Public pricelist - PART EU

Colour matching

We cannot guarantee precise colour matching against samples, or between different batches. Where colour matching is important, we recommend that a stock cutting is requested. Stonewashed qualities can have a slight difference within the colour lot due to the washing. Washing process can be no greater than +/- 15m per load. Therefore every piece is unique and can have the slightest differences between the rolls from the same lot.

Faulty goods:

Fabrics should be carefully inspected prior to cutting. Whilst every effort is made to ensure you receive the fabric in the best possible condition, damage may occur in transit. Therefore it is essential that no length cut until you are totally satisfied with the goods. No returns will be accepted after cutting, treatment or two weeks after goods are received.

PLEASE CHECK THAT THE CORRECT FABRIC HAS BEEN SENT.

Fabrics may not be sent back without authorization. Returned fabrics with authorization : credit -20% administrative costs.

Treatments:

No liability will be accepted for changes in appearance, performance of defects in any of our fabrics if they are treated after purchase, by spraying or processing of any kind, including flame-proofing or the application of stain-repellent treatments.

Discounts:

- 10% for 50m or more of the same color

Delivery charges/Customs duties:

Order < € 1200: € 30 - Order > € 1200: free (within EU)

IMPORTANT:

Image stability

Colored linen has a light stability of > =5 (following ISO 105B02). The 100% natural flax color "greige" has no light stability. We recommend this color not be used for curtains that hang in front of a window (linen blinds).

Fabrication of curtain / linen blinds / stonewashed linen. It is recommended that flax linen be conditioned in a controlled environment B190 (meaning temp +/- 20° C average humidity) before production.

Always use a lining which is suitable for flax. Suffocate this lining so that any movement of the curtain is allowed without disturbing effects. For example : make the lining shorter than the curtain and only stitch the side. This price list surpasses all previous ones. LF Trading holds the right to change prices and discontinue. Items without prior notice.
