes in a pack of one.

- 200580 Super Soft
- 200581 Soft
- 200582 Medium
- 200583 Hard

KAMUI STANDARD BLACK TIP

Designed to add more spin to the cue ball. The elasticity of the leather absorbs the momentum of the cue to propel the cue ball with spin. 14mm weight. Comes in a pack of one.

- 200584 Super Soft
- 200585 Soft
- 200586 Medium
- 200587 Hard

KAMUI CLEAR ORIGINAL TIP

Achieve greater consistency with a flat, coated base that limits glue absorption into the tip's bottom layers. 14mm weight. Comes in a pack of one.

- 200592 Super Soft
- 200593 Soft
- 200594 Medium
- 200595 Hard

KAMUI CLEAR BLACK TIP

Achieve further consistency by limiting glue absorbed into the bottom layer which guarantees a perfectly aligned installation. 14mm weight. Comes in a pack of one.

- 200596 Super Soft
- 200597 Soft
- 200598 Medium
- 200599 Hard

KAMUI BROWN SNOOKER TIP

Created with 10 layers of pig skin leather to be the best hitting and most consistent cue tips. 11mm weight. Comes in a pack of one.

- 200602 Medium
- 200603 Medium Hard

KAMUI BLACK SNOOKER TIP

The leather is tanned by a special moisture proof tannin. Giving the Kamui Black the black color and making it "humidity resistant". Longer durability, more elasticity. 11mm weight. Comes in a pack of one.

- 200600 Medium
- 200601 Medium Hard

KAMUI SAI CONTROL BREAK TIP

Elastic yet ultra resistant, this tip harness's incredible power and control. Select leather provides compatibility of the tip and chalk and maximizes the range tolerance 15mm weight. Comes in a pack of one.

- 200605

ATHLETE INDIVIDUAL TIPS

These tips combine elasticity and rigidity for a soft touch, with layers of different hardness. Its lowest layer allows flexibility during shots, while stiffness prevents power loss.

- 200607 Soft
- 200608 Medium

PREDATOR VICTORY TIPS

With 8 layers of top quality leather compressed together, this tip will maintain optimum compression for the entire life of the tip. The high contrast color also allows for better sighting and shaping in low light environments.

- 200571 Soft
- 200572 Medium

MOORI TIPS

Deadly traction with 9 layers of vegetable tanned leather in 4 different hardness options. 14mm diameter. Singular in a foil pack.
