# ABOUT US

SLEEK AUTO was established in 2015 as a company with a brand name **SUPER SEDE** into the manufacturing of premium plastic products which are non-fading, highly durable and flexible for the automobile industry. With over two decades of experience in the Automobile business, we are now the fastest growing Automobile company in West India.

Our Two-Wheeler Painted Plastic Moulded Body Parts are made from high-grade ABS material and painted in our in-house paint shop. The entire process takes place in dust-free chambers to maintain shine and finish. Colors used are as per O.E standards and match the exact shades offered by leading brands.

## **Mission**

To attract & retain customers by delivering outstanding quality products at competitive prices, ensuring every customer smiles.

## **Vision**

Our vision is to build world-class "Make in India" two-wheeler Auto Fiber and Metal Products, and remain competitive through superior quality and continuous innovation.

## **Values**

Integrity, Commitment & Quality – We are fully committed towards our value system & these guiding principles drive our growth and trust.
